## EDITOR'S PREFACE.

The special value of this volume consists in the information which it contains and communicates, relating to Towns in New Hampshire. It will be found indispensable in every Town History. We are little aware, at this period, of the sacrifices, trials, dangers and absolute sufferings which many of the early settlers endured in planting Towns in the interior of the State; where, literally, they often suffered "from savage beasts and more savage men." The border Towns were, for years, open to the incursions of Indians from Canada. Their earnest petitions to the Governor or to the General Assembly for help, clearly reveal to us their dangers and distresses. Besides this source of trial, others arose from disputes about boundary lines, the location of meeting-houses, the settling of ministers, irregularities in town meetings, &c. The volume is of great value, as giving the NAMES of many, and in some cases, all the male inhabitants of the Towns, from which petitions were sent. These will enable descendants to trace their connexion with the early settlers.

The volume, also, has an important value, in that, in the APPENDIX, it gives in full, all known facts relating to the Constitutional Conventions in 1778-1783, which resulted in the establishment of the first Constitution after the Revolution, 1784. The Editor is not aware that the facts herein have ever before been published, in connexion. He asks attention to the Note subjoined to the first and second articles of the Bill of Rights, on pages 896-898.

In examining these "Town Papers," readers will often do well to refer to the Provincial and State Papers in preceding volumes, of corresponding date, from which, in some cases, additional information will be obtained.

## THE WHEELWRIGHT DEED.

---

### NOTE BY THE EDITOR.

On pages 56-60, Vol. I. Prov. Papers, the "WHEELWRIGHT DEED," as it is called, is printed in full. In a Note on that Deed, p. 56, the Editor says, "That in the course of the following records particular facts will be noted, that may enable readers to form an opinion respecting the validity of the Deed." In this Volume, the Editor deems it proper to state, in brief, the conclusion which he has himself reached on that matter;—reserving his argument, in full, for publication in some other form.

The conclusion which the Editor has reached from all the facts which have come before him, is, that the said Deed is a **FORGERY**.

---

This Deed bears date, May 17, 1629, and purports to be a conveyance by four Indian Sagamores, of a tract of land equal to about forty miles square—between the Piscataqua and Merrimack rivers—to John Wheelwright, "late of England, of the Massachusetts Bay, and a minister of the Gospel," with four associate grantees, "all of the Massachusetts Bay."

The following are among the proofs that said deed is a forgery:

I. Aside from this pretended Deed, we have no evidence that the Rev. John Wheelwright was ever seen or heard of in this country till his arrival, May 26, 1636; not one of the associate grantees was here before that time; and one of them, William Wentworth, was a boy only fifteen years of age then, at Alford, in England.

II. The settlement of "the Massachusetts Bay" proper was not begun till more than a year after May, 1629, i. e., not till June, 1630.

III. The deed purports to be signed and sealed in the presence of two English witnesses, one of whom was certainly in England on the 11th of May,—six days previous—and the other was on shipboard on the Atlantic Ocean, and did not arrive in this country till June 29, 1629.

IV. Of the seven witnesses to the delivery of the deed, it is certain that only one, Edward Hilton, was in this country at that time; and if he signed the deed, he signed away all his right and title to the plantation on which he lived.

V. The above seven witnesses are said to be governors or stewards of plantations, called Laconia, Sawco and Squams-cott or Hilton's Point; but not one of the said plantations was granted till six or nine months after May, 1629.

VI. The deed purports to have been made by the Indians "with a desire to have the English inhabit amongst them." But

Passaconaway, the chief Sagamore, explicitly denies this, and declares "he did all he could to prevent their settlement, and fought against them."

VII. The date of the deed, May 17, 1629, proves to be the Sabbath, and therefore false to the principles and character of Rev. John Wheelwright.

VIII. On April 3, 1638, John Wheelwright and his associates made an actual *bona fide* purchase, of Indians, at Squams-cott—now Exeter—paid for the same and began a settlement;—which is inconsistent with the pretence that he bought in 1629, paying twice for the same land.

IX. The deed of 1629 occupies three and a half octavo pages, or one hundred and forty-two lines, while all the real Indian deeds of that early period are no more than sixteen or twenty-four lines; and therefore it betrays itself as belonging to a later period.

X. One condition or proviso in the deed is that the settlement, when begun, should be under "the government, laws and order of the Massachusetts Bay." But John Wheelwright came to Exeter, in 1638, as an exile, banished out of the territory and jurisdiction of the Massachusetts Bay, and immediately set up an independent government.

XI. The pretended deed of 1629 antedates the grant of New Hampshire to Captain John Mason, which is dated Nov. 7, 1629; and the evident intent and object of the deed was to head off a claim made by Thomas Allen, of title and possession, founded on said grant to Mason; the trial of which was before the Superior Court of New Hampshire, August 12, 1707. Then, for the first time, was the pretended deed brought to light—seventy-eight years after the date of it; and even then, only a "copy" of the pretended original was brought into court. This "copy," now on the files of the Superior Court, at Exeter, is the only evidence that Dr. Belknap quotes for the validity of the deed.\* [See Prov. Papers of N. H., Vol. II., pp. 522-528.]

\* The first discovery and exposure of this forgery was made by the late Hon. James Savage, of Boston, President of the Massachusetts Historical Society, about 1820; his views were re-affirmed, with additional evidence, by the late John Farmer, Esq., Corresponding Secretary of the New Hampshire Historical Society, in 1831. The opinion above expressed by the Editor is the result of an original investigation of the facts that relate to the case. It is but just, however, to add, that the late Samuel G. Drake, Esq., of Boston, maintained an opposite opinion, as does also the Hon. Charles H. Bell, of Exeter. [See Winthrop's History of New England, 1853, Vol. I., App. II, pp. 486-514; Farm. Belknap's History of New Hampshire, Vol. I., pp. 6-13; Drake's History of Boston, 1856, pp. 56-60, notes.] Ed.

To His Excellency John Wentworth Esq Captain General and Commander in Chief in and over His Majestys Province of New Hampshire &c: and to the Honorable His Majestys Council in said Province &c

The Humble Petition of the Proprietors and Inhabitants of the Township of Alsted in said Province Humbly Sheweth That whereas the Charter of said Alsted is out and thereby some of the rights or Shares are become forfeited: But we do rely on Your Excellency and Honors Clemency and Mercy when you shall see the account of what Persons is already settled and settling in said Town, and as by the Providence of God our Crops has been for these four years past much shortened by frost Dearth and worms and the last year by Blast which has caused Provision to be very scarce, and as that many of those People that Settle new Towns have but littel money to help themselves with and as the Scarcity of Provision has been such had People moved in much faster than what they have they must have Suffered for want of Provision as it could not have been Procured with money had they had it. Therefore your Petitioners Humbly pray that Your Excellency and Honors would take it into Your wise Consideration and if Consistant with your Wisdom to Lengthen out the time to those that have been Delinquent in doing their Duty would take it as a great favour, If Your Excellency and Honors should

think it not Proper to Grant any further time to those Delinquent to do their Duty in we Your Petitioners the Inhabitants pray that it may be Granted to us for our Children that have endured the many Fatigues and Hardships in bringing forward the Settlement of Said Town, and Your Petitioners as in Duty bound Shall ever pray

### AMHERST

[Amherst was granted by the Government of Massachusetts, 26 April, 1733, and was called Narraganset No. 3, which name was afterwards exchanged for Souhegan West, which it retained until the charter was granted, 18 January, 1760, by Gov. B. Wentworth. It was not under the government of New Hampshire until 1741, when the establishment of the line separated it from Massachusetts.—ED.]

PAPERS RELATING TO AMHERST (INCLUDING MONSON).

*Request of the Inhabitants of Souhegan West for a suitable Guard to defend them from the French & Indian Enemy, 1744.*

Att a Meeting of the Inhabitants of the Settlement or Plantation, called Souhegan West in the Province of New Hampshire at the house of Dan<sup>l</sup> Wilkins ye 16<sup>th</sup> of June 1744.

Unanimously agreed that Dan<sup>l</sup> Wilkins of this place in the name and behalf of the Settlers here Represent to the Governor and Council of New Hampshire our destressed Circumstance on account of our being Exposed to the French and Indian Enemy our Low Condition & Inability to subsist here unless a Suitable guard may be had to defend us when about our work; and that he make suitable application that these things may Immediately be obtained.

(1) Mr. Hutchinson was the first Town Clerk when Amherst was incorporated. He died in Maine, at the age of 90 years.—ED.

To his Excellency Benning Wentworth Esq<sup>r</sup> Capt. General and Governor in chief in and over his Majesties Province of New Hampshire in New England the Honorable the Council and House of Representatives in General Court convened.

The Memorial or Petition of Dan<sup>l</sup> Wilkins in the name and behalf of the Inhabitants of the Township or Plantation called Souhegan West No. 3 in the said Province—

Humbly sheweth the said Town has been settled by his Majesties subjects about nine years and a Gospel Minister ordained almost three years that the Settlers had an Eye at enlarging his Majesties Dominions by going into the Wilderness as well as at their own Interest, that some thousand of pounds has been spent in clearing and cultivating the Land there and vast sums in building Houses Barns & fences beside much time and expence in building fortifications by his Excellency the Governers order.

That the Breaking up the Settlement will not only ruin the Memorialists but greatly disserve his Majesties Interest by encouraging his Enemies to Enroach on his deserted Settlements and be also hurtful to the Province by Contracting its borders and drawing the war nearer the Capital :

That it was by a long and importunate Intercession of this Province, (and not of the Memorialists Seeking) that they are cast under the immediate care of this Government which they conceive give them so much the better Right to its protection :

That as war is already declared against France and a Rupture with the Indians hourly expected your Memorialists unless they have speedy help will soon be obliged to forsake their Town how diservisable soever it may be to the Crown dishonorable to the Government hurtfull to the Province & ruinous to themselves :

Wherefore,

Your Memorialists most humbly supplicate your Excellency the honorable Council and House of Representatives to take the premises into your wise and mature Consideration and to grant them such seasonable relief as may enable them to subsist in the war and secure against the Ravages and Devastation of a blood thirsty and merciless Enemy and your Memorialists as in duty bound will ever pray.

*Petition for protection against the Indians, 1747.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Gov. &c The  
Hon. his Majestys Council & House of Representatives in  
Generall Assembly Convened May 13<sup>th</sup> 1747.

The Petition of us the Subscribers Inhabitants of the New Plantation called Souhegan West Humbly *Sheweth* That there is Settled and now remains in this plantation thirty five families in which is about Fifty eight men upwards of sixteen years old. That when we began our Settlement, we apprehended no Danger of Our ever being a frontier, there being at that time so many above us begun and obligated to fullfill the Conditions of the Massachusetts Grants, which occasioned us to settle scattering, only Regarding the Advantages of Good and Compact farms. That the difficulty of War happening so early on our Settlements, and the Defenceless Condition they was in, has oblidged them all viz : Petersborough Salem-Canada New Boston & Hillsborough (so called) Intirely to draw off as well as the Forts on Connecticut River left naked. Whereby we are now left as much exposed as any of the Frontiers on Merrimack River

That the First year of the present war we was Favoured with a Scout from This Province (which we Thankfully acknowledge) and Salem-Canada with an other which was Equally Serviceable to us Since that time, both Salem-Canada and this Place has had a guard from the Massachusetts till the Winter passed together with our Inhabitants keeping a constant Scout (Tho much Impoverished thereby) That this encouragement has occasioned our venturing here till now That as we are now left without either Scout or Guard—Apprehend we are in Imminent Danger, Yet Loath to yield Ourselves Such an easy Prey to Our Euemies or Suffer Ruin by leaving our Improvements wast. One Whereof we have no Reason to Think, but must unavoidably be our lot, unless this Government Compassionately Grants us Protection.

Wherefore Your Petitioners most Humbly Pray that your Excellency & Hon<sup>rs</sup> would so far Comiserate our Present Difficult Circumstances as to Grant us so many Soldiers as your Excellency & Hon<sup>rs</sup> may Judge of Necessity for Our Defence and your Peti<sup>rs</sup> as in Duty bound Shall Pray &c.

*Petition from Monson.*(1)

To His Excellency Benning Wentworth Esq Gov<sup>r</sup> & The Hon<sup>ble</sup> his majestys Council & House of Rep<sup>ts</sup> in Gen<sup>l</sup> Assembly convened May 13<sup>th</sup> 1747.

The Petition of the Inhabitants of the town of Monson, Herenito Subscribers Humbly *Shewes* That the Said town is Lately begun to Settle & but about Fifteen Familys there.

That they are one of the Frontier Towns west of Merrimack River, & the most northerly One, already incorporated, Lying Between Hollis & the New Plantation Called Souhegan West.

That could we be assisted by Souldiers Such Competent number as might Enable us to Defend our Selves Shall Chearfully Endeavour to Stay there by Which we Shall Serve as a Barrier in part to Hollis Merrimack and Dunstable.

That last year we was Favoured by Souldiers From the Massachusetts, that Prevented Our Drawing off.

That Should the War be pursued by the Enemy as vigorously as Last year, (unless we are Favoured by some assistance from Y<sup>e</sup> Government) We Humbly apprehend 'twould be too great Presumption to venture our Selves & Familys there

That it will be very Ruinous to your Petitioners To leave their Settlements & the Frontier Widned, & for a Necessary Defence will Require a Greater number of Souldiers than to assist us there

Wherefore your Petitioners most Humbly Pray that your Excellency & Hono<sup>ry</sup> would be pleased to Take the Premises into your Consideration & Grant us a Guard for two Garrisons & a small Scout on Our Front Or Otherwise Relcive us in the Premises as in your Great Wisdom Shall Seem meet & y<sup>e</sup> Pet<sup>rs</sup> as in Duty bound Shall ever Pray.

Province of ) To His Excellency Benning Wentworth Esqr

The Petition of us the Subscribers Inhabitants of a tract of Land north of and adjoining to Monson Lying with no Incorporation of any town or District Humbly Shews—

That the Town of Monson in this Province is situated in Length East & West near eight miles & in Breth but about four miles & is Bounded on the Northerly Side by Souhegan River Both Sides of Which River is in the General Fruitfull & Profitable Land for Corn and Grass

That if the Limits of the Town of Monson afors<sup>d</sup> Were Enlarged on the North so as to add & Include the Following tract viz. to begin at the Northeast Corner of Monson on Sowhegan River & extend North by the line of Merrymac Two Miles, & to begin the next Station at the Northwest corner of Monson afors<sup>d</sup> & to Run thence North two miles and strait line from thence to the two mil's end first menshioned and to Bound to the old Bounds of Monson Which will be an addition of about seven thousand acres and will Make the Said town of Monson In the Genereal about five miles & an half In Bredth.

That the said River is Small and many Bridges are New and must Continue to be kept in Repair so that the Said River is of no Ill convenience to the uniting the Incorporation as afors<sup>d</sup> & will be for the Accomodation of Monson; Severall of us has for many years ben Settled there & at Heavy Expence made Our Improvements

That we have not had the benefit of any Incorporation in any Town, nor see any Present Prospect unless wee are anexed to Monson

That Monson then will be upwards of seven Miles the North Line and Lands to the North of them not Incorporated. so that it Can be no Predjudice to any Incorporation of any number of people for the Future the Land Generealy alike and Chiefly Good.

*Letter of Rev. Daniel Wilkins of Amherst relating to a Shire town in the proposed division of the Province into Counties.*

1 Oct. 1767.

To the Hon<sup>ble</sup> GEORGE JAFFERY Esq<sup>r</sup> in Portsmouth  
Hon<sup>d</sup> & Dea<sup>r</sup> Sr

After due salutation, I beg leave to inform your Hon<sup>r</sup> that the proposal of the General Court that Merrimack be the Shire Town of the County on the West side of Merrimac River has raised a general uneasiness throughout the whole County evin many thinking men in Merrimac itself (as I have been credibly informed) are well satisfied that if the Proposal be established it will be greatly to the Town Damage in general, as they are small in Number, consisting of seventy odd Families no more and them exceeding much scattered and many of the number on New Places and no ways accommodated to entertain a Court especially with Hay & Pastoring, neither do they ever expect to be well accommodated with the Primeses as great Part of their Land is poor and clothed with shrubs the uneasiness of the People arises from the said Proposals not being for Amherst rather than Merrimack Not only as Amherst has been talked of for a Shire Town evin from Its Infancy thereby fixing the minds of the People upon it, but for its situation Neerer the Hart of the County so that many Towns can come from Home in the Morning and return Home in the

Eyning that cant possibly do the like if the Court be at Merrimac, and thereby save a great deal of Charge to poor People and now S<sup>r</sup> I beg leave to give a Discription of Amherst in a few Words: It is Situate about Eight Miles from Mr Lutwyche's Ferry on Merrimac River the contents of which is about six miles Square containing about one Hundred and sixty Famelies and accommodated according to men of the best Judgment to settle an Hundred Families at least, more than is already settled, and near an Hundred of them good Country Farms Well accommodated with fields and Pastures and chiefly all good Husbans the Middle of the Town pleasantly situated, a good coach Road to it from the Eastward and Southern Parts of the Province and all Roads centering there The People in general knowing the situation and accommodations of Amherst to entertain the Court suppose that the General Courts proposal for Merrimack sprung from a mis-Representation.

The occasion of these lines to your Hon<sup>r</sup> was the cries of the People and to beg leave to subscribe your humble servt.

DANIEL WILKINS.

Amherst Oct y<sup>e</sup> 1<sup>st</sup> 1767.

P: S: S<sup>r</sup> I must beg leave to tell your Hon<sup>r</sup> that Mr. Willard a son of Coll Willard of Winchester and one Mr. Hall was at my House the Last Evening as agent for Keen and other towns towards the great River to desire that the Shire Town might be Amherst and likewise that there is a general uneasiness of its being at Merrimack and also Walepole as that every town save two would be greatly Discommoded if the Court was had at Walepole and not at Keen and also beg the favour of its being established at Keen as Keen will much best commode the People in General or at least that his Exelency with your Hon<sup>r</sup> would grant them Liberty to bring Down the minds of the People.

*Petition for a Division and Annexation.*

To his Excellency John Wentworth Esq<sup>r</sup> Cap<sup>t</sup> General and Comander in Chief in & over his Majestys Province of New Hampshire and To the Honorable his Majestys Council of said Province

The Subscribers being a Committee duly appointed by the Inhabitants of the Town of Monson in said Province to Petition your Excellency and Honors to divide said Town of Monson as hereinafterwards Expressed viz: Begining att the North East Corner of Monson then Extending South by the Town of Merrimac two miles then dew West to the West line of said Monson then North to Souhegan River then down said River to the bounds first mentioned to be annexed to Amherst and *the Remainder* of said Town to Hollis Humbly beg leave to suggest that the Lands in and about the Center of said Monson is so very poor Baron Brooken and uneaven as cannot admit of many Settlers so that those Families that are in Town are almost all planted in the Extreem parts of it We therefore conceive that if a Division were made as above mentioned the Interest and good of the people in it would be much promoted thereby Especially as we have no prospect of ever Building a Meeting House in the Center or else where any ways to accomodate us by which difficulties we thiak the Gosple will not be settled among us while in the present Situation we therefore pray that the above Division may be made and we as in Duty bound will pray

*Petition to be disannexed from Amherst.*

To His Excellency John Wentworth Esq<sup>r</sup> Captain General Governor and Commander in chief in & over his Majestys Province of New Hampshire, And the Honorable his Majestys Council.

The Petition of the Subscribers, being Inhabitants of the Southwardly part of Amherst in said Province most Humbly sheweth.

That the town of Amherst is about nine miles in length (by reason that about half the Town of Monson was of late annexed to it) and is capable of being Divided into two Towns or Parishes, without Prejudice to or Spoiling the same: That many of the Subscribers live in that part of Amherst, which

was lately Monson, & our being annexed to said Amherst was contrary to our desire & Interest; that we are so remote from the Center of Amherst, that it is (& ever will be) with great Expence inconvenience & difficulty to us and our Families, to attend publick worship, by reason of the distance. That many of our Estates are not so valuable by reason of our being annexed to Amherst, for before that, our Situation was nigh the Centre of Monson, & on that account purchased our Land, at a dear rate, & Monson being Annihilated, our Situation (many of them) is now more inconvenient than before, unless we can obtain your Excellency's, & Honors Interposition.

Wherefore we humbly Pray, that your Excellency and Honors would set us off from said Amherst, and Invest us with Town Priviledges, by the following Bounds & lines, viz, beginning at the Southwest Corner of what was formerly Amherst, thence Northwardly by the west line of Amherst one mile and an half, Thence East untill it comes to the East line of the Town of Amherst. Thence Southwardly by said East line of Amherst untill it comes to the North line of the Town of Holles, Thence Westwardly by the North line of the Town of Holles, untill it comes to the North west corner thereof. Thence Northwardly, by the West line of said Amherst untill it comes to the Bound first mentioned, or Grant us any other Relief, that your Excellency & Honors, in your Wisdom & Goodness shall Judge most convenient, & your Petitioners as in Duty Bound shall ever pray.

*Petition of Amherst against the division of the town.*

Filed Feb 4<sup>th</sup> 1771

1771 To His Excellency John Wentworth Esq<sup>r</sup> Captain  
General Governor &c. of the Province of New Hamp-  
shire—And to the Honorable His Majesty's Council of  
said Province

The Subscribers Inhabitants of Amherst in said Province.

Humbly Shew that for more than twenty years last past a Number of persons living on those Lands lately known by the Name of Monson, but more lately Joined to said Amherst not having a Minister settled among them, nor accommodations sufficient for that purpose (as they said) very constantly attended the worship of God with us in said Amherst not Doing anything with us towards our Meeting House nor towards the Support of our minister except some Small private Donations made to our minister. However they Repeatedly Requested our Town to Consent to Receive them. Promising to meet at any place that the maj<sup>r</sup> part of the People should fix to Build a House on, whereupon our Town after Repeated Sollicitashons to Receive them gave their Consent—And your Excellency & Honors some time in July last saw fit to Aggregate about one half of said Monson To said Amherst, soon after our Town Saw it necessary to Build a Meeting House and voted to Do it (our Present Meeting House being Small and insufficient for the old Town & said new Addition) the most of the People of the New Addition were present some voted in the Affermative some in the Negative, but they began to think that the Charter Subjected them to the same Duties with us of the old Town, that they must Defrey some part of the Charge in Building and so forth and not only so but must Do something towards supporting our minister, these Reflections affected some of them very Sensibly; they had not been acquainted with anything of the kind, they were Ready to Construe it as a Degree of Persecution & the like, And to Remedy this evil they are about Petitioning to have our Town as it now lyes Divided into two Parishes which we think cannot be Done without a manifest Injury to more than three Quarters of the Town, a very considerable Quantity of Land in our Town is barron and Poor and will not admit of two Parishes; besides it lyes in Such a Situation by reason of a River & Hills that the whole of the People may more conveniently meet at one Place, the place Pitched upon than at any two Places in the Town (of which the Gentlemen that Exhibit this will inform.) we would only add that if the Town is made into two Parishes it will tend very much to the Ruin of our minis<sup>t</sup> Therefore pray that if such their Petition should be preferred the prayer thereof may not be granted And y<sup>r</sup> Petitioners as in Duty bound will Pray.

The Selectmen of Amherst in the same Province, Beg leave to inform your Excellency and Hon<sup>rs</sup> that a Number of those persons that Inhabit those Lands formerly Called Monson but lately joined to said Amherst have lately signified their intention of Prefering a Petition to your Excellency & Honors, in which they should pray to have said Amherst Laid into two parrishes And some of them are so Sanguine about it as to suppose the thing may be Done at first asking without Notifying the Town of it, if so it must be submitted to, but the Petitioners are Humbly of Opinion that such a procedure must be very Detrimental to by far the greater part, even more than two thirds of the People, and being bound to think that your Excellency & Hon<sup>rs</sup> cannot be prevailed with to do any thing Tending to hurt the Civil and Religious Polity of any Incorporation Therefore in behalf of said Town Pray that if such their petition should be prefered as aforesaid that previous to granting the Prayer thereof The people of said Amherst may be Notified and heard thereon And your Petitioners will Pray By Desire of said Selectmen.

To the Hon<sup>ble</sup> The Justices of His Majestys Court of General Sessions of the Peace Holden at Amherst within and for said County on the 17<sup>th</sup> Day of August A D 1773 by adjournment from the first Thursday next following the first Tuesday of July 1773—

The Petition of us the Subscribers Freeholders of the Respective Towns of Amherst, Hollis, New Ipswich, Nottingham

West, Dunstable, Litchfield, Merrymac, Bedford, Derryfield, Goffes Town, Dunbarton, Hopkinton, Weare, Mason, New Boston, Lyndsborough, Wilton, Temple, Peterborough, Boscawen, Salisbury and Hennikar all in said County which said Petitioners are Agents Legally Chosen and Constituted for the said Towns, Whereof they are Freeholders and Inhabitants

Humbly Shews That in the Month of Septem<sup>r</sup> 1772. an action was brought by John Holland of Amherst aforesaid Yeoman (a Deputy Sheriff for said County) against one Joseph Kelley of Nottingham West in said County Gentlemen. Returnable at the then next Inferior Court of Common Pleas to be Holden at Amherst aforesaid for said County in October A D 1772 who for want of Bail was Committed to his Majesty's Goal at Amherst aforesaid That the said Inf<sup>r</sup> Court action came on to be tryed at Oct<sup>r</sup> Court aforesaid at Amherst. and the said Kelly then a prisener Moved by One Mr. Stephen Searles his attorney that he might either have Liberty to be present at the Tryal of that Cause and some others then and there pending wherein he the said Kelley was a party. or that said Causes might be Continued until he could be present.

Notwithstanding which their Honours the Justices of the said Inf<sup>r</sup> Court Ordered the said Kelly to be Defaulted. and enter'd Judgment against him in favor of said Holland for the sum of £83 Lawful Money or thereabouts, Damages & Costs, and the said Kelley being confin'd in said Goal by Virtue of a Writ Issuing out of s<sup>d</sup> Court was under the protection of the same That to call him Out without giving him the power of being present was Requiring an Impossibility and that the said Cause ought to have been Continued by the said Court officially.

That on the 14<sup>th</sup> Day of October a D 1772 said Kelly with one John Thom who was confin'd in said Goal for Debt. made their Escape out of said Goal

That this Hon<sup>ble</sup> Court at their adjournment in June last upon application by s<sup>d</sup> Holland, made a Grant to him of £83 Lawful Money or thereabouts for s<sup>d</sup> Judgment Obtained as aforesaid as your Petitioners Humbly conceived to be paid out of the Monies of the Freeholders and other Inhabitants of s<sup>d</sup> County That s<sup>d</sup> Kelly before the s<sup>d</sup> 14<sup>th</sup> Day of October had nearly Effected his Escape That the Sheriff of said County accepted of a Guard (Order'd by this Hon<sup>ble</sup> Court) for the greater safety of the Prisoners that he had from time to time placed a guard as your Petitioners are informed Dismissed s<sup>d</sup> Guard on the evening of the 13<sup>th</sup> of the s<sup>d</sup> October.

That your Petitioners are Likewise informed that s<sup>d</sup> Kelly frequently gave out that he Intended to make his Escape on the s<sup>d</sup> 14<sup>th</sup> Day of October.

That your Petitioners apprehend that the s<sup>d</sup> Sheriff was very negligent of his Duty not attending the Goal himself. and suf-

fering all his Deputys & Servants to be out of Town on s<sup>d</sup> Day.

That the Towns your Petitioners have the Honour to Represent with the lesser Ones, have very cheerfully borne the charges & Expenses of the County afores<sup>d</sup> hitherto; which have amounted to Divers Large Sums of Money, and are still willing to bear the Necessary Charges & Expenses of s<sup>d</sup> County and even for the Escaped aforesaid, were they not apprehensive that some unfaithfulness or undue Practice was the sole cause of said Escape.

That the good and Wholesome Laws of this Province give to M<sup>r</sup> Holland and other Claimants other good Remedys for Recovering their Demands without Burthening the County.

Wherefore Your Petitioners as Agents for the several Towns afores<sup>d</sup> which make the greatest part of the County aforesaid Humbly Pray that your Honours would suffer your Petitioners to State with Evidence the *Notorious Facts* before hinted at, and be heard by Council on the Premises—And that your Hon<sup>rs</sup> will be pleased to reconsider the Grant aforesaid made to s<sup>d</sup> Holland and direct the Treasurer of s<sup>d</sup> County not to pay the Same and be *Tended* (?) of making further Grants on account of s<sup>d</sup> Kelley & Thoms Escape—and your Petitioners as in Duty Bound shall ever Pray.

*Petition relating to Monson.*

To the Honorable Council and House of Representatives in General Assembly conven'd for the State of New Hampshire the second Tuesday of June 1782.

The Petition of the subscribers Humbly *Shews*

That your Petitioners Inhabitants on a tract of Land Lying between Sowhegan River and the town of Hollis (according to its first Charter) which tract was once incorporated into a Township by the name of Monson but at the time such incorporation took place, the inhabitants thereof were but few in number and unable then to Support the Charge of a town and Commonly attended public Worship at Hollis and Amherst.

That about the year 1770 a proposal was set on Foot for Monson to be devided and by new Charters annexed to the said towns, but notwithstanding the same was considerably opposed by many of the Inhabitants Both of Monson and Amherst the same has taken place and your Petitioners have been at much Public Expence in said Towns by reason of being annexed to them.

That the Contents of Monson are at least five miles Square and the Land as good as Land Generally is in this part of the Country and is now become considerably settled and increases dayly in Improvement and inhabitants, and are now able to Reap the Benefit of an incorporation if they might Obtain such a favour as they now consist of at least eighty five Familys.

That your Petitioners are not unacquainted of a certain Petition's Now being before this Assembly Signed by a number of persons residing in what was formerly Monson, Join'd by a Number Living in Amherst (according to the first Charter) Praying for Certain matters as in the said Petition is Mentioned and as the Matters Contained in these Petitions are of much importance to both setts of Petitioners a Consideration of this their request Previous to a final determination of the Petition above aluded to may Produce such a Law as will reconcile all parties and promote their Weal, Peace and Concord. Your Petitioners therefore most Humbly pray that your Honers will Take the Premises (in all its parts) under your wise Consideration and Give them Leave to bring in such a Bill as will Place the Antiant Town of Monson in its former Situation as to Boundaries, and invest them with such Priviledges and immunities as other Towns in this State hold and do Enjoye Your Petitioners can't think a Motion of this kind will be opposed by either of the Towns of Hollis or Amherst as they are large both as to extent and inhabitants, & should your Petitioners be sofortunate as to have a Bill passed in their favour as to an incorporation they will be Willing still to pay towards supporting the Gospel in the respective Towns they now belong to till they shall Maintain Preaching among themselves a very Considerable part of the time and as this Honorable Assembly can have no other thing in view but the Peace and good Order of all parts of the State they represent your Petitioners are encouraged to hope for a grant of their Request in such a way and manner as shall seem best to your Honers and your Petitioners as in Duty Bound shall ever pray &c

*Petition to be set off as a Parish.*

To His Excellency Benning Wentworth Esq: Captain General and Commander in Chief of His Majesty's Province of New Hampshire; To the Honourable His Majesty's Council, and the Honourable House of Representatives.

The Petition of the Inhabitants of the Westerly part of the Town of Plastow Sheweth, that by reason of the many & great difficulties they undergo in attending the Publick Worship of God, at the Meeting House where it now stands, through the great distance of their dwellings therefrom, and that Meeting-House is not large enough to Accomodate more than One Half of the Inhabitants of said Town—

And as it would be greatly to the Benefit of your Petitioners and prevent Strife and Discord among the Inhabitants, and also tend to the advancement of the Gospel, your Petitioners humbly request that the Westerly Half of said Town may be set off as a Distinct Town, or Parish, the Dividing Line to run as followeth, Viz. Beginning at the North East corner of Benjamin & Ebenr Hale's Land, from thence running a straight Line to the Bridge near Ebenezer Eaton's, from thence running by the Brook unto the Road near David Bryant's and from thence running by said Road unto the Province Line. Your humble Petitioners desire your Excellency and Honours to take our Case into your wise Consideration and grant us that Relief and Benefit which to your Wisdom Shall Seem meet. And your Humble Petitioners as in Duty bound Shall ever Pray

*Petition of inhabitants of Plaistow for annexation.*

Province of )  
New Hampshire }

To his Excellency John Wentworth Esq<sup>r</sup> Governor & Commander in Chief in and over his Majestys Province of New Hampshire &c to the Honourable his Majestys Council and House of Representatives of said Province in General Court Assembled: the Memorial of a Number of the Inhabitants of Plastow in said Province Humbly *sheweth*

That whereas by an act of the general Court Part of the Town of Plastow hes Lately been Set off, and made a new and Distinct Parish, and whereas Several Persons included in Said New Parish Have Petitioned to be annexed to the Town of Plastow: we the Subscribers Inhabitants of said Plastow beg leave to inform your Excellency & Honours of the Reasons why we Pray their Petition may be granted.

We beg Leave to acquaint you that if Said New Parish does Not Contain a greater Quantity of Lands than is Left in said Town of Plastow, as we are not Certain but it does, yet it is very well Known that the Lands in y<sup>e</sup> former taking a just Es-

timate of Quantity and Quality together are by far more valuable than Those of the latter, upon which account we in this Town are certainly laid under very great Disadvantages. Permit us further to observe to your Excellency & Honours that near one-half if not y<sup>e</sup> Majority of the Inhabitants of Said Plastow are either Professed Babtists or so far favourers of them as usually to Concur with them in opposing and Counteracting every necessary Measure Respecting either the Support of our Minister or y<sup>e</sup> Peace & good order of y<sup>e</sup> Town so that without Some Helps, we see no Probable or even possible way in which either the one or y<sup>e</sup> other can be Continued among us in any tolerable Degree.

We ask leave moreover to inform the Honourable Court that the North Parish in Haverhill in Massachusetts Province have hetherto ever Sence our first Incorporation into a Town Shared with us in Ministerial Charges and Privileges and appear willing to Continue with us in Case the fore said Petition be granted, so that their may be a better Prospect of Peace & order in Said Plastow; whereas if we Continue in our Present weakened and Devided State we have the greatest Reason to fear they are fully Determined to Seperate from us; in Consequence of which Separation we are at once irrecoverably Deprived not only of their Proportion of y<sup>e</sup> ministerial Tax, but Dispossessed of y<sup>e</sup> Parsonage Buildings & land, the greatest Part by far of which lies in Said North Parish, and which we have hitherto enjoyed only by Vartue of our Connection with Them we Therefore earnestly Pray your Excellency and Honours to take the affair under Consideration and grant Such Relief for the Said Petitioners and for us as you in your wisdom Shall Think best and we as in Duty bound Shall ever Pray

*Sundry Persons of Plastow Desire to have the Town Still remain undivided.*

Plastow Decem<sup>r</sup> 30<sup>th</sup> 1766

To the General Court of the province of New Hampshire

These are to inform your Hon<sup>rs</sup> That whereas there was two petitions Sent to the general Court the twenty sixth of June Last past in order to be considered at the next setting one to have the town Divided the other to anex a part to Hampstead, we the Subscribers Living within the Limits of s<sup>d</sup> petitions, are Desirous that Neither of them may be granted inasmuch as we think that it will very much Damnify the town at present for we Look on ourselves and the inhabitants of this town unable at present to maintain two ministers of the Gospel but inasmuch as there is a considerable Quantity of unsettled Land in this part of the town which is chiefly own'd by men belonging to other towns we are in hopes that in a few years we may be able and in the mean time we are willing that those that have petitioned to be anexed to Hampstead should attend the Publick worship of God and have Liberty to pay their minister Rate there for the term of Eight or ten years till we are

able to be two parishes and credibly to maintain two ministers for these Reasons we Desire that things may Continue as they are at present and in granting this our Request you will greatly oblige us and we think greatly benefit this town and as bound in Duty shall ever pray.

*Petition for power to raise money, &c.*

Province of )  
New Hamp. }

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander In Chief in and over His Majesty's Province of New Hampshire in New England the Hon<sup>ble</sup> His Majesty's Council and House of Representatives for Said Province in General Court Convened

The Humble Petition of Thomas Wright Merchant & Daniel Jackson Shop keeper both of Portsmouth in said Province being the Surviving Agents of the Proprietors of the Township of Barrington in the Province aforesaid Shews—

That: the Laws of this Province Respecting Proprieties of Townships or other Common & undivided Lands are very Defective & Insufficient in many Regards to Enable the Proprietors as a Distinct Body from the Inhabitants of the Towns where they Live to Transact & carry on the Business of Such Proprieties But in Particular with respect to the Speedy Collecting & levying Such Sums of Money as have at any time been Granted & Voted by the Propriety which very much Clogs & Embarrasses their affairs & Greatly Retards the Settlement of New Townships and thereby in a Great Measure Defeats the Good Purposes of Granting Such Townships Since there is no making a Settlement without raising money and many Persons get in to be Proprietors who will not Voluntarily pay their proportion of the Charges

That: the Proprietors of the Said Township of Barrington are Involved in the same Difficulties of other Proprieties in the aforesaid Regards and in Special with Respect to that Important Article of Raising Money having Several Sums in

Arrearage which tho' they have assessed & apportioned upon the Proprietors are not paid in but Either Remain uncollected or are in the Constables hands and that thro' a Deficiency of the Laws upon which the Propriety is formed

Wherefore your Petitioners in behalf of their principals most Humbly Pray that an act may be now past to Enable the Collector or Constable of the Said Propriety to Collect & Levy their arrearages in the same Summary way the Constables of Towns may do and give the said Proprietors the same Remedy against their Delinquent Collectors or Constables and also to make Effectual Provision for Raising & Levying money upon themselves for the future in such an Expeditious method as the nature of their affairs Require & Your Petitioners as in duty Bound Shall Ever Pray &c

*Petition of Thomas Shepard.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander in Chief in and over the Province of New Hampshire, The Honorable his Majestys Councill and house of Representatives in General Assembly convened—

The Petition of Thomas Shepherd in Behalf of himself and the other Inhabitants of the Two mile Streak (so called) in the Township of Barrington in said Province most humbly shews That there are sixteen families settled within the said Two mile Streak, containing upwards of ninety Persons in all That the Situation of the Same is such that the Inhabitants are very much exposed unto the Indian Enemy

That the summer past the laboring People there were obliged to leave their wives and children at home naked & defenceless whilst they went out about their business of husbandry having no Soldiers there to guard and protect them

That they are in great fear that the Indians will destroy some of them the approaching Spring and Summer, if they tarry there, unless the Government Allows them Some Protection. That in Case the said Inhabitants move in, it will give the Enemy an advantage besides that thereby your Petitioners Plantation where they raise Considerable Provision will lay unimproved

Wherefore your Petitioners most humbly Pray your Excellency and Honours to take their Case under Consideration and to allow them such a number of Soldiers & for such time as you shall judge reasonable, and your Petitioners as in Duty bound shall ever pray, &c.

The Humble Petition of John Garland and Samuel Brewster both of Barrington in said Province as agents for Barrington aforesaid Shews

That there are in said Town a number of the Inhabitants who call themselves Quakers a number who are Separatists from all Denominations of Christians and also a number of members of the Church of England besides the Common Denomi-

That there is no settled minister of that order nor any other in said Town at Present but frequently Lay Teachers come there and Encourage Separations & Divisions and as they all belong to the Town whenever there is a Town meeting to consider of Settling a minister as the Law of the Province Directs, they all attend & Sometimes out Vote the others & Introduce the greatest disorder & Confusion

Wherefore Your Petitioners humbly Pray that they whose sentiments are in the Congregational way & such others as will join them may be erected into a Parish & Authorized to Transact all affairs relating to Settling & maintaining a Minister of the Gospel & other affairs relative thereto according to Law by themselves exclusive of all others who will not join with them as members of the Same Parish or Society and that they may have leave to bring in a bill accordingly and your Petitioners as in duty bound shall ever Pray &c

The Inhabitants of the town of Bedford in the province of

That the proprietors of Narragansett Township No. 5 Alias  
Bedford and part of Merrymac have not had a prop<sup>rs</sup> meeting  
for several years and that the Clerk of said propriety has been  
Dead some space of time and there is no Comitee in the pro-  
priety to Call proprietors meetings The Consequence whereof  
tends much to your petitioners Damage

That there was Land Reserved by the prop<sup>rs</sup> in their Survey

be made on all the said land so reserved we are obliged to Lay  
out roads Elsewhere and for want of a prop<sup>rs</sup> meeting Legally  
Called, The power of Disposal of said reserved land Cannot  
be given to the town which if it were we might change with

those persons who have their land Cut with town roads who ought to have a proper Satisfaction for their lands so taken and would thereby prevent the towns paying a Considerable of money yearly

Wherefore we pray that your Excellency and hon<sup>rs</sup> would take the premises in Consideration and Grant us an order to Call a prop<sup>rs</sup> meeting of Narragansett Township N<sup>o</sup> five and your petitioners shall ever pray

The Petition of James Caldwell of Bedford In said province Humbly Shews that your petitioner being one of the Selectmen of Said Town for the year 1762 together with Mr. John Goffe & Mr. James Lions did agreeable to their usual form & Custom & agreeable to Law (for calling Town meeting) put up a notification for calling the free holders & other Inhabitants of said Town together at the usual place for Chusing selectmen Constable & other Town officers for said Town as the Law Directed, agreeable thereto the Inhabitants of said Bedford met and at said meeting made choice of M<sup>r</sup> Jn<sup>n</sup> Bell to be their Moderator & then proceeded to the Choice of the Select men & other Town officers, when the Moderator Declared that by the Votes Brought In they had made choice of Mr. James Little, Mr. Sam<sup>l</sup> Pattin & your petitioner for their Select men & Mr. Richard M<sup>r</sup> Allester as Constable for Said Town to Collect the Taxes, so it hapned that at said meeting there was no Justice present to sware s<sup>d</sup> officers & no Refusal from any one of them

at that time that they would not serve, but since it so happens by some misunderstanding or other that M<sup>r</sup> Sam<sup>l</sup> Pattin who was Chosen as a Select man refuses, as well the Constable Mr. Richard M Allester they calling it an Illegal meeting for what Reason is best known to themselves, as your petitioner is Quite Ignorant of any Illegality & your petitioner with Mr. James Little another of the Selectmen of said Town (being Ignorant of the Law in such Cases) did put up one other notification for calling a meeting In Said Town for Chusing Town Officers which meeting was held on the 24 ultimo when other officers were chosen in their stead, but by our charter we find we can hold no town meeting, Only on the last Wednesday of March for choice of Town officers which we did agreeable to said Charter & the several officers was Chosen as before mentioned, & expecting they would take the oaths as usual, the Moderator Dissolved the meeting by which means we are not able to Call any Town meeting for this Year Chusing proper officers to Levy & Collect the province Tax laid on said town of Bedford & if not Leevy'd & Collected this present year, the Burthen the next would then of Consequence be double the sum its this year, which would make it very difficult. Wherefore your petitioner Humbly prays the aid of this honorable Court touching the premises, & that you'd be pleased to Grant such Releif as you in your great wisdom Shall think proper & your petitioner as in Duty Bound Shall Ever pray &

*Petition of Contoocook, Penacook and Canterbury for protection from the Indians. 1747.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Captain General and Governor and Commander in Chief in and over his Majesty's Province of New Hamp<sup>r</sup> To the Honorable his Majestys Council and House of Representatives in General Assembly convened the twelfth Day of November 1747

The petition of Phineas Stevens, (1) Ebenezer Eastman and Jeremiah Clough in Behalf of themselves and the Inhabitants of Contoocook, Pennycook and Canterbury, in said Province, most humbly shews

That the said Places are frontiers and lay open and exposed unto the French and Indian Enemy. That they are not able to protect and defend themselves in Case of a Vigorous attack from the Enemy which they have Reason to fear may be the Case as soon as there Shall be Snow Sufficient to travel with Snow Shoes That unless they are protected, the Inhabitants Will be under a Necessity to break up and leave their habitations and so Consequently the frontier will be bro't nearer.

(1) He was the first minister of Boscawen. ED.

That your Petitioners humbly conceive it will be much better for the Province to have those Places Protected than to have them broke up. Wherefore your Petitioners humbly Pray your Excellency and Honours to take this Petition under your wise Consideration and be pleased to Grant such a number of men for each of the before mentioned Places and for such time as to your Excellency and Honours shall seem meet and reasonable and your Petitioners as in Duty bound shall ever Pray &

To his Excellency Benning Wentworth Esqr Capt General Governour & Commander in Chief in & over sd Province and to the Honourable his Majesties Council & House of Representatives of the aforesd Province now convened in General assembly at Portsmouth in said Province as they stand Prorogued to the 30<sup>th</sup> Day of October A. D. 1753

We the Subscribers Humbly Beg leave to inform your Excellency and Honours that att a meeting of the Free holders and Inhabitants of the town of Bow in sd Province held the 25<sup>th</sup> Day of July last past pursuant to a special act of this General Assembly for the calling sd meeting we were chosen Selectmen for sd. town for this currant year: And that since that time we have Received two Severall warrants from this Province Treasurer the first Dated May 30<sup>th</sup> 1753 and the other Dated the 26<sup>th</sup> Day of July 1753 by the first of which we are commanded in his Majesties name to assess the Sum of sixty Pounds on Said Inhabitants and by the other the sum of thirty

one Pounds four Shillings. And tho' we are Ready, (and that with cheerfulness) To obey Every order of government yet that we are at a loss as to the Boundaries of sd. Bow and consequently Dont Know who the Inhabitants are that we are to assess sd sums upon, that the Prop<sup>r</sup> of Bow in Running out the Bounds of sd town have as we conceive altered their Bounds several times, and further that one of those Gent<sup>n</sup> that purchased Capt. Tufton Masons Right to the Lands in sd Province has given it as his opinion that sd Prop<sup>r</sup> have not as yet Run out the Bounds of sd town agreeable to their charter But that their South East side line should be carried up about three quarters of a mile further toward the northwest and there is lately (by his order) a fence erected a long some miles near about sd place Designed (as we suppose) as a Division Fence between sd Bow and land yet claimed by s<sup>t</sup> Purchasers and that on the other hand the Inhabitants of Penycook formerly Erected into a District by a special act of the General Assembly of this Province (Tho they object nothing against submitting to order of Government) Refuse to give us An Invoice of their Estates (That is such of them as we have asked for the same) aledging that they Dont lay in Bow and that this sd assembly did as good as declare in sd District act So that upon The whole we humbly conceive (unless the pleasure of this Court is first made known Relating to the aforesd. affairs) that should we proceed to assess the afores<sup>d</sup> sums on such as we may have concei<sup>d</sup> are the Inhabitants of sd Bow that many would Refuse to pay the Sums that should be so assessed on them and consequently that we should be thrown into so many Law suits as would in all probability Ruine us as to our Estates. Therefore we humbly crave that your Excellency & Honours would take the afores<sup>d</sup> affairs under your wise and mature consideration and fix the Boundaries of sd Bow or otherwise give us such directions as you shall think proper and so submitting the whole affair to your Excellency & Honours to do as you in your great wisdom shall think fit not doubting that you will give us such directions as if followed by us we may obey the commands laid on us by this court without the lest detriment to ourselves

*Petition for a new survey of Lots.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Gov<sup>r</sup> & Commander in Chief in & over his majes<sup>t</sup> Prov. of New Hamp<sup>t</sup>  
The Hon<sup>l</sup> his Majestys Council & House of Representatives  
for sd Prov. in Gen<sup>l</sup> Assembly convened Jan. the first day  
1757

The Humble Petition of Daniel Pierce Esq<sup>r</sup> Tho<sup>s</sup> Wiggin & Daniel Marston Gent<sup>l</sup> Will<sup>m</sup> Pottle Blacksmith & Benj<sup>m</sup> Norris Yeoman as a Committee of the Prop<sup>rs</sup> of y<sup>e</sup> Town of Bow in s<sup>d</sup> Province Shews That there are many Persons who claim a Right to Lands in Said Township by Titles not derived from s<sup>t</sup> Proprietors & some who have made considerable Improvements there with whom the said Proprietors have had many expensive Suits at Law which has much impeded the settlement of said Township—That many of the said claimers & settlers particularly those who hold under the Proprietors of Suncook (so called) are desirous (as they say) of an accommodation & settlement of these Disputes & to become not only Inhabitants of said Bow but to hold their Title under that of s<sup>t</sup> Bow & no more to call it into Question which the Proprietors of Bow are as desirous to have effected & have taken many steps to that Purpose being sensible that these Disputes will finally prove more detrimental to themselves if ended by y<sup>e</sup> Law tho<sup>t</sup> in their Favour than any reasonable Concessions That notwithstanding the amicable & peaceable Dispositions of y<sup>e</sup> Parties concern'd there are Impediments which prevent the good effects that might be expected to result from such a temper which however willing they are not able to remove which your Petitioners beg Leave shortly to represent. That the Home Lots or first Division in s<sup>t</sup> Township of Bow which were laid out for forty acres each by some mistake fall short as to some of them which contain not much more than half that Quantity and y<sup>e</sup> lots laid out by the Prop<sup>r</sup> of Suncook run across these obliquely so that one of those interferes with several of these in many Places That by this means one

Person has to agree with several for his particular Lot & some of those are minors with whom no valid agreement can be made & the Proprietors of Bow are willing those who have made any considerable Improvements there (tho' they have done it in Judgment of Law in their own wrong) should enjoy the Fruit of their Labour That quieting the Possessors (who have improved as afores<sup>d</sup>) on equitable Terms will tend much to promote the Settlement of said Township raise y<sup>e</sup> Value of of the Land & save the great Expense which inevitably attends Contention which desirable end cannot be obtained by any way that your Petitioners can discover unless the laying out of some of sd. Home Lots by the Prop<sup>rs</sup> of Bow should be annulld & vacated which seems to be necessary to do Justice to some of the owners by reason of the mistake aforesaid as well as for the other Ends before proposed

Wherefore your Petitioners Humbly pray that the laying out of the said Lots the Return & Record thereof as done by y<sup>e</sup> said Proprietors of Bow (or so many of them as may be necessary for y<sup>e</sup> ends aforesaid) may be entirely annulled, & vacated that your Petitioners or some others may be enabled to lay out other unimproved Lands in said Township sufficient to be a just equivalent to the owners of s<sup>d</sup> Home Lots under the said Proprietors That the Land so laid out for said Home Lots may be taken, deemed & adjudged as common Land so far as relates to them or those claiming under them that they may be authorized to dispose thereof as they might have done if it had not been by them laid out as aforesaid in order for the proposed accommodation & agreement or so far as is Necessary to answer y<sup>e</sup> desirable Ends proposed and that your Petitioners may have Liberty to bring in a Bill accordingly and they shall as in Duty bound ever pray &c

The Petition of Edward Russell, Solomon Heath and Thomas Chandler all of Bow in said Province Humbly Sheweth That the Petitioners have lately Settled themselves on some of the Uncultivated Land in said Town of Bow where they still remain Hardly able to support themselves and Families

That the Petitioners understand there is a Very Great Province Tax laid on the Inhabitants of Said Town of Bow the last year, this Present year & the next year for their Delinquency for the space of seven or Eight years last past a Proportion of which Tax if Laid on the Petitioners would almost Ruin them and oblige them to Quit their Said Settlements. Wherefore the said Petitioners Humbly pray your Excell'y & Hon<sup>rs</sup> to take their Circumstances under Consideration and Relieve them from paying any Proportion of the said Tax In such manner as Your Excell'y & Hon<sup>rs</sup> shall in your Great Wisdom & Clemency see fit. And your Petitioners as in Duty bound shall ever pray &c

*Petition of the inhab<sup>s</sup> of the North part of Brentwood  
about a meeting-house.*

To his Excell<sup>y</sup> Benning Wentworth Esq<sup>r</sup> Gov<sup>r</sup> & Comand<sup>in</sup> Chief in & over his Maj<sup>ty</sup> Province of New Hampshire And to the Hon<sup>ble</sup> his Maj<sup>ty</sup> Council, & Representatives In Gen<sup>l</sup> Court assembled

We the Subscribers Freeholders & Inhabitants of the Northernly part of the parish of Brintwood in the Province aforesaid Do Humbly crave leave of y<sup>r</sup> Excell<sup>y</sup> & hon<sup>ty</sup> to lay this our humble Remonstrance of our distressed circumstances before your Excell<sup>y</sup> & Hon<sup>ty</sup> as follows viz.

Many of us Living four or five Miles Distant from Exeter meeting House, have attended the Publick Worship of God at that House for many years past, with great Difficulty, & our Familys Encreasing made it much more difficult especially in the Winter Spring and fall of the yeare Wherefore About eight

years ago we with Several of the Southerly part of said Parish Erected a House for the Publick Worship of God in the most suitable place as they then tho't and we now do think to Carry on the Publick Worship in And accordingly at our own charge have Carryed on the Same in the Winter, Spring & fall of the year ever since as we had for four years, or thereabouts before Erecting said House carryd on the Publick Worship in a Private House Standing neare our Publick Meeting House

And about last February was twelve month, the Freeholders and Inhabitants of the Southerly part of Brintwood aforesaid Petitioned the Town of Exeter aforesaid to be set off as a Parish contrary to the will & desire of most of us, & said Town of Exeter Granted their said Petition, notwithstanding many of us Disented therefrom, And their said Petition being Granted, they afterwards applyed to your Excell'y & Hon<sup>rs</sup> for a Charter for said Parish, which was granted them Contrary to our Desier, and greatly to our hurt. And we also having Earnestly Petitioned your Excell'y & Hon<sup>rs</sup> that we might be permitted to Continue to Carry on the Publick Worship of God in our said House, and to be set off by such Boundaries as your Excell'y & Hon<sup>rs</sup> Should think meet, & to be Exempted from all Charge towards the meeting and ministry in the Southerly p<sup>t</sup> of Said Parish &c, as by our Petition lying before y<sup>r</sup> Excell'y & Hon<sup>rs</sup> in your Honb<sup>ty</sup> Court may appear. Which Petition the Hon<sup>ble</sup> House of Representatives have seen meet to Dismiss And also your Excell'y & Hon<sup>rs</sup> having appointed a Comitee of four Gen<sup>l</sup> two out of Each House to Prefix the place where the meeting House ought to Stand, Three of said Gen<sup>l</sup> have been and made Return but is accounted voyd by your Excell'y & Hon<sup>rs</sup> For that the Comitee did not all Joyn in their Return & for which Reason our Petition was also Dismist. Wherefore our case at present Seems very hard & Difficult, we having been at such cost to Erect our said House and to maintain Preaching in it hitherto & the Minister also who hath hitherto preached to us being at our Earnest desire willing to Continue with us in the Ministry. If your Excell'y & Hon<sup>rs</sup> will in your great Wisdome take this our Remonstrance of our Difficult Circumstances in our Present Meeting House not being Established & our aforesaid Petition not being Granted & the great Charges and Difficulties we hitherto have and still do Labour under, under your Excell'y & Hon<sup>rs</sup> wise Consideration & be pleased to grant us Relief herein as in your Great Wisdom you shall see meet And as in Duty Bound we your Excellys & Hon<sup>rs</sup> most obedient Humble servants shall ever Pray &c

*Petition of Elisha Sanborn about Brentwood 1745*

To the Hon<sup>ble</sup> the House of Representatives for the Province of New Hampshire in General assembly conven'd April 2<sup>d</sup> 1745:

The Petition of Elisha Sanborne of the Parish of Brintwood In Said Province Yeoman as agent for said Parish Humbly Shews

That the Said Parish was made & Incorporated by an act of the Gen<sup>l</sup> Assembly made & passed in y<sup>e</sup> Sixteenth Year of His Majestys Reign by Metes & Bounds Set forth in said act being before part of the old Parish or Town of Exeter. That Since the Said Parish was so Incorporated His Excellency the Governor has been pleased (by & with the advice of the Council) to grant a Charter for Erecting and Incorporating part of the afores<sup>d</sup> parish of Brintwood Into another Parish by the name of Keeneborough whereby great part of the Inhabitants of Brintwood Conceive themselves Discharged from paying Taxes & Doing any other Duty within the Parish of Brintwood & Claim the powers authoritys & Priviledges of a Parish within the Limits given by the said Charter the consequence of which is many persons are doubly tax'd & great Debates & strifes have & are likely to arise. That the Parishioners of Brintwood apprehend that not only their powers authoritys & priviledges are made null if the said Charter be good, but the act of Incorporation aforesaid is also Defeated & Superseeded which greatly affects the Rights & Priviledges of this House & in them all the King's subjects in this Province That the said Parishioners foresee a wide Field of Law opening before them hereby (one of their Number having been already Imprisoned for Rates made in Consequence of the afores<sup>d</sup> Charter) which they Should be glad to avoid if it could be without giving up their Just Rights Wherefore your Petitioner in behalf of his principals prays the advisement of this Hon<sup>ble</sup> House in the premises that some scheme may be Pursued In Conjunction with the other Branches of the Legislature as may settle these Disputes (but just beginning) upon such a foundation as is agreeable to the Constitution & on which a lasting peace may be built & Your Petitioner In behalf of his Constituents Shall Ever pray &

ELISHA SANBORN.

*Remonstrance against Keenborough Patent.*

Province of  
N. Hamp

To His Exc<sup>ty</sup> The Gov<sup>r</sup> and the Hon<sup>ble</sup> the Council May it Please your Ex & Honors

On the 2<sup>d</sup> Day of the last month Elisha Sanborn of y<sup>e</sup> par-

ish of Brentwood in s<sup>l</sup> prov. Yeoman as agent for said Parish represented to this House in way of Petition that the said Parish &c (here recite the Petition at large) \* \* \* \*

Which Petition of the said Elisha in Part above recited we have taken into our most mature Consideration together with authenticated copys of the said act and Charter mentioned in said Petition with such other Evidence as the Petitioner has thought fit to lay before this House in support thereof, by which it manifestly appears to us, that there was an act or Law made and past by the Gov<sup>r</sup> Council and represent<sup>iv</sup> of this Province dated the day of 17 by which a Part of the Town of Exeter was incorporated into a Parish named of Brintwood by metes and Bounds, and that the Inhabitants within said Bounds, were *to duty Parish Duty*, and receive parish privileges in said Brentwood, and were exonerated from parish Duty in the Parishes whereto they belonged before the Date of said Law: That Discontent soon arose among the Parishioners of s<sup>d</sup> Brentwood about the Place of fixing their meeting House, which occasioned a new Petition to the Governor Council and Gen. assembly dated the day of 17, for a minor Part of said Parishioners prayer, to have the said Parish divided into two Parishes but that which was offered in support thereof appearing frivolous to the General assembly, the said Petition was by them ordered to be dismissed: That afterwards (viz) on the day of 17 The discontented Party petitioned anew to His Exc<sup>ty</sup> and Council regardless of the General assembly (one Branch of the Legislature) praying again for a Division of s<sup>d</sup> Brentwood into Two Parishes, which your Ex. and Council (without the Gen<sup>l</sup> assembly) were pleased to take Cognizance of, and on the day of 17 to grant a Charter under the Province Seal to the said Petitioners, incorporating another Parish named Keenborough by metes and Bounds and exonerating the Inhabitants of said Keenborough from their Parish Duty in Brentwood which they were obliged to do and perform there by Law, which charter so far This House looks upon as an attempt to abrogate and supersede a Law in Part, and thereby an open Usurpation of a Power appertaining to the Gen assy in Conjunction with the Gov<sup>r</sup> and Coun. and a manifest invasion of the Just rights and Privileges of the People whom we represent, and an Infringem<sup>t</sup> on the rights of the Parishioners of Brentwood, and an oppression of them in particular, which we think ourselves obliged to take notice of in Duty to His Majesty, in faithfulness to our Constituents and in Justice & Honour to ourselves and to remonstrate against it. We do therefore earnestly request your Ex<sup>ty</sup> and Honours, seriously to reconsider this matter, and to recall the Keenborough Grant

and thereby put an end to the Strifes already commenced, and a stop to others ready to break out in consequence thereof and also to save this House the Trouble of saying or acting further on upon it, for as we are the representatives of a free protestant People and as such the Guardians of their Privileges, we esteem ourselves obliged to make a stand ag<sup>t</sup> every attempt made to deprive them of their Just Rights, and particularly we shall think ourselves inexcusable in case your Ex<sup>ties</sup> and Hon<sup>rs</sup> should not relieve us if we should not apply to His most Excellent majesty who is graciously pleased to esteem his own Prerogatives and his Subjects Privileges equally dear to him for a remedy, and we esteem ourselves more especially obliged to take this step (if your Ex & Hon<sup>rs</sup> don't prevent it) as it is not the first Instance wherein your Excellency has attempted to invade our rights Witness your Endeavours to get the provincial Records of Deeds into your Hands, or at least to have the Disposal of them, which are no other than the Peoples Evidences of their Titles to their Land Estates and therefore according to the rules of common sense and Reason, ought to be in their own several keepings if it could be, but as it can't they ought to be disposed of by them who are the Proprietors of their Evidences as well as of their Estates. Another Instance was your Excellency's Endeavor to augment the number of members of this House by your own near arbitrary Power, without any Law enabling you so to, or any colour of authority from His majesty for your so doing that was ever made known to us, to which may be added your Excellency's causing a number of men to scout on y<sup>e</sup> west side of merrimack River last summer before A Grant was made for their Pay and Subsistance, and which we humbly apprehend your Excellency could not rationally expect ever would be and the scouters remain to this Day without wages and those that subsisted them without their pay for it whether this is not oppressive we leave to the wisest Judges to determine. Proceedings of this nature will cast no blame on us, but it gives us Concern, that any office must bear the Records of such Conduct were it possible for us to entertain so dishon<sup>ble</sup> a Thought as that a Vote could be past at the Council Board, and the Voters not be fully apprised of your directions without maturely deliberating on the materials it was built with we should have at Once concluded, that the Vote for Keenborough Charter was such an one. May it please y<sup>r</sup> Ex and Hon<sup>rs</sup> we crave Leave to repeat our request to you for a reconsideration of the Keenborough affair and that you will be pleased to do what is just and right therein to quiet the minds of the People to stay the Strifes already begun and to prevent other Divisions that are like to arise—we are Zealously concerned that Love and Peace

may be cultivated in the Province and a Harmony in the administration, that the Prerogative may always rest secure that the Infractions made on our Privileges may be healed, and that they may ever hereafter remain safe and inviolate.

*Petition of the Selectmen of Keeneborough.*

To his Excellency Benning Wentworth Esqr; Governor & Commander in Chief in and over the Province of New Hampshire in Council

The Humble Petition of the Selectmen of Keeneborough in the behalf of y<sup>e</sup> Inhabitants of sd Parish Humbly sheweth

Whereas your Excellency in Conjunction with the Honourable his Majesties Council was pleased to take compassion on us under our former Difficulties and Grant us a Parrish by ourselves; For which we looked upon ourselves greatly obliged to your Excellency, and the Honoured Council and hoped to have enjoyed great peace & quietness and by virtue of the Charter given us, we have acted ever since, and according to Charter have proceeded to settle a Gospel Minister amongst us viz: The Rev. Mr. Nathaniel Trask, which by Charter we supposed we had full power to do, and to Raise money for his Settlement & Support, and accordingly have raised a Tax upon y<sup>e</sup> Inhabitants for y<sup>t</sup> end, but some Discontented persons amongst us, Influenced by some of y<sup>e</sup> Parish of Brentwood, and by others in other places, who informed them that your Excellency and his Majesties Council, had no power to make us a Parish, and y<sup>t</sup> your Charter was good for nothing, and being likewise encouraged by y<sup>e</sup> Gentlemen of y<sup>e</sup> Law, have refused to pay their Taxes, and being seized and Imprisoned by y<sup>e</sup> Constable, has brought the Case into y<sup>e</sup> Law; and to our great Surprise, Judgment went in their favour, at y<sup>e</sup> last Superior Court, So y<sup>t</sup> now we are in a Deplorable Condition; Having a Minister Settled and money to pay both for his Settlement & support, and no power to raise any Money in a Legal way, or to gather in any Tax, already raised, and hav-

ing been at great Expense in vindicating y<sup>e</sup> Charter, and seeing no hopes of a Reconciliation with y<sup>e</sup> Parish of Brentwood, their Demand being so unreasonable, nor of Relief in any other way. In this Deplorable Case we humbly crave pity of your Excellency & the Honourable his Majesties Council, and that you would advise us what to do, and would be pleased to find out some way for our Relief, for otherwise we shall run into y<sup>e</sup> greatest Confusion, Religion will Die amongst us, and both Civil & Ecclesiastical authority be trampled upon: So hoping that your Excellency & y<sup>e</sup> Hon<sup>ble</sup> his Majesties Council will afford us relief, under these pressing Difficulties and prevent our Ruin, and your Petitioners as in Duty bound shall ever Pray &c

*Petition of the Proprietors of Canterbury about cutting a road, &c.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor & Commander in Chief in & over His Majesty's Province of New Hampshire the Hon<sup>ble</sup> His Majesty's Council & House of Representatives in General Court Convened

The Petition of Thomas Young of New Market in said Province Inholder & Samuel Adams of Durham in said Province Physician as Agents for & in behalf the Proprietors of the Township of Canterbury in said Province & in behalf of the Inhabitants of that place Humbly *Shews*—

That the said Proprietors have for some few years last past applied themselves more closely than at first to the pursuit of proper measures for Settling the said Township, & among other things tho't proper for that end have built a meeting house & from time to time hired a minister to Preach to the Inhabitants, which has encouraged the Settlement so that there are about thirty Families now upon the spot.

That the said Proprietors have with considerable expence cut a way from Durham up into the Country upwards of twenty miles towards the said Township of Canterbury, which if cut thro' will be of Great advantage not only to that place but to the Province in General and which they are not able to Effect, & must (with other designs formed for the End aforesaid) fall thro', for want of Proper Laws to Compel such Proprietors as neglect to pay their proportion of the Charge & of such necessary taxes as have from time to time been laid upon them

That it is Evident beyond Contradiction that such designs cannot be executed without Considerable cost & Expence & that every Proprietor ought to bear his proportion of the Charge which has not been done in this case, but the Burthen has been borne by such as were voluntary in the affair & so Reasonable as to do what they Knew they could not be Compelled to by Law Relating to the good of the Propriety

That there are several years taxes not fully paid but arrearages due from Sundry of the Said Proprietors the want of which has been Supplied by others advancing such sums as were necessary and as occasion call'd for them which is a great grievance & a most unreasonable thing that the Charge of carrying on a settlement should be defrayed by some & the advantage be reap'd by all, or that some should be exempted from the charge & yet be equally Intitled to the Profits with those who have born it

That the said Township is a valuable Tract of Land & the settlement thereof (as your Petitioners humbly conceive) deserves the Countenance of the Government as much as & per-

haps more than any new Township in the Province upon more accounts than can be here Enumerated & without which the Settlement will necessarily go on heavily & Slowly as it has hitherto done

Wherefore your Petitioners most humbly Pray that an Act may now be passed to Enable the said Proprietors by their Select men or other officers to Compel such Proprietors as have not paid their proportion of the Rates which have been assessed, to pay them forth with & in default thereof to Dispose of so much of their land, or anything thereon that will Raise the Money as was lately done for the Proprietors of Nottingham or to Levy the same as the Constables of Towns do the Town & Province tax and that Effectual Provision may also be made to Enable them to Raise money upon themselves for the future & Enforce the payment in such a Summary & Expeditious method as may answer the Ends of the Propriety & promote the Settlement & thereby the General good and your Petitioners in behalf of their Constituents as in duty bound Shall ever pray &c

*Petition of Proprietors of Canterbury for a Bridge.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor & Commander in Chief in & over His Majestys Province of New Hampshire. The Hon<sup>ble</sup> His Majestys Council & House of Representatives for said Province in General assembly Convened the 22<sup>d</sup> Day of Feb in y<sup>e</sup> 17<sup>th</sup> year of His Majesty's Reign.

The Humble Petition of Samuel Adams & Joseph Drew both of Durham in said Province as the Major part of a Committee of the Proprietors of Canterbury Chosen to find out & clear a Way or Road from Durham to said Canterbury Shews That yo<sup>r</sup> Petitioners with Benj<sup>l</sup> Smith of said Durham were

chosen & appointed for the business aforesaid and have with Considerable Expence found out & Clear'd a Place for a Road from Durham to Canterbury which may be made with little farther expence (Saving the building a Bridge over Sun Cook River over which the said Way must unavoidably run) a very good Road

That your Petitioners Conceive the Public advantage of good Roads Especially in a time of War for flight or other occasions are so obvious that nothing need to be said on that head and that as every Town is in some Degree benefited thereby where there is a call for an Extraordinary Charge it ought not to be the burthen of the town to which it leads only but of every Town and in this Case the Charge could not be born by that Town

That in order to make the said way answer all the good purposes designed thereby there must be a good Strong Bridge Built over the said River & the Proprietors of Canterbury having been at a very great expence already in Clearing Said Way and carrying an end other affairs to promote their Settlement are not able to Build the said Bridge at their own Cost

Wherefore your Petitioners Pray that a Bridge may be built at the charge of the Province over the said River at the place to which the Way Cleared as afores<sup>d</sup> leads That the same may be forthwith proceeded upon before the Ice breaks up because of the advantage of working upon it And that as the said Way is not open'd by any authority of Law it may be Established by the authority of the General assembly for a Publick Road and your Petitioners In behalf of the Proprietors of Canterbury and all others concern'd as in Duty bound Shall ever pray &c

To His Excellency Benning Wentworth Esqr. Captain Gen-

Humbly Sheweth Josiah Miles Yeoman and Thomas Clough

And as the Inhabitants of the said Township have been at Great Trouble & pains in Settling said Township and have been a Great part of the time since the obtaining the Charter aforesaid Labouring under an Indian War (and many Rumors thereof when it was not an actual Warr) and said Township being a frontier the Inhabitants had as much as they could Subsist under to maintain their Respective familys without making any Enquiry into their Charter priviledges. The humble Petition of Archelaus Moor Gent. Henry Elkins

Gent. Sheweth

That your Petitioners are Settled on a Tract of Land in form  
of a Gore which until lately was deemed a part of the Town  
of Canterbury in said Province, and lays between that and  
Bow: But upon running the Canterbury Line about 12 years

*Petition of Abiel Foster about Town records.*

Province of  
New Hamp<sup>s</sup>

To His Excellency John Wentworth Esq<sup>r</sup> Governor in chief in & over said Province The Honourable the Council and House of Representatives in General Assembly conven'd

The Humble Petition of Abiel Foster of Canterbury in the County of Rockingham Clerk, as agent for & in behalf of the Proprietors of Canterbury aforesaid Sheweth that a vast Number of Papers containing the Votes and Proceedings of said Proprietors touching their most important Concerns as Proprietors, and by which, many Estates in said Canterbury have been conveyed and are now held by some Neglect or Omission of the Clerks of said Proprietors, have not been recorded.

Upon the Discovery of which said Proprietors appointed a Committee to collect, inspect, examine and see that the same should be recorded in the Proprietors Books. The said Committee according to their appointment carefully examined said Papers and found them to be in the hand writing of the former Clerks of said Proprietors most of them among the files of said Proprietors to have all the Marks of original fair & Genuine Minutes and Entries some made thirty years ago, which Papers the Committee have within six months past caused to be recorded in the Books of said Proprietors, the Record of which Papers contains Eighty Pages in folio or more.

And as the same Papers were not attested by any of the former Clerks of said Proprietors, tho' they appear to be truly made as aforesaid, Your Petitioner humbly conceives that the Interposition of your Excellency and Honors will be necessary to authenticate the Same. Wherefore he humbly prays in behalf of said Proprietors that a Committee of the General Court may be appointed to inspect and examine s<sup>d</sup> Papers and Records lately made and to report thereon, and that s<sup>d</sup> Papers and records may be authenticated by your Excellency and Honors either by act or Resolve of the General Assembly or in any other way that your Wisdom may suggest. The Memorial & Petition of Timothy Lovell of Rockingham in said province Humbly Shews

That your Memorialist is now the owner of & in possession of a certain Island in Connecticut River, nearly adjoining to Charlestown containing about Nine acres, that the said Island was always deemed part of the said Township of Charlestown, & so allotted to & among the Proprietors, who with those who hold under them have cultivated & mowed the same for near seventeen years last past, & never heard the Title controverted, till within a very little time past y<sup>r</sup> Mem<sup>ty</sup> has been informed that some persons are about to make application to Y<sup>r</sup> Excellency & Hon<sup>ty</sup> for a Grant thereof, which might be productive of much Trouble & inconvenience &c. *Petition in behalf of the proprietors of Chester.*

To the Hon<sup>ble</sup> John Wentworth Esq<sup>r</sup> Lieut. Gov. Governor and Command<sup>r</sup> in Chief in and over His Majesties Province of New Hamp<sup>sh</sup> and to the Hon<sup>ble</sup> the Council for said Province.

The Humble Petition of Henry Sherburne Sam<sup>l</sup> Ingalls, John Sanborn & Tho<sup>s</sup> Packer in Behalf of the Propriet<sup>r</sup> of the Town of Chester In said Province Humbly Sheweth

That the Propriet<sup>r</sup> of the Town of Chester afores<sup>d</sup> about two years since Chose a Committee to Join w<sup>th</sup> a Committee of the Town of Londonderry to run the Line between the two Towns, which the said Committee accordingly Begun & made some Progress in it but did not Complete the same, by reason that the Committee for Londonerry would not consent to allow the usual allowance (of Eleven Chains for ten for windfalls & in y<sup>e</sup> woods) in the measure on the W. N. W. or Side Line, and would allow only bare measure which was unreasonable and never Practiced before the reason of their being so Exact is Because the Propriet<sup>r</sup> of Londonderry have Artfully contrived to have it so in their Charter as to Ingrese to them selves the

Fishing place at Ameskeegg by taking into their Town a small gore of Land at the head of Chester, running so far between the river of Merrymack and the head of Chester until it takes in the said Fishing place, they having measured it beforehand for that purpose, their Ingrossing to themselves y<sup>e</sup> s<sup>d</sup> Fishing place will not only be greatly prejudicial to Chester but also to the other New Towns. Y<sup>r</sup> Petitioners therefore Humbly pray That yo<sup>r</sup> Honours will be pleased to appoint a Committee to run the said Lines and Settle the bounds between the said Towns in such a manner as is Customary and yo<sup>r</sup> Petition<sup>rs</sup> as in duty bound Shall ever pray

To the Hon<sup>ble</sup> John Wentworth Esq<sup>r</sup> Lieut<sup>th</sup> Govern<sup>r</sup> Comand<sup>r</sup> in Chief in & over His Maj<sup>ty's</sup> Prov<sup>ce</sup> of New Hamp<sup>sh</sup> And to the Hon<sup>ble</sup> the Council for Said Province.

The Humble Petition of Clem<sup>t</sup> Hughes, Rob<sup>t</sup> Smith and John Sanborn Selectmen of the Town of Chester Humbly Sheweth

That Cap<sup>t</sup> Tobias Langdon, Cap<sup>t</sup> Tim<sup>o</sup> Gerrish & John Smith appointed by yo<sup>r</sup> Hon<sup>rs</sup> sometime Since to be a Committee to run y<sup>e</sup> Head Line of Exeter (w<sup>ch</sup> is the Dividing line between s<sup>d</sup> Exeter & Chester afores<sup>d</sup>) did not attend the Directions of yo<sup>r</sup> Honours in that affair but followed the Directions of yo<sup>r</sup> Select men of said Exeter therein, and having run s<sup>d</sup> line to yo<sup>r</sup> s<sup>d</sup> Selectmens mind, made their return to yo<sup>r</sup> s<sup>d</sup> Selectmen instead of doing it to yo<sup>r</sup> Hon<sup>rs</sup> so that that line is as yet unsettled to the great prej<sup>u</sup>dice of the afores<sup>d</sup> Town of Chester

Yo<sup>r</sup> Petition<sup>rs</sup> Therefore Humbly pray yo<sup>r</sup> Hon<sup>rs</sup> to appoint a Committee to run the two miles that Exeter is to run upon a W by N. point above Dover and from thence upon a Straight line to a Beach Tree (on Kingston Side Line) appointed & marked in the year 1718 to be yo<sup>r</sup> bounds for Exeter on yo<sup>r</sup> side, by the Grand Committee appointed by the Gen<sup>l</sup> assembly to fix yo<sup>r</sup> bounds of each Town within this Province which Straight line is yo<sup>r</sup> Dividing line between Exeter & Chester, And that yo<sup>r</sup> Hon<sup>rs</sup> would please to Direct Said Committee to run said Line with all Convenient Speed and yo<sup>r</sup> Petition<sup>rs</sup> as in duty bound Shall Ever pray

To His Excellency Benning Wentworth Esqr. Governor & Commander In Chief in & over His Majesty's Province of New Hampshire the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for saide Province in General Assembly Convened the Ninth Day of March 1757

The Humble Petition of Andrew Craigge of Chester in said Province One of the Select men of said Town for the Year 1756 In behalf of himself & the other Select men of said Town for said Year Shews

That by the Treasurers Warrant to the said Select to Levy the said Towns Proportion of the Province Tax for said year Several Different Sums are mentioned & ordered to be Levied and Paid into the Treasury at Different times and there are also two Sums Each of £ 203:2 which the said Select were ordered as aforesaid to Raise which they by mistake took to be the same sum only twice mentioned in said Warrant by which Mistake the said Sum therein Last Mentioned is Omitted & no Tax has been made for Raising the same whereby the Said Town Falls so much in arrears to the Treasury

That the time Limited in said Warrant for Paying in the Said sum is Past & the Omission so Lately Discovered that the said Selectmen could not make a New Tax & Comite the Same Seasonably to be Collected before the annual Meeting at which new officers may be Chosen and the Present Town Officers Superseded besides that it would have Perhaps Occasioned Some Disputes & Differences in said Town. Wherefore your Petitioner most Humbly Prays That as this Omission is the Effect of Inadvertence & not of Design the said Selectmen may be Excused & Exempted from the Penalty of the Law in such Cases Provided That the Treasurer may be ordered to suspend Issuing an extant against them for this arrearage but that the said Town may have further time for the Payment thereof that the Selectmen that may be Chosen for the Present Year may be authorized to Levy the Same with the Tax for this Year in the Same manner as it Ought to have been done in the Year Past and that a Resolve of the whole

Legislature may be Paſt for this Purpose or if that ſhould be tho't Inſufficient That your Petitioner may have Leave to bring in a Bill accordingly or that you would be Pleased to Grant Such other Relief in the Premises as in Your Great Wiſdom & Goodneſs you ſhall judge Expedient and your Petitioner as in Duty Bound ſhall Ever Pray &c

And the Town of Chester being Sensible of our Difficulties have pass'd a Vote

in their Annual Meeting the 25<sup>th</sup> of March 1762 that we should be set off from them as a Distinct parish about five miles and a half in Length and about four miles in Breadth as followeth, viz) Bounding Northerly upon Nottingham line Easterly on the old Hundred acre lotts so called. Southerly on the Long Meadow parish as that is voted off already, and westerly on the forty acre lotts. Wherefore we pray that we may be In corporated into a parish agreeable to the above mentioned Bounds and be Invested with all those privelidges that other parishes have within this province The granting of which we Humbly Concieve will be a great benefitt too your Humble petitioners and our familys And your petitioners as in Duty Bound shall ever pray

The Answer of Andrew Jack, Henry Morse, & Robert Wilson Gentlemen, a Committee in behalf of the Presbyterian

Parish in Chester in said County to the Petition of John Pat-  
 ten & others, petitioners for a Parish to be set off in said Ches-  
 ter as by their Petition dated Dec<sup>r</sup> 11<sup>th</sup> 1771, will more fully  
 appear Humbly Sheweth, That whereas the Parishioners of  
 said Presbyterian Parish have been cited to Shew cause why  
 the prayer of said Petition should not be granted—We, in be-  
 half of said Parish appear, and beg leave to suggest to your  
 Excellency & Honors that s<sup>d</sup> Petitioners Join'd with the rest  
 of said Parish in the Choice of the Rev<sup>d</sup> John Wilson for their  
 Minister and voted him a certain Yearly Salary and have been,  
 and still are well satisfied with his life and Doctrines, but for  
 other Reasons they desire to be set off as a distinct Parish,  
 altho' they are convinced it is their duty to perform their con-  
 tract with said Minister, & in Consequence thereof did, at a  
 legal meeting held at s<sup>d</sup> Chester, mutually agree with the rest  
 of said Parishioners in the lower End of the Parish to have  
 one half the Preaching for nine months yearly from the first  
 day of March, to the first day of December during the time  
 that the said Minister was able to preach, and the remainder of  
 his Preaching should be to the People of the lower end of said  
 Parish and that the said Petitioners pay the sum of Twenty  
 pounds lawful money yearly during the ministry of the said  
 John Wilson, and collect that part of the money themselves,  
 and the Parishioners at the lower End of said Parish Then  
 agreed with said Petitioners to pay to s<sup>d</sup> Minister Twenty five  
 pounds like money Yearly during said Term, and to collect  
 the same themselves. Now we in behalf of the lower End of  
 said Parish have no objection to the prayer of said Petition  
 being granted so far as it respects their being set off as a dis-  
 tinct parish, provided they continue to fulfil their agreement  
 before mentioned by paying to s<sup>d</sup> Minister duly the said sum  
 by them agreed to pay him. But inasmuch as the lower end  
 of the Parish are utterly incapable of maintaining a Minister  
*themselves* they pray that said Petitioners may not be freed  
 from paying the sum aforesaid agreeable to their before ment<sup>d</sup>  
 contract

Sam<sup>l</sup> Robie } Selectmen  
 Joseph True } of Chester

Province of }  
 New Hampshire } A Humble Petition to the Great & General Court  
 11 Mar. 1773 } Humbly *Sheweth*

That whereas, a petition has formerly been presented unto the great and General Court of this province by a number of the inhabitants of that part of Chester commonly called the Long meadow, and that the said petition setteth forth the great inconveniency the inhabitants labour under by being at such a distance, from the two several meeting Houses belonging to the said town of Chester, and that they the said inhabitants are thereby often prevented from hearing the word of God preached & therefore they have presumed to Pray the Great &

General Court to Incorporate them into a separate parish by themselves. At a late public meeting of said inhabitants of said part of the town of Chester, they convened and almost voted unanimously a positive resolve, that the former said petition should be dormant; for they the inhabitants maturely considered the great hardships they already laboured under (tho' considered as part joined with the whole Town) and that if such a plan was put in execution, they would be rendered incapable of answering the intention of said former petition, and at the same time lay themselves under many more difficulties not only of being deprived of hearing the word of God preached amongst them (which is at present faithfully done twice every Month by the Rev<sup>d</sup> Mr. Wilson) but the small probability of being unanimous in their choice which at present they are happily united. And further as the said former Petition was clandestinely propagated amongst the inhabitants by designing men whose aim was only self interest, consequently enemies to the body politic, when they consider themselves if seperated from the rest of the Town of the aforesaid Chester not to exceed above fifty or sixty famelys, and those (most of them at least) in circumstances very incapable of bearing such taxes as they must necessary undergo under such a scheme.

Therefor, the Several Inhabitants, deliberating upon the many circumstances there anent Hereby Humbly sublicates that the Great and General Court, will be pleased to view the former presented Petition as propagated by a few persons dissenting from the community purely to gratify their own humour and that the above said Great and General Court, will deliver us from being imposed upon by such who are enemies to our happy constitution and Your Petitioners as in duty bound shall ever pray

[Chesterfield was granted February 11, 1752; the first settlement was made Nov. 15, 1761. Ed.]

To His Excellency John Wentworth Esqr. Cap<sup>t</sup> Gen<sup>l</sup> and Govern<sup>r</sup> in chief &c and to the Hon<sup>ble</sup> His Majesty Council of said Province

By this Memorial—

Humbly shews Joseph Warren of Boston in the Province of the Massachusetts Bay Physician Administrator of Nathaniel

Wheelwright late of said Boston merchant dec<sup>d</sup> and which said Nathaniel was sole Executor of the Testament of the Hon John Wheelwright late of Boston aforesaid Esq<sup>r</sup> dec<sup>d</sup>

Your Memorialist humbly begs leave to make mention to your Excellency and Hon<sup>r</sup> that very lately he by the greatest accident was informed that one Mr. Willard had petitioned your Excellency & Hon<sup>r</sup> to Grant him a certain large Quantity of Land heretofore Granted to John Wheelwright and others, and for reasons in said petition mentioned which your Mem<sup>r</sup> conceives of to be more specious than real, y<sup>e</sup> Memorialist after mentioning a fact or two, will without saying a word more submit it to your Excellency's & Hon<sup>r</sup> Just determination. In the first place it is since this Mr. Willard's preferring his Petitions that your Memorialist knew that his Intestate or his Testator ever had any Land, in your Excellencys Government (lying if your memorialist is rightly informed which place call'd Chesterfield or else where) be that as it may, your Excellency & Hon<sup>r</sup> will view him as the administrator of an Executor. And how the affairs of M<sup>r</sup> Nathaniel Wheelwright the Intestate were circumstanced at his putting off and death, is not a thing unknown to almost every body in the *provinciæ* provinces—and that there are many heavy demands made upon your Mem<sup>r</sup> as administrator of the said Nathaniel Wheelwright to the amount of a Great Many Thousand pounds sterling is too obvious to be disputed even by Mr. Willard himself—And your Mem<sup>r</sup> begs leave to assure y<sup>e</sup> Excellency & Honours, that he will make a point of it, and most punctually comply with the Conditions of the Grant of said Lands or the charter as it is otherwise called with all convenient speed (or as your Excellency & Honours shall direct) in order to make payment of the vast sums (as far as these Lands will go) to the multitude of the said Nathaniels creditors in proportion, for which reasons, if the said Mr. Willard has not the native modesty to pray that his most extraordinary misconceived pt<sup>n</sup> may be by him withdrawn, your Mem<sup>r</sup> has the Modest assurance to hope that your Excellency & Hon<sup>r</sup> will dismiss the same as groundless & unreasonable

Your Mem<sup>r</sup> is also attorney to Mr. Joseph Wheelwright one of the sons & heirs of the afores<sup>d</sup> Ju<sup>r</sup> Wheelwright dec<sup>d</sup> and which s<sup>r</sup> Joseph has amply paid a person in New Hampshire Govern<sup>t</sup> to do the needful and to which your Mem<sup>r</sup> will have a peculiar regard & care &c which said Joseph Wheelwright is now in London

To his Excellency John Wentworth Esq<sup>r</sup> Captain General,

Governor & Commander in Chief of the Province aforesaid & to the Honorable his Majestys Council for said Province

The Memorial of Moses Little of Newbury in the Province of the Massachusetts Bay and his Associates humbly Sheweth that your Memorialists having for a valuable consideration purchased a Certain Tract of Land by the Name of Cheswick being in said Province of New Hampshire, and formally Granted to a Number of Persons by the Honorable Benning Wentworth Esq<sup>r</sup> late Governor of said Province of New Hampshire by Charter under the Great Seal of said Province, which Charter has very lately Expired. And that Your Memorialists have already at a very Great Expence begun a Settlement on said Tract of Land, which they were Determined to Prosecute, but apprehending it necessary for their future security, that said Charter be extended which your Memorialists are willing to Surrender would most humbly pray that said Charter may be extended and that the Bounds of said Cheswick, which in said Charter are not fully Ascertain'd, may be now made Certain, and may be the Same as are mentioned in the Plan of Survey herewith Exhibited which include a much less Quantity of Land, than was by your Memorialists, at y<sup>e</sup> Time of their said Purchase, Suppos'd to be Contained within said Township of Cheswick, your Memorialists therefore Relying on the wonted Goodness of your Excellency and Honors most humbly pray that s'd Charter may be Extended the usual Time and that the Bounds as pray'd for may be Established, and as in Duty bound shall ever pray

*Petition of the Town of Chichester, 28 Feb., 1733, for confirmation of charter.*

To His Excellency Jonathan Belcher Esq<sup>r</sup> Governor and Commander in Chief in and over his Majesty's Province of New Hampshire in New England and Vice-admiral of the same And to the Honourable His Majesty's Council of said Province of New Hampshir

The Petition of the Proprietors of the Township of Chiches-

ter in the Province of New Hampshire afores<sup>d</sup> Most Humbly Sheweth

That in the year of our Lord 1727 there was granted a Charter of a Certain Tract of land in New Hampshire afores<sup>d</sup> by the name of Chichester unto a Number of Persons whose Names are in the Schedule unto said Charter annexed and that the Proprietors of s<sup>t</sup> Township not having complied with the Conditions mentioned in said Charter some time since Petitioned to your Excellency and the Honourable the Council for a longer time than mentioned in said Charter, to perform what was therein required of them to do, which your Excellency and the Honourable Council were pleased to Grant, and that by reason of the distance of said Township, and the Difficultys that attend Settling and Cultivating Wilderness land your Petitioners have not as yet in all things complied with the Conditions of said Charter tho' they have done considerable towards it and been at a great Charge for what they have done and are daily endeavoring to comply with the whole and that the Meeting house in said Town of Chichester together with sundry dwelling houses were the Summer past accidentally consumed by fire

Now your Petitioners most humbly beg that your Excellency and the Honourable His Majestys Council for the reasons above mentioned would in your great Wisdom and Goodness be pleased to confirm the afores<sup>d</sup> Charter unto your Petitioners and also to grant him further time for the fullfilling the Conditions thereof and your Petitioners as in Duty bound shall ever Pray &c

*Petition for liberty to assess taxes.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander in chief in & over his Majesty's Province of New Hampshire the Hon<sup>ble</sup> his Majesty's Counsel & House of Representatives in General Assembly Convened the 27<sup>th</sup> Day of March Anno Dom. 1760

The Humble Petition of Thomas Westbrook Waldron and Francis Jenness as a Committee of the Proprietors of Chichester in said Province Shews

That for want of a Proper General Law for Enabling Proprietors of unsettled Townships to transact their affairs Relating to making said Settlem<sup>'s</sup> (the said Proprietors not having obtained a Particular Act in their favour) the Business of said

Settlement is very backward many of said Proprietors not having Drawn their Lots others in arrears for past Taxes and Some Resting on their Oars leave the burthen of settling said Township to those who are Voluntary in doing the duty Knowing that their Estates there will be Raised in Value by the Settlement tho' they Contribute nothing towards it.

That such a Situation of affairs is not only a Prejudice to Particular Proprieties & Townships but to the Province in General by Retarding many Settlements which long since would have been made and much more Land Cultivated than there is at Present in this Province had there been a General Law by which such backward Selfish Proprietors who would Gladly Raise Estates at other Peoples Expence might have been Compelled to have done their duty towards making the Settlement in a Summary way as the affairs of Towns are Transacted Especially Respecting the Payment of Taxes

Wherefore your Petitioners Humbly Pray that they may have Liberty to bring in a Bill Enforcing the Payment of Taxes in arrearage duly assessed as also such as shall hereafter be so made obliging also such as neglect to Draw their Lots to do it & in Default of that or neglecting any other matters which shall be Granted & agreed upon at any Legal Meeting of said Proprietors the Lands or part sufficient for this Purpose of such Delinquent Proprietors be subjected to sale and also that there be a Tax of three — Pounds on Each Right for three years if needed to carry on and make the said Settlement without any further Delay but what is unavoidable by the War and your Petitioners as in Duty Bound shall Ever Pray &c

NOTE BY THE EDITOR.

On the last page of MS. Vol. I. "Town Papers" is a Paper, labeled "Draught of a charter for Coulerain, Dec. 1726." The bounds given by the Charter, are as follows: "Begin—at Rochester northerly Corner bounds, at or near Salmon-fall river, running along Rochester head line, keeping the course of that line till twelve miles be accomplished, and from each end of the said twelve mile line to run north west half a point northerly ten miles, and then to run a straight line from the end of one ten mile line to the end of the other, which will be parallel to Rochester head line, first mentioned, and that the same be corporate by y<sup>e</sup> name of Coulerain."

The editor is not aware that any such town ever existed in New Hampshire.

The memorial & Petition of y<sup>r</sup> Inhabitants of the town of Rumford in s<sup>d</sup> Prov. Humbly *Sheweth* That y<sup>r</sup> s<sup>d</sup> Town has been settled by His Majesty's Subjects abt. 17 yrs. and a Gospel Minister ordained there ab<sup>t</sup> 12—That the Settlers had an eye at enlarging his Majestys Dominions by going into the Wilderness as well as at promoting their own Interest; That many Thous<sup>d</sup> Pounds have been spent in Clearing and Cultivating the Lands there, and many more in erecting mansion houses out-Houses. Barns and Fences besides a large additional sum in Fortifications lately made, by His Ex<sup>ty</sup> the Gov<sup>r</sup> order; That the Buildings are compact, and properly form'd for Defence, and well situated for a Barrier, being on Merrimack River, abt. 15 miles below the Confluence of Winnipishoky and Pemissawpset Rivers, both w<sup>ch</sup> are main Gang Ways of the Canadians, to the Frontiers of this Province; That the breaking up of the Settlem<sup>ts</sup> will not only ruin the Memorialists, but in their humble opinion greatly deserve His Majestys Interest, by Encouraging his Enemies to Encroach on his derelict Dominion, and be also hurtful to the Prov: by contracting its Borders, and drawing the War nearer the Capital; That it was by a long and importunate Intercession of this Province and not of the Memorialists seeking that they are cast under the immediate care of this Gove<sup>mt</sup> w<sup>ch</sup> y<sup>r</sup> apprehend gives them so much the better right to its protection that they have hitherto cheerfully paid their proportionate Part of the public Taxes, assigned 'em by the General Court even without being privileged with a Representative in the Said Court; That as War is already declared Ag<sup>st</sup> France and a rupture with y<sup>r</sup> Indians hourly expected, your Memorialists unless they have Speedy help will be soon obliged to evacuate y<sup>r</sup> Place, how disserviceable soever it may be to the Crown, dishonorable to the Govern<sup>mt</sup> hurtful to the Province and ruinous to themselves. Wherefore they most humbly Supplicate your Ex<sup>ty</sup> the Hon. His Majestys Dominions in so well situated a Barrier and so ancient and well regulated a Settlem' as well as to secure their own Lives and Fortunes ag<sup>t</sup> the Ravage and Devastation of a blood-thirsty and Merciless Enemy. And y Memorialists as in Duty bound will Ever pray—

*Petition for aid, by Benjamin Rolfe, Esq.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Capt. General and Governour in Chief in and over His Majesty's Province of New Hampshire in New England the Hon<sup>ble</sup> the Council and House of Representatives in General Court convened

The Memorial and Petition of Benjamin Rolfe in the Name and Behalf of the Inhabitants of the Town of Rumford in said Province Humbly Sheweth That the said Town has been Settled by His Majesty's Subjects about Eighteen Years and a Gospel Minister ordained there upwards of Fourteen

That the Settlers had an eye at enlarging His Majesty's Dominions by going into the Wilderness as well as at their own Interest That Many Thousand Pounds have been spent in clearing and cultivating the Lands there and many more in erecting Mansion Houses Fortifications, Out Houses, Barns and Fences. That the Buildings are mostly compact and properly form'd for Defence and well situated for a Barrier, being on Merrimack River about a Days march below the Confluence of Winipishoky and Pemissawasset Rivers both which are main gang Ways of the Canadians to the Frontiers of this Province and within a Weeks march at furthest from a very strong Fort built within these few years by the French at Crown Point which will be a Place of constant Retreat and Resort for the French and Indians in all their Expeditions against the English Settlements. That the breaking up of the Settlement will not only ruin the Memorialists but in their humble Opinion greatly disserve His Majesty's Interest by encouragin His Enemies to encroach on His derelict Dominions and be also hurtful to the Province by contracting its Borders and drawing the War nearer to the Capital. That it was by a long and importunate Intercession of the Province (and not of the Memorialists seeking) that they are cast under the immediate Care of this Government, which they apprehend gives them so much the better Right to its Protection That as War has been declared against France for some Time and a Rupture with the Indians has been hourly expected, many of the Inhabitants of said Town, by Reason of their being so exposed to imminent Danger from their Enemies have already moved from said Town and the Season of the Year being such as to give the

Indians an opportunity of disturbing the Frontiers and the Dutch Mohawks having lately given occasion to fear that they would Joyn in a Warr against His Majestys settlements as mentioned in some late News Papers your Memorialists unless they have speedy help will be soon obliged to Evacuate said Town how disserviceable soever it may be to the Crown dishonorable to the Government, hurtful to the Province and ruinous to themselves—Wherefore your memorialists most humbly supplicate your Excellency, the Honourable Council and House of Representatives to take the Premises into your wise and mature Consideration and to grant them such constant and seasonable aids both with Respect to men and Military Stores as may enable them to maintain His Majesty's Dominions in so well situated a Barrier, and so ancient and well regulated a Settlement as well as to secure their own Lives and Fortunes against the Ravage and Devastations of a Blood thirsty and Merciless Enemy and your Memorialists as in Duty bound will ever pray

*Petition of Inhabitants of Rumford, 1747.*

To His Excellency Benning Wentworth Esqr Capt. General & Governour of His Majesties Province of New Hampshire in New England To the Honourable the Council & House of Representatives of s<sup>t</sup> Province.

The Petition of y<sup>r</sup> Subscribers Inhabitants of Rumford in s<sup>t</sup> Province Humbly sheweth That we have great Reason to fear a Speedy attack from the Enemy with a force too great to be match<sup>d</sup> by us with what Assistance we att present (thro your Excellencys & Honours great Goodness) have from y<sup>r</sup> Province—That the plain and Evident tracks of a Considerable Number was discovered by our Scout y<sup>e</sup> last week. That Guns have been heard both here and att Contoocook upon y<sup>e</sup> Sabbath & other Times & Places where it is certain no English were. That y<sup>e</sup> News of a Formidable Armament sent from Canada to Crown Point obtained such credit with the Government of y<sup>e</sup> Massachusetts Bay as Induced them to provide a prodigious Reinforcement to strengthen their Western Barrier—That such is our Situation that as y<sup>e</sup> Rivers Hudson & Connecticut lie most exposed to Incursions from Crown Point so ours is y<sup>e</sup> next, and the experience of this whole war has Taught us that whenever any Smart attack has been made upon any of y<sup>e</sup> Settlements on Connecticut River the Enemy have never failed of sending a considerable Number to visit our

River—That while our ordinary business was Hoeing we could work in such large companies as not be in Such Imminent Danger of being massacred by y<sup>e</sup> enemy, which now Haying and English Harvest comes on will be Impracticable with out vast Detriment to y<sup>e</sup> whole & utter Ruin to some. We therefore beg of your Excellency & Honours to take our deplorable case into Consideration & extend your compassion towards & grant us such a further Reinforcement as you may think in your great wisdom our case requires & your Petitioners shall as in Duty Bound Ever pray &c

*Letter from Jeremiah Stickney, Esq., relating to difficulties with Bow.*

Rumford March 19<sup>th</sup> 1761.

SIR,

I have received the Order from his Excellency & General Assembly Appointing An Inventory to be taken of the Poles & Rateable Estate in the Province endorsed to the Select men of Bow by the hand of M<sup>r</sup> Carr together with a verbal Order to deliver it to me in Case he could find no such Select men & have conferred with those of my Neighbors that I could handily come at upon the purport & design thereof & I find them all concurring with me in a deep sense of manifold difficulties we labour under for want of Power to regulate Society according to manner of other Towns & Districts, which if was offered us we should readily Embrace as well for our own Sakes as an Inclination to pay all dutifull regard to the Orders of the Government—we never understood that we had power to Act to Ordinary Purposes of Regulating society under the Incorporation of Bow in which if we were mistaken twas our unhappiness which admit to be the Case we apprehend ourselves at present utterly destitute of any such Power for want of a Legal Meeting which we know no possible way of obtaining without an Express Order of the Honourable Court which if they should see meet to issue we shall pay all ready obedience & proceed to Carry into Execution the Design of this Order if time be allowed for it, which if should be the Case would humbly suggest a necessity of a-certaining the Limits by which we are to be Circumscribed if we might Choose we should much incline to be bounded as the district of Rumford was whilst it subsisted—but if that be not Granted & it is the Pleasure of the Court that we should act as the Town of Bow we apprehend that the same necessity Occurs not only because Penibrook is Lately taken Partly out of Bow but also for that their Line as we have been informd. has been Run very differently by their own Committees & I believe that no one of us Knows either of the Lines in all the parts of it & however we may dispute any or all these Lines whilst we are defending our Properties in the Civil Courts of Judicature (which we mean still to reserve to ourselves the right of Doing) Yet we never did or shall dispute the Power of the Government to make Bow Lie where they please to whose Resolution we shall pay ready Obedience when we Know it. Without which we Know of no way in our Power at present wherein we can contribute to carrying into Execution this order Unless the Honourable Court should see Cause to appoint some Person or Persons to take the proposed Inventory amongst us or the Select men of Canterbury shall ap-

doint some Persons to said Business which is in their power as we Construe the Order in either of which Cases we shall all suitable Compliance. Sr please to Communicate this Letter if you see fit to the Honourable Assembly not only as my private sentiments by so far as I know the united sense of all our people.

I am with all due regards

Yr. Obed<sup>t</sup> Hum. Serv<sup>t</sup>

JEREMIAH STICKNEY.

P. S. if the Hon. Court should see Cause to put us in a way of Regulation, among the Reasons against any of the Lines of Bow being Our limits, this is the Principal that either of the Said Lines would leave some few of our Inhabitants without our Incorporation which we would be glad to have & who would Choose to belong to us & which no other Society wants, but would take a much larger Number of the Inhabitants of New Hopkinton which they Can very ill spare & which we don't want & would be against the inclination of the People

To his Excellency Benning Wentworth Esq<sup>r</sup> Capt General Governour & Commander in Chief in & over his Majesty's Province of New Hampshire. The Hon<sup>ble</sup> his Majestys Council & house of Representatives in General Assembly Convened, April 11<sup>th</sup> 1764

The humble Petition of Timothy Walker on behalf of himself and the Inhabitants of Rumford (so called) in said Province.

Sheweth, That the Affairs of the said Inhabitants (so far as relates to Town matters have been in great confusion Ever since the year 1749 for want of the Power which they had till then enjoyed ever since the year 1741 by the District act (so called) which this Hon<sup>ble</sup> Court say in July 1746 when it was reviewed had been found Convenient both for the Government of this Province in General and also the Inhabitants incorporated thereby in particular.

That altho' it has been pretended that they might still have Enjoyed the same priviledges (as Inhabitants of Bow) yet they never understood matters) in that light. And for this their opinion and Practice consequential thereupon they humbly conceive they would give reasons which would be satisfactory to this Court were they permitted—But to pass over all this—This Power or the Exercise of it has been lost to them (if ever they had it) ever since March 1756 for want of a first meeting.

That by the year 1760 they were so heartily tired of such an unsettled state that they would have been glad to have acted Even under the Incorporation of Bow, if they could altho

highly inconvenient for them as it blended part of three towns together whose interests had always been separate & would consequently be apt to create strife and contention. That this Court was apprized of their utter Incapacity of doing Corporate act (even as Bow) by a Letter signed Jeremiah Stickney in behalf of himself and others now on file together with their dutiful & ready disposition to Comply with every motion of this Court to the utmost of their Power.

That the said Inhabitants conceive themselves greatly aggrieved by a late act of this Government imposing a heavy Tax on the Inhabitants of Bow as arrears &c a Tax which Nobody had Power to assess and collect at y<sup>e</sup> time when y<sup>e</sup> s<sup>d</sup> arrears became due and which if now done must be laid in many Instances on wrong Persons; That what they suffered for want of the Powers [they] had enjoyed by the first mentioned District act was unspeakably more to their Damage than to have paid their Proportion of the Province Expence.

That the incapacity complained of all along still continues and yet the People are subjected to pay their part of the Current Charge but no body has power to assess or Collect it. They therefore most humbly Pray that your Excellency and Honors will take the matters complained of under Consideration and either revive the said District Act so far as relates to Rumford or (which w<sup>o</sup>ld be much more satisfactory to the said Inhabitants) Incorporate them by a standing act and by their former Known Boundaries that the said Inhabitants may be abated at least one half part of said arrears. And that with respect to their part of the Current Charge of the Province they may be subjected to pay no more than their just proportion with the other Towns in this Province & Grant them such other Relief as in your great wisdom and goodness you shall see meet. And your Petitioners as in Duty bound shall ever pray &c.

*Petition relating to taxation, &c., 1764.*

To His Excellency Benning Wentworth Esqr. Governor & Commander in Chief of His Majesties Province of New Hampshire, To the Hon. His Majesties Council of said Province, & General Court Convened October the second day Anno Dom. 1764

Whereas Edward Russel & others have petitioned your Excellency & Honours to be freed from paying any part of those arrearages of Taxes ordered to be assessed upon Bow & whereas so much Notice was taken of said Petition as that the Petitioners were ordered to serve us the Subscribers with a Copy thereof, in order that we may shew Cause, if any we have why the prayer thereof should not be granted

These are therefore to inform your Excellency & Honours that there are Forty one Poles with the Estates which they possess within the Limits of Bow as described in the Act of Taxation referred to in the said Petition which are exactly similar to these Petitioners, and also Sixty or more Poles with the Estate which they now possess which were Minors & so not liable to be Taxed when the Rates were supposed to be due for which this Tax is Ordered, but have since come of age & so Rated as fr<sup>m</sup> the List appears.

To Ballance which increase there has been a yearly drain of Inhabitants from us it is out of our Power to ascertain the Number but we are well persuaded from what we Know of the affair that if it could be done it would bear some near proportion to the advance—These have all left the Town, & many of them the Province in each of which Cases they are equally exempt from our power of Taxing them. And we humbly submit it to your wise determination whether there is not the same reason that these other persons should be freed as that the petitioners should Which if the Case, we are well assured that it will be absolutely impossible for the small remainder to pay the whole of said Tax.

*Petition of Concord to be annexed to Hillsborough County.*

To His Excellency John Wentworth Esq<sup>r</sup> Cap<sup>t</sup> General Governor and Commander in chief in and over his Majestys Province of New Hampshire the Hon<sup>ble</sup> his Majesty's Council & House of Representatives in General Assembly convened the 18<sup>th</sup> day of Jan<sup>r</sup> Anno Domini 1774

The Petition of Andrew McMillan Esqr. Agent For the Inhabitants of the Town of Concord in the County of Rockingham and Province aforesaid. Humbly sheweth

That said Town of Concord is Forty miles from Exeter and Fifty five miles from Portsmouth where the Courts of Justice are held for said County of Rockingham, and the Inhabitants of said Concord very little if any thing benefited by the late Division of this Province into Five Counties.

Secondly that many of the Inhabitants of the Towns in the north part of the County of Hillsborough have applied to your Petitioner's Constituents and earnestly desired that the inconveniences they labour under may be represented to your Excellency and Honours by a Petition which they say are

First as there is but one Superior Court of Judicature in a year held in said County of Hillsborough and Prisoners committed for capital Crimes must lay in Goal sometimes Eleven nine or six months according to the time they are committed before it can be known whether they are or are not guilty: and in case they should be acquitted your Petitioners constituents, humbly apprehend it a great Pity that they have suffered so long and if found guilty they thing it a grievous burthen to maintain such bad Subjects so long at the expense of poor, honest industrious beginners in the Wilderness.

Secondly Creditors in General in said County of Hillsborough who incline to sue at any time except July term in said County are obliged to indorse their notes &c over to Persons who live in the County of Rockingham or other Counties & some to the Massachusetts and the expense is as great as before they were a County. Thirdly the place where the Courts are held in said County of Hillsborough is at such a Distance from them that they are of opinion that the Inhabitants of the south part of said County will not oppose their having Justice done in that respect.

Fourthly that the situation of the Town of Concord is such that it will accommodate all the Inhabitants of the upper or Northerly part of the said County of Hillsborough and give them general satisfaction

Therefore the said Inhabitants of the Town of Concord by their said Agents humbly pray your Excellency & Honours that said Town of Concord may be annexed to the County of Hillsborough and that there may be annually held there one

Superior Court of Judicature one Inferior Court of common pleas one Court of general Sessions of the peace for said County or otherwise act in the premises as your Excellency & Honours Wisdom for the benefit of his Majesty's Subjects shall direct and your Petitioners by their said Agents as in Duty bound will ever pray &c

*Memorial from Fryeburg, Brownfield and Conway, 1776.*  
 To the Hon<sup>ble</sup> General Court of the Colony of New Hamp-  
 shire.

The memorial of the Committees of Conway in the County of Grafton, Fryeburg and Brownfield in the County of York, and Colony of Massachusetts Bay united humbly Sheweth that the above said New Plantations Consist of about one Hundred and Thirty Families are Situated at a Place called Pigwaeket Upon Saeco River which nearly Unites with a Branch of Androscoggin River, about thirty miles northerly from other Settlements, and lay Greatly Exposed to Excurtions of the Savages: by the following natural Communications as frequented by the Indians that come to these Places: one from Chaudire River into Umbagog lake, which Empties itself into Androscoggin river: another from St. Francois River into a branch of Connecticut River; and by that into Androscoggin River; another from Kennebunk River by the way of Muselahmecontuecook into Androscoggin River that these Several ways are by water, except a few short Carrying Places, which bring them within twenty miles of these Settlements, that the Greatest part of this twenty miles is water Carriage, that Androscoggin River runs Further to the Northward than the head of Connecticut River. That a party the Last year were sent out from Coos to Reconnoitre the woods over to Umbagog Lake, which Empties into St. Francois River; from thence, they set out Eastwardly in Order to Strike Connecticut River but headed it, and struck Androscoggin River; Come down that River and

come into these Settlements. that Last fall Three men from Col Arnolds Party come into these Settlements by the way of Androscoggin River, four or five Persons from Quebec Last May Come in here by the way of Androscoggin River. from the Above. it appears that when Ever the frontiers are exposed; these Settlements are in danger. that from the Alarming accounts we have lately Received from Canada we think it Necessary to make Preparation for Defence and as it is not likely we can provide ourselves with arms and ammunition without the aid of the Hon<sup>ble</sup> Court. therefore the memorialists intreat the favour of the Hon<sup>ble</sup> Court to the applications that may be made for the above purpose and for Protection if the Time should come that the frontiers are in Danger, and we as in Duty bound Shall Ever pray &c

To His Excellency John Wentworth Esquire Governor & Commander in chief of said Province & to His Majesty's Council for the Same

The petition of Jonathan Chase of Cornish humbly sheweth—  
That your petitioner having purchased of Col Nathan Stone of Windsor an Island known by the Name of Hart Island contain'g about twenty two Acres lying in Connecticut River between the Lower Corners of Hartford & Plainfield & the upper Corners of Cornish & Windsor which was first laid out to the proprietors of Hartford in Several Divisions as interval and as such purchased by Major Oliver Willard of said Hartford who afterwards dispos'd of y<sup>e</sup> whole to Col Stone from whom it has come into said Chase's hands having all along been informed that they the said Willard & Stone had a proper right to hold or dispose of the Same which lying so contiguous To the West Bank of the River was supposed to be part of the

Town of Hartford aforesaid—But since finding it otherw<sup>s</sup> determined—

Your Petitioner humbly prays your Excellency & Honours, in Consideration of the Improvements made by the former Claimers and the valuable purchase he has been innocently led into, the said Island may be confirmd to him by a Grant upon the usual Conditions & reservations—And your Petitioner as in duty bound will ever pray &c

#### DEERFIELD.

[This town was incorporated 8 January, 1766. ED.]

*Petition of Sundry inhabitants of Deerfield in relation to a tax, &c.*

Province of }  
New Hampshire }

To the Honorable house of Representatives, the Subscribers being owners of land in Deerfield And understanding that the Inhabitants of s<sup>d</sup> Deerfield By their Committee have Petitioned the General Court for a Tax To be laid on all the land in s<sup>d</sup> Parish of two pence pr. Acre for the Term of three years, the

one half for the Parsonage y other half to be laid out on the Roads, we beg leave to offer a few Reasons why their petition or prayer Should not be Granted

1<sup>ly</sup> We think it would be grievous to compel any whether they live in or out of the Parish to pay any thing towards the support of a Minister of a Different persuasion from themselves & we think any other Society for publick worship of A different persuasion, have as good right to assistance in this way as they—2<sup>ly</sup> to subject the uncultivated lands in that parish to pay any part of publick charges, we think would be grievous, as they yield no profit to the owner & it would be repugnant to the late valuation Act where woodland was exempted although in many Towns wood is of great value.

3<sup>ly</sup> if a tax was to be laid on the uncultivated lands for any part of publick Charges it would not be Just to lay it equally on all, as many lots now they Are robbed by the Inhabitants (or others) of the valuable timber that grew on them are of little value

4<sup>ly</sup> the parish is Considerably well Settled & with People of Substance—As it is unlikely s<sup>t</sup> Petition will be Granted it may be needless to mention the greatness of the sum Pray'd for but we beg leave to mention that although s<sup>t</sup> parish is Called six miles square it contains about Twenty Seven Thousand acre according to Nottingham plan as the lots are marked (if we are not mistaken as to how the lines of Deerfield run) we doubt not But your Honours will duly consider & way the matter & do what seemeth to you right. *Deerfield Petition for a Tax.*

To His Excellency John Wentworth Esq; Captain General Governor Commander and chief in and over His Majesty's province of New Hampshire and Vice Admiral of the same.  
The Honorable His Majestys Council and House of Representatives for s<sup>t</sup> Province Convened

The Humble Petetion of us the Subscribers (being A Committee Chosen by the Inhabitants of Dearfield to Petetion this

Court for A Tax to be laid on all the Lands in Dearfield for the following Reasons) Humbly shews

1<sup>st</sup>) Whereas the s<sup>d</sup> Inhabitants have Lately Settled a Minister in s<sup>d</sup> Dearfield very much to the acceptance of the Inhabitants and have Engaged to build him A Parsonage house & barn & clear a quantity of land on s<sup>d</sup> parsonage Lott and Sett out an orchard for him and Pay A yearly Salary &c.

2<sup>nd</sup>) Wee have three Main Country Roads laid out through s<sup>d</sup> Parrish which are Greatly used by His Majestys Subjects to Pass and Repass in, to A Great number of towns Settled above us and frequent Complaints are made that they are not in So Good Repair as they ought to be & wee have Likewise many other highways Laid out for the accommodations of the Settlers of the Parrish in Length of the whole of s<sup>d</sup> ways Do amount to upwards of forty miles And as the Settlement of A Minister and haveing Good Highways in A New town or Parrish is verry much to the Proffitt of the Non resident Proprietors as well as the resident and as the Present Inhabitants are Mostly new Settlers which will make it Exceeding Difficult for them to Perform their Engagements

Therefore Your Petitioners Humbly Prays that in Your Great Wisdom and Goodness You would take this our prayer under your wise Consideration and order a Tax to be Laid on all the Lands in s<sup>d</sup> Dearfield for three years Next ensuing of two pence upon the acre the one Half to be Laid out upon the Parsonage house and Land the other Half on the Highways and that prudent Persons be appointed to manage s<sup>d</sup> business or other ways order with Regard to the Tax as you in your Great Wisdom and Goodness may think proper and your Petitioners as in Duty bound shall Ever Pray &c.

 Governor and Commander in Chief in and over his Majesty's  
 Province of New Hampshire in New England. To the Hon<sup>ble</sup> His  
 Majesty's Councill and House of Representatives for said Province  
 Convened in General Assembly. Most Humbly Sheweth

The Subscribers Frecholders and Inhabitants of the Southerly  
 Part of the Parish of Deerfield in the Township of Nottingham  
 in the County of Rockingham in said Province That the said Parish  
 of Deerfield is Principally Settled at & near the Two Extreme parts  
 of it viz: the Northerly End and the Southerly End which makes  
 it very Difficult to meet All together for Publick Worship or  
 for Transacting the Publick business of the Parish

 there and Also Two Military Companies in said Parish viz one

## DERRYFIELD.

[NOTE. The following Papers relating to Derryfield are found in MS. Vol. IV, "Towns,"—pp. 307-309, being there misplaced. They should be examined in connection with Papers relating to Bedford and Londonderry. Ed.]

To his excellency Benning Wintworth Esq Governor & Commander In Chief of His Majestyes Province of New

Hampshir the honorable his Majestys Councell and House of Representatives In General Assembly Conven'd—

The petition of a number of the freeholders & Inhabitants of the Town of Derry field Humbly Sheweth that the first Monday of March annually is appointed by Charter to be the day for chusing of Town officers for the currant year and the usual custom of s<sup>d</sup> town hes ben to warn the Town of time and place and design of holding said Meeting with the several articles to be acted upon on s<sup>d</sup> day of posting up a copy of Warrant at three several places in said town viz. one at John Goffe Esq one at John Hall & one at Mr Russes at Nameskeeg which was a vote of said Town for warning Town meetings in said Town but so it was that neither of the places had any notification set up and one of them particularly Nameskeeg had no copy set up in that part of the town so that they knew not the time of Day the meeting was to be held yet notwithstanding two of the select men and town clarke did contrary to former custom with about ten or a dozen of the Inhabitants and boys & unqualyfied persons did enter and in about five minutes time chouse all the principal offi cersers for the town Notwithstanding one of the select men & the constable & several of the Inhabitants opposed them and told them it was not fair to hold the meetin before the Inhabitants came and that it was not the usual time of day that the meeting use to begin & that the Inhabitants that must pay the greatest part of the Taxes that shall come upon the town were not present—that they would be here presently yet they proceeded as aforesaid and at five minute's after eleven of the clock a considerable number came & in halfe an hour the Inhabitants chiefly came & upon hearing that the principal officers were chosen by a small number of Voters and many of them not quallified they concluded as that was the day by charter to chuse town officers, they being the largest part of the Quallified Voters belonging to said town maid proclamation that they were going to hold the town meeting & all were desired to attend and they went to the Meeting house and maid choice of a Moderator & Town clark & select men & all town officers & they were sworn to the faithful discharge of their duty as the Law directs so that their is two set of officers in said town which makes confusion we most Humbly therefore pray your Excellency & Hon<sup>r</sup> To Take our case under your wise consideration and grant that there may be a Regular town meeting in said town & that we may have town Officers chosen as the law directs and that our confusion may be brought into order and might be enabled to Raise the province taxes & mend high ways & do the necessary business of the town and that your Petitioners may bring in a bill for that end —& your petitioners as in Duty bound shall ever pray—

To His Excellency Samuel Shute Esq. Capt. General and Gov<sup>r</sup> in Chief of His Majestys province of New Hampshire, and to the Honourable the Council and house of representatives now Sitting in General Assembly

The Petition of the Inhabitants of the Town of Dover Most humbly Sheweth

The heavy burthen lying upon your petitioners, in building and renewing the many bridges in The said town, over and above the ordinary annual repairs of High ways through the same whereby your petitioners have stood charged w<sup>th</sup> a much greater and more grievous tax than any other Town in the province more especially for the Erecting and maintaining Two very large Bridges over the river of Cochecho and Lamprey river; exclusive of which two rivers, your petitioners are more than even w<sup>th</sup> the Inhabitants of any Neighboring town in y<sup>e</sup> Costs of bridging and whereas the last years floods floated away the boom at Cochecho with 3 piers and the Standing bridge at Lamprel river which are now to be rebuilt your petitioners Do therefore humbly pray that the bridging of The Said Two rivers may be made a province Charge to be defrayed out of the publick Treasury As is usual in other Govern<sup>ts</sup> & y<sup>e</sup> petition<sup>rs</sup> shall Ever pray &c

The humble Petition of the Representatives for the Town-

That whereas the said Town is one of the most exposed

And whereas the Circumstances & Situation or Settlements of the Inhabitants of s<sup>d</sup> Town lying and being in such manner as it is, the houses being so scattered over the whole Township that in No one place six houses are within call. By which inconveniency the Inhabitants of s<sup>d</sup> Town can have no benefit of such a Gramar Schoole, for at the times fit for children to go and come from schools is Generally the chief Time of the Indians Doing Mischief, so that the Inhabitants are afraid to send their children to Schoole, and the children Dare not venture so y<sup>t</sup> y<sup>e</sup> Sallary to s<sup>d</sup> Schoole Master is wholly Lost to s<sup>d</sup> Town.

So that your Petitioners at the Request & in behalfe s<sup>d</sup> Town humbly prays y<sup>e</sup> hon<sup>rs</sup> & Generall Assembly that there may be an act of this Generall Assembly Past that the s<sup>d</sup> Town of Dover may be Exempted from keeping a Gramar School During the war with the Indians, as formerly they were so prays your humble Petitioners

To His Excellency William Burnet Esq<sup>r</sup> Governour and Commander in Chief in and over His Maj<sup>ty</sup> Province of New Hampshire &c and to the Hon<sup>ble</sup> His Majesties Council for said Province

The Petition of us the Subscribers Inhabitants of the s<sup>d</sup> Province Most humbly *Sheweth* That divers of your Pet<sup>r</sup> for upwards of Forty years, others for Thirty, have been Settled upon a certain Tract or Neck of Land in Dover in the Province afores<sup>d</sup> being duly put into possession thereof by the Freeholders of s<sup>d</sup> Town as by their Votes will appear: all which time was partly spent in Subduing the Indian Enemy and partly in Subduing and Cultivating the wild Land so given and granted to them. That after such a length of time when your Petitioner had with much blood and Labour reduced the Former to reason, and the latter to profit, and expected to enjoy the Sweet of all their Encounters and pains in the year 1719 Richard Waldron Esq<sup>r</sup> as Adm<sup>r</sup> to the Estate of his Father Richard Waldron formerly of s<sup>d</sup> Dover Esq<sup>r</sup> deced brought his action against your Petitr<sup>r</sup> and others for the Recovery of one Moiety of said Neck of Land pretending one half thereof was granted to him by the Selectmen of that Town so long ago as the 5<sup>th</sup> of the 10<sup>th</sup> Month 1652 and the

other half to William Furbur and others, whereas it's Evident from the Votes of s<sup>d</sup> Town many years after that William Furbur and the whole Town Esteemed that Grant when the said Town was under the Massachusetts Government of no Validity For the s<sup>d</sup> William Furbur in 1693-4 attests to Votes and Grants of the Frecholders of Dover afores<sup>d</sup> of part and parcels of the s<sup>d</sup> Land; however at a Superior Court the s<sup>d</sup> Waldron Recovered the s<sup>d</sup> Moiety and upon an appeal before the Hon<sup>ble</sup> the Lieut. Governor and Council the appellants making Default the Judgement of the Superior Court was Confirmed; the reason of such Default is easily accounted for so that by s<sup>d</sup> Judgement the s<sup>d</sup> Waldron was to hold in Common one Moiety of s<sup>d</sup> Neck with y<sup>r</sup> Pet<sup>r</sup> and others; That some time after the s<sup>d</sup> Waldron brought his writ of Partition to hold his part in Severalty, and accordingly the 12<sup>th</sup> day of April 1728 a Jury went on the s<sup>d</sup> Neck and divided the same, giving the upper part thereof to s<sup>d</sup> Waldron and your Pet<sup>r</sup> the lower half where their Settlem<sup>t</sup> Orchards and Improvements were made, as by their return under their hands and Seals will appear, which was most equal & Just, & virtually agreing with the Judgement of the Hon<sup>ble</sup> the Lieut. Governour and Council upon the appeal that the s<sup>d</sup> Waldron might not be profited by your Pet<sup>r</sup> buildings; but the s<sup>d</sup> Waldron being thus in part defeated of his Expectation, by management under the colour of Law & practice, but not warranted by either, as upon a hearing before your Excellency and Hon<sup>rs</sup> will evidently appear, procured another Jury in September following to make the Division De Novo, who without making themselves acquainted with the Tract and the Survey thereof as the Former Jury had done, at once and without any trouble Confirmed the Divisional lines the Former Jury had made and Established the Same, but gave the lower half where Stood your Petr<sup>r</sup> Houses Barns Orchards and all their clear Land to s<sup>d</sup> Waldron and gave them the upper half which the Former Jury had given to Waldron so that your Pet<sup>r</sup> after upwards of thirty years labour and the Expence of much blood and the sweat of their Brows are thereby with their wives and Children drove into the wild wilderness, and all this so done under the Shew of Justice and Equity within a civilized Government.

Your Pet<sup>r</sup> therefore persuade themselves from your Excellencies Superior and most distinguishable abilities and vertues, and from the Experienced Justice and Equity seated in Your Excellency and Hon<sup>rs</sup>, that they shall have a short day assigned them to be heard by their Council on the premises, and that they shall receive Such redress and relief as to Law Justice and Equity shall appertain

And the Pet<sup>r</sup> as in duty bound will ever pray &c

The Petition of the Subscribers Inhabitants of the North East part of the Town of Dover, humbly *sheweth*—That the Dwelling places of yo<sup>r</sup> Petitioners are at a great distance from the houses of the Public Worship of God in the Town of Dover where your Petitioners live by which their attendance thereon is rendered very difficult more especially to the women and children of their families and that in the Winter Season and in Stormy weather So y<sup>e</sup> they cannot pay that Honour and Worship to God in publick as it is their hearts desire they could, therefore for the advancing the Interest of Religion and for the Accomodation of yo<sup>r</sup> Petitioners It is humbly prayed by them that Your Excellency and the Honourable Assembly will please to sett them off as a Parrish for the Maintaining the Public worship of God amongst themselves and that they be dismiss'd from the Town of Dover as to the Supporting of the Settled Minister there, And that the Bounds of that their Parish may begin at the Gulfs a place so called at Cochecho river, and from thence to run to Varney's Hill and from thence the Town bounds on a North West point of the Compass & Your Petitioners Shall ever Pray as in duty bound &c

In Chief in and over His Majestys Province of New Hamp-  
shire To the Hon<sup>ble</sup> the Council and House of Represen-  
tatives convened in General Assembly for Said Province

The humble Petition of Paul Gerrish of Dover in New  
Hamp aforesaid and several of the principal Inhabitants of  
said Town

Most humbly Sheweth That for these two years last past the  
said Paul Gerrish has been Clerk of the said Town of Dover  
and since the books of the said Town have been in the said  
Gerrish's hands, he has discovered a Great deal of Corruption  
(or forgery as he apprehends acted and done in the said books)  
as he supposes by those persons (or their permission) whose  
hands they formerly have been in, and that said principal In-  
habitants of said Town are Stil of opinion that there are now  
through the ill actions formerly done a great many forged  
grants stil produced and bro't to the lot layers of said Town to  
be laid out who with great reason suspecting them refuse to lay  
them out and on their refusal these persons who have got those  
grants apply to the next Town Lot lay<sup>r</sup> who lay such grants  
out, whereby the Town of Dover is very greatly dammied  
and set in confusion and if some remedy cannot be found out  
for their relief will be almost ruin'd—They Therefore most  
humbly Pray That yo<sup>r</sup> Hon and the Gen<sup>l</sup> Ass<sup>m</sup> will take the  
premises under your mature Consideration and make such

orders thereupon as may (if possible) rectify the horrible Injustice that has been done the Town by such false entrys and Effectually prevent the Confusion which the Town will otherwise unavoidably be in and yo<sup>r</sup> petition<sup>rs</sup> as in duty bound shall ever pray &c

### *Report about Dover Town Book.*

Whereas the Generall Assembly of this his Maj<sup>s</sup> Province upon reading the report of the Committee formerly appointed by s<sup>d</sup> Assembly to Examine Dover Town book: Wee whose names are hereunto Subscribed were appointed by the Gen<sup>l</sup> Assembly to make a more exact & particular Inquiry into the Seve<sup>l</sup> Grants & returns in s<sup>d</sup> Book supposed to be Vicious & Corrupt as pr. s<sup>d</sup> Vote of the 30<sup>th</sup> of Decem<sup>br</sup> 1730 will appear & having Strictly examined s<sup>d</sup> Town Books & files as alsoe the the former Town Clerk & other Persons from whom we could receive any Insight or Information & Do report that all the Grants & returns mentioned in this report we Imagine to be fraudulent Corrupt & Vicious for the reasons mentioned with Each record herein recited as

1<sup>st</sup> In the old Book Page (120) a grant made in the 10<sup>th</sup> of the 11<sup>th</sup> month (59) & A return mad<sup>e</sup> & ent<sup>r</sup>ed by Cap<sup>n</sup> Tho<sup>s</sup> Tibbets the Late Clerk & in a space amongst the record<sup>s</sup> made many years before he was Clerk & the time of his recording it was entered with the s<sup>d</sup> Grant & return & afterward erased & the Clerk acknowledged he recorded it, beside we viewed the originall & finde it all of one hand and signing

2<sup>d</sup> In the New book Page (9) a grant made by a Committee whereof William Furbur was Clerk for 60 acres of Land made to the reverend Mr. John Pike Dated the 23<sup>rd</sup> June 1701, & confirmed by the Town the 23<sup>rd</sup> march 1702 This Capt Tho<sup>s</sup> Tibbets swears he doth not know how it came upon record & that Doctor Pike had been with him to get the s<sup>d</sup> Grant &c recorded but he refused to Enter it being as he believed not good. Notwithstanding 'tis ent<sup>r</sup>ed in a Vacancy Left in s<sup>d</sup> book formerly & in a Different hand from the records of that Time & some obliterations

3<sup>1</sup> In s<sup>d</sup> Book Page (16) a grant made by s<sup>d</sup> Committee for (30) acres of Land to Cap<sup>t</sup> Tho<sup>s</sup> Tibbets on the 3<sup>1</sup> of June 1701 because entred by Cap<sup>t</sup> Tibbets son Sam<sup>l</sup> as he himself Declares upon oath amongst the records made by Cap<sup>t</sup> Tuttle & we observed that the Date of the record, in the same page both before & after were in the year (1694) but we could not obtain any originall.

4<sup>th</sup> In page 19 a grant made to Nich<sup>l</sup> Harrison for (60) acres on the 19<sup>th</sup> 1693-4 & confirmed by the Town In the month of April following Entred in a Space amongst the records made by Cap<sup>t</sup> Tuttle & not in his hand and Differing from his s<sup>d</sup> Tuttle's method

The Petition of Sundry Persons Inhabitants of Durham, Dover, Exeter & Newington most Humbly *Sheweth*

That whereas your Petitioners are men who have been bro<sup>t</sup>

*Petition against a new Parish.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Cap<sup>t</sup> General  
 Governor and Commander in Chief in and over his Majestys  
 Province of New Hamp<sup>r</sup> in New England Together with  
 The Hon<sup>ble</sup> his Majestys Council & House of Representatives in general Assembly Conveaned

Wee your Humb<sup>l</sup> Petitioners without a due Consideration  
 having heretofore Signed a Petition carried into the general  
 Court in order to be set off a Parish by our selves which Peti-  
 tion if Granted Wee find will be greatly to our disadvantage  
 and very hurtful to ourselves and Families for the time to come

first Because that after a due Consideration wee find that  
 our part that have Petitioned are but few in number and  
 many of us under such poor Circumstances that wee apprehend  
 that at present we are in no wise able to Support ourselves &  
 Families and to pay what we shall be obliged to do in order  
 to the settling & mentaining an Orthodox Minister

amongst us. Secondly Because that whenever it may be thought there may be another Parrish the meeting house ought to be set up in the Center of the Parish and not y<sup>r</sup> Parrish to be Established in manner & form as Petition<sup>d</sup> for. The meeting house now at Madbury standing almost home to Durham line and will by no means accomodate Many of us Neither many other out settlers who dont live within the Parrish Petition<sup>d</sup> for. Wherefore we your humb<sup>l</sup>e Petitioners beg that your Excellency & Honours would in your great wisdom and Goodness take this affair into your wise Consideration and put an end to the whole proceeding thereof all which Wee your Hum<sup>l</sup>e Petitioners in duty Bound shall ever pray

*Petition for leave to have a Lottery.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor & Commander in Chief in & over His Majesty's Province of New Hampshire—The Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province In General Assembly Conven'd the 2<sup>d</sup> Day of January 1760

The Humble Petition of John Gage Esq<sup>r</sup> Howard Henderson & Dudley Watson Gentlemen all of Dover in said Province as Committee of said Town for this purpose Shews

That the said Town by divers ways & means is as your Petitioners apprehend more burthened with Charges of One kind or other than any other in the Province in Proportion to the Polls & Estates Subjected to Discharge them Among which the Bridges maintained at the Public Expense is not Inconsiderable But especially the well known & now much us'd Bridge over Cochecho River (which is gone much to Decay) is a Great & Standing Expence—That it is now necessary the said Bridge should be Rebuilt for which a considerable sum of Money will be wanting the Levying of which in the Common Way will be too Grievous to be sustained at Present notwithstanding the Urgency of the Demand

That as there are at Present many Examples of Raising money for Public uses by way of Lottery that the money Risk'd by Individuals who will where opportunity Favours be adventurers may be of General advantage the said Town have upon Consultation Judg'd they might make a Good use of this

way for the End aforesaid and directed your Petitioners to apply for liberty accordingly—An as this liberty is a matter of mere grace and favor and not of Justice and right your Petitioners beg leave Humbly to suggest that Considering it in that view the Town of Dover seems to be a proper Subject for that favour not only in Regard of the Burthen aforesaid but also of the Principal Share it has Sustained of all the Calamities Afflictions Troubles & Burthens with which the Province in General has been Concerned from the Beginning—Wherefore your Petitioners most Humbly Pray that they may have the Liberty afores<sup>d</sup> Granted to said Town & leave to Bring in a Bill accordingly and they will as in duty bound ever pray &c

*Petition of Sundry Inhabitants of Dover for a Bridge to cross Bellamy's Bank.*

To His Excellency Benning Wentworth Esq' Governor and Commander in Chief in and over His Majesty's Province of New Hampshire The Hon<sup>ble</sup> His Majesty's Council and House of Representatives in General Assembly Convened.  
Oct. 12<sup>th</sup> 1756

The Humble Petition of Sundry of the Inhabitants of Dover in said Province Shews That there is a Public High Way laid out in Dover aforesaid from the Road that leads from Cocho thro' Littleworth so called to Barrington to the Main Road that goes thro Madbury which Highway crosses Bellamy's Bank Freshet or Brook A little above Capt. Paul Gerrishes saw mill over which Freshet or Brook there is no Bridge for want whereof at certain times there is no Passing & thereby the Good Ends proposed in laying out Said way are in a Great Measure Frustrated and is also a standing Grievance to the Owners of the Contiguous Lands by Passengers throwing

Down the Fences for Convenient Passage, when they cannot pass said Freshet which wou'd be prevented by a Bridge.

That the Way aforesaid is Really useful & Necessary which was the Reason why it was laid out and tho' this matter has been Represented to the Town and the Necessity of having a Bridge there urged to make said Way Serviceable without being Injurious to Particular Persons and the Town Requested to Build it at their General Expence Yet they Cannot be Prevail'd upon to do it.

That Every Town is by Law Obliged to Provide for and Keep in Repair all Roads or High Ways Passing thro' them and there is the same Reason that they should Build Bridges where they are Necessary or the High Ways leading to Such Places would be useless tho' as the Law Relating to the Laying out High Ways is Silent as to this matter & it is a Case omitted your Petitioners are Necessitated to make this application.

Wherefore they Humbly Pray the Premises may be Considered and the Said Town of Dover Enjoined to Build a Convenient Bridge at the Place aforesaid to Render said Way useful or Provide Such other Relief herein as in your Great Wisdom & Goodness you shall Judge proper and your Petitioners as in Duty Bound shall ever pray &c.

*Petition in relation to being set off in a separate county.*

To his Excellency John Wentworth Esqr. Captain General Governor & Commander in chief in & over his Majesties Province of New Hampshire — To the Honourable his Majesties Council and to the Hon<sup>ble</sup> House of Representatives in General Court convened this 11<sup>th</sup> Day of March 1768

We the Subscribers being Agents legally appointed by the several Towns hereafter mentioned beg leave to present our humble Petition unto this Hon<sup>ble</sup> Court, and in terms of the utmost Deference & respect to shew forth—that as your Excellency and Honours are about Dividing this Province into Separate & distinct Counties your Petitioners in their s<sup>d</sup> Capacity Humbly Hope that as the s<sup>d</sup> Towns have long since been incorporated and are now become very populous & may reasonably be supposed still more to increase and as some of them have been indulged with certain Priviledges & Franchises & as the adjacent Towns are also settling & greatly improving: Your Excellency and Honours will condescend to confirm a Vote of this Hon<sup>ble</sup> Court passed at their last Fall sitting for Dividing

this Province into three Counties so far as said vote relates to these Towns with regard to the boundary Lines only And your Petitioners humbly pray y<sup>r</sup> Excellency and Honours would indulge them with a Hearing on this important Subject when we presume to Hope we shall offer to this Hon<sup>ble</sup> Court such Reasons as they may Judge sufficient to induce them to grant us the Prayer of our Petition & to set off the s<sup>t</sup> Towns into a distinct & Seperate County with such Towns as were then annexed in the aforesaid vote And your Petitioners as in Duty bound in their said Capacity shall ever pray

*Petition relating to a Bridge.*

To his Excellency John Wentworth Esquire Governor and Commander in chief in and over his Majestys Province of New Hampshire the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in General Assembly convened the 13th day of November 1770

The humble Petition of Sundry of the Inhabitants of the Town of Dover in said Province Shews

That the Inhabitants of said Town were divided in sentiment about the place of building a new Bridge over the Cochecho River at the Falls and tho' there was a Vote of the Town for placing it below the Falls your Petitioners apprehend the Vote would not have been pass'd had the meeting been general (many persons being then absent in the Woods) or could they have obtained a Second fair meeting so that those who were for having the Bridge placed below the Falls proceeding on the authority of said Vote have built a Bridge below and the Place where the old Bridge stood being on an ancient Highway and most convenient for Travellers the Inhabitants who were for having the Bridge there supposed the Town to be under a necessity of building one there Also which was done in the Course of the last Summer & there are now two Bridges at said Falls which your Petitioners apprehend to be needless.

That the lower Bridge is not so convenient for Travellers nor so well approved of by them nor can the Town dispense with the Duty of maintaining a Bridge above where there has been one for near one hundred years past and therefore a Vote for

changing or altering and placing a new Bridge so far out of the way or at such a Distance from the old place was utterly illegal and had it been ever so fairly obtained cou'd not have been valid without a greater authority than such a Vote.

Wherefore your Petitioners most humbly pray that the whole proceeding in this Case may be examined by the legislative Authority and the following Questions resolved viz whether the Town had a right by their Vote to change the place of building a Bridge so as to be exempted from building and maintaining one where it used to be—Whether their proceedings have been fair and legal upon supposition they had a right to determine the matter by the agreement of the Town. Whether the Bridge below or that above will be of the most general Service & best answer the public Good. Whether there is any necessity of maintaining both said Bridges and if not which the Town shall be at the expense of building & maintaining for the future with such other matters and things as in your great Wisdom & goodness you shall find incidental and necessary to be determined in order to the regular proceeding of said Town in making their Rates which is not yet done and for the settling peace & good order in said Town and your Petitioners as in duty bound shall ever pray &c

To his Excellency the Governor the Honorable his Majestys  
Council and House of Representatives of s<sup>d</sup> Province May  
it please

Whereas by misunderstanding & a party Spirit prevailing among the Inhabitants of Dover in said Province they have built two Bridges over the River one above the other below the Cochecho falls in Dover (so called) the one by vote of the Town the other by your Petitioners & the dispute running so high which shou'd be the Kings and Countrys Bridge each Party strenuously contending for their own they having the Town Vote in their favor and we Antiquity & conveniency on ours to end or determine which we petitioned your Excellency and Honors to say which shall be the established Bridge for the use of his Majesty's Subjects which you were pleased to determine in our favor which we gratefully acknowledge and return our sincere acknowledgements for said favor but by your act or determination you enabled the Selectmen of Dover to assess the Polls and Estates in said Dover as for other Town charges to pay the charge of the lower Bridge which has been done and paid and no provision is made by said act or otherways for payment of the established Bridge. We petitioned the Selectmen but they deny'd then we petitioned two Justices unus Quorum to call a Town meeting of the Inhabitants of Dover to see if they would Vote to pay for the building the established Bridge a Meeting was called by said Justices and the Town voted in the negative. Therefore we pray you will direct & enable the Selectmen of Dover to assess the Polls and Estates in the same as for other Town Charges for payment of said upper Bridge above the falls on their receiving a true and reasonable account of the charge of the same and we as in duty bound shall ever pray. *Petition relating to removal of Rocks from Salmon Falls river.*

State of }  
New Hamp- }  
shire. }

To the Honorable the Council and House of Representatives of said State.

The Subscribers hereto most humbly Shew That for many years past a considerable Trade as beneficial to the Community as to Individuals hath been carried on by the people living on what is called Salmon fall River which Trade has ever been attended with the greatest Inconveniencies on account of many very large pointed Rocks which lay scattered in the Bed of said River for near a Mile below what is called Quamphe-

gan Landing—That all attempts to raise Money by Subscription or otherways for the purpose of removing said Rocks have hitherto proved unsuccessful the charge of that Business having been deemed too heavy to be borne by the few when the many were as closely interested—That to the obstructions aforesaid your Petitioners conceive it is in part owing that the Trade of said River hath lately very much declined but which they hope will soon revive on their removal.

Your petitioners are anxious as well for the good of the Community as for their own private Emolument, to have the said Rocks removed, and therefore in a Design so benevolent and useful Do pray the aid and Interposition of your Honors so far only as to enable them to raise by a Lottery about five hundred pounds which sum with what *they* can furnish in Labour and material they apprehend will be sufficient to effect the above purpose—And as in duty bound your Petitioners will ever pray &c

*Petition for extension of time to make their settlement.*

To His Excellency John Wentworth Esq. Captain General Governor & Commander in Chief in and over his Majestys Province of New Hampshire in Council

The Petition of John House of Hanover in the County of Grafton in the Province aforesaid Esqr. in behalf of Himself & the Proprietors of the Township of Dorchester in the Said County of Grafton unto your Excellency & the Hon<sup>d</sup> Council humbly *Shewes*

That by Reason of the many Difficulties attending the Settlement of New Townships y<sup>r</sup> Petitioners have not been able to perform the Setling Duties required by Charter. That there are Several families now settled there and more soon to remove that they have cutt a Road & laid out most of the Township, and are in hopes of Performing the Setling Duties if your Excell<sup>y</sup> & Honours will indulge them with an extension of the Time for making their Settlement. Wherefore your Petitioners humbly prays y<sup>r</sup> Excellency & Honours Favours to them in granting them such further Time for Setling as in your wisdom you may think proper And your Petitioners beg Leave to assure y<sup>r</sup> Excell<sup>y</sup> & Honours that they will be Solicitously attentive to fulfill their Duties required by the Charter of s<sup>d</sup> Township and as in Duty bound y<sup>r</sup> Petitioners will ever pray

To His Excellency John Wentworth Esq<sup>r</sup> Governor and Commander in Chief of said Province in Council—

The Memorial of John House And his Associates humbly sheweth.

That your Memorialists having lately prefer'd a petition for an Extension of the Charter of the Township of Dorchester

now under forfeiture which Extension they since find will be attended with insuperable Difficultys, as many of the late proprietors will neither prosecute their Settlements nor be persuaded to pay their necessary Taxes.

Your Memorialists are now desirous of withdrawing the said Petition & wou'd pray y<sup>r</sup> Excellency & Honours that they may be favor'd with a new Charter of said Township engaging to admit with them all Such of the late proprietors as will appear to do the necessary Dutys And immediately to bring into said Township a Number of good Settlers—to clear the Road thro' the Same leading to the College & comply with every other Condition or Reservation which your Excellency & Honors may seem meet to direct—and your Memorialists as in duty bound shall ever pray—

The Petition of Josiah Willard J<sup>r</sup> agent for and in behalf of the Inhabitants and Settlers of a Tract of Land in said Province commonly called & known by the name of Dublin (or Monadnock No. 3) Humbly Sheweth

That your petitioner is Impowered and authorized to inform your Excellency that the Said Dublin is rated among the Towns and Parishes in this Province for the prov<sup>ce</sup> Tax and that the said place is not legally qualified to raise and collect the said Taxes whereby they may be construed delinquents if the same should be omitted; He also begs leave to suggest to your Excellency that the said Dublin is presumed to be sufficiently inhabited and convenient for Incorporation He therefore humbly Prays in behalf of his Constituents as afores<sup>d</sup>. That they may be erected and Incorporated into a Township and that they

To his Excellency John Wentworth Esq. Captain general governor & commander in chief in & over his Majestys province of New Hampshire and the honourable his majestys council & house of Representatives for said Province. The petition of James Stinson of Dunbarton in said province most humbly Sheweth that the Inhabitants of said Dunbarton at a legal meeting for that purpose on the 25<sup>th</sup> day of October 1773 voted that this petitioner should have the school lot in said town which is the lot number twelve in the fourth range in exchange for fifty acres of the easterly end of the lot number eleven in the third range and the half off the easterly end of the lot number twelve in the same range. Wherefore as it is thought said exchange would accommodate the School in said town as well as the petitioner — The petitioner therefore prays your Excellency & Honours by a resolve or act of Assembly for that purpose would confirm said town vote and your petitioner as in Duty bound shall pray &c

*Petition of Caleb Page relating to school Lot.*

Province of )  
New Hamp; )

To His Excellency John Wentworth Esqr. Governor in chief in & over said Province The Honourable Council and House of Representatives in General Assembly convened. May 11<sup>th</sup> 1774

The Humble Petition of Caleb Page of Dunbarton in the County of Hillsborough Gentleman in behalf of himself and a number of the Inhabitants & Freeholders of said Dunbarton Sheweth That when the Lands in said Town were allotted, Lot number nine in the third Range was laid out for the use of the School forever. Afterwards on the Tenth Day of June 1761 the Proprietors of said Dunbarton voted to exchange the

Schoot Lot with William Stark of said Dunbarton if he would purchase Lot number twelve in the fourth Range for the use of the School. Which Lot number twelve the said Stark afterwards purchased for his *own* use, but hath never conveyed the same for the use of the school according to the Condition of said Vote. Afterwards at a suppos'd Meeting of the Inhabitants of Dunbarton afores<sup>d</sup> (which meeting was called within Six Days after the Warrant therefor issued and the same Warrant put up in a very private Place) it was voted by a few of the Inhabitants that James Stinson of said Dunbarton should have the Lot Number Twelve called the School Lot in Exchange for fifty acres off the Easterly End of Lot Number Eleven in the third Range and the half of said Easterly End of Lot Number Twelve in the same Range. In Consequence of which Vote obtained in an unfair and private manner The said Stinson petitioned your Excellency and Honors setting forth the purport of the same vote and that an Exchange of said Lots would be a mutual Benefit. Wherefore your Excellency and Honors Resolved that upon the said Stinson's making and Executing to the Selectmen for the use of the Town of Dunbarton afores<sup>d</sup> a Deed of the afores<sup>d</sup> fifty acres of the easterly End of the Lot Number Eleven in the third Range and half of Lot Number Twelve in the same Range for the use and support of a school in said Dunbarton forever, that then the Town afores<sup>d</sup> should be empowered to appoint some person or Persons to make to said Stinson his Heirs and Assigns forever a good and valid Deed of the said Lot Number Twelve in the fourth Range. Since which said Resolve the Inhabitants of said Town have at two legal Meetings voted not to exchange said Lot N<sup>o</sup> 12 as they apprehend they have no legal Title to the same but that the Lot number nine in the third Range remain the School Lot in said Town as it was laid originally for that purpose and that if they were Owners of the Lot Number twelve in the third Range called the School Lot would not exchange the same because it is much better situated and of double the Value of the Land proposed to be given by said Stinson in exchange. But as every Method is and hath been taken to persuade and terrify the People of said Dunbarton to vote in exchange of said Lot agreeable to said Resolve whereby the Peace of the Town hath been much disturbed and if the Inhabitants should make a Deed thereof to said Stinson they must necessarily expose themselves to a suit. Wherefore your Petitioner humbly prays that the same Resolve may be made null and void that an order may be passed hereon to stop any further Proceedings upon the same Resolve untill your Excellency's and Honors final order herein and your Petitioner as in Duty bound will ever pray &c.

*Petition for protection against Indians.*

To his Excellency Benning Wentworth Esq. Capt. General and Governour in chief in & over his Majesties Province of New Hampshire in New England—The Honourable the Council & House of Representatives in General Court convened.

The Memorial and Petition of James Stuart in the Name and behalf of the Inhabitants of the West Parish and District of Dunstable in the said Province Humbly Sheweth the said Parish has been Settled by his Majesties Subjects about fourteen years and a Gospell Minister ordained above a year that the Settlers had an Eye at enlarging his Majesties Dominions by going into the Wilderness as well as at their own Interest that many Thousand of pounds has been spent in clearing and cultivating the Land there and some thousands more in building houses Barns & fences the breaking up of which Settlement will not only ruin the Memorialists but greatly deserve his majesties Interest by encouraging his Enemies to encroach on his deserted Settlements and be also hurtfull to the Province by contracting its borders and drawing the war nearer the Capital

That it was by a long and Importunate Intercession of this Province (and not of the Memorialists seeking) that they are cast under the immediate care of this Government which they conceive gives them so much the better right to its protection that as war is already declared against France and a Rupture with the Indians hourly expected your Memorialist unless they have speedy help will be soon obliged to forsake their Settlements how Discervicable soever It May be to the Crown Dishonourable to the Government hurtfull to the Province and ruinous to themselves

Wherefore your Memorialists Most humbly supplicate your Exclency the Honourable Council & House of Representatives to take the Premises into your wise & mature consideration and to grant them such Seasonable Relief as May Enable them to Subsist in the War & secure against the Ravage & Devastations of a blood thirsty & Merciless Enemy and your Memorialists as in duty bound will ever pray.

*Petition in relation to conflicting town meetings.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Capt. General Governor & Commander in Chief in & over His majesty's Province of New Hampshire the Hon<sup>ble</sup> His majestys Council & House of Representatives for said Province in General Assembly convened the 10<sup>th</sup> Day of May 1748

The Humble Petition of Joseph Blanchard of Dunstable in said Province in behalf of himself & other Freeholders & Inhabitants of the said Town Shews

That on the 12<sup>th</sup> Day of March last past the Selectmen of Dunstable afores<sup>d</sup> Issued a Warrant Directed to the Constable of said Town Requiring him to Warn all the Inhabitants of said Town who were Qualified to Vote in the choice of Town officers to meet the 30<sup>th</sup> Day of the same month to chuse Town officers for the Current Year. &c. That the Inhabitants of the said Town accordingly met & after some Debate Concerning the Qualifications of Voters in such affairs they proceeded to the Business of the meeting & fifty three then assembled who were Qualified according to the Laws by which they had heretofore been Govern'd who Divided into two parties thirty six in one & Seventeen in the other & each chose a moderator Select men & all other Town officers who are all sworn to the faithful Discharge of their Respective Offices whereby there are two or a Double set of officers for every office in the said Town the Evident Consequence of which is the utmost confusion—That there is an absolute necessity for Officers in the said Town Legally chosen & Qualified whose Authority there may be no Just Grounds to Dispute as well with Regard to the Province taxes as to those matters & things which more Immediately Concern the Town the Decision of which in the Common Course of the Law would be both tedious & Expensive and not answer the Exigencies of the Town. That these Inconveniences to the said Town are in a great measure owing

to their particular Circumstances being but Lately Incorporated can have no Custom to Govern their proceedings in such cases And to the Defect of the Province Laws Relating hereunto. For your Petitioner cannot find there is any Law of this Province that Determines the Qualifications of Voters in such Town meetings for the Choice of Town Officers the only Law that Relates to that matter Says That the Free holders & other Inhabitants of Each Town Ratable at twenty Pounds Estate to one Single Rate besides the Poll &c. Shall Vote But there being no Law that Distinguishes what Estate is Ratable and what is not (which yet the very Term Ratable Estate supposes) the Directions of this Law in this case are Intirely useless

That it would greatly Contribute to the Peace and Dispatch of such meetings if the Law was Express & Clear who should Govern them till a moderator is fairly chosen for in matters of Importance & when the People are Divided every man having an Equal Right to Govern they dispute as hotly about that as any matter they have to do In which point the Law is Intirely Silent and with Respect to Towns newly Erected no customs can have Existence (as was before hinted) But such as can have no operation that Such Places Especially must Labour under Insuperable Difficulties unless aided by the General assembly or the Standing General laws of the Province in this Particular amended

Wherefore your Petitioner most Humbly Prays that the Premises may be consider'd with all Convenient Dispatch— That the Choice made by the majority of the Votes afores<sup>d</sup> may be confirmed and declared valid or that the whole proceedings may be nullified and a new meeting called under the Direction of the General assembly—and some Law Enacted that may Prevent the like Inconveniencies for the future. And your Petitioner as in Duty Bound shall ever Pray &c

To His Excellency Benning Wentworth Esqr. Govr. &c. the Hon<sup>ble</sup> his Majestys Councill & House of Representatives in Gen<sup>l</sup> Assembly Conveined. Portsmouth y<sup>e</sup> 9<sup>th</sup> day of Apr. 1754.

Wee the Subscribers Inhabitants of the Province of New Hamp<sup>sh</sup> on the West side of Merrymack River Would most Humbly Remonstrate That the Extent of the Settlements of this Province is upward of One Hundred Miles Westward from Portsmouth the Place where all the Courts in the Province are held.

That the Great Difficulties of Travill & Expencc to and from the Court on all County Emergencies Lays the Western Inhabit<sup>ts</sup> under Insuperable Difficultys as well as Occasions Great delay to the Partys & Jurors whose Business Calls them to the Courts of Judicatory to the Great Impoverishing of the Government. Wherefore your Petitioners most Humbly Pray That your Excellency & Hon<sup>rs</sup> would take the Premises into Consideration & Grant Relief by Dividing the Province into two Countys by such a Dividing Line & with Such Powers and authoritys as in your Great Wisdom you shall Judge Convenient and your Pet<sup>rs</sup> as in Duty Bound Shall Ever Pray.

*Answer to the Petition of sundry inhabitants of the town  
of Dunstable.*

Province of )  
New Hamp j

To his Excellency the Governor & the Hon<sup>le</sup> his majesty's  
Council and assembly of said Province.

Whereas sundry Inhabitants of the Town of Dunstable have Petitioned your Excellency & Hon<sup>rs</sup> Complaining that they are unjustly used by Dunstable and Praying that they may be Freed from Supporting the Gospel where they can have no benefit thereby and be added to Holles Therefore we the Subscribers by order of the Town of Dunstable Beg leave to answer said Petition and shew that the Comp<sup>lt</sup> is groundless & the Prayer unreasonable as to Dunstable meeting house which they complain of its being at so Great a distance from them if it is unjustly fixed it is owing to them Selves for many of them voted to have it there and non of them Voted against it for after the Timber was drawed to the place a Vote could not be obtained to Raise it where it is before the Petitioners agreed to it and they can have the meeting house moved where it will be Just and equal to have it where they please for when ever they have endeavoured to have it moved there has been enough of the Town to Join them in it so as to obtain a vote for it as appears by the votes herewith and when such votes have been passed they have failed pursuing it for fear it should be done and so they prevented from being set off to Hollis as they have in time past so it seems they are now stired up by some of Hollis people to bring this Petition in order to uphold the unjust proceeding of Hollis in setting their meeting house where it now is for in the year 1756 Hollis joined these Petitioners in

a Petition of like kind with this and had a day appoynted to be heard on the same and by order of the Gen<sup>l</sup> court the select<sup>ns</sup> of Dunstable were notified of it and when Hollis & the Petitioners Inhabitants of Dunstable found that Dunstable was determined to answer that Petition and shew the unjust design of it the Petitioners were either afraid or ashamed to appear in defence of their own Petition. And now Hollis are Endeavouring to have the South part of Monson anexed to them and should that be don and also the westerly half of Dunstable anexed to them then their meeting house where it now is will be aboute Right so that could it now be obtained to breake up and ruin two Towns it may hereafter be sumthing of a cover to hide the Iniquity of Hollis and help the private Interest of some mercenary persons but can't possibly promote the Publick Good nor help the Interest of these Towns. In order to Incorporate these Towns so as to promote the Publick Good & the peace and hapiness of the Inhabitants (which by Runing the Province line fell in to this Province) and to prevent the Trouble of after Divisions the Governor and Council took a very wise and Parental care by sending a Com<sup>tee</sup> of Disinterested Gent<sup>l</sup> to veiw and examin in to the Situation of the Inhabitants that so they might know what lines would best answer that Good end and after said com<sup>tee</sup> had taken such view and heard all parties and made their Report to the Gov<sup>l</sup> & Council these Towns were incorporated as the lines now stand and in our Charter the Governor & Council have Reserved to themselves their heirs and successors the Power of Dividing said Town when it shall appear necessary and convenient for the benefit of the Inhabitants which at present is not nor can be and the Petitioners having Prayed the Governor and Council to divide them from Dunstable and finding that the Gov<sup>l</sup> & Council are Imovably set to defend the Publick Good and the Inhabitants of Dunstable in the Injoyment of those Priviledges Granted to them by their Charter so that from them they can tobtain their unreasonable Request They now Pray the Hon<sup>l</sup> assembly to give them sum aide as the Gov<sup>l</sup> and council unreasonably denighed or neglected to releave them in their difficulty as they pretend but we don't doubt they will meet with same Repulse from the Hon<sup>l</sup> assembly as they have from the Gov<sup>l</sup> & Council in such an unreasonable and unjust request for should Hollis move their meeting house where it ought to be and the Petitioners act Peacably with their own Town they will then be much nearer to their own meeting in Dunstable than they can be to Hollis meeting as appears by the Plan of each Town and by what they say themselves in their own Petition aboute the distance they are now from Hollis meeting and as to what they urge of

their once belonging to Hollis and helping to settle a minister there is not true if it is they did not live on the places they do now for many if not all the Petitioners have settled in Dunstable since Mr. Emerson settled in Hollis and for them to urge such false please can never answer the end they Expect so as to excite the pity of this Great and Hon<sup>l</sup><sup>c</sup> Court who can't but abhor the designs of those who try to destroy the peace and ability of Towns to advance sum private Intrest and when the reason they offer is not true and in behalf of the Town of Dunstable we pray y<sup>r</sup> Excellency and Honours would dismis said Petition which is so Groundless & unreasonable and we as in duty bound shall ever pray

*Petition of Zacheus Lovewell and Joseph Blanchard.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Gov<sup>r</sup> and Commander in Chief in & over his majesty's Province of New Hampshire The Hon<sup>bl</sup><sup>e</sup> his majesty's Council & House of Representatives for said Province in General assembly Convened May the 4<sup>th</sup> 1768

The Humble Petition of Zacheus Lovewell & Joseph Blanchard Esq<sup>r</sup>s as two of the Proprietors of Dunstable and in behalf of said Proprietors Shews

That the Proprietors of the Common & undivided Land laying in Old Dunstable so calld live & their Lands now lye in the Province of the Mass Bay as well as in this Province and by the method they had Established, their meetings were to be called by their Clerk who was the Late Joseph Blanchard Esq<sup>r</sup> Deceasd, whereby that method is Impracticable & your Petition<sup>rs</sup> are advised that the standing Laws of the Province do not Direct to any method of Calling meetings in Such Cases.

That as to those Proprietors who live & the lands which lay in the Massachusetts there is no Difficulty, because there is a Law Providing in such Cases but as they are but a Part and as to the Lands the Lesser Part a meeting by virtue of the Law there would not answer the General advantage, nor authorize a meeting of the whole which is the View they have & which the Situation of their affairs Demand, there being a Present necessity of Transacting Some Business at such a meeting. Wherefore they Pray that the Said Proprietors may be Convend in this Province by the Same method they may be there, that all may be called together in the Same way & at the Same time in both Provinces & when they are met they

may unite in One Body & Settle the future method of Calling their meetings, and that your Petition<sup>r</sup> may have leave to bring in a Bill accordingly and (if should be formed a General act it may Prevent the like application hereafter but which they Humbly Submit) they shall as in duty Bound ever Pray &c

*Petition by Joseph Blanchard.*

Province of )

To His Excellency Benning Wentworth Esq. Gov &c. of the Province of New Hampshire the Hon<sup>ble</sup> his Majestys Council & Assembly of said Province

the Petition of Joseph Blanchard Esq in behalf of himself and Sundry others of the Prop<sup>r</sup> of the Common & Undivided Lands in the Township of old Dunstable Who Humbly Shews

That on the 15<sup>th</sup> day of Octo<sup>r</sup> last said Prop<sup>r</sup> had a meeting which was held by adjournment and among other things it was Inserted in the Warning of said Meeting to Choose a Clerk for said Prop<sup>r</sup>. But the Moderator that was Chose at the first Meeting did not attend the Adjournment. Therefore a Question Arose Whether the Prop<sup>r</sup> Could Legally Proceed in the Choice of another Moderator and Proceed in the Business of said meeting. But after some Debate Some of the Prop<sup>r</sup> did Proceed and Choose a Moderator and a Clerk Who has since Commenced an action against the Former Clerk for the Records of said Prop<sup>r</sup> and your Petitioner is advised that the Disput is of such a nature that a Determination in the Common Law will be attended with many Difficultys which will Greatly hurt the Interest of said Prop<sup>r</sup>. Wherefore y<sup>r</sup> Petitioner humbly prays that y<sup>r</sup> Excell<sup>t</sup> & Hon<sup>r</sup> will take the Premises

under Consideration and appoint Some Suitable Person to Call and Govern a Meeting of said Prop<sup>rs</sup> for the Choice of a Clerk or grant Such other Relief as in your Great Wisdom you shall see meet and y<sup>r</sup> Petitioner as in Duty Bound shall Ever pray &c

then a vote was proposed as followeth—

Where as this Town of Dunstable on the 31<sup>st</sup> of August last voted and chose y<sup>e</sup> Rev<sup>d</sup> M<sup>r</sup> Samuel Bird for the Settled minister of this Town and Joseph Blanchard Esq<sup>r</sup> Henry Adams John Lovewell Ju Joseph French Jon<sup>s</sup> French Jon<sup>s</sup> Combs Josiah Swan Sylvanus Whitney Ephraim Butterfield Thomas Blanchard Joseph Butterfield Richard Stratton Ephraim Adams Thomas Adams Phineas Adams Samuel Searles William Lund Jur. Phineas Lund & John Combs having manifested their dissatisfaction with the Choice and unwillingness to attend his Ministry therefore voted and agreed that said Persons and their Poles for the time being Lyable by Law to be rated and such Tenants for the time being as shall live on their Estates unless such Tenants shall give their attendance at said M<sup>r</sup> Birds meeting be and hereby are Excused and discharged from all rates and Taxes what so ever that shall be raised and assessed on the Inhabitants of this Town for the Settlement Salary or Support of the said M<sup>r</sup> Bird and all other their Estate Real and Personall while in their Possession equally discharged also for the Erecting and finishing a Meeting house where the said M<sup>r</sup> Bird shall Preach always Reserving as the Condition of this Grant or vote that the Persons discharged as afore said do not vote in any affair Relating to the Said M<sup>r</sup> Birds Settlement Salary or Support or the placing Ordering or Building the said Meeting house and in case any of them for the future do thus act in any of the affairs as afore said then the afore going vote to be void as to such person also provided that when any of said persons shall give their Generall attendance on said M<sup>r</sup> Birds Ministry the afore said vote where by they are excused to be void as to such person voted in affirmative A nother vote Proposed as followeth Where as this Town of Dunstable y<sup>e</sup> 31<sup>st</sup> of August last made choice of y<sup>e</sup> Rev<sup>d</sup> M<sup>r</sup> Samuel Bird for the Settled Minister of this Town and having determined to set a Meeting house for the Publick Worship of God near the Common Road of passing through said Town viz. the Road that passes by Thomas Harwood to Nashua River Bridge and Thomas Patch Joseph Farley David Hobart Amos Phillips Benja Parker Elathan Blood John Willoughby Jason Russel Simeon Blood Garsham Hubart & John Butterfield having represented their Circumstances to this Town viz. their liveing near the westerly line of this Town so that if the Meeting house should be Built near said road they say it will

in no meashure accommodate them and that they cannot with any Convenience attend the Meeting also that they have lately before they were Incorporated in this Town paid their proportionable part in Settling y<sup>e</sup> Rev<sup>d</sup> M<sup>r</sup> Daniel Emerson now in Hollis where they can now attend with much More Convenience then they can at a Meeting in this Town provided it be near said Road said Persons therefore desire that they may be Excused from paying any thing towards Building a Meeting house near said road and from paying anything towards Settling and Supporting said M<sup>r</sup> Samuel Bird so long as he preaches near said road and provided they Constantly attend at said M<sup>r</sup> Daniel Emersons Meeting on Lords days and pay their proportion to his Salary and make the Same appear to this Town and that if this Town of Dunstable Should at any time agree upon a place and Build a Meeting house near the Center of this Town or if a Com<sup>tee</sup> from the Gen<sup>l</sup> Court should settle the Place for said House that then they be not any longer Excused from paying as aforesaid

Now therefore this town of Dunstable having Considered the Reasons offered by said Persons moving them to Desire to be Excused from paying as aforesaid it is Voted & agreed that said Tho<sup>s</sup> Patch and the other persons beforementioned by Name be Excused from paying anything towards Building a meeting House and Settling and Supporting Said M<sup>r</sup> Samuel Bird in case the said House be Built near Said Road and that so long as he continues to preach there and no longer and it is provided that if at any time this town agree upon a Place and build a meeting House near the Center of this Town or that when ever the Place Shall be Settled by the Gen<sup>l</sup> Courts Com<sup>tee</sup> that then this Vote whereby said Persons are Excused be Null & Void

and it is further provided that said Persons Constantly attend said M<sup>r</sup> Emersons meeting on Lord's days and pay their proportion to his Salary and bring Certificate from the Officers of the Church in Hollis and the Select men of that Town that they have thus done and Deliver the Same to the Select men of this Town for the time being from time to time whenever there shall be any money raised for the Building a meeting house or the Support of the Minister as aforesaid and that they & they only of said Persons who thus do be Excused as aforesaid and it is further provided that Said Persons do not act in any affair relating to the Meeting house or the Minister in this town and when ever they or either of them do, this Vote whereby they are Excused to be Void as to the Persons that Shall thus Act.

Unanimously Voted in the affirmative

Wee the Subscribers Inhabitants of the Town of Dunstable would Most Humbly Remonstrate

That Inasmuch as a Representation of our Circumstances has bin made to this Hon. Court Relating our Last March meeting for the Choice of Town Officers, on the 30<sup>th</sup> of said month by Joseph Blanchard Esq<sup>r</sup> praying that the choice made by the majority of Voters mentioned might ———? the Town officers by them Chosen be Confirmed or the whole proceeding nullified & a new meeting Called &c

That we are in necessity for Redress in those things and in

as much as the Choice of officers made by the said Thirty Six Whereof Major Zacheus Lovewell was Chosen Moderator & the s<sup>t</sup> Joseph Blanchard Town Clerk Were agreeable to the Town in Gen<sup>l</sup> & in which choice two thirds at least of the freeholders & Inhabitants in s<sup>d</sup> town of any profitable Estates or such as had bin Costomary to Rase did vote in the affirmative, and should a new meeting be called We Imagine it would be only to chose the same persons over again that the Scarcity of Laborers and the Season of the year so much Demand our attention to our business, our Habitations are so scattered that Warning and holding such meeting at this Season would be very Chargeable.

That if it might be the pleasure of this Hon. Court to establish and Confirm the s<sup>d</sup> officers it would free us from these as we apprehend unnecessary Charges, & Quallify us Imediately to do anything necessary for the Publick affairs of s<sup>d</sup> Town Which is very Humbly Desired &c

*Petition of Jon<sup>a</sup> Lovewell in answer to Joseph Blanchard's petition.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Capt. Gen<sup>l</sup> & Governour in chief in & over his Majesties Province of New Hampshire & the Hon<sup>l</sup> his Majesties Council & House of Representatives for y<sup>e</sup> Province in Gen<sup>l</sup> Assembly Convened May 10<sup>th</sup> 1748

Jonathan Lovewell of Dunstable in said Province for him-

self and other freeholders and Inhabitants of Said Town in answer to a Petition of Joseph Blanchard Esq for himself & others (now lying before this Hon<sup>d</sup> Court) Humbly Shew—

That in Said Petition is Shewn forth that y<sup>r</sup> Selectmen of Dunstable by their Warr<sup>t</sup> call'd a Town meeting in Dunstable to be of Persons Qualified to vote on y<sup>e</sup> 30<sup>h</sup> day of March last for y<sup>e</sup> Choice of Town officers for y<sup>e</sup> Current year that y<sup>e</sup> Inhabitants Met accordingly and after some Debate about y<sup>e</sup> Qualifications of Voters they proceeded to y<sup>e</sup> Business & that 53 Men assembled who were Qualified according to y<sup>e</sup> Laws by which they had heretofore been Govern'd who divided into two parties 36 in one & 17 in y<sup>e</sup> other that each party chose a Moderator Select men & all other Town officers—a Double set chosen and Sworn for every office—the evident Consequence of which is the utmost confusion &c

By this state of y<sup>e</sup> Case in their Petition they Grant y<sup>e</sup> authority of the Selectmen to call the Meeting but don't mention who Govern'd the Parties Mentioned who took their Votes & Determin'd y<sup>e</sup> Choice or whether there was any officer to Enter & record y<sup>e</sup> votes or show how the meeting was managed—representing y<sup>e</sup> case as if one party had as good right to act as y<sup>e</sup> other in any manner the truth of the matter is That the Petitioners in a very Disorderly uncivil manner took y<sup>e</sup> Selectmens warrant from them and went out of y<sup>e</sup> house appointed by y<sup>e</sup> Selectmen to hold y<sup>e</sup> meeting in and Gathered a Party together some qualified Voters & Some not so and acted like a mobb of madmen in such a manner as never was done in this Province Since it was a Government—the Selectmen all the while proceed to take votes at the time & place appointed to hold y<sup>e</sup> Meeting when & where a Moderator was the Voters present orderly chosen & y<sup>e</sup> business of y<sup>e</sup> Town orderly carv'd on all town officers chosen & duly Entered by y<sup>e</sup> clerks Duly Sworn as y<sup>e</sup> Laws & custom of all Towns in y<sup>e</sup> Government have time out of mind used—which officers your respondents conceive to be y<sup>e</sup> officers regularly chosen for y<sup>e</sup> Town & that they ought to Serve in their respective offices—The Petitioners Knew that what they had done was Disorderly yet they did the same with Design to Disturb y<sup>e</sup> peace & good order of the Town for if they were y<sup>e</sup> Major part of y<sup>e</sup> voters Qualified they might have chosen who they liked best into offices without Snatching up y<sup>e</sup> warrant and runing out of doors & holding a meeting abroad in the fields where they were not call'd by their warrant to hold it the necessity of having officers regularly chosen is evident but the question is whether these Petitioners have right to Complain of y<sup>e</sup> Proceedings of y<sup>e</sup> Town in General when they themselves & no others have made all y<sup>e</sup> Disturbance & Disorders they mention in *their* Complaint.

They further say in their Petition that their circumstances are Particular that they were lately Incorporated can have no Customs to Govern their Proceedings in such cases—and that y<sup>e</sup> Province Law is Defective & does not say what Estate is ratable therefore Intirely useless That every man has an equal Right to Govern in Town meeting till moderator is fairly chosen y<sup>e</sup> Law silent about it & that they must Labor under insuperable Difficulties unless aided by the assembly or y<sup>e</sup> Standing Laws amended & so they pray that their own partys choice (which they call y<sup>e</sup> major part but was not nearly so) may be Established or that those Votes which were Lawfully passed may be made null as well as theirs

In answer to which y<sup>e</sup> respondents say that the Petitioners lately Incorporated having no Customs to Govern Begin with very bad precedents to make Customary that any man may Set himself up to Govern in town meeting against y<sup>e</sup> authority that caled y<sup>e</sup> same It is such a Practice as was never known in this Government nor in any of the neighboring Governments all y<sup>e</sup> towns in this Province have always made that their Practice that y<sup>e</sup> Selectmen who call y<sup>e</sup> meeting Govern y<sup>e</sup> same till a moderator is chosen they take the Votes & declare who is chosen moderator & then y<sup>e</sup> moderator takes his place and Governs That there is Defect in y<sup>e</sup> Laws of y<sup>e</sup> Province & that y<sup>e</sup> Laws are useless is a bold and Daring affront to y<sup>e</sup> Government for that in all & every town of y<sup>e</sup> Province the Laws have been understood & all the towns have been Quietly & regularly ordered & Governed and will be so still notwithstanding y<sup>e</sup> Disorderly Practice of The complainants who have violated the Laws & Good customs of y<sup>e</sup> Towns in all y<sup>e</sup> Governments & to cover their Riotous & bad behaviour complain that there is no Law to Govern them.

*Dunstable Petition to send a Representative.*

To His Excellency John Wentworth Esq<sup>r</sup> Cap<sup>t</sup> General Governor and Comander in chief in and over his majesties Province of New Hamp. & the Hon<sup>ble</sup> his majesties Council.

The Petition of Jonathan Lovewell of Dunstable in County

of Hillsborough and Province afore said on Behalf of the Freeholders of said Town of Dunstable in their Town meeting assembled ap' y<sup>e</sup> 18<sup>th</sup> 1774 pursuant to their vote for this Purpose

Humbly Shews That the said Town of Dunstable is a very ancient Settlement and so long ago as the year 1680 there was Thirty Families settled there and a learned orthodox minister ordained amongst them—

That the Inhabitants wer repeatedly distressed by a Barbarous Indian Enemy and with great Difficulty kept Possession of the Ground. That they were then under the Jurisdiction of the Province of the Mass<sup>'</sup> Bay and for very many years were priviledged by that Province to send a Person to represent them in the General assembly anually Convened at Boston untill the Divisionall line between said Province took place.

That in the year 1746 the said Town of Dunstable falling within this Province the Inhabitants of said Town wer by His majesty's Letters Patent under the seal of this Province Incorporated in to a Body Politic and Corporate to have continuance forever by the name of Dunstable with all the Powers & authorities Priviledges & Franchises which other Towns in said Province or any of them by Law then had or enjoyed and to their Successors forever.

That for several years since the said Town of Dunstable enjoyed the Priviledge of voting for a Person to Represent them in the General Assembly for this Province

That for about Twelve years last past the Freeholders of said Town have for reasons to them unknown been Excluded from their ancient Priviledge altho they are not only conscious of their Loyalty and attachment to His Majesty King George the Third and all in authority under him and determined on every occasion to Testify their Duty.

Wherefore your Petitioner on Behalf of the aforesaid Freeholders of Dunstable and in vertue of the vote aforesaid Most Humbly Prays your Excellency and Hon<sup>rs</sup> that they may be restored to their ancient Priviledges and be properly represented in Future and your Petitioner as in Duty Bound shall ever Pray

JONATHAN LOVEWELL.

The Remonstrance of the Select<sup>n</sup> of Dunstable in Answer To  
The Petition of Sundry Inhabitants of Dunstable and the  
Select<sup>n</sup> of Holles for setting of Certain Lands with the Pet<sup>rs</sup>  
that Belong to Dunstable to the Town of Holles

Humbly Sheweth

That Tho the Order of Court pass'd in Council 17<sup>th</sup>  
of Dec<sup>r</sup> Last Directing That the Select<sup>n</sup> of Dunstable Shou<sup>d</sup>  
be Served with a Copy of the Pet<sup>n</sup> & Order of Court thereon  
Nottwithstanding the Pet<sup>rs</sup> have delayed to lett y<sup>r</sup> Respond<sup>ts</sup>  
know any thing of Such Pet<sup>n</sup> and Order untill the Eleventh  
day of this Instant Jan<sup>y</sup> and the hearing to be the third day af-  
ter the 15<sup>th</sup> Instant, if the Court Shou<sup>d</sup> be then Sitting (the  
contrary of which we cou<sup>d</sup> not know) The time being so short  
the Select<sup>n</sup> Could not by Lawfull Warning Assemble the  
town to know their minds before the time of Hearing which  
we Humbly Conceive they ought by no means to be abridged  
off.

Wherefore we Humbly pray (that unless Their peti<sup>n</sup> be with-  
drawn or Dismissed without day that there may be a further  
day for Hearing thereon, and Inasmuch as 'tis probable if the  
town Resolve to appear and make answer there will be Occa-  
sion of Sundry Surveys and Measures to be taken, the clerks  
to discover the Truth of the facts alledged in their pet<sup>n</sup> which  
cannot with convenience be done till the Spring & besides the  
Hardship it would be for Such a Scattered town to Assemble  
Soner than march meeting Since that is so near, & in the mean  
time y<sup>r</sup> Pet<sup>rs</sup> can Suffer no great Ill convenience) That the  
Hearing may be assigned Some time after the first of may next

*Petition against annexation to Hollis.*

To His Excellency B. Wentworth Esq<sup>r</sup> Capt. Gen<sup>l</sup> Gov<sup>r</sup> of the Province of New Hamp<sup>r</sup> &c & the Hon<sup>le</sup> His Majestys Council.

Whereas Sundry Inhabitants of Dunstable & the town of Hollis Joyning with them have Petitioned y<sup>r</sup> Excellency & Hon<sup>rs</sup> Praying the s<sup>d</sup> Inhabitants that are Petitioners may be with Their Lands Sett to Hollis, and afterwards in the same Petition pray that they may be annexed to Hollis with about 2500 acres of Land (as they say they Have described in a plan) and further pray for Relief as to you shall seem meet

And shew as the Grounds of their Compl<sup>t</sup> their Distance from our meeting house that it was not sett to accommodate them & that seemingly they are Only Regarded to get their money

Of<sup>r</sup> which the Selectmen of Dunstable had notice by Order of His Majestys Council & the Hon<sup>le</sup> The Assembly to shew cause if any they had Why the prayer Thereof Shou<sup>d</sup> not be granted.

Therefore the Subscribers Agents of the Town of Dunstable Beg<sup>g</sup> Leave to answer & Shew

That by the Charter of Incorporation a Reservation is made to his majesty his Heirs & Successors, of the Power of Dividing the same when it shall appear necessary and Convenient for the Benefit of the Inhabitants—accordingly their application was to y<sup>r</sup> Ex<sup>ty</sup> & Hon<sup>rs</sup>—How that Petition came to drop down to the Lower house, or they order in a Thing they had no Lawfull cognizance of Wee cannot tell—that in the present case nothing can lye before them to Determine and in this answer Shall address our Selves to y<sup>r</sup> Ex<sup>ty</sup> & Hon<sup>rs</sup> only—

Waving our not being Notefied by Prop<sup>r</sup> authority if y<sup>r</sup> Ex<sup>ty</sup> & Hon<sup>rs</sup> think meet to sustain their Petition Beg Liberty to State the facts & y<sup>r</sup> Indulgence to hear them thro<sup>t</sup>.

That the town of Dunstable ab<sup>t</sup> 1736 was by act of the Mass<sup>ts</sup> Divided into two Parishes Reserving for the first Or Standing part (being then ab<sup>t</sup> to build a meeting house) Such parcell Only as wou<sup>d</sup> Continue & not probable to be sub-divided afterwards—The Remainder of what Was then old Dunstable (now Hollis monson and part of Merrymac & part of Dunstable.) was made the Second Parish—which then Consisted of ab<sup>t</sup> 70000. acres had an annual tax of two pence an acre for four years On all the Non-residents Lands to Enable them to Build a meeting house ann settle a miaster with an after Tax of near the Same Sum Greatly Exceeding the necessary use for which the Grant was Intended. however they disposed or divided the money That the first Parish 1738 Built & finished a Meeting house at a Large expence.

That 1741 the Province line was Run & left of the first parish about two thirds of the Inhabitants & Estates on the Mass<sup>s</sup> side.

That 1746 y<sup>r</sup> Ex<sup>t</sup> with advice of his Majestys Councilll appointed a Committee to Enquire into the Situation & Circumstances of this Western Acquisition in Order for its Incorporation into towns

That the Settled part of the Second Parish (since Holles) was present before that Committee and the dividing line between that town & Dunstable was then fixed. after a full hearing of all partys. Tho Dunstable by that line was a quantity Sufficient for a town, yet the Habitable part so small (not more than five thousand acres, Scarce worth Improving) and that so scattered, viewing their past Burdens & Misfortunes with Great Reluctance took out their Charter—On the South the Province line On the East the Great River On the north the Poverty of the land wou'd make no advantage, by an addition Exclusive of the present Pet<sup>rs</sup> & they Cheifly on the westerly Side Thus Shut up

Tho Holles would admit five times the Settlers & Better Land as Their first Entry was at the Easterly end.

Dunstable for their accommodation only Submitted to the line as it now stands when they Ought to have advanced a mile further West at the least.

On examination we find that Holles on True measure is abt eight miles in length East & west And about four miles & half north & South promiscuously Settled at Each end. Sometime after their Incorporation Holles set up a meeting house with part of the money we & others had paid for that use & sett it about a mile an half from their East line Regardless of the Comp<sup>ts</sup> of the Inhabitants & prop<sup>ty</sup> on the westerly part so that many of them now are eight miles as they must travel from their meeting much further than any of Dunstable are from Our meeting house. Had measures in Equity been taken as was in Dunstable to place their meeting house the present Pet<sup>rs</sup> wou'd be many miles nearer to ours (& doubtless will soon be the case)

Wee are Sencible that this vexatious Petition is Stirred & encouraged by Holles purely to prevent Justice to their Western Inhabitants which they foresee will Obtain unless they can Cloack it by Ruining Dunstable.

The Reasons as to Distance & accommodation might much Stronger be urged—Exclusive of the province tax, in favor of the South part of the town.

That the familys in Dunstable able to Support themselves & bear any part of Our charge does not Exceed Forty, the Petitioners Included & shou'd they be Indulged it must end in their disappointment & be fatal to us.

As to their treatment in the town Settling the meeting house  
Using the money &c we wou'd not trouble you With the Ar-  
guments Just in Our favour—Only Refer to the votes we here  
annex. Demonstrations of their good usage.

Had not the Depth of Snow and bad weather prevented we  
had shown their fallacious pretences to their distance from each  
meeting house all the foregoing facts are Ready to verifye

What Genius had Given them front to mutter out this Mot-  
tley Petition is Difficult to Guess.

The pretentions both of Holles & the Pet<sup>rs</sup> are totally Ground-  
less.

Wherefore we pray that their Petition may be Dismissed

The Humble Petition of Sundry aggrieved Inhabitatione of the parish of Oyster River Most humbly Sheweth Whereas we the Subscribers In Habitatione of said parish Have allways been Constant hearers and Paid our Rats to the Minister of said Parish as by the Rait List of assessment Will make appear and Likewise Sundry of us have Been at a Considerable Charge in Bulding a Meeting House in said parish it being Nier and more Convenent for us to attend upon the Publick Worship of God at Oyster River Meeting House then at Cochecho Meeting House which is a great way further for us to go tho Never the Less as we understand we are in Danger of Being Excluded from our said Priviledges by such an Unequal Line of Boundary between the parish of Oyster River and Cochecho which if being so stated will be Greatly to the Damage of yo<sup>r</sup> Petitionors.

We do therefore Humbly Crave Liberty of the More Mature and Superior Judgment of your honours in the General Assembly praying your honours to take it in Consideration that there may be a more Equael Line of Boundry Set so that yo<sup>r</sup> aggrieved petitionors may not be under such Grate hard ships, and your petitionors shall ever pray,

*Petition of Francis Mathes and others for a new parish in  
Durham.*

To His Excellency Jonathan Belcher Esq<sup>r</sup> Governor and Commander In Chief in & over His Majesty's Province of New Hampshire in New England, the Hon<sup>ble</sup> His Majesty's Council and House of Representatives for said Province In General Court Convened Jany. 31<sup>st</sup> 1739

The Petition of Sundry of the Inhabitants of the Town of Durham in Said Province Humbly Shews,

That the Inhabitants of the Said Town are divided Into two parties Respecting their Ecclesiastical affairs, the One such as adhere to the Reverend M<sup>r</sup> Hugh Adams the late Minister of the Said Town & who Continæes so to the said party, the other (who are much the Greater) are such as have Oppos'd his Standing in that Relation to them, & still Continue so to do. That notwithstanding it was the opinion & Result of the late Ecclesiastical Council held there that it would not be Expedient for him to be any Longer the Minister of the said Town yet considering his former Services his advanced years and the unhappy Circumstances of himself & Family they Earnestly Recommended and press'd it upon the said Inhabitants that they should Liberally make Provision for his Support during the Stay of himself & Family among them—which is what would be highly agreeable to your Petitioners

That altho Several propositions have been made touching that matter yet nothing has been agreed on nor any care taken to Secure the performance thereof in the manner Recommended as aforesaid.

That your Petitioners apprehend it would be a great Indecency if he who was once & so long the Minister of the said Town should have no other provision made for his Support than what the Law Provides for one of the poor of the Town

and that he should be Reduced to a Necessity of Depending upon such a Subsistence

That your Petitioners are desirous Still to Sit under his Ministry and are willing to support him & his Family Suitable to his character & Station among them, and conceive that his being Comfortably Supported would have a good Tendency & be the Means of making peace in the Town (respecting Ecclesiastical matters) and would keep all parties quiet & Easy. But your Petitioners however willing are not of ability to afford such Support while they are Subject to & pay towards the Maintenance of another Minister, in the Town.

Wherefore they most Humbly pray that they with Such others of the Said Town as will associate with them (not Exceeding the one half) may be Exempted from paying toward the Support of any other Minister & May be discharged from all charges of that nature laid on them by Law by their Opponents from the time of the aforesaid Result and may be Incorporated as a Parish during the Life of the Said M<sup>r</sup> Adams in order to Maintain him & his Family & to Enjoy the Benefit of his Ministry.

Or that the Town in General may be Obligated to afford him a Comfortable Subsistence during his abode there Or that Such other Method may be pursu'd as this Hon<sup>ble</sup> Court in their Great Wisdom & goodness Shall think proper for the peace of the Town & the Ease of that aged Gentleman—and your petitioners as In duty bound Shall ever pray &c.

*Daniel Meader's Petition, Feb. 11, 1745.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor & Com-  
mander In Chief in & over his Majesty's Province of New  
Hampshire the Hon<sup>l</sup> His Majestys Council & House of  
Representatives in General Assembly Convened the 11<sup>th</sup> Day  
of Feb<sup>r</sup> 1744-5

The Humble Petition of Daniel Meader of Durham in the  
Province of New Hampshire in behalf of himself & the People  
called Quakers Inhabitants of Durham afores<sup>d</sup> Shews

That your Petition<sup>r</sup> was Chosen Constable of the Said Town  
at their annual Meeting in March 1743 for that year & at the  
same time One Isaac Clarke was chosen a Constable or Col-  
lector of the Minister Rate thereby Intending to Exonerate the  
Constable of the Town (properly so called) from that service.

That since that Choice M<sup>r</sup> Hugh Adams has Recovered a  
Judgment ag<sup>t</sup> y<sup>e</sup> s<sup>t</sup> Town at the Court of Appeals for a consid-  
erable sum of Money w<sup>h</sup> the Town was obliged to Raise, a  
Meeting was called & a vote was past for Raising a sum of  
Money but Express'd in a Covert disguised manner purposely  
concealing the use & design to which it was to be applied with  
an Intent as your Petitioner Conceives both to oblige him to  
Collect it & the Quakers to pay a part of it who are Exempted  
by law from paying any part of money Raised to the use for  
w<sup>h</sup> *this* was Really designed—And pursuant hereto a list of  
Rates was made wherein all Denominations were taxed to-  
wards the sum voted as aforesaid & artifice & contrivance used  
to get it into the hands of your Petitioner & to oblige him to  
Collect the money.

That as the Laws of the Province do not oblige any man or  
men to pay towards the Support of any way of Worship but  
that which he or they attend much less will they Compel any  
man to Collect money for the Support of that mode of worship  
from which he dissents and the money adjudged to M<sup>r</sup> Adams  
aforesaid & which has been Collected (with other money) and  
since paid to him Comes within the meaning of the Province  
Laws granting Liberty of Conscience & other Privileges re-  
specting Religious worship as any sum to be raised for any  
ministers yearly Salary.

Wherefore y<sup>r</sup> Petition Humbly prays that as the Quakers have not yet paid the part of said Rates which they were assessed they may be Exempted & discharged from paying the same and he Exonerated from the burthen of making such Collection And farther as your Petitioner conceives the Collecting any part of Said Rates was an unjust Imposition on him he Prays that he may be paid by the Said Town a Quantum Meruit for that Service and he will as in Duty bound Ever pray &c

*Petition of Joseph Thomas and other inhabitants of Durham.*

To the Hon<sup>ble</sup> the House of Representatives for the Province of New Hampshire in General Assembly Convened Nov<sup>r</sup> 1755.

Humbly Shows Sundry of the Inhabitants of the Town of Durham in Said Province That they apprehend themselves aggrieved By the Return made by two of the Select men of Said Town of the Person said to be Chosen to Represent the Said Town in the Last Election for That they Conceive upon a fair Examination of the Facts Relative thereto, it will be found That Joseph Thomas their Late Representative was really the Person Legally chosen & Ought to have been so Returned.

That the true State of the Case is thus, upon Reading & Counting the Written Votes put in it appeared that Lieut Stephen Jones had one more Vote than Said Thomas upon which there appeared a Sufficient Number (who being Doubtful whether it could be so upon a fair Examination) Desired a Poll to Put the matter beyond Dispute which was accordingly Granted the Event of which was that there were thirty nine Polls in favour of said Thomas & thirty two Polls in favour of said Jones—whereupon the Moderator Declared the said Thomas the Person Elected & Directed the Clerk to make the Entry accordingly—Yet so it is that the said Jones is Returned as the Person Elected & said to be Notified to attend accordingly all which upon an Impartial Inquiry will Turn out as your Petition apprehend to be a Misrepresentation & a bold Infringement upon the Rights & Libertys of the Electors & worthy of Inquiry & Exam<sup>n</sup> wherefore your Petitioners Humbly pray the Premises may be taken under Consideration by this Hon<sup>ble</sup> House & Such a Resolution form<sup>d</sup> thereupon as shall be found upon Examina<sup>n</sup> to be agreeable to the Truth of the Different

facts & allegations Produced & made by the Different Parties Concern'd and your Petition Shall Pray &c.

The Petition of us the Subscribers being Inhabitants and Freeholders of Durham, Newmarket and Towns adjacent Most Humbly Sheweth That at his Majesty's Court of General Sessions of the peace begun & held at Portsmouth within and for the said Province of New Hampshire on the first Tuesday of September last. Your Petitioners humbly Petitioned said Court of Sessions for a Highway of two Rods wide to be laid out from the Bridge at Lamprele River To the Road leading from Durham Point to Durham Falls in The following manner viz. beginning at the County Road at said Lamprele River near Joseph Hams Dwelling House & to Run as the Path now Runs through lands of Walter Bryant Esq. and Abraham Bennett To lands of Samuel Smith at the Gate at the Head of said Smiths Pasture from thence running between said Smith & Bennetts Land to the aforesaid path at the Head of said Smiths lane and Down said Smiths Lane To the End thereof. Thence running between said Smith & Bennetts land & Through said Smiths land as The path now goes To Lands of Joseph Chesley Thence Through the Several Lands of Said Chesley the heirs of Ebenezer Smith Esq. Deceased and John Smith to lands of Thomas Stevenson & through said Stevensons land between his House & Barn To lands of Joseph Footman & through said Footmans Land to lands of Dependance Bickford & John Durgin and through said Bickford & Durgins land To & through Lands belonging To the said Heirs of Ebenezer Smith To Mathes' Creek (so called) near the Mill and over the said Creek between lands of the Honourable Peter Levius Esq. and John Kent To Lands in possession of John & Joseph Drew Thence running between said Levius & Drews Land To a Road Leading from Durham Point to Lamprele River"—and

at the Court of General Sessions holden at said Portsmouth in December last The Petitioners prayed for a Committee To view the Several Lands Through which said Road was Intended to be laid out and To Report To the said Court of Sessions Thereon but the Court refused To send a Committee or to grant the prayer of the said Petitioner and accordingly the Petition was Dismissed by means whereof your Petitioners are much aggrieved as the said Way if laid out would much Comode your Petitioners as well as his Majestys Subjects in general. Wherefore your said Petitioners Most humbly pray that your Excellency & Honours would Take The matter under your Consideration & Cause the said place to be viewed & if the said way should appear to be necessary & Convenient Then To order the Said Way to be laid out and opened in such way & manner as your Excellency and Honours shall in your great wisdom Think fit and your Petitioners as in Duty Bound will Ever pray

*Petition of the Inhabitants of Epping for men to protect them.*

To His Excellency Benning Wentworth Esq<sup>r</sup> Governour and Commander in Chief in and over his Majesties Province of New Hampshire and the Hon<sup>ble</sup> His Majesties Council and House of Representatives for said Province in General Assembly Convened

Humbly Sheweth the Freeholders and Inhabitants of Epping in s<sup>1</sup> Province that your Petitioners are Sensible of the weak and Defenceless State of the Town of Nottingham which Lies on our Border—That the Inhabitants there Seem very much Discouraged Insomuch that Some are Removed and others are about Removing out of Town. That if that Settlement should Break up this Parish with Part of New Market and Durham will become Frontiers which we of ourselves Shall not we fear be able to Defend and the Enemy who will be much Incouraged will have near access to the very Bowells of the Province which may Possibly have very Fatal Consequences.

We Do therefore by these Presents Humbly Request your Excellency and Honours to take the Premises with other Reasons that may occur into your wise Consideration and if it appear Proper make Provision for and send to said Town of Nottingham to be Kept there for their Safeguard and Defence—Such a number of Men as may be needfull for that Purpose and as that Town is very much Exposed we Humbly Presume that a much Larger number will be necessary for that End than has been allowed them in years Past, and as the Common Road between Red Oak Hill so called and Nottingham is very Dan-

gerous to Pass we Would Request that a Small Scout of Men May be sent to the named Gareson on Pantuckaway road to scout from thence to Sanborns Garrison when not wanted for that to Guard the People at s Garrisons May it Pleas Your Excellency and Honours it appears to us that our Safety in a Great Measure Depends upon the Safety of Nottingham which we Hope you will Effectually Provide for and we shall Esteem it as an Instance of your Paternal Care not only of Nottingham but of your Petitioners also who as in Duty Bound shall Ever Pray &c.

That your Petitioners being Settled in the aforesaid part the said Town Labour under Great Difficulties in attending the

That being most of them new Settlers (tho' upon good land) are not able to maintain a Minister among themselves while they are Subjected to & actually pay their proportion to the maintenance of the Gospel & other Charges in the Town.

That a considerable Parish might be set off from the said Town by the following Metes & Bounds v'z. Beginning at the North West Corner of Exeter & from thence running South 29 Deg. W. partly by Nottingham & partly by Chester line four miles and an half & from thence to extend carrying that breadth of four miles and an half East by South till it comes to the head line of New Market Parish being bounded Northly partly by Nottingham & partly by Dover Line and Easterly partly by New Market & partly by Exeter the said four miles & an half being something Broader than New Market & so extending a little beyond it upon Exeter which would Comprehend your Petitioners Estates & yet leave a Large and able Parish at the Town below 'em (which would hardly miss 'em) And tho' they are but few & Poor in Comparison of the rest of the Town yet they would Gladly bear the charge of supporting the Gospel among themselves were they Exonerated from that & other Town Charges & duties in the other part of the Town—but as the aforesaid Bounds Comprehends a Tract of very Good Land they have reason to think from that as well as by experience that they shall increase in number every year & Especially when accommodated better with respect to the Public Worship.

That a Parish Incorporated by the aforesaid Boundaries with the usual Privileges & Immunities would be a Considerable means of Cultivating & Improving a large Tract of Land which is now unsubdued, inasmuch as People will be thereby Encouraged to go out & settle there, & the Public in General as well as the said Town in Particular Benefited thereby.

Wherefore your Petitioners Pray This Hon<sup>ble</sup> Court would Please to take the Premises under Consideration and Grant that they may be Incorporated into a Parish with the usual Parish powers & Privileges by the Metes & bounds aforesaid & Exonerated from paying to the Support of the Minister of the Town & other Town charges & duties that so they may support & Maintain the Gospel a school &c. among themselves with more conveniency for themselves & Families—Or in such other manner as this Hon<sup>ble</sup> Court in their Great Wisdom & Goodness shall think proper & your Petitioners as in Duty Bound Shall Ever pray &c.

To his Excellency Benning Wentworth Esq<sup>r</sup> Govern & Commander in chief in & over His Majestys Province of New Hamp<sup>t</sup> The Hon<sup>ble</sup> His Majestys Council & House of representatives for s<sup>aid</sup> Province in Gen<sup>l</sup> Court Convened.

The Humble Petition of Sundry Persons Inhabitants on the Southerly or South Westerly part<sup>e</sup> of the Town of Exeter in s<sup>aid</sup> Province Sheweth.

That their Estates & habitations are so far from the meeting House where they usually attend the Publick Worship as makes it very Inconvenient for them, most of them living above five miles Distant therefrom Considering of which & the Large Congregation that belongs to the meeting house afores<sup>d</sup> & their ability The Town at a Publick meeting on the 22 day of Feb<sup>r</sup> last have voted a new Parish should be Erected by the Bounds set forth in the Vote (if the Gen<sup>l</sup> Court Saw meet) which will comprehend your Petitioners Estates & habitations & if a Parrish was Erected there will have a Tendency to Promote the settlements of the Lands in that Parte of the

Town & of the Town adjoining which vote is herewith Presented.

Whereas a Number of the Inhabitants of y<sup>e</sup> Southerly or South westerly part of the town of Exeter By a vote pass'd at a meeting held by adjournment at the town house in Exeter Feby. 22<sup>l</sup> 1741-2 were set off to be a parish by meets and Bounds Express'd in Said vote which they have Since Petitioned to Court to Confirm we think ought not to be confirmed for y<sup>e</sup> following reasons.

1 Because as we apprehend the s<sup>t</sup> vote was illegally obtained the meeting Being before adjourned. to have the Line run which was not done, and y<sup>e</sup> fore many Inhabitants not present thinking the meeting would be further adjourned, and the s<sup>t</sup> Petitioners Being the maj Part of the voters forc't it on and voted it and it Being a particular favour to themselves we Esteem it illegal & y<sup>e</sup> fore not to be Confirmed

2 Because we with some of our neighbors a number of the Inhabitants of the s<sup>t</sup> Southerly &c. Part of the town have been at considerable charge in Erecting and Building a house for the worship of God and the meets and Bounds by which they are set of is contrary to what was ever Proposed by s<sup>t</sup> Inhabitants on y<sup>e</sup>l part of the town and was without our Knowledge or Consent and has a manifest tendency to destroy our Labours and to overthrow or at Least Greatly Disturb the worship of God amongst us.

3 Bec: The Line of s<sup>t</sup> Parish includes or takes in many of us & Great part or all of our Estates altho' we timely entre'd

our Protests against any such thing under present circumstances & y<sup>e</sup> fore &c.

4 Bec: of our inability we being not yet ripe for a Parish, under our present Divided circumstances having Got nothing in any forwardness therefor, & most of y<sup>e</sup> Petitioners Exceeding poor, and scarcely able to live now Even as we may say y<sup>e</sup> Biggest part of them and having a meeting house to Build a Minister to Maintain & settle and a school to maintain together with y<sup>e</sup> Largeness of Provinces taxes and we Being also much Divided amongst ourselves, it would as we apprehend if confirmed be to the utter ruin of many familys an impoverishing of the place, a Damage to themselves & families a Laying a yoke upon us all which we shall not be able to Bear

5 Bec: the Confirming of the same under our Present Circumstances would as we apprehend be but confirming of confusion and disorder amongst us and instead of advancing and Enlarging y<sup>e</sup> Kingdom and Interest of x<sup>t</sup> would tend to increase intestine Jars and animosities amongst us Even as fea to our entire overthrow at last, & y<sup>e</sup> fore not to Be confirmed.

6 Bec: we would further Give us a reason the unpresideney of the thing to be Set of to be a Parish Before agreed w<sup>t</sup> to set a House & even whilst quarreling about the same y<sup>e</sup> Like Instance not to be Given we Believe in New England y<sup>e</sup> fore pray y<sup>e</sup> it may not be confirmed.

To His Excellency Benning Wentworth Esqr, Governour & Commander in Chief in and over his Majesty's Province of New Hampshire in New England and to the Hon<sup>ble</sup> His Majesties Council for said Province & House of Representatives when Conven'd in Gen<sup>l</sup> Assembly.

Whereas Sundry of the Inhabitants of the Southerly & Southwesterly part of Exeter in New Hampshire at the Last Sessions preferred a Petition to this Hon<sup>ble</sup> Court to be set off a Parish (from the old meeting House in Exeter aforesaid where they usually attended the Publick Worship) by meets and Bounds as set forth in the Said Petition. To His Excellency Benning Wentworth Esq Governour & Comander in chief in and over his Majesties Province of New Hampshire in New England & to the Hon<sup>ble</sup> His Maj<sup>ties</sup> Council for Said Province & House of Representatives w<sup>ch</sup> Convened in Gen Assembly

Whereas Sundry of the Inhabitants of the Southerly & Southeasterly part of the Town of Exeter in New hampshire aforesaid at the last Sessions Preferred a Petition to this Hon<sup>ble</sup> Court to be set off a psish. (from the old Town of Exeter where they usually attended the Publick Worship) Setting forth therein that the Town at a Meeting held the 22 day of february last past voted a new psish should be erected by the bounds set forth in the vote of the 22 of Feb (which would comprehend the Petitioners and their Estates) as pr. their Petition.

And by a Petition dated at Exeter the 11<sup>th</sup> day of March last past by Sundry Persons who signed the Petition so dated Andrew Gillman & others Presented the Same to the Gen<sup>l</sup> Court praying that the Petition first above referred to might not be granted till they were heard. the Hon<sup>ble</sup> Court ordered that the said Petitioners should serve the said Andrew Gillman w<sup>th</sup> a Cobby of the said Petition and Court order thereon and a day of appearance at the sitting of the next Gen Ass<sup>es</sup>

and also to file answers ten days before the sitting of the next Gen Ass<sup>y</sup> in the Secretaries office (to show cause &c)

And in obeyance to Said order, and for Answer (besides w<sup>h</sup> is in the said Andrew Gillman & others Petition) they beg leave to say 1<sup>st</sup> That they are humbly of opinion what was acted at the meeting held on the 22<sup>d</sup> Fe<sup>b</sup> last was not done in conformity to the intent of the Town at the first meeting which was held the S<sup>d</sup> of Fe & y<sup>e</sup> 22<sup>d</sup> of Fe was by adjournment, the Reason of which adjournment was (That New Market & Epping Parrish Line might be run and until it was run) that the Town & People might the better know what & whose pssons & Estates would fall in. But the day of the said meeting on y<sup>e</sup> 22<sup>d</sup> of Fe<sup>b</sup> fell out, before either of the Said Lines were Run and your Respondents Supposing the meeting would be againe adjourned until the Said Lines were run they were not at the meeting nor did Several of them know whether their houses or Estate would fall within or without the Said Line of the proposed new pssish The Petitioners for the new Parish took the advantage of so thin a meeting and would not adjourn againe to have the aforesaid Lines run But obtained a vote for setting themselves off (they being y<sup>e</sup> Majority) and gave themselves bounds- all which management we think to be ag<sup>t</sup> Law or Equity- & therefore not to be regarded or Confirmed.

2<sup>d</sup> By the Bounds Set forth in the vote of y<sup>e</sup> 22<sup>d</sup> of Feb. the Estates of Several of your Respond<sup>ts</sup> are split & Divided so as some of their houses are in the old Town & their improved Land within the bounds proposed for the New Precinct and Several of their homsted Lands divided some one side of the Line and some on the other which may be very prejudicial to them.

3<sup>th</sup> they are taken in by said Line of y<sup>e</sup> proposed precinct against their wills or knowledge (by the vote of y<sup>e</sup> 22<sup>d</sup> Feb. afforesaid being past before the Lines aforesaid was run according to the intent of the Town) or that many of them knew how the Lines of the proposed Parrish would fall & none of them being Petitioners.

4<sup>th</sup> the Great Confusion & heart Burning it will Raise by & with Som (if not amongst the whole) to be forced ag<sup>t</sup> their wills to that they never desired, and will So greatly prejudice them and their Estates.

5<sup>th</sup> The Respondents under their present circumstances & the Circumstances of the Petitioners think they are not yet able to support and maintain the necessary Charges of a pish.

Wherefore they humbly Pray the Prayer of the Petition may not be Granted. But if the Hon<sup>l</sup> Court Shall see good to indulge the Petitioners with a Grant of a new Precinct according to the Bounds in said Vc<sup>o</sup> of y<sup>e</sup> 22<sup>d</sup> Feb.

Then your Respondents Most humbly Pray the Hon Court that their Poles & Estates may be Polled off to the old Town of Exeter. untill further order and your Petitioners as in Duty bound Shall Ever Pray &c

*Brintwood's Petition about the Lines of the Parish.*

To His Excellency Benning Wentworth Esqr. Governor & Commander in Chief in & over His Majesty's Province of New Hampshire The Hon<sup>ble</sup> His Majestys Council & House of Representatives in General Assembly Convened September the 14<sup>th</sup> 1742.

Humbly Shews

Joseph Leavit & Elisha Sanborn both of the Parish of Brintwood in the Province of New Hampshire & as Agents for Said Parish.

That the Inhabitants of said Parish Are in an unsettled Condition & Labour under Considerable difficulty notwithstanding the favour & Indulgence of the General Court in making them a Parish which arises from the uncertainty of the Boundaries on the Lower part of said Parish next to Exeter Town. For as the Line which Divides said Parish from said Town is to begin at the Head of New Market Line & then to Run South to Exeter River making near a Right Angle with new market Line and the head of that Line is not sufficiently Ascertained it makes the said Dividing Line uncertain and the Said Parish of Brintwood will be Longer or Shorter according as the said Line shall be Settled which Considerably affects the Inhabitants thereof & the affairs of the Parish and Especially with Regard to fixing the Meeting house & other matters Relating thereunto. That the Parties Interested cannot agree of themselves in the Premises Wherefore the said agents Humbly Pray that a Committee may be appointed by the General Assembly with sufficient authority to ascertain the said Boundaries of the Said Parish of Brintwood as soon as may be by fixing & Running the Said Line of New Market and all other Lines necessary to the end aforesaid for the better Regulation of the affairs of said Parish & preventing Differences & Disputes between the said Parishes & the Town of Exeter atas<sup>d</sup> or that the same may be done in such other method & as soon as to the Wisdom & Goodness of the General Assembly shall seem meet.

Wherefore we humbly pray your Excellency and this hon<sup>ble</sup> Court will in your Great Wisdom take our Case under your wise Consideration and Grant us Liberty to Continue to Carry on the worship of God in the present meeting house that we may be free from all charges and Duties to any other house that Shall be built and that we may be set off as a particular District with such other priviledges and by Such boundaries as your Excellency and this hon<sup>ble</sup> Court in your Great wisdom shall see meet to Grant us.  House of Representatives In General Court Assembled.

We the Subscribers Inhabitants of the Parish of Brentwood in the Province aforesaid Having been Served with a Copia of a Petition of a Number of Inhabitants of said Brentwood Dated Dec 10<sup>th</sup> 1743 who have Petitioned this Hon<sup>ble</sup> Court to enable them by an act of s<sup>d</sup> Court to Poll off themselves & families and Estiats & such others as shall think meet to Joyn with them in carrying on the Publick Worship of God at a certain house they have erected in s<sup>d</sup> Parrish at their own Cost and Charge— And being served with the Votes on s<sup>d</sup> Petition & to appear in s<sup>d</sup> Court to show Cause why the Prayer of the s<sup>d</sup> Petition may not be granted our Reasons why said Petition may not be granted are as followeth.

1<sup>st</sup> If their Petition should be granted it would be very destructive both to them & us Neither of us being able to Pay the Publick & Private charges Necessarily Arising in s<sup>d</sup> Parrish the which we should be able to Do should the Parrish & Inhabitants be Kept together.

2<sup>nd</sup> Should their Petition be granted It would Put the Parrish to More confusion and Dificulty about seting the Meeting houses than ever has been yet & besides should their Request be granted there are many families in s<sup>d</sup> Parrish as they say which lives convenient to poll off some to Kingston & some to Epping for the benefit of going to meeting which purpose to petition s<sup>d</sup> Court to poll off also If this Petition be granted.

3<sup>rd</sup> Inasmuch as that after three of the Gentleman who were appointed in the Charter for s<sup>d</sup> Parrish to State the place where y<sup>e</sup> meeting house should Stand had appointed the place there was a unanimous Vote in s<sup>d</sup> Parrish at a legal Parrish Meeting to build a meeting house on the spot appointed by s<sup>d</sup> gentlemen & then chose a Com<sup>tee</sup> to take care & to build s<sup>d</sup> house which Committee agreed with men to build it at the Parrish's Cost & it is now framed Ready to be Raised but the Present Selectmen Refusing to Raise Money by way of Rate to pay the charge the men that did the work Kept out of there honest due. And they Petition<sup>r</sup> as we Suppose think to Escape paying their part of the charge towards building s<sup>d</sup> meeting house by there Polling off And several of them being of the first Petitioners for s<sup>d</sup> Parrish.

We hope that by these objections and What may be further offered on in gen<sup>l</sup> your Honours Will Pleas to deny there Request. And that and End May be speedily put to our long troubles we labour under.

*Petition of Andrew Gilman and others about a meeting-house. 1743.*

To His Excellency Benning Wentworth Esq. Governour and  
Commander in Chief in and over His Majesties Province of  
New Hampshire—

And to the Hon<sup>ble</sup> his Majesties Councill and Representatives  
In Generall Court assembled—

We the subscribers Freeholders and Inhabitants of the  
Notherly part of the Parish of Brintwood in the Province  
aforesaid Do Humbly Crave Leave of your Excellency and  
honours to Lay this our Humble Remonstrance of our Dis-  
tressed Circumstances before your Excellency and honours as  
follows Viz :

Many of us Living four or five miles Distant from Exeter  
Meeting house have Attended the Publick Worship of God at  
that house for many years past with Great difficulty and our  
families Encreasing made it much more Difficult Especially  
in the Winter Spring & Fall of the year—

Wherefore about eight years ago we with several of the  
Southerly part of said Parish Erected a house for the Publick  
worship of God in the most suitable place as they thought,  
and we Now do think to carry on the Publick Worship in and  
accordingly at our own Charge have carry'd on the same in  
the winter, Spring and fall of the year ever since as we had  
for four years or thereabouts before Erecting said house carry'd  
on the Publick Worship in a Private house Standing near  
our Present Meeting house—

And about Last February was twelve month the Freeholders  
& Inhabitants of the Southerly part of Brintwood aforesaid  
Petitioned the Town of Exeter aforesaid to be sett off as a  
Parish Contrary to the will and Desire of most of us, and  
said Town of Exeter Granted their said Petition Not with  
standing many of us Dissented therefrom. And their said  
Petition being granted they afterwards Apply'd to your Excel-  
lency and honours for a Charter for said Parish which was  
Granted them Contrary to our Desire and Greatly to our hurt—  
And we also having Earnestly Petition'd your Excellency &

honours that we might be Permitted to Continue to Carry on the Publick worship of God in our said house and to be set off by such Boundaries as your Excellency & honours should think meet and be Exempted from all Charge towards the meeting house and ministry in the Southerly Part of said Parish &c: as by our Petition Lying before your Excellency and Honours in your hon<sup>ble</sup> Court may appear which Petition the hon<sup>ble</sup> House of Representatives have seen meet to Dismiss—And also your Excellency & honours having appointed a Committee of four Gentlemen two out of Each house to prefix the place where the meeting house ought to Stand—Three of said Gentlemen have been and made return, but is accounted voy'd by your Excellency & honours, For that the Committee Did not all joyn in their Returne and for which Reason our Petition was also Dismissd. wherefore our Case at Present seems very hard and Difficult we having been at such cost to Erect our said house and to Maintain Preaching in it hitherto, and the minister also who hath hitherto Preached to us being at our Earnest Desire willing to Continue with us in the Ministry. If your Excellency & honours will in your great wisdom take this our Remonstrance of our Difficult Circumstances in our Present meeting house not being Establish'd and our aforesaid Petition not being Granted and the great charges and Difficulties we hitherto have and Still do Labour under, under your Excellency and Honours wise consideration and be pleas'd to grant us Releif herein as in your great wisdom you shall see meet &

As in Duty Bound we your Excellencies & honours Most Obedient, Humble Servants shall Ever Pray &c—

Humbly Sheweth. Andrew Gilman Nicholas Dudley and  
Humphry Wilson, Freeholders and Inhabitants of the North-

Publick Worship of God in our own Meeting House, and not  
be forced to go to the Meeting House, which some of the  
other part of the Parrish would have us, which we could not  
do (in time of war) without the utmost hazzard of the Lives

of our Selves & Familyes. The place where their meeting House is propos'd to be sett, being in the midst of a Great Swamp, and verry hazardous and also difficult to go to either in Spring or Fall of the year— We your humble Petitioners most humbly leave our selves and our distressed circumstances to the Pitty and compassion of your Excellency, humbly praying your Pitty and Compassion and the heareing and Granting this our Petition, as in your Wisdome you shall see most meet—

The Humble Petition of a Number of the freeholders and other Inhabitants of the Town of Exeter, Humbly Sheweth that att the Annuall Meeting held in Exeter in the year 1743: The Town did att s<sup>t</sup> Meeting proceed (in a hasty and resolute Manner as wee Conceive contrary to the mind of most of your Petitioners who timely enterd their dissents) to chuse a Committee, Absolutely to agree with, and Settle Mr Woodbridge Odlin as a Colleague with his father in the Ministry which was effected by s<sup>t</sup> Committee, and the Gentleman soon settled: which being very greivous to us & wee most of us apprehending that neither wee nor our households would be likely to proffit under his Ministry therefore could not receive him as our minister and have for our own and households Spirituall Edification supported a Gospell Minister to preach to us upwards of a year, and have been Obliged to pay our proportion toward the Settlement, and Salary of S<sup>t</sup> Gentleman, notwithstanding: and as most of us have tho't it our duty so to do, wee still look upon it our duty for our own, and our households & others Spirituall Edification to settle a Gospell Minister amongst us and in order thereto have erected a meeting House for the Publick worship of God att our own cost, and having already

made application to the town for releif, but they granting o us none: wee tho't it our duty to make application to this Hon<sup>ble</sup> Court for relief, therefore wee humbly pray that your Excellency, and Hon<sup>rs</sup> will take our case under your wise consideration, and grant us relief in the following manner Viz. by exempting us our households and Estates, and all those persons and familys with their Estates, whose hearts the Lord shall Incline to join with us, within a limmited time to be prefixt by your Excellency, and your Honours from paying any thing to the further support of the now settled ministers, or those that may Succeed them: provided wee support a Gospell Minister amongst ourselves: or to grant us relief in any other way that you in your great Wisdom shall think best; And if your Excellency and Hon<sup>rs</sup> should think it reasonable That wee have some allowance made us for the money wee have already paid, toward the settlement and support of s<sup>r</sup> Gentleman, and your petitioners as in duty bound shall ever pray &c—

To His Excellency Benning Wentworth, Esq<sup>r</sup> Governor and Commander in Chief in and over His Majestys Province of New Hampshire, and to the Hon<sup>ble</sup> his Majestys Council & House of Representatives in Generall Assembly Convened—

The Agents for the Freeholders and Inhabitants of the Town of Exeter in the Province aforesaid Legally Chosen at their meeting held at Exeter aforesaid on the thirtieth day of July

1744 to make answer to and Shew Cause why the Prayer of the Petition of a Number of the Freeholders and other Inhabitants of the Town of Exeter— Preferred to your Excellency and this hon<sup>ble</sup> Court (on the 18<sup>th</sup> day of July 1744.) may not be Granted.

*Imprimis* The said Petitioners have been Guilty of a very Great Mistake in setting forth in their Petition the Hasty & Resolute manner (as they conceiv'd) of chusing a committee absolutely to agree with and Settle M<sup>r</sup> Woodbridge Odlin as a Colleague with his Father in the Ministry, which they Say was Effected by Said Committee and the Gentleman Soon Settled— We Humbly Crave Leave to Reply and Say that the said meeting (being on the 28<sup>th</sup> day of March 1743.) was carried on by the Freeholders and Inhabitants (Excepting the Petitioners) in as Moderate & Deliberate a manner as annual meetings have been usually carry'd on in, and the choice of the said Committee was made after a mature consideration and Deliberation of the Voters then Present (as we apprehend) by a very Great Majority and sometime after one of the said committee (*viz*) Mr Benjamin Thing refusing to act and the others not thinking it Safe to act without him (being chosen to Act Joyntly) upon their Representation of it to the Selectmen of said Town another Town meeting was called on the thirteenth day of June then next to see if the Town would proceed in Chusing another in his room or give power to the Remainder of the said Committee or the Major part of them to act in the Premisses—At which meeting after Due consideration of the Voters then Present they Voted that the Remainder of the said committee or the Major part of them should have full power to act in and about the Premises: And the Gentleman was not ordain'd untill the Twenty Eighth of September following Waiting that time in hopes that many of the Principal men of the Now Petitioners would have been Reconcil'd to the Gentleman whom they by their request. with Sundry others on the 4<sup>th</sup> of January 1741 by a paper under their hands approv'd of and Pray'd his assistance with his hon<sup>ble</sup> Father in the ministry and thereby prevail'd with him to refuse a call that was about to be made him at the Town of Biddeford, where he had for some time preached to the Great Satisfaction of that People, and also at many other Places as well as in our Town too well known to be Denied by the Petitioners, and his Life and Doctrine being agreeable To us the Town Proceeded as before—And what moved many of the Petitioners to be prejudiced against him we know not.— For at the ordination there were Twelve Churches by their Elders and Delegates Call'd to advise and Assist in the ordination before whom many of the now Petitioners made their Objec-

tions in writing against their Proceeding to said Ordination and were Patiently heard by the said Elders and Delegates, who after serious Deliberation on the said Objections Judged the same to be Insufficient and so Proceeded to the Ordination since which several of the Petitioners have joyn'd in Communion with our Church and two of them (viz:) Mr: Benjamin Thing and Mr John Light. neither they nor their Families have forsaken the Ordinances. and Major Thomas Deane, another of the Petitioners who had for some time left the Communion of the Church upon his Declaring that he was Convinced that it was his Duty to Returne to the Ordinance of the Lords Supper and to Joyn in communion with this church hath been Lately Re admitted to and Partaken of the Ordinance

2<sup>th</sup> We Crave Leave to Observe that some of the now Petitioners Joyn'd with others in a Petition to the Select men for their Incerting in their warrant for the annual meeting to Consider of and Vote if they tho<sup>t</sup> meet the Choice of a Committee to call and agree with the said M Woodbridge Odlin to assist his hon<sup>d</sup> Father as a colleague in the ministry with him &c-

3<sup>th</sup> We would Crave Leave to Observe that the reasons that Several of the Petitioners who were church members Gave by a paper under their hands Dated May 14<sup>th</sup> 1743. for their with drawing at first was "That they had Observed with Grief the Conduct of our Rev'd Pastor Mr John Odlin with regard to the work of Gods Glorious Grace in the Late out-pouring of his Spirit Amongst us of which they Trusted many of them had been the Subjects, and their being Convinced in their Consciences that our said Pastor and Church Did not treat the same as a work of Sovereign Rich Grace, but that the method of their Late Conduct, the Petitioners apprehended had been, and Continued in Opposition thereto- in as much as the Instrument it had pleased God to make use of in carrying it on and the Subjects of it are Discountenanced" they meaning as we apprehend thereby, that our Rev<sup>d</sup> Pastor and Church Refused to allow such of the Itinerant Preachers to Preach in the meeting house, who did not first wait on our rev<sup>d</sup> Pastor and give him Satisfaction as to their Principles and Doctrine, & also that he did not comply with the Irregularities of the Times, and also as to the method of the Settlement of Mr Woodbridge Odlin which wee apprehend was Right-

4<sup>th</sup> We further Observe that (as we humbly Conceive) the calling & Settlement of M Woodbridge Odlin was agreeable to the Laws of this Province, & the usage of the churches in this Government: much the Greater part of the Town being Sensible of their need they Stood in of an assistant to his hon<sup>d</sup> Father by reason of his age as well as his bodily Infirmity

and also having had full and Satisfactory proof of the Said Mr Woodbridge Odlin's Life Conversation and Doctrine—

5<sup>thly</sup> We Humbly Conceive that the Prayer of the Petition if Granted Will Tend Greatly to the Prejudice not only of this church but also of all the other churches of this Government and will be a manifest breach of the Law of this Province and Contrary to the Constitution of the churches in the Country for any small number of Persons who through unreasonable Prejudice shall desire this Hon<sup>ble</sup> Court to Exempt themselves, their Familys and Estates from paying toward the support of the Present settled ministers or those that succeed them when the Law of this Province in that case already made & provided obliges them so to do. unless the Petitioners should so change their Principles in Religion that the Act of Parliament would Free them from the same which we apprehend is not the Case of the Present Petitioners— Neither have the Petitioners, Either before the Council Present at the ordination, or the Council Lately call'd by this church supported their Objections against the calling & ordaining of Mr Woodbridge Odlin. And the offence Taken at the settlement of the Rev. Mr: Woodbridge Odlin under the Notion of his being an opposer of the work of God— the said Last Council in their Result say that therein they tho' they (meaning the withdrawing brethren, some of the Petitioners) had cast an undue Reflection upon him— And as to the Validity and Regularity of his Settlement, they found it was agreeable to the majority both of Town and Church and approv'd and ratified by a Venerable Councill of Churches call'd by this church— and the said Councill Further adjudg'd that the agriev'd brethren calling a Council at the Time and in the manner they did, was an uncommon Step of Procedure, and that this church have been in the way of their Duty and have Done no more than they had a right to do in calling them as a Councill without the agrieved brethren, They being Desir'd to joyn in calling them—

6<sup>thly</sup> We Humbly Conceive that the conclusion of the Prayer of the Petitioners is absurd unreasonable and unjust in Desiring to have some allowance made them for the money they have already paid towards the settlement and support of the said Gentleman, meaning (as we suppose) our Present Ministers— as to the settlement of the Rev<sup>d</sup> Mr John Odlin very few if any of the Petitioners paid any thing towards it, and as to the settlement and support of the Rev. Mr Woodbridge Odlin, Several of the Petitioners having Lately come into the Town have paid Little or Nothing towards it and some of them not in the Rates untill this year—

Lastly— We Humbly Crave Leave to Observe to your Ex-

cellency and honours That the Principal motives (as we conceive) that the Petitioners have used in their Petition in order to Induce this hon<sup>ble</sup> Court to grant the Prayer of their Petition are these two (viz) “First that they have Supported a Gospel Minister to preach to them upward of a year” and 2<sup>dly</sup> that they “have at their own Cost Erected a meeting house”—

And as to the first we humbly conceive that they will be under Some Difficulty to prove that they have Supported a Gospel Minister and we conceive that their Separating from the Established Ministry of The Town without Just cause was Evil in itself and the Evil Example thereof has Drawn Many belonging to the Neighbouring Towns & Parishes away to their Separate house and to Leave their own Ministers which thing if Countenanced by this Hon<sup>ble</sup> Court will be a Leading Example to Others, and be a means of bringing this Province into the utmost Confusion both by Dividing Familys and Separating friends and Christian Societies—

And 2<sup>ndly</sup> as to their Erecting a meeting house (as they say in their Petition) at their own cost, We humbly Conceive that any number of Gentlemen may build an house at their own Cost if they please; But for this Hon<sup>ble</sup> Court who have the Religious as well as Civil Interests of this Province under their wise Care, to set it apart for the Publick worship of God, to the Disturbance and breaking up of the Neighbouring Churches and the Publick peace of the Government, we humbly Conceive would be a Great Grief and burden to the people in General and bring the Province into Such confusion as will Render the Inhabitants unable to Support the Charge of the Government.

For These reasons with what others we shall crave Leave to Lay before your Excellency and Honours, We Humbly hope This Hon<sup>ble</sup> Court will be Induced not to Grant the Prayer of the said Petition but to Dismiss the same—

To His Excellency Benning Wentworth Esq. Gov & Command: in Chief in & Over his Majesty's Province of New Hampshire the Hon<sup>ble</sup> his Majesty's Council & House of Represen in Gener<sup>l</sup> Assembly Conven'd—

The Reply of the Freeholders & other Inhabitants of y<sup>r</sup> Town of Exeter who have Petitioned to be Exempted from

paying towards the support of the ministry in said Town &c. to the answer of the Agents of s<sup>r</sup> Town to their Petition—

May it please your Excellency & the other the Hon<sup>ble</sup> Branches of the Legislature The fav<sup>r</sup> granted your Petition with regard to an opportunity of making a written Reply to the answers made to their Petition in behalf of the Town gives them Encouragem<sup>t</sup> to hope for success in the matter under Debate as the merit & Weight of w<sup>ch</sup> Shall be offer<sup>d</sup> can in this way be much better Consider'd

Your Petition<sup>rs</sup> would beg leave Humbly to Observe in General, that in this affair as they are not Influenced by sinister views, corrupt or vicious Principles nor any but Conscientious motives their Case claims the closer attention & greater tenderness— and as they are Sincere in their Principles which relate to this matter so they would be just in their Reasonings upon it: & should therefore have been glad to have avoided entering into the consideration of several points & matters of fact moved in the said answer because they will be a Diversion & a Digression from the Main Question— but could not prevail with the Agents to wave them. To come then to the s<sup>r</sup> answer & Reply in as brief & clear a manner as we can by following the Several Articles thereof. We must Observe their first begins with charging the Petition<sup>rs</sup> with a mistake in Representing that the Town in Setting Mr Woodbridge Odlin proceeded in a hasty & Resolute manner, & then they go on to give an acc<sup>t</sup> of y<sup>r</sup> affair, the Substance of w<sup>ch</sup> is that it was carried on w<sup>th</sup> great deliberation & every step Maturely Considered: That every Person Concern'd acted their part from y<sup>e</sup> fullest Evidence & Strongest Conviction of the Expediency of the thing & the Legality of the means, & the Like— But in this acc<sup>t</sup> there is nothing said of the Art used first to prepare matters by prevailing on near Seventy Persons to sign a Petition to the Select men praying a proper Clause might be Inserted in the warrant for the Annual meeting 1743 & so working up the minds of the Petitioners to favour the thing before it came to be considered in Public— They also have omitted to Observe that when the Town was met & about to proceed on this affair: the Non-Petitioners or most of them made the strongest Remonstrances ag<sup>t</sup> desiring it might be suspended for some time at least offering to supply the Desk if necessary by Subscription as they had done y<sup>e</sup> year before hoping that a little time as it would have given greater Opportunity to have advised & proposed so it would have produced a greater unanimity of Opinion, if not terms of union & peace—They dont say a word of the Contempt w<sup>ch</sup> w<sup>as</sup> this was Rejected. & how Resolutely they proceeded as well to Vote the Raising money as chusing a Committee to Effect & carry

these designs into Execution which had been Contrived before, nor how their proposals at the second meeting were Rejected—nor that a church Com<sup>tee</sup> was chosen to call assistance for the Ordination before the agreement made w<sup>th</sup> the Gentleman to be Ordain'd w<sup>ch</sup> with many other transactions too tedious to Recite, prove the thing to be Contrived & determined before it came to be Voted, and that those who asserted their freedom & Liberty had Reason to be dissatisfied, the whole being done before the Deacons & Standing Church committee had any notice of it only as Inhabitants of the Town, and after the Town had determined the matter & a com<sup>tee</sup> chosen to agree the Terms a Proclamation was Issued under the ministers hand, appointing a Day of fasting & prayer in the Town to seek Direction, now these proceedings & much more of the like nature were Just Causes of Dissatisfaction with this Settlement, & that we might well say it was Resolute if not hasty Especially if we Consider that the Towns Committee (men chosen no Doubt with good Policy) was Impower'd to compleat this agreement without making a report to the Town for their Confirmation or Approbation which is the usual way, for we think a precedent like this cant be found w<sup>h</sup> th<sup>o</sup> by virtue of a Particular Law may be barely called Legal can by no propriety be term'd prudent & w<sup>ch</sup> if ever it was done before was only done, as we Conceive it was here to serve a Sinister End—

But as to what is objected to us, that we had a hand in Calling or Inviting the Gentleman to preach in Town we Conceive there is no weight in it, for such Invitation is always understood to be in order to chusing, w<sup>ch</sup> necessarily Imply's Refusing— When a Congregation Invite several Candidates, they are often call'd from other places, where they are upon probation But it was never suppos'd that such Invitation carried in it an obligation to chuse the Person Invited for where more than one Preaches before the choice, all cant be chosen, and if but one Preaches, where can be the choice— unless it be that which we have all heard of—

But we pass on—— The second article of the answer we conceive is of no Consequence in this Debate, if admitted to be true, for it only proves that some of the Petitioners are not of the same mind now w<sup>h</sup> they once were of in this Particular affair—

Nor is the third more to the point; for it only shows the Respondents have assum'd a power of Judging the hearts of those they there speak of— And as to the 4<sup>th</sup> we would only observe, that if this settlement was Legal, it will be very Difficult, if not Impossible to prove it to be agreeable to the usage of the churches in this Government.

In their 5<sup>th</sup> Article we conceive the Respond<sup>t</sup> proceed on fallacious principles & take for granted propositions which cant be proved— as that if this Petition is granted, not only this church, but all the churches in the Govern<sup>t</sup> will be greatly prejudiced— Now where is the prejudice to the church as such if these Petitioners were dismissed— there will be a church still left, of a competent Number, Invested with the same powers & enjoying the same Privileges as they now enjoy— and if the Number desiring to be Dismissed be so small as is Represented the objection is still of Less weight— and as to Churches in General how are they like to be affected by it— no other ways than they always are by gathering a new church, when the members belong'd to any other before; and if this is of any weight it will always be an Objection, in that case as well as in this: & so there must never be but one church in a Town tho ever so Large— and the same argum<sup>t</sup> may be always made ag<sup>t</sup> erecting new Parishes, for the old must be hurt by the Loss of any of its Parishoners by an increase of charge on those that Remain— Again when tis said the granting this Petition would be a manifest breach of the Laws of the Province the Objection Implies that this court are to proceed only on Laws already in force that they are Restrain'd by them, & are only to put such Laws in Execution— which is not the case. the petitioners ask for a new Law, & apply to those who can make it— the doing of w<sup>ch</sup> will no more be a breach of the old, than the making any other new Law & the same argum<sup>t</sup> lies with Equal Reasoning ag<sup>t</sup> making any new Law, for every Instance of that Kind in some sense alters those before in force— The Question therefore ought not to be whether the Law ask'd for will be a breach upon other Laws. But whether the End propos'd by it be good, whether it is R<sup>e</sup> & Reasonable to be done, & in order to discover that we beg leave to observe that we take it for undoubted Truth in w<sup>ch</sup> all Christians are agreed That the end of all Public worship is the Hon<sup>r</sup> of God & the Edification of the Worshipers, that is, the Improvem<sup>t</sup> of their minds in all christian Graces & virtues that these two are never separated, & therefore the edification of the worshipers always implies the former; That assemblies worship & care only means to attain the End, Viz the Edification of those who attend them. That this cant be done where the worship is not voluntary, for it must be in Spirit and in truth, free & sincere— That there is a great variety in the fitness of means arising from many circumstances particularly the diferent Capacities & tempers of Persons w<sup>ch</sup> may make means very fit & useful to one Person, not so to another, and that in these cases the right of Private Judgment is to be maintained more than in any, for here every

man must Judge for himself, & tis impossible another can Judge for him, and that hereupon he ought to follow the Dictates of his own Conscience—That tis every mans duty to pursue this end, as tis the Noblest & highest that can be proposed by the fittest & best means—from these principles w<sup>ch</sup> are indisputable, it evidently follows, that when a man apprehends he can obtain the afores<sup>d</sup> end better in one Congregation than in another, he ought to Join to that w<sup>ch</sup> he Judges the better for that purpose. & when a number sufficient to embody in Church order have the same Judgm<sup>t</sup> as to that point they ought to separate & embody; it then becomes their duty for it is certainly a duty to use those means we Judge fittest, for obtaining the best end: & the omission of it is the omission of a Known duty, for which Conscience will Inevitably Condemn—he that denies this must with the same breath condemn the Reformation for upon these & such like principles the Reformed Church Separated from the church of Room, who condemnd them for it, for she mortally hated Separations— He therefore that will not allow of it in the cases here put, must if he will be consistent in his principles. Return to the mother Church from which the first Reformers separated— Now the civil Magistrates Ought to be the minister of God for good to the People, & where their greatest good is concernd ought to give them the greatest Countenance. If it be said tis enough for such separatists to enjoy their Liberty of Separating without being Eas'd of their taxes—the answer is that would be making them purchase their Liberty of those who enjoy their own freely & is not Liberty Equally every mans right who has not forfeited it? If so no man should be oblig'd to purchase it at a dearer Rate than his neighbour, and where such a separation is made from an apprehension of duty & in Obedience to Conscience it is so far from being Just matter of Reproach or blame to the party or of offence to others, that it ought on the other hand to Receive that Countenance & approbation justly due to those who have a sense of duty & tenderness of Conscience sufficient to put them upon the performance of it—The Respond<sup>ts</sup> indeed say the Petitioners are a small number of Persons, who separate thro' unreasonable prejudice & here again they suppose that true w<sup>ch</sup> we deny, namely that we have no Reason for separating—for it appears to us to be duty upon such principles & arguments as have been before mentioned & therefore think ourselves free from the just imputation of prejudice, & they have no Right to judge our hearts & condemn us for Hypocrites— Beside how easy it is to charge, & to Return the charge of unreasonable prejudice. Every party in Politicks as well as Religion is exceeding apt to think all the opposition to their measures proceeds from unreason-

able Prejudice, & if men would but open their eyes they must needs see things as they do and none more apt to run Riot in this opinion than that party which is uppermost, which always supposes it self in the Right— But here it seems in this case it is quite plain there is the opinion & Result of a Council— But we cant think it proper to trouble this Court with those affairs, a particular detail & Consideration of w<sup>ch</sup> would be more than could be done in a weeks time, nor are they at all proper to be discuss'd here— and after all should it be done it would amount to no more than this—Two men differ each calls in his friend to advise which they do, but advise differently according to their Different Apprehension & thereupon each man follows & applauds the advice he likes best— In short whenever a sufficient number agree to go off from a church or churches, & Embody by themselves & by their outward actions or the General course of their lives in a Judgment of charity there is Reason to think them sincere in their pretensions, if they are willing to support the preaching of the gospel & other ordinances among themselves & especially when their Separation does not break up the churches they leave, we humbly Conceive, & with great deference & submission would say they have a right to demand of the authority, that protection, Exemption & Countenance whereby they may Enjoy their Opinions & Sacred Rights on as Cheap & Easy terms as their neighbours so far as the Circumstances of their case will admit—

The Sixth & Last Article begins with charging the Petition<sup>rs</sup> with absurdity &c In desiring some allowance for w<sup>t</sup> they have paid towards the settle<sup>mt</sup> of the minis<sup>try</sup> &c— As to the settle<sup>mt</sup> of the Rev<sup>d</sup> Mr Odlin the Elder, tis out of the Question, but as to the other we see no such absurdity, for many Reasons, but especially considering this was purposely made as chargeably, even to us, as it could be, by making that a Public charge which might have been otherways defrayed, as to Other parts of this Article tis comprised in the foregoing there being no great difference between saying, men Separate from *unreasonable pre Judice*, & saying it is evil in self, that it is of Evil Example & *draws others to do the like* differs little from saying *it would be of Dangerous consequence to the Churches*, all which is only begging the thing in Question—for we think it for the good of the churches, if by Churches we understand the People of the churches & not the Minister only, & if by good, is meant *their Spiritual Edification* & not the great point of maintaining the minister in Affluence & Ease—But this they say if done will be a leading example & we say all the better, if it be a thing which ought to be done, which is our apprehension of it, & that not only in this case

but all others so circumstanc'd; as to other fearful consequences mention'd they are merely chimerical: & Deserve no Answer— But here it is worth considering whether force, Compulsion or Restraint is a likely way to promote the Interests of pure religion, whether to compel to Conformity is a likely means Ever did or ever will Make a sincere Conformist, & what Interest is such a Conduct likely to promote. unless that of the purse of the parishioners & the more comfortable Subsistence of the Parson for the Larger the Parish, the higher the Salary is no false Logick—But those who are ag<sup>t</sup> their neighbours Spiritual Benefit from Lucrative or frugal principles do not *do as they would be done by*, they do not Exercise that charity which *seeketh not her own*, and he is Effectually ag<sup>t</sup> such benefit who prevents or Endeavours to prevent his neighbours from using those means he judges his duty to use. St Pauls Exhortation in this case is for every man to please his neighbours for his good to Edification—As to other matters taken notice of in this Article of the answer we cant think them of so much consequence in This debate as to need a particular Reply—The Building a meeting house or not is of no farther moment in this affair than as it argues those who have done it to be in Earnest & That they think it to be a matter of Some Consequence or they would not have been at that Charge— Upon the whole it is Humbly Submitted whether the Interest of Religion will not be more promoted— whether any such pernicious consequences are like to follow as are Suggested & whether the Interests of a Considerable number of good & faithful Subjects to the Government will not be advanced by granting this Petition? and Lastly whether the Consequences are not likely to be more pernicious which must follow from a Denial—

*Answer of the Town Committee of Exeter to the foregoing.*

To His Excellency Benning Wentworth Esq. Captain General Governour and Commander in Cheif in and over his Majesties Province of New Hampshire and to the Honourable his Majesties Council and House of Representatives convened in General Assembly.

We being chosen by the Freeholders and Inhabitants of the Town of Exeter to represent said Town, and on the behalf of our Constituents to make answer to a petition preferred to this Honorable Court by a number of Freeholders and Inhabitants of said Town praying that they and their Estates may for the future be exempted from paying to the support of the ministry in the old meeting House seeing they represent in their petition, that a minister was settled contrary to the minds of many of the petitioners— In Answer to which, We humbly beg leave to reply as follows—

1<sup>st</sup> Many of the petitioners especially those that entered their Dissents against the settlement of our Minister the Rev<sup>d</sup> Mr Woodbridge Odlin were those that first invited him to preach in this place and were the Cheif Instruments of his being called from a remote place to labour among the people here, Who had he not esteemed their invitation to Him a call from God might now have been serving the Interest of the Redeemers Kingdom in a distant part, But the said Gentleman being Induced by the Importunities of the said petitioners and others in the Town accepted of the Invitation to employ his Labour among them for a considerable Time, of the expiration of which the Church & Congregation being sensible of the Infirmities of their aged pastor, tho't an assistant with him in the ministry and pastoral care of their souls would be for his & their comfort & having had a long

Tryal of our present minister by a considerable majority were well satisfied with Him and made choice of him in a way agreeable to the Laws of the province. The Town proceeded at their annual meeting march 28, 1743 To Chuse a Committee to agree with and settle the said Mr Odlin by a considerable Majority, And this Committee was further confirmed in their office by said Town, at a meeting of the Freeholders & Inhabitants June 13: 1743. Those petitioners that entered their Dissents being present and voting with the Town at said meetings, as to the Validity and Regularity of the Settlement it was agreeable to the Majority of Town & Church approved of and ratified by a venerable Council called by this Church—

2. Those who dissented against the settlement of the said minister among the petitioners are many of them such as rent themselves of from the Church Counter to their Covenant Engagements or Church Relation, & Contrary to the Platform of Church Discipline, and their setting up is disallowed off as being contrary to the Known order of our churches, and a Council of ten churches have in their Judgment upon the case declared their disallowance of those Brethrens withdraw as being very unjustifiable and reproachful to Religion.

3. Those petitioners do not profess themselves to be of any different persuasion from the Church they belonged to, but acknowledge they are settled upon Congregational principles and that they could hold occasional Communion with our minister & Church, and if so why not stated? What need of supporting a Seperate Interest to the prejudice of Religion and the peace Interest of the Town.

4. We would inform the Court that there is but about twenty five of the petitioners that entered their Dissents against the settlement of our Minister the rest of them consisting of such persons as have moved into Town or come of age many of which posses no Estates in the Town and some that were forward for the settlement at that Time have for what Reasons we Know not been prevailed with to Join with Them—

5. The Town has already been divided into so many parishes that we conceive it is unreasonable & what would render it very inconvenient & detrimental to the Town, for a number of persons that dwell in the midst of us (which have no prospect of being better accomodated than they might be at the old Meeting house) to be exempted from supporting the charge of the public ministry, where they with their Families might conveniently attend, and we apprehend that we are not at present more than sufficient to support the charges of one parish with other public charges—

6. We apprehend it is unreasonable that the petitioners their

Families and Estates should be exempted from paying to our Minister, in that several of their Families attend public Worship at the Old Meeting House and there is no prospect of their being inclined to alter their Sentiments—

7. We conceive that the countenancing a Number of persons in setting up for themselves without sufficient Reasons that are not of different persuasions from those they went of from will be a tendency to the subversion of all Order in Towns & Churches—

Wherefore from the consideration of the ill Consequences of Countenancing them in their irregular proceedings the great Disorder & Confusion that may thereby be introduced into Towns & Churches, we conceive will have a Tendency to the destroying of all order and running all into the utmost difficulty, if their petition shou'd be granted. Things being in such situation we cannot but apprehend that fixing them on a civil Establishment will be encouraging unwarrantable separations and destructive to the peace and Order of the Churches in the province—

For these & other weighty reasons that might be offered (which will occur to your minds) We humbly Pray. That your Excellency & Honours in your great wisdom would dismiss so unreasonable a petition which we conceive tends to the Subverson of Religion.

*Result and advice of an Ecclesiastical Council, in Exeter.*

We the Elders & delegates of the third church of Christ in Ipswich, the two Churches in Cambridge & the third in Gloucester Convened in Council July 29<sup>th</sup> 1755 in Exeter at the Mutual request of the Pastor & the first Church in s<sup>t</sup> Town and a Number of the brethren called the New Gathered Church to Judge of all matters of difference subsisting between them in order to lead them into a happy Reconciliation & restoration to Christian Comunion and fellowship— After humble Supplication to God for direction in this Important affair and full hearing the parties came to the following Result:

1<sup>st</sup> Notwithstanding any Greivances the Brethren of the New Gather'd Church (so called) may have met with or apprehended they had met with from their late Rev'd Pastor and the brethren of the Church yet we Judge their manner of withdrawing Comunion from the Church was disorderly, And that such a conduct tends to destroy the peace and order of these churches, but we Apprehend some Charitable allowances are to be made in favour of these brethren Considering the Circumstances of those times and their plea of unacquaintedness with the order of these Churches.

2<sup>dly</sup> We Judge the Reflections of the Separating Brethren upon the late Pastor & the Other brethren of the Church (Calling them oppos-

ers of the work of Gods Sovereign Grace &c) to be unbecoming Expressions, savouring of an uncharitable Spirit or of too great abounding in their own sense and opinion of things, and we should have been glad if they had been more full and Express in Acknowledging the warmth & Severity of their Expressions.

3<sup>thly</sup> With respect to receiving to Comunion the members of other churches who are under admonition: we declare that such a practice is utterly inconsistent with the order and peace of these churches, and that if this New Gathered Church (so called) retain any such members it is Just matter of offence to the churches of Christ, and in order to any reconciliation with these churches it is our Judgment that they deny such members any further fellowship in Special Ordinances till they are restored to the Charity of the Churches to which they respectively belong or regularly dismissed.

4<sup>thly</sup> Provided the New Gathered Church (so called) shall manifest their consent to and acceptance of the Judgement of this Council as above and their readiness to Practice agreeably hereto, wee advise the Pastor and first Church in this Town to forgive their brethren whatsoever has been offensive in their late Transactions and not withstanding the Exceptionable steps they have taken towards their being formed into a Church State, Yet that they own them as a Church of our Lord Jesus Christ and their Pastor (so called) as a minister of Christ and receive them to Christian comunion in all Ordinances and acts there of as they do other Churches.

5<sup>thly</sup> And upon their Complying as above we recomend them also to the fellowship & comunion of all the other churches in the land walking in the faith & order of the Gospel: At the same time Earnestly recommending it to the New Gathered Church (so called) to pay all due respect to the churches of Christ, and to Exercise great caution that they avoid every thing which may greive or offend them: And now dear brethren of the New gathered church (so called) we have proposed such terms for your being accepted into comunion with the churches as upon a Mature Impartial weighing matters we think highly reasonable for you to comply with, and such as we Judge necessary, to secure the Interest of Religion, the honour of Christ, and the peace and Safety of these churches. We therefore cannot but hope that God will convince you of your duty here in And incline you to a hearty compliance herewith— And as to the Rev<sup>d</sup> Pastor and beloved brethren of the first church, we cannot but hope, that considering the times which have pass'd over us, and the present Circumstances of your Separating brethren, you will upon their Submitting to and accepting of our Judgment & advice forgive them in whatever has been by them Greivous or offensive to you & receive them. (together with the person whom they acknowledge for their Pastor) in their respective capacities and treat them accordingly by all propper acts of Christian Fellowship & Comunion, And now Rev<sup>d</sup> Hon<sup>l</sup> & Beloved it will be to us matter of Joy and thankfulness to see the people of God in this place thus united in holy fellow ship: And we Earnestly Exhort & beseech you in the bowels of our Lord Jesus Christ to forgive one another as you hope that God for Christs sake will forgive you, and that you would Embrace one another as in times past in the Arms of Love & Charity, And that there be a friendly interchange of all acts of Christian, brotherly Comunion as occasion may Call for, And that there be a careful avoiding Everything in Speech or behaviour. that may grieve or offend Each other, and if there should be some different sentiment as to some particular points, that there be a careful preserving the unity of the Spirit in the bond of peace. Finally brethren farewell, be perfect be of Good

Comfort, be of one mind, live in peace and the God of Love and peace shall be with you, Amen,

At a meeting of the New Gath<sup>d</sup> Church of Christ in Exeter—August 4<sup>th</sup> 1755,

Voted likewise—That a copy of the above be sent to the Rev<sup>d</sup> Woodbridge Odlin, to be communicated to the first Church of Christ in Exeter.

These certify that the sum which was voted by the Town of Exeter to the Rev<sup>d</sup> Mr. Woodbridge Odlin this Present year was for his Salary only, & not for any Arrearages due to him from the Town. But as there was something due to him from the Town at that time, The same is Included in the Town Rate for the Current Year and not in the Ministers Rate.

Concurred, but care must be taken in the act to have Provision that the Town may choose officers to make the ministerial rate—and also to repair the churches reciprocally That all arrearages if any be paid by both as if not separated. The act will not Pass without these articles are Inserted.

*Petition of John Odlin and others for power to call Parish meetings, &c.*

To His Excellency Benning Wentworth Esq. Governor and Commander in Chief in and over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majestys Council & House of Representatives in General Assembly Convened Dec. 6<sup>th</sup> 1763.

Humbly shews John Odlin, Josiah Sanborn and Sam<sup>l</sup> Brooks, all of Exeter in said Province:

That by an Act Pass'd in the twenty ninth year of his Late

Majestys Reign a new Parish was incorporated in that part of Exeter Remaining, (commonly called the Town) after the Parishes of Brentwood & Epping were set off which was called the new Parish & Invested with the Powers usual in such Cases, and the remaining part of said Town was made a Parish & authorized to manage their affairs Relating to the support of the Gospel ministry, Separately and for that purpose was authorized to chuse assessors of the Parish Taxes Collectors &c which were to be chosen at the annual Town meeting for as to Town affairs there was no alteration by said act and this was the only matter that could be transacted at the Town meeting respecting said Parish —— as may at large appear by reference to said act.

That your Petition<sup>r</sup> suppose it was the design of said Act that such assessors should be authorized to call such meetings of said Parish as there should be occasion for without any regard or matter to be done by the select men of the Town, but that power is not given (unless by a very remote Implication) so that as to any special Business to be done by said Parish as repairs additions &c to their meeting house they have no method of consulting and Determining but what is drawn with Question & Dispute upon the Doubt about calling the meeting nor can they obtain a meeting for the Select men refuse to call it and the assessors doubt their authority——

That there is a necessity of repair their meeting house purchasing a Bell & transacting other Parochial affairs which are all suspended by the ambiguous Language of said act Wherefore your Petitioners pray the advisement of the General Assembly thereon and that by a Resolve they would Declare that the said assessors have Power to call such meetings of said Parish, if it appears to be within the Intention of said Act, or to put said Parish or remaining part of said Town under a new Regulation, & that no officer of the Town as such may have any thing to do with said Parish and that your Petitioners may have Leave to Bring in a Bill accordingly and they shall ever Pray &c.

Province of New Hampshire the Hon<sup>ble</sup> His Majesty's  
Council and House of Representatives for said Province in  
General Assembly Convened March the 9<sup>th</sup> 1747.

The Humble Petition of Archibald Stark of a place called  
Amaskege in said Province Shews—

That your Petitioner has lived at said Place for the term of  
ten years last past and has at his own cost Built a Garrison  
there of Considerable Strength & Conveniency by which the  
Place may be Defended against the Common Enemy with the  
assistance of a Competent number of Soldiers :

That there are upwards of twenty families that are settled  
there which have been Encouraged by your Petitioners Reso-  
lution hitherto to Stand their Ground & maintain their Settle-  
ments who must inevitably leave them if the said Garrison  
should be broken up— That the Situation is such as make  
it a place of Importance to be Supported being a Common  
Stage between Londonderry Chester and Pennycoke Suncoke  
& other Settlements & in the Course of Business there very  
Convenient for Travellers to Stop at, & proves a necessary  
means of Communication between the settlements as well as a  
Barrier & cover to many Settlements & families between that  
and Londonderry—That as your Petitioner has been at great  
charges to bring his Plantation there, to the Condition it is  
now in & laid out all his substance for that purpose (whereby  
he Conceives he may justly be Esteemed a Public Benefactor)  
it is not only of the utmost Importance to him that the Place  
be Defended, but also gives him some claim to ask it, and as  
his Fortune Depends upon it, and it may be *his* Life as well  
as others, He most Humbly Prays that a Competent Number  
of Soldiers may be allowed him to be Post'd at said Garrison  
& to Guard & Defend him and others in Performing the nec-  
essary Labours of the Ensuing season, that their Husbandry  
may not be Diminished and your Petitioner as in Duty  
bound Shall Ever pray &c.

That your Petitioners generally inhabit one part of said

Goff's Town which renders their associating together for public worship more convenient—

That your Petitioners have had some supply of preaching from the Presbytery to which we are connected and expect more from time to time, and soon to be in a Capacity (through Providential Smiles) to build a meeting House, and settle a Minister of their own persuasion.

May it therefore please your Excellency & Honours impartially to consider the Premises, and by your authority to enact that your Petitioners may be a distinct Society Cloath'd with Parish powers that so they may be in a Legal Capacity of Levying Parish Charges, and your Petitioners as in duty bound shall ever pray &c—

*Petition of the Inhabitants of Goffstown, 1772, relating to town disputes.*

To His Excellency John Wentworth Esq Capt. Gen<sup>l</sup> Gov. & Commander in Cheef in and over His Majestys Province of New Hampshire, & Vice admiral of the same. The hon<sup>ble</sup> His Majestys Council & House of Representatives for said Province to be conven'd at Portsm<sup>o</sup> in said Province on Tuesday the 19<sup>th</sup> day of May Current.

We the Subscribers Inhabitants of Goffstown in the County of Hillsboro' in said province, humbly Complains—

That the Inhabitants of said Goffes Town at their last annual march meeting having some disputing on the business of the Day, after which the Select men published who were Legal

Voters, according to the Law of said province, after which the Votes were bro't in for a Moderator, The Votes were 25 for the hon<sup>ble</sup> Sam<sup>l</sup> Blodget Esq & 26 for Alex<sup>d</sup> Gilchrist, on which said Mr Blodget said one John Pattie was not a legal Voter, (who had voted for said Gilchrists being Moderator) the select men said he was, but Mr Blodget insisted he was not, & that his Vote should be thrown out, w<sup>ch</sup> was done. Then the Votes stood 25 for one & 25 for the other, after which Mr Blodget pulled a power of Attorney out of his pocket, & read it, given by one Job Rowell (who is since dead) to his son Jonathan Rowell a minor & who had never been rated, Impowering said Jonathan to Vote at said meeting & Mr Blodget insisted That said Jon<sup>a</sup> had a Legal Right to vote in Said Meeting by virtue of said power which said Jon<sup>a</sup> did & voted for Mr Blodget to be Moderator, w<sup>ch</sup> turned the vote in Mr Blodgets favour & that said Pattie was not allowed to Vote, & the said Jonathan's voting & Pattie being deprived, caused different men to be chose Town Officers, than would have been, by which Means we humbly conceive we are much injured and deprived of our just & Legal Rights, Wherefore we your Complainants & petitioners humbly prays your Excell<sup>ty</sup> & Honours to take our Case into your Consideration & grant us such relief as in your great wisdom shall seem meet, & your petition<sup>rs</sup> as in Duty bound shall ever pray—

*Petition for an emission of paper money.*

The Honourable Senate and House of Representatives of the State of New Hampshire to be Conven'd on the first Wednesday in September 1786.

The Petition of the free holders and other Inhabitants of Goffs-Town

Humbly Sheweth—

That we your Hon<sup>r</sup> Petitioners, perceiving the declining condition of our Country and of this our State of New Hampshire in particular the Stagnation of Trade and Commerce amongst us as well as the slow progress of Agriculture and Mechanichism, together with the additional Calamity of an enormous debt incurred by the late unhappy War;

Prevails with us your Honours Petitioners to present you, with these our Grievances as we apprehend they proceed Intirely from the Scarcity of Cash amongst us through the want of which we cannot discharge either our publick or private debts—Conduct Trade or Commerce, Neither can the needy purchase the necessary articles of Sustainance—As we presume every thinking person who has the care of the Welfare of his

Country at heart, plainly discerns the several causes from whence these our grievances proceeded, as also the many Glaring and impending Calamities that are likely to ensue them (unless timely remedied) we think it needless therefore to point them out to your Honours :

But to redress our Grievances we would humbly pray your Honours forthwith to emitt a Quantity of paper Currency sufficient to discharge this States Domestic debt for which the subjects are oppress'd by paying the Interest, and to be a Circulating Medium of Trade within this state—Let said currency be put into Circulation by establishing it a Lawful tender in payment for all Contracts of a publick or private nature within this state—likewise by redeeming this States Securities for Domestick Debts, of every Kind and description :

And by requiring the possessors of these Securities immediately after the publication of said Currency to come and receive their principal, and all such possessors who shall not appear within three Months and receive their pay, shall forfeit their Interest, and those who shall not appear in twelve months, and receive their pay to forfeit their principal & Interest, And that it may Circulate the better we reccommend it to be made without Interest, And in such Bills as may be Easier changed for the benefit of Trade :

And furthermore we would reccommend to your Honours, that every method possible be taken by the Legislative Authority for preventing its depreciation and Counterfeiting—by suitable punishments—let the punishment of Counterfeiting be death without respect of persons and also their accomplices, and Exorbitant extortioners, and those who would refuse to take it in pay for debts, or contracts of any kind, within this State, be punished by forfeiting the debt or article exposed for sale—The method by which this Currency shall be redeem'd, and the time when, we refer to your Honours wisdom or some future Assembly to determine, Knowing that Time will Solve what we cant foresee, and as we dont think that either debtor or Creditor can be in any wise Injured by this our Plan, but on the contrary much benefited, we therefore desire to harmonize with our fellow Subjects of this State in their similar proposals.

Hoping this our Remonstrance will meet your Honours kind reception, we solace ourselves in the prospect of the future happiness which shall accrue from your Honours Compliance—wishing that the blessings of Heavens may always Rest upon your Honours just Resolutions, your Honours Petitioners shall for ever pray.

*A Bank of paper currency.*

At a Legal meeting of the freeholders and other inhabitants of the Town of Goffes Town held August 21<sup>st</sup> 1786—It was unanimously Voted to have a Bank of paper Currency made and at the adjournment of said Meeting held Sept 4<sup>th</sup> Current, Voted that this their Remonstrances for the same be accepted. and To be presented by their Deligate as such.

Signed in behalf of the Town.

## GOSPORT—otherwise STAR ISLAND.

[This place was incorporated 24th Dec., 1715, under the administration of Lieut.-Governor George Vaughan. Ed.]

*Petition to be exempt from paying Province tax.*

To his Excellency Sam<sup>l</sup> Shute Esq. Captain Generall, Governor & Commander in Chief in & over his Majesties Province of New Hamp. &c.

To the Honourable the Council & Representatives Conven'd in Gen<sup>l</sup> Assembly now Sitting in Portsm<sup>o</sup> in s<sup>l</sup> Province :

The petition of Richard Yeton one of the Selectmen of Starr Island upon the Isles of Shoales in behalfe of the Inhabitants thereof most humbly sheweth—

That the selectmen of the s<sup>l</sup> Island have not Expressed any contempt to the Authority by their omitting to make an assessment on the people thereof pursuant to the ——— (?) or warrant & therefore humbly prays that Your Excellency and the Honourable Assembly would pass a favourable construction thereon & also prays that Your Excellency & this Honourable Assembly would be pleased to consider the following pleas in favour of their being Excused from the Province Tax :

The people are very few in number & most of them are men of no Substance, live only by their daily fishing and near one third of them are single men and threaten to remove and leave us, if the tax be laid which will prove our utter ruine if our fishermen leave us.

The charge and expence which they are at in the support of the ministry is as great as the people can bear at present it having cost them but lately the sum of Two Hundred pounds for that end in building a Meeting house—which is not yet all paid.

The Government have here tofore encouraged them that

they should be exempted from paying Province Taxes whilst they Express their forwardness in so good a Service.

Though the Inhabitants have been very much richer and more numerous and their Trade greater than at present yet they were not then rated, nor the Inhabitants on the Island, in the Massachusetts Government. They live on a Rock in the Sea and have not any priviledge of right in common Lands, as other Inhabitants in the respective Towns have.

They have defended themselves in the time of Warr Ag<sup>st</sup> the publick enemy at their own Expence both for forts and souldiers whose wages they have paid, and finally all other Towns in this Province have been larger and more numerous before they were taxed to the province rate.

I do with a Humble Confidence assure your Excellency and the Honourable Assembly that we shall ever express a Loyalty to his Majesty and a ready obedience to the command of the Government, but considering our poverty with the foregoing pleas in our favour, I do humbly pray that you will please to excuse us from the present tax, and when we shall be better capable shall readily bear our proportion of the publick charge —& So yo<sup>r</sup> Petitioners shall ever pray—as in duty bound & Subscribes

RICH<sup>d</sup> YETON.

Commander in Chief in and over the said  
Province, The Hon<sup>ble</sup> his Majestys  
Council and House of Representatives in  
General Assembly Conven'd Jan'y 4,  
1760

Humbly shew, Henry Carter, Richard Talpey and Charles Miller all of Gosport within said Province in behalf of themselves and the other inhabitants of said Gosport That the said Inhabitants have always chearfully paid their Province Tax with Great Willingness and pleasure, so long as they were of ability and untill the four last years when their Circumstances in life became so low (being only a few poor fishermen) and the necessaries for living being Excessively dearer at the place of their abroad one half more than at any other part of the Province with the Great Difficulty of Transporting the same there together with their other great charge, Supporting the Gospel Ministry among them the fewness of the Inhabitants & their

poverty and their few within four years last past being Greatly Reduced they having had thirty Two Ratable poles within that time left them to serve the King or Removed to other places, Six of which had familys and their is but few very few young men among them and the neighbouring islands in the Mass-Bay altho Very short of our number have on acct of their poverty been Exempted from tax for Twenty years last, and altho Warrants from the Treasurer have come to the Selectmen of said Gosport to assess the inhabitants for their part year after year yet the select men did only the first year assess them and on finding that was not paid, the poverty of the Inhabitants and some Great Incouragement from some of the Hon<sup>ble</sup> General Court That on shewing forth the Difficulties Aforesaid the same might be Remited and since they have not made any assessm<sup>t</sup> for Province Tax and that that was made was never colected, and now the same amounts to a Very Considerable sum and if their very poor and few Remaining Inhabitants should be Oblidged to pay the same it would Greatly tend to their Ruin for the few Remaining young men would remove from them rather than Pay any part to such back taxes as were due before some of them were Oblidged by law to pay any, and their would be none but a few old helpless persons left. And We would here beg leave to observe to this Hon<sup>ble</sup> Court that had we had a Representative in Court at the time the proportion was made Gosport might not have been Tax'd but altho we were always inform'd that We were allow'd the Liberty of Sending one member to Represent us in said Court yet we never ask'd it Knowing it would be a great Cost to the Province, More than any advantage of Tax that could possibly be expected from the Inhabitants, for which Reason we never made any Enquiry into that matter.

Wherefore We humbly pray the Consideration of this Hon<sup>ble</sup> Court on the premises—and that you will be pleas'd to pass such act or Resolve to take of the said Back taxes and that we may be exempt for the time to come, or grant such other Relief therein as in your Great Wisdoms shall Seem meet unto you—and then We from such Incouragement shall have Great Reason to hope that instead of our few becoming fewer we shall increase in our numbers and be able to pay Province Taxes with Great Willingness when we shall have it in our ability—And by being heard in this our Request We shall as in Duty Bound Ever Pray—

*Petition for a Lottery, for protecting the Harbor.*

To His Excellency Benning Wentworth Esq. Capt General,  
Governor & Commander in Chief in & over his Majestys  
Province of New Hampshire, The Hon<sup>ble</sup> his Majestys  
House of Representatives for said Province in General As-  
sembly conven'd the 25<sup>th</sup> day of June  
Anno Domini 1766.

The Humble Petition of the Inhabitants of Gosport in the  
Province of New Hampshire and others whose Interest is  
Concern'd Shews

That the situation of the Road & harbour at Gosport Afore-  
said is well known to be exposed to the Violence of Winds &  
seas in many cases & Events which frequently occur by which  
they often sustain much Loss & Damage which they would  
gladly Prevent it by any means Feasible:

That it has been Judg'd a Pier or Bason might be so con-  
trived and Built as to be in a Great Measure a security in this  
Case and a means of great saving to your Petitioners & Preser-  
vation of their Property

That to make such a work Effectual a Larger Sum woud  
be demanded than your Petitioners by any means coud raise  
but as it woud be of very General Utility in its Consequences  
they flatter themselves the scheme for carrying on such a  
Building woud meet with suitable Encouragement from many  
other Persons besides your Petitioners & those who have con-  
nections with them.

Wherefore your Petitioners Humbly Pray that they may  
have leave to set up & carry on a Publick Lottery to raise  
money for the End aforesaid and for that Purpose to bring in a  
bill containing such Limitations & Restrictions as shall be

tho't necessary but with such extent & Authority as shall be Sufficient to effect the Design & your Petitioners in Duty bound shall ever Pray &c.

#### *Petition for a new charter.*

To His Excellency John Wentworth Esq. Captain General, Governor & Commander in Chief in and over his Majesty's Province of New Hampshire & Vice Admiral of the Same in Council—

The petition of John Sargent of Norwich in the Province of New York, Yeoman by his Attorney, Israel Morey Esq. unto your Excellency & Honours humbly shews:

That your Petitioner has settled in said Norwich under New Hampshire Grants with a large Family. That being dissatisfied with his living under the Government of New York he hath purchased the Original rights of John Hawks Esq, Rufus Wells, Rufus Fields, Simon Alexander, Elisha Alexander in the Township of New Grantham, with the sole Views of making immediate settlements thereon for himself and sons, but as he has not been able yet to effect it, and the charter being expired he is apprehensive he may meet with Difficulty, wherefore he humbly prays he may be quieted in his said Rights either by the Extension of said Charter to the former Grantees or being made Grantees in a New Charter of said Township, as your Excellency & Honours in your Wisdom may think best for y<sup>r</sup> Petitioner and as in Duty bound he will ever pray

*Petition of Abel Stevens for the same.*

Province of New Hampshire—

To His Excellency John Wentworth Esq. Captain General,  
Governor & Command<sup>r</sup> in Chief in and over his Majestys  
said Province of New Hampshire in New England and Vice  
Admiral of the same. In Council—

The petition of Abel Stevens in behalf of himself and other  
Grantees and proprietors of the township of New Grantham  
in the Province aforesaid. Humbly Shews

That the said Township of New Grantham was granted by  
Charter bearing date the 8<sup>th</sup> day of June Anno 1767, under  
certain Conditions of Culture &c. &c—The Form of Culture  
being particularly express'd to be performed in 5 years vizt,  
five acres for every fifty contained in each share on penalty of  
the forfeiture of every delinquent share—to be regranted to  
others and the Time aforesaid being now elapsed, and the duty  
above mentioned not being fully done on any one Right or  
share in the said Township—Whereby, according to the strict  
construction of the condition aforesaid, the whole of said  
Township is forfeited to his Majesty to be regranted as aforesaid—and the petitioner begs leave further to represent

That there are some considerable Improvements already  
made in the said Township, and that they have been prevented  
from complying with the Terms aforesaid on account of their  
remote situation from any Inhabitants, and the Impossibility,  
for want of Roads of getting up provisions &c. for their necessary  
Support and subsistence, with such utensils as were need-  
ful to make the required Cultivation—The petitioners there-  
fore humbly pray your Excell<sup>y</sup> and Honours would not take  
advantage of the breach of said Condition, but that you would  
be pleased to Extend the Charter of said New Grantham to  
the present Grantees for such longer Time as your Excell<sup>y</sup> and  
honours may think convenient to complete the duty enjoined  
by their said Grant—The prospect not being so discouraging  
as when they received the former Grant, the said Grantees are  
determined to proceed immediately to fulfill the conditions re-  
quired by their said Charter, provided Your Excell<sup>y</sup> and hon-  
ours will be pleased to indulge them in their above said Re-  
quest And they as in Duty bound will ever Pray &c.

The humble Petition of John Johnson Abraham Lewis and Samuells Weeks on behalfe of themselves and the Inhabitants of Greenland, belonging to the Town of Portsmouth

That there are about three hundred & Twenty persons ; men women and Children in Greenland who are Oblidged to come to the Bank to meeting, and the distance being five and six miles and the season of the yeare occasioning bad travelling as alsoe the danger of the Enemy makes it very difficult and Tedious to gett to the said meeting, or to send their children every day to school being not able to Table them abroad ; Soe that your poor petitioners are almost deprived of publickly hearing the word of God or getting their children Educated with Reading and writing And your petitioners have desired at a publick Town meeting to have the Liberty of a minister and schoolmaster among themselves. They paying their sallary and to be Exempted from paying to the minister and schoolmaster at the Bank but there is noe care taken about itt by the Town who continues Silent in the matter.

The humble Petition of Capt Samuell Weeks, Capt Joshua Weeks & Mr John Cate.

In the behalfe of the Poore parrish of Greenland as they are Impowered by said parrish to represent the same with the select men of Greenland.

humbly Sheweth.

That whereas by a vote formerly of the Town of Portsmouth (of which the said Greenland is a part) It was voted that Greenland Bounds should be on the South side of Packers farm (which suppose is now Doctor Marches) and Whereas by a Vote of the Gen<sup>l</sup> Assembly 28<sup>th</sup> July 1714. Its said that Greenland bounds to Packers Bridge and thence to Joshua Haineses M<sup>r</sup> Cates & Edw<sup>d</sup> Ayerses farm. The Same is verry Ambiguous Whether these are included or Excluded and alsoe Mr Edward Ayers at that time had two farms Southwest of s<sup>d</sup> Packers or Marches farm—& it is not mention'd which—And Whereas Cap<sup>t</sup> Langdon & the comittee that made the last return: run the line from said Marches farm to Edward Ayres Southwesterly farm. Exclusive of said Farm; which line comes to Northward of Berry Brook in the Rhoad to Sandy Beech, which is not above a mile from Greenland Meeting house, and Excludes fifteen families that live about Breakfast hill from y<sup>r</sup> s<sup>d</sup> Parrish of Greenland that used to pay there towards maintenance of the ministry & lyes most convenient for them to come there. The loss of so many families is verry Great & Grievous to your verry poore petitioners:

Therefore your humble Petitioners Humbly prayes (That considering your said parrish of Greenland consists chiefly in verry poore Inhabitants) and Containes a verry small Quantity of Ground: Great Part of said Parrish being not three Quarters of a mile Deep & In the Deepest or Widest place verry little above a mile—That they containe a small Compass of Grond & no probability of Increasing themselves—humbly prayes your consideration & order that their line betwixt them and Portsmouth may Extend Due south from Marches farm to y<sup>r</sup> farm M<sup>r</sup> Edward Ayers Bought of the Adm<sup>r</sup> of Richard Jose Esq Deceas'd and thence South East to New Castle line which line will take in the fifteen families afore s<sup>d</sup> and suppose the line formerly Intended—But if it should seem meet to your hon<sup>r</sup> to take these fiftene families from said Parrish it would occasion their Breaking up not being able of themselves that remaine to support the charges of the Ministry with the other contingents on them.

All the Comittees that Ever made any returne relating to a Divissionale line being all of Portsmouth they made it as much in their favor as possible by all Strain'd construction—Therefore if your hon<sup>r</sup> se not meet to Grant us the line Desier'd. That then y<sup>r</sup> hon<sup>r</sup> will appoint a Committee of som other Towns (wholly Indifferent) to make and settle a line as they shall see

convenient, according to Portsmouth Town Voate, in 1705 and in Greater Certainty than hath as yet been Don. And your Petitioners as in Duty Bound shall ever pray &c

The memorial of John Hale & Samuel Hobart, for themselves & a number of Others his Majestys subjects, Purchasers from the Grantees of a Tract of Land in the Province aforesaid of the Contents of about six miles square, which was

granted 22<sup>d</sup> Novemb 1766. by the name of Cocker mouth on Certain Conditions therein specified, and the said Grantees have not been able to comply therewith, for sundry Reasons— The great Difficulty the first settlers have undergone, for want of Roads through other Towns adjacent & the discouragement<sup>n</sup> they have met with, by a long & expensive Law suit with the Proprietors of Plymouth &c and the time of settlement being now elapsed whereby part of the said Town becomes Forfeited & reverts to his Majesty

Province of ) To his Excellency John Wentworth Esq. Cap-

in and over his Majestys Province of New  
Hampshire and the Honourable his Majestys  
Council, most humbly sheweth—

That your petitioners are Inhabitants in the Easterly part of Cocker mouth that most of us have lived there a considerable number of years, with our families—that we have been at great cost & Expencc in clearing and cultivating the land, building houses making Roads, Bridges &c all which we chearfully performed, and sundry of us have made such Improvements that by the produce thereof with a common blessing we are able to Git a comfortable support—That when we first Began our settlement we proceeded in a Regular manner having in the first place (most of us with the other proprietors) Purchased a Charter of his Excellency the late Governor of the Township of Cocker mouth, which Town ship sundrey years before that time had been survey<sup>d</sup> and Lay<sup>d</sup> out as by a plan by which we purchased said Town will appear and many of which Bounds According to said plan are plainly to be seen to this day, which bounds are Agreeable to the Late plan or map of the Province made by Docter Langdon and Major Blanchard, which are plainly to be seen to this day, & that we are all settled fairly & clearly within the old lines & Boundaries of said Cocker

mouth where we Expected to enjoy the Benefit of our Labour peaceably and Quietly, and with an Encouragement and expectation of having the Gospel settled amongst us & as Good and Loyal subjects to our King having as far as in our power complied with his Royal Instructions with Respect to the settlements that we have made where we now dwell—And Whereas Samuel Livermore Esq has Petitioned your Excellency & Honours praying that the Westerly line of Plymouth may be Extended westerly to a place called Fletchers cormor which is a mile or more farther west than the antient & proper Line of Plymouth and which would be Taking off a mile of Cocker mouth and is the Land where we all Live: If the prayer of said Petition should be Granted and by which means we and our Houses and all our Improvements would be taken off from Cocker mouth, and by that Means we should loose all that we have in the world & we & our familys be Reduced to poverty. We Humbly Conceive that Granting the prayer of Mr Livermores Petition is only to Serve the Particular Interest of a few Individuals who are Interest in the Common Land in Plymouth, Who cannot by any Means have any Just Right to our Land for they have already much more land than is Given them by their Charter without this addition. and Plymouth as a Town Do not appear to be Benefitted by the addition, and are not Desirous of any such Thing, and Whereas M<sup>r</sup> John Fenton appears to joyn with Mr Livermore in said Petition, by Consenting that it should be Granted setting forth that he is a patintee of Three Thousand acres in the Land Petitioned for &c. We humbly Conceive that they have been laying their schemes to gether in order to injure and hurt us and to Take away from us our Substance, which we humbly conceive we are Justly Intitled to by virtue of our fulfilling his Majestys Instructions.

No Doubt but Mr Fenton has a just Right to Three Thousand acres of his Majestys un Cultivated ungranted Land. but not any Right to our Houses and Improvements, any more than he has to our persons to be slaves to him—Wherefore we most humbly pray your Excellency & Honours attention & Consideration on this matter which is of Great Importance to us and that you would be pleased to Interfere and protect us in the peaceable and Quiet Enjoyment of our Infant settlement in the Wilderness and that you would not Grant the prayer of that Petition, nor put it Into the Power of Mr Livermore or Mr Fenton or any other person to Molest or Destress us and we as in Duty bound shall ever pray

*Petition of Richard Hazzen, &c., about support of Rev. James Cushing.*

To His Excellency Benning Wentworth Esq. Governour & Commander in Cheif in and over his Majestys Province of New Hampshire in New England & to the Hon<sup>ble</sup> his Majesties Councill & House of Representatives in Generall Court assembled at Portsmouth for s<sup>d</sup> Province. May 1748.

Humbly Shews,

Richard Hazzen for himself and in behalfe of the Inhabitants of that Part of Haverhill district commonly called Timberlane,

That the Inhabitants of said Timberlane have for the greatest part of fifteen years past at a verry great cost and charge hired a minister to preach amongst them and at the same time been Excused from paying any thing towards the support of the Rev<sup>d</sup> Mr James Cushing.

That the Rev<sup>d</sup> Mr Cushings Hearers (Exclusive of said Timberlane) live about two thirds of them on the North Side of the Boundary Line and in this Province and the other third on y<sup>e</sup> other side on which side lyes also the greatest part of his Personage or Glebe Lands

That at a meeting of the District in November last Pursuant to the selectmens warrant It was agreed & Voted that the inhabitants living on this side of y<sup>e</sup> line (meaning those who lived out of Timberlane limits) should pay the Rev<sup>d</sup> Mr Cushing Two Hundred pounds for his support this year. Old Tenor on consideration of the Depreciating of the money &c which would have been a small matter more than what they paid last year.

That some time afterwards at a Legall meeting of the afore s<sup>d</sup> Districts. The inhabitants of Timberlane were by vote set off from Mr Cushings Parish and near the same lines which a committee Sent By your Excellency & the Hon<sup>ble</sup> Council thought proper to be done as appears by their Report.

That notwithstanding the meaning & intent of the afore s<sup>d</sup> Vote respecting M<sup>r</sup> Cushings Support by which the Inhabitants of Timber lane ought to have been excused from paying any thing thereto & after they were set off from Mr Cushings

Parish as much as the District had a power to do. The assessors have rated us to Mr Cushing and thereby made their own Taxes much less than last year, & taken away our money from us which we should have had to pay our own minister

That we have been thereby necessitated to make a Rate amongst Our selves to pay our minister but as we had no legall power to do it some refuse to pay, so that we are now in a verry deplorable Condition unless your Excellency & Honours will Interpose on our behalfe.

We therefore Humbly & Earnestly request your Excellency & Honours to compassionate our circumstances & give Such Orders that we may be excused from paying to y<sup>e</sup> Rev<sup>d</sup> Mr James Cushing & at the same time that he may not be cheated and defrauded of his honest due, & that we may be Impowered to raise a Tax amongst our Selves to pay our own minister or that you will afford us Such other Relief as to your Excellency & Honours shall think best for us.

And for your Excellency & Honours your Humble petitioners as in duty bound shall ever pray &c

Humbly Shews,

The petition of Edward Flynt, Samuel Stevens & others the Subscribers that your petitioners Liveing in that part of Haverhill District commonly called Timberlane have always together with the other Inhabitants chearfully paid their Taxes & when a petition was preferr<sup>d</sup> by the said Inhabitants to your Excellency & Honours to be incorporated into a Township, your petitioners signed y<sup>e</sup> said petition & hoped that when the Township was incorporated that not only your petitioners Houses but their estates also would have been taken within y<sup>e</sup> charter being much more for the Interests of your petitioners than to be put any where Else.

But so it is may it please your Excellency & Honours that by the Charter of Hampstead lately Granted, your petitioners Estates are so Divided that near one half lye within the Town of Hampstead & the other half is left out notwithstanding

their Lands have for many years past been fenc<sup>d</sup> in and improved & being so Divided & Split by the said Lines it is to the verry great damage of your petitioners

We therefore earnestly request your Excellency & Honours to annex our whole lands to Hampstead according to our first petition.

*Petition of Abraham Drake and others about a tract of land in Kingstown.*

To his Excellency Joseph Dudley Esq. Capt. Generall and Governour in Cheif in & over Her Majestys province of the Massatusetts Bay & New Hampshi<sup>r</sup> &c

The petition of y<sup>r</sup> selectmen of y<sup>r</sup> Town of Hampton in New Hampshire in behalf of y<sup>e</sup> freeholders & Comissioners of y<sup>r</sup> s<sup>d</sup> town Humbly Sheweth

That your petitioners this last sumer had Judgment given in favour of Mr Peter Wear at two Courts the Charge where of cost them more than 50 pounds, for not laying out a Tract of land at a place formerly called New-plantation since called Kingstown which s<sup>d</sup> Grant was to John Marston who sold all his Rights in Hampton unto one Deacon Page more than 40 years since which s<sup>d</sup> Page hath ever since enjoyed his Rights & devidions of lands in Hampton above s<sup>d</sup> until this last sumer y<sup>e</sup> said Peter Weare produced a pretended deed of conveyance from y<sup>e</sup> s<sup>d</sup> John Marston Writen & Signed at Andover & y<sup>r</sup> same day acknowledged by his Father Nathaniell Wear Esq. in New Hampshire by s<sup>d</sup> John Marston, which Deed is much to be suspected for a fraudulent Deed, for y<sup>r</sup> if y<sup>e</sup> said John Marston were living at y<sup>e</sup> time of y<sup>e</sup> Date of s<sup>d</sup> Deed which is much questioned, yett certainly he was dead before any such instruments appeared, and it is farther evident by testimonies of y<sup>e</sup> Reaverent Mr Barnard minister of y<sup>e</sup> town together with other principle men of Andover, y<sup>r</sup> y<sup>e</sup> s<sup>d</sup> John Marston by Reason of age had not been able for some years before his death to go to y<sup>e</sup> publick worship not of a disposing mind & memory much less able to travill in so short a time to acknowledge a deed in New Hampshire when there were so many justices in his way thether, besides severall other testimoneys who are of y<sup>e</sup> s<sup>d</sup> John Marstons neer Relation who heard him say y<sup>r</sup> Mr Wear had been at him to sell him a piece of land at New plantation, but he would not do it. Wee therefore lay this our humble petition before your Excellency, together with y<sup>e</sup> Above mentioned Evidences and pray y<sup>r</sup> as y<sup>e</sup> said Nathaniell Weare Esq is in publicke place of trust, and whose signing an acknowledgment is of more vullue than two creadable Witnes & without which no Deed by Law can be executed nor Re-

corded. we pray y<sup>e</sup> y<sup>e</sup> said Esq. Weare may answer possitively whether he ever saw y<sup>e</sup> said John Marston of Andover in this province of New Hampshire since y<sup>e</sup> Date of y<sup>e</sup> said Deed made to his son Peter Wear by s<sup>t</sup> Marston, that so y<sup>e</sup> truth may appear, it being y<sup>e</sup> truth of all Testimony or Record y<sup>e</sup> makes them vallued, and y<sup>e</sup> said Esq. Wear hath been summoned to y<sup>e</sup> Court & paid his charge, yet will Say nothing but puts to prove possitively y<sup>e</sup> Marston did not grant to his son Peter or y<sup>t</sup> he was not in y<sup>e</sup> province of New Hampshire to acknowledge it &c. The proceeding to y<sup>e</sup> finding out y<sup>e</sup> truth wee have no cause to doubt but your Excellency will Justly do & your petitioners shall ever pray as in duty bound

*Petition for leave to make a separate tax.*

To His Honour John Wintworth Esq. L<sup>t</sup> Governour and Comander in Chief in & over his majesties Province of New Hampshire and the Honorable the Members of the Council & Representatives Now sitting in Generall Assembly.

The humble address & Petition of his Majesties Loyall and Deutifull Subjects Inhabitece of the falls or South Parish in hampton most humbly sheweth

That as there was formerly an act past that the Whole Town of Hampton should Raise thair Province & Ministars Rates to gether, wee of the falls parish finding many disadvantages in not having power to raise those Rates singly by our selves and in particular wee want to make an alteration & addition to our Ministers Sallery which wee cannot well doo by reason of our being obliged to Raise our Rates in Generall to gether in the whole town we have no Power to Raise for any addition by our selves.

Wee therefore Pray that wee may be freed from that act and may have power given us in our Parish to raise our province and ministry Rates by our selves, that whatsoever wee have or shall agree with our minister for—wee may have power to perform and doo therein as the Law gives power to a town, as in all other Rates wee are single by our selves wee may be so in the province and ministers Rates likewise.

As in your wisdom you shall think fit and your petitioners as in duty bound shall ever pray.

*Petition of the Inhabitants of Hampton Falls for a tavern license.*

1732-3. To his Excellence Jonathan belcher Esq. Capt Generall and Commander in Chief in and over His Maj<sup>ty</sup> province of New hampshire &c and to the Hon<sup>ble</sup> the Counsell and House of Representatives conveaned in Gen<sup>l</sup> Assembly.

The humble petition of us y<sup>e</sup> Subscribers Inhabitants of Hampton falls parish most humbly sheweth,

That for three or four years Last past wee have had Sundry Divisions and parties made which has cosd much distraction and trouble amongst y<sup>e</sup> people of this parish upon y<sup>e</sup> account of y<sup>e</sup> tavern. The hous formerly Bult by Co<sup>l</sup> Peter Weare at y<sup>e</sup> Corner where two streets met was Bult with Logs after y<sup>e</sup> manner of a Garrison and on purpose for a publick hous of Entertainment for travelers &c and was veary sarvesable for y<sup>e</sup> Security of Travelers and y<sup>e</sup> Inhabitants in y<sup>e</sup> troublesum time of war, upon y<sup>e</sup> consideration of so good service to y<sup>e</sup> publick y<sup>e</sup> Generall Assembly of this province made it a Licenced Hous as wee have been Inform'd and it has been Improv<sup>d</sup> for y<sup>e</sup> use ever since, till about a twelve month since, and now By the consideration and order of his Maj<sup>ty</sup> Gen<sup>l</sup> Quarter sessions of y<sup>e</sup> peace for s<sup>t</sup> provence held at Dover the fourth of Sept 1732 a Licence was Granted to another man whos hous is not so convenient and against y<sup>e</sup> Desire of most of the Inhabitants of this parish the Selectmen of our parish Did at y<sup>e</sup> sessions afore said approbate Mr Daniel Colins, y<sup>e</sup> present owner of y<sup>e</sup> old Hous y<sup>e</sup> usually had ben the tavern who has substance by him and well supplid to keep y<sup>e</sup> house with sutable nessasaries for entertaining Strangers and travellers and since he has had y<sup>e</sup> s<sup>t</sup> Hous he has Laid out Considerable upon it in altering and makeing new additions to make y<sup>e</sup> Hous more convenient and fitt for such Bussness. Therefore wee your most humble petitioners most humbly prays that as y<sup>e</sup> said House was a Licenced Hous formerly as By Liveing Evidence it can be proved that it was so and for That it will prevent making parties amongst us by Striveing every year which shall get y<sup>e</sup> approbation, that the same Hous may again be made a Licenced House the person keeping it allwais giving Bonds from time to time for keeping Good orders and your petitioners as in duty Bound shall ever pray.

*Reasons against the same.*

Whare as there is a petition Exebeted to his Exelency and the hon<sup>ble</sup> Councell and house of Representatives in the Province of New hampsheir by Sandry of the Inhabitants of the East part of Kings town and the west part of the Inhabitance of the Falles parrish in Hampton to be sett of two miles and a halfe In to Kingstown and two miles and a halfe in to Hampton as it is set forth in the petition for a peteckluer dstrict or precinct for the maintaining a minister with priveledges of caying one the affairs of a town or parrish and your Excelency y<sup>e</sup> Hon<sup>ble</sup> Councell and house of Representatives in your grat wisdom Clemency & Justess ordered y<sup>e</sup> y<sup>e</sup> parrish of hampton falles and the town of Kingstown be sarved with a copy of y<sup>e</sup> petition and to appeare the second day of the next falle session to Shue the Resons if they have any why y<sup>e</sup> prayer of petition should not be granted for which we the Inhabitants of Kingstown are Inxpresably thank full for your gratt wisdom prudence and Justess In this affaire and with your Leve give these following Reasons why y<sup>e</sup> said petition should not be granted, firstly those of our town that are pettioners are all of them new comers to setell In our town and som of them young men and no famelyes and none or but one of them ware att any truble or charge with us In the Long and Tedus wars that we indured in this town with the heathen enemy nore in building our meeting house In Said town for above twenty yeares agoe.

2<sup>d</sup> The meeting house which they have Raised Is so neare to the Sid of y<sup>e</sup> dstrict petitioned for that grate part of the ajasent inhabitance which for a Long time have borne grate charges in y<sup>e</sup> Wars and all other Charges In the plase and It is more defecult and worse for them to go to meeting there then where they now do.

3<sup>d</sup> Many of y<sup>e</sup> pettioners are new comers from other plases to setell neare the Line some call it between the Masetusets and new Hampsheir and so as ocasion sarves them shift and shrink and bare no charge any whare if they cane help it the Line being not yett determened.

4<sup>d</sup> Sume of the pettionrs Lives In the Province of the Masetusets about Seven of them some of them In Nebury and Sume of them att Salisbury and some of them may heir the Salmes Sung at the meeting house in the houses where thay now live, and Sume others of the pettioners are amost as neare, If not quitt to a meeting house Thay have raised and have moved from Salisbury and Amsbury and other plases whare the Gospell is plentefuly preached and good orders Kept and for them to say there is allmost a famine of y<sup>e</sup> word of God amongst them Is very obsurd and Redekules.

5<sup>d</sup> And to us the Inhabitants of Kingston It is well known that we

have been att grat charg and werry much exposed in y<sup>e</sup> war and since ben att grate troubell and defrence about ovr minister and are Justly and Quietly setteled In a brave Christian and Loveing way with agood worthy minister and if these petetioners cane have their desire In thare petition will make agrate dele of trubell amongst us againe and Probabell all is Because thay will not be att a Litell charge with us In building a meeting house In said town In the senter of said town whereby we all may have Rome to Mett In Comonalty for to take of two miles and a halfe from ovr town of Kingstown will take allmost halfe y<sup>e</sup> Ratable Estate of our town and Sundry of our first Settlers with us and have caryed one with us In the ware and other charges that have arisen In y<sup>e</sup> town so that If thare petition should be granted it will have a gratt tendency to Ruine the Pease Love unity among us, and Render us very incapabable of supporting ovr Reverend Minister as we ought to do as In duty we are bound to do, There fore we pray it may not be granted.

6<sup>y</sup> They say for preventing the defecelty and hard sheps thay for a Long time have Laboured under and for y<sup>e</sup> advansment of y<sup>e</sup> glory of God and the good of soules thay humbly pray which If they have Laboured under such defecoltyes for a Long time it was and must be before they came heire where they now Live for they have ben where thay now live but a very litell time and for y<sup>e</sup> gratest part of them as thay say to be brought up In Igronces we hope and dout not but if thay will come to ovr meetings and heire our minister they will grow wiser and pull down thare meeting house

All which Considered with else may be said we your most dutifull and obedent Servants dout not but your Excelency and y<sup>e</sup> hon<sup>ll</sup> Counsell and Gentellmen of the house of Representatives In your gratt wisdom Clemency and Justes will see casue not to grant thare petition for which we shall ever Remain werry thankfull and shall ever pray.

*Reasons offered against a new district.*

Where as there is a Petition Exhibeted to his Exceclency Jonathan Belcher Esq. Governor and Commander in Chief in and over his Majesties provinc of New Hampsher in New England and to y<sup>e</sup> Hon<sup>ble</sup> Counsell and Gentelmen of y<sup>e</sup> Hous of Representatives for s<sup>d</sup> province By Sundry of y<sup>e</sup> Inhabitants of y<sup>e</sup> Est part of y<sup>e</sup> Town of Kingstown and Sundry of y<sup>e</sup> Inhabitants of y<sup>e</sup> West part of Hampton Falls parish to be set of a perticular Destrict or precenet with Preveliges and Limets as in s<sup>d</sup> petition is exprest, and your excellency y<sup>e</sup> Hon<sup>ble</sup> Counsell and Gentleman of y<sup>e</sup> Hous of Representatives in your grate wisdom Justes and Clemency has ordred y<sup>e</sup> y<sup>e</sup> parish of Hampton Falls and y<sup>e</sup> toum of King-town shold be sarv'd with a copy of s<sup>d</sup> petition and to

appear y<sup>e</sup> second Day of y<sup>e</sup> next Fall session to shew Reasons if any they have why y<sup>e</sup> prayer of s<sup>d</sup> petition shold not be granted for which we of s<sup>d</sup> Hampton Falls are veary thankfull for your grate wisdom prudence and Justes in that affair, and we under writen deligates for s<sup>d</sup> Hampton Falls parish Leaveing our Neiburs at Kingston to spake for themselves shall with submission give y<sup>e</sup> following Reasons why y<sup>e</sup> prayer of s<sup>d</sup> petition shold not be granted:

1<sup>st</sup>ly—Becaus y<sup>e</sup> there is but about twelve of y<sup>e</sup> petitioners y<sup>t</sup> belongs to our parrish and sum of them youngmen and has no Fammilies and sum Dwelt in the other parish in Hampton when s<sup>d</sup> petition was prefered and not above three or four families y<sup>t</sup> we know of y<sup>t</sup> has Long Dwelt in y<sup>e</sup> part of our parish and for y<sup>t</sup> Reason cold not be for a Long time under Defeculties & Deprived of y<sup>e</sup> Despensation of y<sup>e</sup> Gospell and be in such a famishing condition as they say they have ben in.

2<sup>dy</sup> Becaus Considering y<sup>e</sup> Grateness of y<sup>e</sup> number of y<sup>e</sup> Inhabitants y<sup>t</sup> Dwels in y<sup>e</sup> part of our parish petitioned for y<sup>t</sup> has not petitioned which we suppose to be about thirty and sum of them has dwelt Longer in y<sup>e</sup> part of s<sup>d</sup> parish than any of s<sup>d</sup> petitioners has and has larger families who are uterly aveare to s<sup>d</sup> petitioners proceedings and Conduct in y<sup>t</sup> affair and for such a considerable number of our Inhabitants as afore s<sup>d</sup> to be carried away against their wills we humbly conseave to be a Intolerable hard ship and will Rither have a tendency to caus Devisions and anamosities then to advance y<sup>e</sup> Glory of God, &c.

3<sup>d</sup> Said petitioners Desirs y<sup>t</sup> their Request may be Granted for y<sup>e</sup> Reasonableness of it—But for such a miner part as a fore said to Endeavour to Cary of such a Larg tract of Land from our parish as Exprest in s<sup>d</sup> petition, which is all most half our parish and y<sup>e</sup> Inhabitants with it against their wills we humbly conseave to be veary unreasonable and absurd—And for these Reasons and many others y<sup>t</sup> might be given we Doubt not but your Excelency the Hon<sup>l</sup> Councell and Gentlemen of y<sup>e</sup> House of Representatives in your grate wisdom Justes and Clemency will se Reason sulicient not to grant s<sup>d</sup> petitioners thair Request for which we of Hampton Falls shall Ever Remain veary thankfull.

To His Excellency Benmin Wentworth Esq. Governor and Commander in Chief In and over his Majesties Province of New Hampshire in New England and to the Honourable the Council and house of Representatives of said Province In General Assembly Convened—November y<sup>r</sup> 16<sup>th</sup> 1742

The Humble petition of us the Subscribers Most Humbly sheweth—that the houses and habitations of your petitioners are in the north eastly part of the town of Hampton at or near Littel Bores Head near Lettel River or near the Sea and that we live most as near upon a Line to the meeting house at the town as to that at North hill and that it is much easier for us to go to meeting at the town than to North Hill by reason of the Goodness of the way to the town and there not being any way for us to go to meeting at north hill nor ever like to be unless we travil much farther than to go to the meeting house at the town :

Your petitioners Humbly pray that your Excellency and Honours would be pleased to take this petition into consideration and in your grate Goodness exempt us from paying to the support of the ministry at North hill and that we may still remain—and be taxed to the support of the ministry and the other Publick charges of the town as we used to be and your pititioners as in duty bound shall ever pray

The petition of Jeremiah Eaton, John Kezar and others—  
 The Subscribers who live In Haverhill Destrict and on the  
 Norwest side of the Washpond brook.

Humbly *sheweth*:

That sometime agoe your petitioners together with others to  
 agreat number of Haverhill destrict and some of Amsbery  
 Humbly requested your Excellency and honors to Incorporate  
 them into a town ship according to the meets and bounds de-  
 fined in the petition

And your Excelency and honours so far Encouraged us as to  
 send a committee to view our situation and circumstances who  
 accordingly haveing attended that Service made their report,  
 But it so hapned that when our committee waited upon your  
 Excelency and honours Expecting to receive a charter of In-  
 corporation acording to the return of said Committee the  
 sudden news of a french fleet on the coasts so alarmed the  
 Government that your Excelency and honers were obliged to  
 imply all your thoughts and powers for the defence of the  
 province and Lay aside that afair with all other Business to a  
 further day—That as we are informed the town of Kingstown  
 who have been of late indeavoring to Extirpate us from the  
 Earth did on the 26 of September last set us of together with  
 some few others who call themselves Kingstown men into a  
 parish.

Thereby further indeavouring to vex grieve hurt and Iniure  
 us who had many of us much rather be lead into Captivity By  
 some Christian nation than be Joynd with them who are our  
 Greatest adversaries under a pretence that wee are part of  
 Kingston when in fact wee and our anchestors have possed  
 our lands as part of Haverhill for more than one hundred  
 years past. and since the settlement of the line have allways  
 been accounted Haverhill destrict men and paid rates accord-  
 ingly.

Wee therefore humbly and earnestly request your Excelency

 us to be rent and torn to peices by our inveterate Kingston

sons in said Parish have Lately Professed themselves of the Presbyte-  
rian Perswasion, and have apply'd to some ministers at Londonderry  
whom they call the Boston Presbytery Desiring to be under their care  
Representing that they apprehend themselves able and are freely will-  
ing to maintain a minister of the orthodox faith and that is united  
with said ministers in the Presbyterian Government and have made  
some objections to paying towards the support of the settled minister  
in said Parish—And altho there is no Just Reason that the above men-  
tioned Persons should in any Respect be excused except that it may  
Probably be most for the peace of said parish that the abovementioned  
Persons and their estates should be set off to act in all Respects as a  
Distinct Society or Parish by themselves, except paying their Propor-  
tion of the Province tax untill a new Proportion thereof—Therefore  
to see if the Parish will vote to set off the abovementioned Persons

*Petition for a Presbyterian Society.*

To His Excellency Benning Wentworth Esq. Captain General Governor and Commander in Cheif in and over his majesties Province of New Hampshire &c—To the Honorable his Majesties Council and House of Representatives for said Province Convened in General Assembly—November 21<sup>st</sup>. 1765.

The petition of the subscribers. Free holders & Inhabitants of the Town of Hampton Falls in said Province—Humbly Sheweth.

That about Two years ago The Rev Mr Pain Wingate in the congregational way & manner was settled in the work of the ministry in said Town, That the Religious sentiments of and Doctrines preached by the said Rev Mr Wingate are very different from those of your Petitioners—and disagreeable to them—That your Petitioners apprehended they could not be profited by the peaching and ministration of the s<sup>d</sup> Rev<sup>d</sup> Mr Wingate That the measures taken by the said Town in order to the settlement & support of the said Mr Wingate are as your Petitioners conceive unprecedented and Justly Grievous to them, and that therefore your Petitioners and many others Inhabitants of said Town (near one half thereof) constantly opposed his settlement there and dissented therefrom :

That your Petitioners are conscientiously of the Presbyterian Perswasion respecting Church Government, Doctrine Discipline and Worship That they with others of their Brethren of that Perswasion have for sometime past been regularly formed into a church, built a meeting house in said Town for the publick Worship of God, Called and settled a minister in the Presbyterian way, namely The Rev Mr Samuel Perley : That your Petitioners conscientiously and constantly on the Lords days and at other times occasionally attend the publick worship of God there, according to their said Perswasion ; That the premises notwithstanding the select men of the said Town of Hampton Falls for the last year assesed and Rated your Petitioners for the support of the said Mr Wingate and

obliged them to pay the same, That the selectmen of said Town for the present year have again assessed & Rated your Petitioners for the same purpose, which your Petitioners apprehend to be a Grievous & unreasonable Burthen upon them—Wherefore your Petitioners Humbly pray your Excellency and Honours to take their case under your wise consideration And as they conceive themselves to be Intitled to his majesties Grace & Favour in allowing to all his subjects Liberty of Conscience—and that it is unreasonable for them to be compelled to pay towards the support of a minister they do not nor cannot hear and attend upon for the Reasons aforesaid When at the same time they are at the expence of maintaining publick worship among themselves in that way and mode they think most agreable and nearest to the directions given in the Scriptures by the Great head of the Church, and where the True Doctrines of Grace & Salvation are preached according to their Opinion of those things: They pray your Excellency & Honours would grant them Relief in the premises by Exonerating them their Families and Estates and all others within said Town of Hampton Falls who are of the same Perswasion and attend the publick worship of God with them from all ministerial Rates and Taxes in said Town (Excepting to their own minister) and by setting them off as a distinct Parish for ministerial affairs only, and by enabling the said Presbyterian congregation to raise & Levy on themselves such Taxes and assessments as they shall from time to time find necessary for the support of the ministry and publick worship of God among themselves—or grant your Petitioners such other Relief as your Excellency and Honours in your wisdom shall see fit, And your petitioners as in Duty bound will ever pray &c. &c.

*Petition in answer to the foregoing Petition.*

To his Excellency Benning Wentworth Esq. Captain General Governour and Commander in Chief In and Over his Majestys Province of New Hampshire, The Honour<sup>e</sup> his Majestys Councill and House of Representatives in General Court Assembled.

Jany 1<sup>st</sup> 1766.

We the Subscribers, Chosen by the Parish of Hampton falls a Committee on their behalf, to make answer to a Petition Exhibited to the General Assembly Nov<sup>r</sup> 21<sup>st</sup> 1765 By a Number of Freeholders and Inhabitants of s<sup>d</sup> Parish Praying to be Excused from Paying to the Support of the Rev<sup>d</sup> M<sup>r</sup> Paine Wingate Settled in the work of the ministry in said Parish &c.

Beg Leave Humbly to Represent to your Excellency and Honors That the Reasons assigned by said Petitioners are such as ought by no means to Prevail for their being Exempted in the manner They pray for. And this we trust will clearly appear from a true state of facts Relative to these affairs

We would therefore Inform your Excellency & Honors That Mr Wingate Having Preached in the Parish for some months before Mr Baileys Death and Afterwards to the General Satisfaction of the People The Parish with the Advise of the Neighboring ministers Proceeded to give him a call to Settle in the work of the ministry there, which call was unanimous by the Church, and General by the Parish, not more than three or four Persons opposing his Settlement. But the terms of Settlement not being agreed on he gave a Negative answer After which the Parish heard some others on Probation and gave Mr Micah Lawrence a call to settle, which we mention because it has been Represented as if the Parish were unreasonably set for Mr Wingate's settlement and no other person. But the same persons who opposed Mr Wingate's settlement opposed the settlement of Mi Lawrence; which made the Generality of People think their opposition was more from a disposition to make Difficulty in the Parish than from any Reasonable objection they had against Either of the Persons. But Mr. Lawrence also gave a Negative answer on accompt of terms of settlement. Whereupon the People in General Signified their Desire to Renew their Call to Mr Wingate, and agreed to get him to Preach for four Sabbaths, if he could be Procured. It is true this was opposed by those who had all along opposed his settlement, but this was then but three or four Persons Mr Wingate was accordingly Procured for four Sabbaths; after which a meeting was called. Notice being up two Sabbaths as usual, to see if the Parish would Renew their Call to Mr Wingate to settle which we mention, because it has been Rep-

resented as if there had been some unfair Proceedings as to this meeting, tho' in what Particulars we could never find. At this meeting there was again a general Vote of the Parish to Renew their call to Mr Wingate, not more than six or seven Voting against it, and he had also again a unanimous Vote of the Church at the Same meeting also were voted terms of settlement which being five Pounds Sterling more than had been Voted before there were more Persons against the terms of settlement than against the call, tho' we think not more than ten or twelve at that time. But after wards many of these Petitioners spoke of it as an Extravagant sum (the sum is 55 £ Sterling in the whole besides the Personage) and made this the Ground of uneasiness, and of stirring up Persons against Mr Wingates Settlement Representing that it was too much for such a Poor Parish to Pay, and if that were taken off they would be Easy; this was their General talk and the whole Ground of complaint then made. With what Propriety they Desire to take off (as they say) near one half and to maintain another minister when but a year or two ago the whole Parish were not able to pay fifty five pounds Sterling yearly, we must leave to themselves to Explain. The truth is the whole Parish is not more than sufficient to support one minister Properly, Tho' we think there was no Reason to find fault with what was Voted Mr Wingate: Thus matters Rested for some time and it was Generally tho't that the uneasiness which had arose on accmpt of the Salary would subside. But sometime after some of those Persons who had all along opposed our Settlement went about, and in a very Private manner Procured a Number of Persons to Sign a Paper to Signify to Mr. Wingate that there was a great Number of Persons in the Parish against his settlement, in order to Discourage him from accepting, which being accidentally heard of by one or two Persons who were for Mr Wingates settlement, and of the time when they Designed to carry the same to Mr Wingate it was tho't Proper that some Persons should go and meet them at Mr. Wingates to Know what Objections there were, and Endeavor to clear up any Difficulties that might be made, accordingly three or four Persons went and met the Persons who had been Procuring Signers, and informing them of what they heard Desired to Know who were uneasy and what their Objections were, that they might clear up the Matters if they could. But they Reply'd that what they had to Say was to M Wingate they had nothing to say to any Body Else, and after the other Persons were with drawn they Delivered a Paper to Mr Wingate Signed by a considerable Number of Persons Signifying that they were against his settling, without assigning the Least Reason, and when they were asked the Reasons Declined giv-

ing any which not appearing to Mr Wingate (after Enquiring into all circumstances) to have Equal weight with the unanimous Vote of the Church and Clear Vote of the Parish at a Legal meeting he accepted of the call. After this another Paper was carried about to be signed to Request the selectmen to call a meeting "to see if the freeholders Inhabitants of Hampton falls will Vote that all the Votes has been Past Relating to Mr Wingate call in the Work of the ministry Salary and support in this Parish of Hampton falls be Repealed and absolutely Revoked and made void &c." Which being Delivered to the select men they Denied calling a meeting, looking upon it altogether as Improper after matters had been fairly and clearly determined at fair and Legal meetings to call a meeting to Revoke the same as it would be after a minister had been settled Ever so Long to have a meeting to Revoke all that had ever been done. The absurdity and Impropriety of which they tho't must be quite Evident, with several other Reasons which they gave the Petitioners in writing in answer to their Request, in hopes to satisfy them that their Request was unreasonable. However it had not this Effect But they Proceeded to get a meeting called by two Justices at which meeting they voted all the Proceedings Relating to Mr. Wingates settlement to be Null and Void. But not trusting to this when the council was convened a Committee of the above Persons appeared & Objected to Mr Wingates being Ordained; But never made the Least Objection against his Doctrine, life or Conversation but on the Contrary, being asked by the Council whether they had any Objections of this sort, said they had not neither did they make the Least Suggestion that they were of a Different Perswasion.

We hope your Excellency and Honors will Excuse this so long a Rehearsal of the Transaction of said Parish Relative to these affairs as all the Objections hitherto made were against the Proceedings of the Parish as Illegal and unfair—for that of being Presbyterians had not yet come into their minds and these Objections as in the Present Petition couched in General terms without assigning a single Instance Wherein they were unprecedented or justly Grievous which made it necessary for to give a Particular account of the whole Proceedings that the Instance wherein we have failed, may be Pointed Out, for we never yet could tell wherein it was. From this state of facts we apprehend it will appear clear to your Excellency and Honours that the transactions of said Parish Relative to Mr Wingate's settlement have been Regular and agreeable to the Law and Practise in such cases That his call to settlement, was as clear and Indisputable as Generally can be Expected and that those who afterwards were Drawn in to oppose it had

no just cause for so doing. That at the time when Mr. Wingate was ordained, none of these Petitioners had the least tho't of being of a different Perswasion, for if they had it must be supposed they would have made that one objection before the Councill. We are therefore fully Perswaded that they will appear wholly Inexcusable in Representing as they do in their Petition as if Mr Wingates Religious Sentiments, and the Doctrines Preached by him were the ground of their uneasiness, the contrary to which they themselves declared before the Councill. Moreover from the best Information we can get one Quarter part at least of these Petitioners, never heard Mr Wingate Preach in their lives and many others of them not more than once or twice and not one in twenty of them ever had the least conversation with him to Know any thing of his Religious Sentiments, And they have put down the Name of one at Least in their Petition who his own father has Represented as an Idiot so wanting of understanding that he ought not to be taxed for his head and he has been accordingly omitted and many of the Other Petitioners do not own one Inch of Real Estate in the Parish. How fair these things are we leave to be Judged, and of the like sort is their assertion that near one half of the Inhabitants of said Parish Constantly opposed Mr Wingates settlement and dissented therefrom, the Contrary to which is Evident from the foregoing state of facts.

That these Petitioners as well as we are Intitled to his Majestys Grace and favour we have not the least doubt—and this we look upon to be so great a Priviledge and favour, that it ought never to be made use of to serve wrong Purposes, and here we beg leave only to Remark, that if any number of Persons without any the least pretence of being of a Different Perswasion or any the least Objection to the settled minister as to his Doctrine, Life, or Conversation (which was the fact here) may at any time Seperate and set up as a Distinct Society by themselves, without any Countenance from authority, and whether those they Seperate from Remain able to support the minister or not (whatever Denomination such may please to assume afterwards) there evidently Can be no Certain support for the Ministry at all, which is very far from being the Design of the Act of Toleration, And plainly tends to Destroy Religion of all Denominations.

That these Petitioners have the true Doctrines of Grace and Salvation preached to them according to their sense of these things we have nothing to say to, and that they are so Preached by Mr Wingate Even these Petitioners themselves after all their Endeavors, could never find the least Objection to make to the Contrary, so that the Inuendo's and suggestions against Mr Wingate's Preaching are put in as we conceive for no other

Reason than that they tho't it necessary in Order to their having any Colour for what they Ask, that there should have been in Reality what they without the least foundation Suggest. Such methods we think quite needless in a Good cause and they will we trust be quite unavailable in any Other. Wherefore we Humbly Pray, not only on behalf of the Parish of Hampton falls But of all Religious Societys in General that the Petition may be Dismissed. For we think that Encouraging Persons in Methods such as these Petitioners have Practised will have a direct tendency to Destroy Religious Societys of every Denomination.

But if it shall Appear Otherwise to your Excellency and Honors, we Humbly Pray that they may be made a Distinct Parish to act in all Respects by themselves, we being fully convinced from what we have already Experienced how great will be the Difficulties of being Connected in Civil matters while there is a Separation as to Others. For which Reason the Parish were willing Notwithstanding the unreasonableness of all their Proceedings that they should go off as a Distinct Parish and their not accepting of this we think Shews their Disposition more to keep the Parish in Difficulties, than that Religious Principles are the foundation of their Proceedings.

The Petition of the Subscribers Freeholders and Inhabitants of the Town of Hampton falls in said Province. Humbly Sheweth.

That about three years ago the Rev<sup>d</sup> Mr Pain Wingate in the Congregational way and manner was settled in the work of the ministry in said town:

That the Doctrines Preached by the said Rev<sup>d</sup> Mr Pain Wingate are very different from those of your petitioners and dis-

agreeable to them. That your Petitioners apprehended they could not be Profited by the Preaching and ministration of the said Rev<sup>d</sup> Mr Wingate. That the measures taken by the said Town in order to the Settlement and support of the said Mr Wingate are as your Petitioners Conceive unprecedented and Justly Grievous to them, and that Therefore your petitioners and many others (near one half thereof) constantly opposed his Settlement there and Dissented therefrom. That your Petitioners are Conscientiously of the Presbyterian Perswasion Respecting Church Government, Doctrin Discipline and Worship That thay with others of their Brethren of that said perswasion have for some time Past Been Regularly formed into a church built a meeting House in said Town for the Publick Worship of God. Called and settled a minister in the Presbyterian way Namely the Rev<sup>d</sup> Mr Samuel Perley. That your Petitioners Conscientiously and Constantly on the Lords day and at other times occasionally attend the Publick Worship of God there according to their said Perswasion—That the Premises Notwithstanding the select men of the town of Hampton falls for two years Past have Rated your Petitioners for the support of the said Mr Wingate, which some of your Petitioners have been Imprisoned therefor, which your Petitioners apprehend to be a Greivious and unreasonable Burthan upon them. Therefore your Petitioners Humbly Pray your Excellency and Honors to take their case under your wise consideration, and as they Conceive themselves to be Intitled to his Majestys Grace and Faviour in allowing to all his subjects Liberty of Conscience and that it is unreasonable for them to be Compelled to Pay towards the support of a minister whom they do not hear and attend upon for the Reasons aforesaid when at the same time they are at the Expence of maintaining Publick Worship amonge themselves: They pray your Excellency and Honors would Grant them Relief in the Premises by Exonerating them their families and Estates and all other within said town of Hampton falls who are of the same perswasion and attend the Publick Worship with them from all ministerial Rates and taxes in said town Excepting to their own minister and setting them off as a distinek Parish for ministerial affairs only and enabling the said Presbyterian Congregation to Raise and Levy upon themselves such taxes and assessments as they shall from time to time Find necessary for the support of the ministry and Publick Worship of God amonge themselves: and as in duty bound shall ever pray &c &c.

*Petition of the Parish of Hampton Falls in relation to delinquent tax-payers.*

Province of } To his Excellency John Wentworth Esq.  
 New Hampshire } Capt. Gen' Governor & Commander in  
 Rockingham ss } cheif in & over said Province, The  
 Hon<sup>ble</sup> his Majestys Council & House of  
 Representatives in general Assembly conven'd May. 1772.

The Petition of us the subscribers a committee in behalf of the Freeholders and Inhabitants of the Parish of Hampton Falls in said County Humbly sheweth, that the selectmen for the year 1770 of the said Parish assessed the Inhabitants & Freeholders of the same in the sum of fifty five Pounds sterling money for their ministers salary and afterwards at a Legal meeting of the Freeholders & Inhabitants of the same Parish it was, among other things Voted that the selectmen for the year 1770 should be Directed not to make any tax or assessment on the Polls or estates in s<sup>d</sup> Parish for the support of their minister (the Rev<sup>d</sup> Mr Wingate) for that year and afterwards at another meeting of the same Freeholders and inhabitants the said Vote was Ratified and confirmed in consequence of which the selectmen aforesaid did not proceed to issue their warrant to the Constable of said Parish Impowering him to collect the taxes as they had before assess'd them but neglected by which means none of the Taxes asses'd aforesaid were that year collected—And your Petitioners in behalf of s<sup>d</sup> Parish of Hampton falls further shew that the Inhabitants & Freeholders of the same Parish at their Legal meeting the following year (viz the year 1771) Passed a vote Impowering and ordering the selectmen for that year to issue their Warrant to the Constable authorizin<sup>g</sup> him to collect the Taxes for the preceding year as they were assessed by the then selectmen for said Parish for the purpose of paying their s<sup>d</sup> ministers salary. They also Voted & appointed us a Committee to give security to the said Rev<sup>d</sup> Mr Wingate for the Payment of the Salary before mentioned on or before the first Day of March then next together with one years interest for the same & if not Paid at that time to be upon interest untill Paid. Consequent upon which last Vote, your Petitioners gave the Rev<sup>d</sup> Mr Wingate their Bond for Fifty five Pounds sterling for the Salary Due to him for the year 1770 and the selectmen for 1771 issued their Warrant Directly to the Constable impowering him to collect the Taxes for the preceding year of Parishioners as before assessed agreeable to said Vote, but afterwards Doubting the Propriety & Regularity of the Vote impowering the selectmen for one year to Rectify the mistakes and negligences of the select men for a preceding year said selectmen forbid the Constable Distraining upon any for said Tax (at lest for a time)

but still Requiring him to Collect the same as near as Possible without Destraint which accordingly he has done and has collected the major part thereof, viz: about three fourths—and we further shew that since the assessment of said tax which was in 1770, many of the Parishioners have withdrawn from said Parish & joyned themselves to the Presbyterian Society in Seabrook & Elsewhere whereby to Exempt themselves from ministerial Charges in said Parish which withdrawment was in 1771 before making of the assessments for that year therefore looking upon themselves clear of being taxed to any ministerial charges either for the present year or the arrearages for the year preceding and the selectmen authority to impower the Constable to collect said arrearages according to said Vote, being frequently Disputed, whereupon those thus withdrawn as aforesaid Refused to pay their proportion of said arrearages (altho not Denying it justly Due) unless upon certain conditions by themselves proposed upon which they would Readily Pay the same without Difficulty altho they could not be compelled to do it which conditions were complied with by the selectmen to whom they were by themselves proposed whereupon the major part of said arrearages was immediately Paid without Objection & continuing to be collecting untill after a while one & another of those who were in the agreement as aforesaid objects & Refuses to Pay & the number increasing Whereupon others who before had nothing to object against paying their proportion of the same have also Refused & still Refuse untill all shall be compelled to do likewise. The names of those who have not paid their Proportion of said ministers Salary for 1770 are as follows, viz.

Ralph Butler	Richard Nason, Esq
Philip Burns	Jonathan Nason
Christopher Blake	Joseph Pervere
Richard Brown	Lieut Sam Prescott
Abraham Burnam	Samuel Robie
Joshua Chase	Nathan Rowe

William Lang	Jonathan Tilton, Jr

Wherefore your Petitioners in behalf of said Parish Humbly pray that your Excellency & Honours would take the Premises into your serious Consideration and as it would be very hard as well as inequitable that the whole burthen of Taxes should fall only on a part of the Parish when all have been equally Benefited & your Petitioners Doubting the Propriety & Regularity of the Vote as aforesaid & their own ability to compel the Delinquents to a compliance therewith, your Petitioners Humbly beg that your Excellency & Honors would order the said Delinquents to pay the several sums they are Respectfully assessed for the said year 1770, & your Petitioners as in Duty bound will ever pray.

Province of } To his Excellency John Wentworth Esq  
 New Hampshire } Governor in Chief in & over said Province. The Honourable the Council & House of Representatives in General Assembly convened.

The Humble Petition of Benjamin Tilton, William Davison and Nehemiah Cram Selectmen of Hampton falls in the County of Rockingham & Province aforesaid, Sheweth, that on the 22<sup>d</sup> Day of May last in the thirteenth year of his Majestys Reign, your Excellency & Honors past an act intitled, "An act for dissolving the annual meeting of the Inhabitants of the Parish of Hampton falls and authorizing the holding a new meeting," and in & by the same act (among other things) the said annual meeting is declared illegal & the Proceedings thereof wholly made null and void, and a new meeting of said Inhabitants for transacting the annual Business of said Parish ordered, and the Honorable John Phillips Esq. a member of said house appointed to call and govern said last mentioned meeting till the Business thereof be ended.

By Virtue of which said act a new meeting was called and held at said Hampton falls on the 28<sup>th</sup> of June last at which your Petitioners were duly chosen select men of said Hampton falls and legally sworn to Execute that office, but your Petitioners were chosen into that office after the time by Law fixed for taking the invoice for the current year was expired and no Power being given your Petitioners after their Election to take an Invoice they have hitherto been prevented from making any Rates in said Hampton falls and must still be so without the Interposition of the Legislative authority of your Excellency & Honors in that Behalf. And whereas the selectmen chosen at said annual meeting took part, and other persons appointed by order of said house took the rest of the invoice for said Hampton falls for the year 1773 the whole of which Invoice so taken was Exhibited to the General Assembly for said Province for the Purpose of assessing the Inhabitants of said Hampton falls their proportion of the Province Tax :

Wherefore your Petitioners Humbly pray that they as selectmen afore's<sup>d</sup> may be authorized to assess & Rate the Inhabitants of said Hampton falls according to the Invoice so taken & Exhibited to your Excellency & Honours, and that the same Invoice may be made good, as if the same had been seasonably & properly taken or that your Petitioners may be empowered to take a new invoice and to make the Rates in s<sup>d</sup> Hampton falls agreeable thereto, and your petitioners as in Duty bound will ever pray &c

*Petition of Col. Ebenezer Hinsdale in behalf of Northfield.*  
To His Excellency Benning Wentworth Esq. Captain General,  
Governor & Commander in Chief in & over His Majestys  
Province of New Hampshire and the Honorable His Majestys  
Council for said Province.

The Humble Petition of Ebenezer Hinsdale of Northfield in said Province Esq<sup>r</sup> In behalf of himself & others Proprietors of the Land in said Place a List of whose names is herewith presented, Shews,

That they & those under whom they claim said Land have possessed & Improved the same upwards of Seventy years having first entered thereon under a Grant of the Government of the Massachusetts Bay & have in that time Encounter'd all the Difficulties of the Indian Wars & Struggled with other hardships Incident to Frontier settlements begun in the wilderness remote from cultivated Lands:

That they have Improv'd the same to a Considerable Degree by reason whereof the said place is not only of great advantage to the settlers but useful to the Government wherein it is situate in many Respects too obvious to need enumerating, whereby they have som Just pretensions to such Favours as may be granted by the Government to any of his Majestys Good Subjects & with regard to such as have relation to this settlement to be prefer'd to any others:

That if no Legal title to the said Lands can be derived to the

Grantees under the Governm<sup>t</sup> of the Massachusetts, yet by virtue of such a Long Seizin in a Country so exposed where the Difficulty of Improving of Lands has been vastly beyond what it is near other settlements where the settlers have with a resolution & Courage scarce Parallell'd Maintain'd their Possessions against all Discouragements & made an useful settlement now in a condition to succour the neighbouring Infant Plantations they seem to have a Legal Right to hold the same Exonerated from all other Duty, than what Loyal Subjects owe to their Prince & the Government under which they live For they have Purchased the Estates they claim here at a Dear Rate upon a just Computation at Least they Humbly Conceive it must be allow'd that in Equity they ought so to Enjoy them :

Wherefore they pray That your Excellency would be pleased to Incorporate the settlers upon & the Lands called Northfield within the Province of New Hampshire in consideration of the Premises with other particular Tracts laid out for farms to Particular persons (whose names are Distinguished in said List) adjacent there unto, Into a Township & Invest them with the Rights & Privileges which other Towns Enjoy in said Province if your Excellency & Honours can by any means grant the same But if not that you would be Pleased to grant the said Lands & Farms to the said Claimers in Proportion & according to their Respective claims with such other Lands not claimed to such Persons as you shall Judge proper and Incorporate the whole as aforesd as that will greatly Facilitate the Further Cultivation & Improvement of said Lands and your Petitioners in Duty Bound shall ever pray &c.

*Petition of Ebenezer Hinsdale for protection against the Indians.*Hinsdale Decemb<sup>r</sup> 24<sup>th</sup> 1755

To His Excellency Bening Wentworth Esq. Capt Gen<sup>l</sup> & Commander in Chief in & over his Majesty's Province of New Hampsh<sup>r</sup> To the Honour<sup>ble</sup> his Majesty's Council & House of Representatives when In Gen<sup>l</sup> Court Assembled.

The petition of Ebenezer Hinsdale of Hinsdale in the province of New Hampsh<sup>r</sup> In behalfe of himself & others of said Town, Humbly Sheweth that the said Place is the first Town above the Massachusetts line on Connecticut River a part of which has been under Improvement for sixty or seventy years past;

That they have now made Considerable Improvements Even above any Town Ship In the province of New Hampsh<sup>r</sup> on s<sup>d</sup> River;

That they have been formerly Protected by the Province of the Massachusetts Bay but have Lately been much Neglected as not being within their Line of Jurisdiction;

That of late we have been kindly cared for of your Excellency & Honours which Imboldens us to pray to you for yo<sup>r</sup> further care.

We look upon ourselves one of the most Exposed places in these parts In as much as the desent from Crown Point by the way of Otter Creek & down west River (out of the way of our Forts at Lake George &c) Is as Easie by West River to us as by Black River to Charles town the uppermost Settlement on Connecticut River.

It is Evident from the Numerous attacks made on this place at the close of the last Warr. and their Repeated strokes on us the last Summer that we are a people much Exposed & Stand in as special need of your Protection as any Place what so ever, and without it we cannot long continue here.

I have Complicated the best fortification in these parts as will be allowed by any who have seen it. It appears hard to give it up to his Majesty's Enemies. Never the less I must be obliged to Resign it with out your assistance In the Protection of it.

We are in Constant fear of an Enemy desending upon us since the forces are drawn off in a great measure from Lake George In as much as those Forts maintain'd there stand not in the Way of the Enemies usuall Desent upon these frontiers.

We therefore Intreat you will afford us a speedy & Steady Protection & we as in Duty bound will ever pray.

The petition of Daniel Jones of Hinsdale within said Province of New Hampshire in Behalf of the Inhabitants of that part of Hinsdale which lieth within The province of New Hampshire aforesaid, Humbly shews That by his Majestys Order in Council of July 20<sup>th</sup> 1764 Connecticut River is the Dividing Line Between the Province of New Hampshire & New York By which settlements Near one half of y<sup>e</sup> Poles and Rateable Estate within the Town of Hinsdale are taken into the Province of New York. ### HOLLIS.

*Petition for a Committee to locate the Meeting-house.*

To His Excellency Benning Wentworth Esq. Gov<sup>r</sup> &c The Hon<sup>ble</sup> His Majestys Council & House of Representatives in Gen<sup>l</sup> Court assembled &c.

The petition of Stephen Aims of Hollis in Behalf of himself and Sundry other of the Inhabitants of the said Town Humbly sheweth: That the Inhabitants of that part of Old Dunstable were by the Massachusetts about seven years ago Incorporated into a parrish taking about three miles more eastward than their town line now Runs:

That while under that Incorporation a meeting house place was agreed on justly situated as was then apprehended tho' a meeting house was not then Erected. The Settlement being new the additional Inhabitants settled as near that place for the sake of being in the middle of a town as they could:

That by the late Incorporations here about three miles of the East end of the Parish is taken to Dunstable which Brings the East line of Hollis within one mile & an half of where the meeting house place was agreed to as afores<sup>d</sup>:

That the west line of the town is near upon Five miles to the West of s<sup>t</sup> Place and some Inhabitants already settled to

the Out Side: And a great deal of Land there good for settlements that cannot be accommodated else where which as we apprehend Renders that place very unequal & unjust, Notwithstanding there is at present the major part of y<sup>r</sup> Inhabitants accommodated to that place. there settling there occasioned by the apprehension of it being the middle of the town (tho Nothing in proportion to the sellable Land else where, who have voted that same place again for that use and have agreed to Raise a meeting house there next Wednesday that some of us your Peti<sup>rs</sup> with some Others since in the whole applied to the select<sup>l</sup> for a meeting Further to know the minds of the town and to Consider of the unreasonableness of its being sett in that place, but the Laws of this Province Requiring thirty Subscribers (our town Consisting of but about fifty might well be expected Impracticable) was refused and should the meeting House be now Raised and finished it would be very unequal much Discourage the settlement of the west part and as soon as any considerable number more is settled must be pulled Down, Many Changes in Hyways and we be Loaded with great Charge as well as leave Room for much Contention and disturbance.

Wherefore your Peti<sup>rs</sup> most humbly pray that your Excellency & Hon<sup>rs</sup> would consider of the premises. and appoint a Committee att the charge of this town or as your Excellency & Hon<sup>rs</sup> shall order to view our situation and circumstances, and to order where the Said House shall be Erected and in y<sup>e</sup> mean time to Direct that the Raising y<sup>e</sup> House now Framed may be deferred till that can be done & your Peti<sup>rs</sup> as in Duty Bound shall pray.

*Petition of Samuel Cumings for protection against the  
Indians.*

To His Excellency Benning Wentworth Esq. Capt General,  
Governour and Commander in cheif in & over His Majestys  
Province of New Hampshire, The Hon<sup>ble</sup> His Majestys  
Council & House of Representatives for said Province in  
General Assembly Convened the 2<sup>d</sup> Day of April 1747

The Humble Petition of Samuel Cummings of Hollis in  
said Province yeoman in behalf the said Town of Hollis,  
Shews, That the said Town is a Frontier Town & much Ex-  
posed to Danger from the Indian enemy and the number of  
Effective men belonging to the same not exceeding fifty who  
have all or most of them families to take care of & being  
mostly new Setlers have much Labour on their hands to sub-  
due & cultivate their Lands &c; That their situation is such  
that they dare not venture to work without a guard & their  
work so great & disproportion'd to their strength Especially  
Including their necessary care of Defending themselves that  
they are unable to perform it without assistance which if they  
cannot have they must unavoidably neglect their Husbandry  
& spend their time in watching & warding & in that case  
many of their families must suffer for want of necessaries of  
Life;

That they are apprehensive of the Great charge the Gov-  
ernment is now at & that the case of the said Town is doubt-  
less the case of other Places in this Regard & therefore would  
desire nothing more than appears to them to be absolutely  
necessary which is, and for which they Humbly Pray that  
they may be allow'd a scout of ten or a dozen men for the En-  
suing season till the Danger of the summer & fall of the year  
is over & the harvest past who may be a guard to the People  
of the Town while & where they may have occasion of work-  
ing in places of Danger or to be otherways Employ'd for the  
safety of the People as the commanding officer or Officers of  
the Town should Direct and your petitioner shall as in duty

The petition of Sam<sup>l</sup> Cumings in Behalf of the Town of Holles Humbly Sheweth:

That the s<sup>d</sup> Town has Lately settled a minister and are now a building a meeting House for the publick worship of God there;

That the Setlers of s<sup>d</sup> Town has but Lately entered thereon and altho a considerable progress in agriculture has been made (the only way we have for our support) yet find these Charges very burthensome;

To His Excellency Benning Wentworth Esq. Gov<sup>r</sup> &c, The Hon<sup>ble</sup> His Majestys Councill & House of Representatives in Generall Assembly Convened at Ports<sup>m</sup> y<sup>e</sup> 9<sup>th</sup> of April 1754.

Wee the Subscribers, Inhabitants of the Province of New Hamp on the Western side of Merrimack River, Would Humbly Remonstrate: That the Extent of the settlement of this Province is upwards of One Hundred miles westward from Portsmouth the Place where all the Courts are held. That the Difficulties of travill and Expence to and from Portsmouth on all County Emergencies Lays the western Inhabitants under Insuperable Disadvantage, and Occasions Great Delay to the Parties & Jurors who necessarily attend the courts of Judicature and tends Greatly to the Impoverishment of the Province: That we Humbly apprehend these Grievances might be in some good measure Redressed by Dividing the Province into two Countys, which also would be a means of a great Increase of Inhabitants & Improvements on the Western parts of this Government. Wherefore we humbly pray that your Excellency & Hon<sup>ble</sup> wou'd take the premises into Consideration and Divide the Province into two Countys by such Dividing line and with such Powers and Authoritys as in your wisdom shall be Tho't best and as in Duty Bound shall pray

*Pine Hill (a part of Hollis) Petition relating to being set off from Hollis.*

May it please your Excellency: The Honorable Council & House of Representatives;

I am desir'd in behalf of a number of people at one Pine Hill in Dunstable, to beg the prayer of their petition may be granted Relating their being set of to Hollis, & that Your Excellency & Honors may have a Just Idea of the matter. Represent it as follows. Viz: about the year 1747 a Com<sup>tee</sup> consisting of five persons were appointed by the Gov &c (Two of which belong'd to Dunstable) to view the Lands about Merry mac River, to see in what manner it was Best to Bound them in the Incorporation. & when they went on the Business, went no further westward than the Old Town of Dunstable, A com<sup>tee</sup> from Hollis came down, & Desird the com<sup>tee</sup> would go & view the situation of Hollis & Pine Hill, & urg'd it hard, but the com<sup>tee</sup> could not be prevailed on to go any further that way (the opposition we judge was made by Dunstable) whether to Hinder an Impartial survey or not, we dont pretend to say: but in the conclusion we apprehend were greatly in-

jur'd by that Com<sup>tee</sup> Determination, soon after Dunstable was Incorporated they got into partys about settling Mr Bird Each Court'd Pine Hills assistance, promising to vote them off to Hollis as soon as the matter was settled; and so Pine Hill was fed with sugar Plums for a number of years till at length Dunstable cast off the mask & now appears in their True Colours which was in the first place to get us Joyn'd & Incorporated with them Tho' much to our disadvantage & Expectation when we settled there For under the Government of the Massachusetts we belonged to Hollis, & in consequence of which we help'd Build a large meeting house, & it was set to accommodate us, & help't to settle a minister, not in the least Doubting but we should always belong their, & besides well knowing we could never be accommodated by being Join'd with Dunstable, but not withstanding all this; we were put to Dunstable by this committees Determination, (and all by reason we humbly conceive of their not viewing our situation,) we have ever since attended the worship of God at Hollis & paid our Taxes to the minister there, Tho in the mean time we have ben call'd upon to pay ministerial Rates with Dunstable in a full proportion with the rest except some Trifling Abatements they made us in order to keep us quiet.

We know of no other Real Objection that Dunstable has to our going off. But Reducing them to too small a number to maintain the Gospel, but if their Inclinations may be Judg'd by their practice, it can't be tho't they have any Inclinations to settle a minister, as for other Taxes we shall not be against doing what is reasonable, but allowing it would hurt Dunstable, that ought not to hurt us, who when we settled there never Expected to have any Concerns with them as a Town, That for Dunstable, because they gain'd us in the Incorporation (and as we apprehend verry unjustly) now to hold us so much to our prejudice, we think we have just cause of complaint. Dunstable as it lys now Consists of about one hundred familys, and all we ask to be set off is but about Twelve. That After we are taken they will be more in number, & better able to support a minister, than many Towns in the Government, that dos it. That their opposition must arise from some other Quarter, to keep us as whips for one party or the other to Drive out every minister that comes their, for they are always Divided with Respect to these things, & which ever side we take must carry the day. All we want is, that the case may be Impartially considered, & beg the favour that a committee may be appointed who shall go up & view the places in their circumstances that a Sincere representation may be made.

SAM HOBART, attorney.

## HOPKINTON.

[This town, originally called New Hopkinton, was granted by Massachusetts; it was incorporated January 11, 1765, under the administration of Gov. Benning Wentworth. ED.]

*Petition of New Hopkinton for an act of Incorporation.*

To His Excellency Benning Wentworth Esq. Captain General & Governour in Chief, in and over his Majestys Province of New Hampshire and To the Hon<sup>ble</sup> his Majestys Council in the Province aforesaid:

The humble Petition of y<sup>e</sup> Inhabitants of the Place, or Plantation called New Hopkinton in the Province aforesaid, Whose names are here unto Subscribed, Sheweth,

That whereas your humble Petitioners are very desirous to have Gospel Order & a Gospel Minister regularly settled among us & maintained; & to have proper Orders and in our secular affairs, so that we may live and act in all our affairs as becomes a Christian Society, and that every one among us may be Obligated to bear his equal part according to his Ability of y<sup>e</sup> charges of supporting such Regulations: which we cannot attain to under our present Circumstances: We therefore humbly pray that your Excellency & your Honors would grant us Relief by in corporating into a Township that Tract of Land commonly known by y<sup>e</sup> name of N<sup>o</sup> 5 of y<sup>e</sup> Line of Towns granted, & laid out by order of the General Court of y<sup>e</sup> Province of y<sup>e</sup> Massachusetts Bay, or New Hopkinton, included within the following bounds viz. Beginning at the southeasterly Corner at a Norway Pine tree, with stones about it spotted on four sides and marked on the Easterly side with the Letter R and on y<sup>e</sup> westerly side with y<sup>e</sup> letter H. Then running West, five degrees south six miles, to a Hemlock tree with stones about it, spotted on four sides and marked on y<sup>e</sup> Easterly side with y<sup>e</sup> letter H, & y<sup>e</sup> Figure 5 & on y<sup>e</sup> Westerly side with y<sup>e</sup> figure 6. Then running North, fourteen Deg. West six miles, to a white Oak tree with stones about it spotted on four sides & marked with y<sup>e</sup> figure 6 on y<sup>e</sup> Westerly side & with y<sup>e</sup> numeral Letter V on y<sup>e</sup> Easterly side: Then running East five Deg. North, three miles, to a stake in a Boggy meadow spotted on four sides and stones about it; Then running North, fourteen deg. West about 130 rods to a River on which Almsbury men built a saw mill, to a heap of stones in the middle of the River a little way below the said Saw mill, where it also joins to the southwesterly Corner of Contoocook. Then running east fourteen deg. north by a part of Contoocook, three miles to a stake & stones, y<sup>e</sup> stake spotted on four sides, where it also joins to y<sup>e</sup> Northwesterly Corner

of Rumford so called. Then running south fourteen Deg. East by Rumford about Six miles & three quarters, to y<sup>e</sup> first mentioned Bound containing about 30 square miles and by putting us into a Regular method to call Town meetings legally: so that we may enjoy y<sup>e</sup> Powers & Priviledges which other Towns in this Province enjoy. For which goodness your humble Petitioners for your Excellency, & Honours as in Duty Bound shall ever pray.

*Petition of New Hopkinton for power to lay a tax on 4-5<sup>th</sup> of the Land &c 1757.*

To His Excellency Benning Wentworth Esq Captain General & Governour in Chief, in and over his Majestys Province of New Hampshire; To the Hon<sup>ble</sup> his Majestys Council; & To the Hon<sup>ble</sup> Representatives of the severall Towns in this Province, in General Court assembled.

The humble petition of the Inhabitants of the Place, or Plantation called New Hopkinton in the Province aforesaid, whose Names are here unto subscribed, sheweth:

That whereas your humble Petitioners have ventured our Lives, & been at a great Expence to settle cultivate and defend a new plantation far in y<sup>e</sup> Wilderness & much Exposed to y<sup>e</sup> Indian Salvages, & have been destitute of Town & Gospel Priviledges hitherto: and when at any Time we have had y<sup>e</sup> Gospel preached to us for a little while at a time, it has been chiefly at our own Expence, with but very little help from y<sup>e</sup> Non-resident Proprietors: and yet y<sup>e</sup> value of their Land is greatly increased by our living here, & defending it: and at y<sup>e</sup> same time, y<sup>e</sup> Burden, Hazzard and charge of settling a New Plantation lies upon us chiefly while they have a greater share in y<sup>e</sup> Benefit than in the charge of said settlement: which Things we think to be something hard, but are not able to redress, under our present circumstances: Therefore being Encouraged by your goodness & Paternal care Extended of Late to other new settlements or Plantations we humbly apply ourselves

to your Excellency, & your Honours praying that you will take our case into your wise Consideration & remedy our difficulties by empowering us to lay a Tax upon four fifths of y<sup>e</sup> Land in our begun Plantation (so much of it as ought to be taxed to publick charges) of three pence upon an Acre; or so much as you in your great wisdom shall think to be necessary & Sufficient to defray y<sup>e</sup> Charges of settling & maintaining a gospel minister, building a House for y<sup>e</sup> publick Worship of God, & other necessary incident charges (The one fifth part of said Plantation being reserved by y<sup>e</sup> gentlemen Purchasers of John Tufton Mason Esq. free from charge till improved) Also your humble Petitioners pray that your Excellency & your Honours would provide some Effectual Method to inable us to collect y<sup>e</sup> said Tax as well from nonresident Proprietors who live in other Provinces, as from resident Proprietors, & who live in this Province: For which Goodness, your humble Petitioners for your Excellency & your Honours, as in Duty bound shall ever pray.

*Petition relative to Province Tax.*

To the great General Court of the Province of New Hampshire.

We whose names are hereunto Subscribed Inhabitants of New Hopkinton in this Province humbly inform & represent to the Hon<sup>ble</sup> General Court that whereas we understand that an order was sent here sometime last summer or Fall, for a Province Tax, directed to the selectmen of New Hopkinton, and was carried back again because there were no such persons to leave it with, And not because we are disobedient to Authority or unwilling to do our Part to defray the Publick charges of the Province.

But we are under two difficulties especially: One is with Respect to those persons who are settled in that part of New Hopkinton which is claimed by Bow; For an account was taken of their estates with the rest within New Hopkinton

claim, pursuant to an Order of the General Court. And last year the Province Tax was proportioned to them with the rest of New Hopkinton, & paid by all together and that in season—and they are willing to pay so still, if that may be allowed, & accepted for them; & if the General court will be pleased to join them with the rest of New Hopkinton, at least to pay taxes with the rest, And if they should not be joined with the rest to pay the Province tax, we humbly conceive that the sum required of us would be a heavier burden upon the rest than was designed by the court, when the Tax for New Hopkinton was assigned. The other difficulty is our want of power to chuse selectmen to assess, & a collector to collect the Tax, & to oblige every one to pay their respective Parts of said tax.

If the Hon<sup>ble</sup> General Court will be pleased to take these things into their Consideration and to apply a Remedy, In regard of those that live within that part of New Hopkinton claimed by Bow, either by joining them with the rest, so that they shall be obliged to pay their part of Taxes as well as the rest, or by Separating them from the rest, so as to have no concern with the rest about paying taxes And then abating from the rest so much of the tax as those would have paid, if they had all paid together, as they did last year. Also if the court will be pleased to enable us to assess & collect the Tax either by appointing & empowering selectmen, & a collector or giving us Power to chuse them, we are ready to pay all due obedience.

And if the Treasurer sends his order again for the whole Tax which he sent for last summer or for so much as is our due to pay Exclusive of those that live in Bow claim, if they should be separated from the rest in regard of paying Taxes we will pay it to the Treasurer with all possible speed.

And we had rather pay our part of Taxes Every year yearly than to have the Taxes of several years to pay at once.

The names of those Persons the account of whose Estates was taken with the rest tho' they lived or owned land in that part of New Hopkinton claimed by Bow, are as follows.

The widow Susanna Kimball	William Peters
Abel Kimball	Hezekiah Foster
Timothy Kimball	Jeremiah Kimball, Jr
Timothy Clement	Thomas Jewell

Green French	Daniel Watson
John Chadwick	Obadiah Perry
Abraham Kimball	Joshua Bailey
Jeremiah Kimball	John Kimball
James Kimball	John Jewell
Moses Straw	Parker Flanders
Jonathan Straw	Isaac Colby &
John Eastman	Thomas Hoit.

The Reasons why an account was taken of the Estates of those that lived or owned land in that part of New Hopkinton claimed by Bow are as Follows :

1<sup>st</sup> Because the order sent by the General Court for taking account of Estates was left by the Sherrill that brought it, with one of the men that lived in Bow claimed.

2<sup>d</sup> Because one of the men that were impowered by the selectmen of Boscawen to take account of the Estates in New Hopkinton was one of those men.

3<sup>d</sup> Because it was their own desire.

4<sup>th</sup> Because Canterbury selectmen who took account of Estates in Rumford extended their accounts no further than Rumford Claim.

We are your Excellencys & your Honours' Obedient & humble Servants.

*Petition for power to sell common land.*

To His Excellency Benning Wentworth Esq. Governor & Commander in Chief in & of His Majestys Province of New Hampshire, The Hon. His Majestys Council & General Assembly for & of said province :

The petition of us the Subscribers, Proprietors & Inhabitants of New Hopkinton so called in said Province Humbly Sheweth :

That a part of our said Township is covered by the claims of the proprietors of Bow. That several of our said Proprietors living within said claim, have already purchased of said proprietors of Bow their claims within said Cover, that we suppose it communicative Justice that the whole charge of Purchasing said Land as also the Charge of law suits respecting and relating to said Lands be defreyed by our said propriety in equal shares That by selling so much of our common & undivided Land in said Town would be easiest to us for that purpose. That we suppose ourselves unable Validly so to do, and therefore pray your Excellency & Honours to favour & enable us with an act whereby we may be so capacitated, or such other act or acts conducible to said end as your Excellency & Honours in your great Wisdom shall see meet—And your Petitioners shall as in Duty bound ever pray.

### *Reasons for said Petition.*

Reasons humbly to urge and intreat a speedy Proceedure upon the petitions preferred to the Honourable General Court by the Inhabitants of New Hopkinton without the formality of a public Notification.

1<sup>st</sup> That all differences between Bow Claimers & New Hopkinton Proprietors, or Inhabitants about Property are adjusted so far that the claimers of that Part of Bow which interferences with New Hopkinton sell or settle said Land without opposition or Molestation. The Gentlemen who purchased M<sup>r</sup> Masons Patent having given to New Hopkinton Proprietors out of their fifth Part of said New Hopkinton, acre for acre for the land claimed by Bow Proprietors in said New Hopkinton.

2<sup>d</sup> The settlers on Bow Claim in said New Hopkinton are included in

the Petitions, and most if not all of them have signed them which shows that it is their Desire that the prayer thereof may be granted.

3<sup>d</sup> The settlers upon Bow claim in s<sup>d</sup> New Hopkinton are incorporated with it by the District Act.

4<sup>th</sup> Some urgent circumstances seem to necessitate a speedy Remedy, a-

(1<sup>st</sup>) The out- standing Province Tax for the years 1762, 1763 & 1764, for which the Treasurer says he must soon issue Extents unless a Remedy be provided and some Favour and Indulgence be granted to the people of New Hopkinton And also arrears toward the support of the Gospel in said New Hopkinton both together amounting to more than £3000 Old Tenor, which if required all of it to be paid in a short time in this time of Scarcity of Money would be a Burden very heavy upon & discouraging to that People: Therefore a speedy Remedy seems necessary. But if it be delayed for a formal Notification is not likely to be done before next May or June.

(2<sup>d</sup>) Tho' an Act was made, more than a year ago to empower the Inhabitants of New Hopkinton &c to assess & collect the Province Tax, yet they never heard of the said Act: and consequently could not act in Conformity to it.

(3<sup>d</sup>) The said Act did not furnish said people with Power to raise, assess and collect any arrear Tax either for the Province or to support of the Gospel or any way to promote the settlement of the place;

But if the Hon<sup>ble</sup> Court think, upon the whole, that the Prayer of the Petitions cannot be granted without a formal, publick, Notification, They are humbly intreated, by their most humble and Obedient servant, in Behalf of the Petitioners to Compassionate the case of the Petitioners (who dont at present know of their impending Difficulties) and to provide a speedy Remedy for them, either by an Act in addition to the district Act already made, or any other way that they shall think best, so that the Inhabitants may be invested with all the Powers & Priviledges of a Town: and that the officers who shall be chosen in said district to assess & to collect necessary Taxes there, may be empowered to Exert & Execute their respective offices about any arrears of former Taxes, as well as about future Taxes.

And where as said Inhabitants are in arrears of the Province Tax for the year 1762, 1763, & 1764 it is humbly submitted to the wise consideration of the hon<sup>ble</sup> Court whether it would not be too heavy a Burden upon the People to require them to pay it all in one year or in two years, besides the proper Taxe of those years. Or whether they may not be indulged now, (seeing they had not Power to assess and Collect those Taxes in the times when they ought to have been assessed & collected) so far as to assess & collect the arrear Tax for 1762 with the Tax for 1765, and the arrear Tax for 1763 with the tax for 1766, and the arrear tax for 1764 with the tax for 1767 so that they may have no more than two years Province Tax, to pay in a year till those arrears shall be fully paid & that orders may be given to the Province Treasurer accordingly; It is also humbly requested that if the District act should be enforced by an additional act, The Regulation made thereby may continue in Force till the General Assembly shall order otherwise.

Also, it is humbly requested (Because sundry of the Men mentioned in the District Act, as Settlers in the Township of Bow, either never lived there at all, but only had Land there which they proposed to settle on, & did not or else removed to some other Place since) That instead of mentioning those Persons by Name, there may be a clause which shall include all that part of Bow which covers a part of New Hopkinton, with all the persons who do now or shall inhabit the same during the continuance of this act.

*Petition for a tax on non-residents.*

To His Excellency John Wentworth Esq. Captain General, and Governour in Chief in. and over his Majestys Province of New Hampshire, To the honourable, his Majestys Council And to the honourable General Assembly of the Province of New Hampshire, in General Court assembled.

The Petition of the Inhabitants of Hopkinton in this Province of New Hampshire humbly sheweth. That whereas we your humble Petitioners have been at great cost & charge in Settling a New Township, and settling the Gospel and maintaining it among us. Paying the Arrears of the Province Tax for three years which was not paid in proper season because we had no Power during that time to assess & Collect it (paying said arrears in three years after said tax ought to have been paid besides the proper tax of those years. in a Time of great scarcity of money. And in building an house for the public worship of God. with but a very little Help from the nonresident Proprietors & owners of Land in the Town) beside the additional Difficulties & Dangers which many of us suffered by living in a New Township at the outside of all the Towns in the province, in the Time of the late War and settling a Gospel Minister in that Time: And by what we have done & suffered in these Times the Land of Nonresident Proprietors and owners, which lies in the Town has been greatly increased in Value with very little if any Cost to them; and we your humble Petitioners cannot but think that they ought in Reason & Equity to bear part of the charges of what has increased the Value of their land as well as to enjoy the Benefit. We therefore your humble Petitioners humbly and earnestly pray. That your Excellency & your Honours would take our case into your wise & compassionate Consideration and in Order to making us some Relief under our heavy Burdens if you think proper would pass an act to lay a tax of one Copper (or one half penny sterling) per acre or so much as you shall think proper upon all the uncultivated Land in this town belonging to non resident proprietors & Owners for the space of five years or so long as you shall think proper. Except what land in the Town is Owned by the Masonian Proprietors and so long as it is owned by them: the appropriated Rights for the Ministry and school and what is owned by the minister of the Town.

And if your Excellency and your Honours shall be pleased to Grant our Petition in laying a Tax upon the Land aforesaid. We Humbly pray also that you would make Effectual Provision for us to assess said tax upon & to collect it from said non resident Proprietors & Owners of Land in the said town of Hopkinton. For which Goodness your humble Petitioners

for your Excellency & your Honours as in Duty bound shall Ever pray.

Prov. N. H. } To His Excellency Benning Wentworth Esq.  
Governour, The Hon<sup>ble</sup> His Majestys Coun-  
cil & House of Representatives in Gen<sup>l</sup> Court Assembled  
at Portsmouth the 20<sup>th</sup> days of May 1743.

The Peti<sup>on</sup> of us the Subscribers Inhabitants & freeholders of the District called Nottingham Humbly sheweth:

That in the year 1732, Wee were on application made to the Gen<sup>l</sup> Court of the Massachusetts Province sett off from the town of Dunstable a Distinct and seperate township with the Powers & Priveledges of a Town & thereby enjoyned & Required to Procure and settle a Learned orthodox minister amongst us & make provision for his Comfortable & Hon<sup>ble</sup> support, which in the year 1737 the town fulfilled but so it Happened contrary to our Knowledge or Expectation. The Running of the Line Between the Governments according to his Majestys Late Determination has taken considerable part of our Town into this Province. by means whereof, we are without the Power to manage our necessary affairs as a Body corporate & more especially to Raise and collect money for the support of the Rev<sup>d</sup> Nathaniel Merrill our Minister. according to our Contract with him;

That before the Running of the line assessments was made for the Ministers Rates Many Delinquents (on the Running the line) declared against paying, and continue to neglect it, tho no complaint of being over Rated.

That thereby the minister has suffered, & long been kept out of his Just Due.

That we Have not since the running of that Line been able in any Equal way to Raise his yearly Sallery.

That so much of our Improvements being left in the Massachusetts and our circumstances so Low Renders it of necessity for all the Inhabitants in our District to assist in payment, or it will be Impracticable for us to Subsist as a Society and

many difficult circumstances attending these things presses us Humbly to Supplicate, and in as much as this Hon<sup>ble</sup> Court has been pleased to look upon us as Subjects of the Government by Taxing us to the Support of it, which we Readily & dutifully comply with, we doubt not but Wee shall be owned as the children of the Same & obtain the Priviledges & protection other Inhabitants Enjoy :

Wherefore we most Humbly pray your Excellency & Hon<sup>ties</sup> to take the premises into your consideration & Invest the s<sup>d</sup> District of Nottingham (that is to say that part of Nottingham that Lyes in the province of New Hampshire) with the Powers & priveledges of a Town & enable us to Levy & collect the former Delinquent Rates or make some speciall Law that shall Relieve us in the Premises as in your great Wisdom shall be tho' best, & as In duty bound shall pray.

*Petition for a Parish.*

To his Excellency Bening Wintworth Esq; Captine General & commander in chief in & over his Majesties Province of New Hampshire in New England.

Your Excellency with the rest of the Honourable Court may well remember that we your humble Petitioners a considerable time since put in a petition to y<sup>e</sup> General Court for a distinct town or parish which the Honourable Court shall judge most convenient & we still remain earnest in our desires that s<sup>e</sup> petition may have a hearing, and that it may be acted upon when your Excellency with the rest of the Court shall think convenient, the reasons why wee desire to be a distinct town or parish are contained in our former Petition :

We live at such a distance from our respective meetings, that we look'd upon it that we were obliged to maintain y<sup>e</sup> Gospel amongst us, which we have done for almost three years, and from the encouragement that we had from time to time we have lived in hopes that we should be freed from paying taxes elsewhere, but since the late act made by y<sup>e</sup> Hon-

ourable Court to impower certain districts to raise money for y<sup>r</sup> support of y<sup>r</sup> ministry & other charges & our respective district have had meetings, & have raised large sums of money, not only for y<sup>e</sup> present year but for several years past as appears by their votes. And we look upon it as a Great hardship that we should be obliged to pay s<sup>t</sup> rate for three reasons (Viz)

1<sup>st</sup> We live at such a distance from y<sup>e</sup> Places of Publick worship in our respective districts, that we cannot attend y<sup>r</sup> worship of God with our Families there.

2<sup>d</sup> We have had a minister with us and are obliged to him for so much money from day to day, therefore we look upon it a hardship to pay taxes elsewhere.

3<sup>d</sup> And there are some of us that have moved into these districts long since y<sup>e</sup> money was due that they now rate us for, this appears to be a hardship to such of us.

Therefore we your humble petitioners pray that your Excellency with y<sup>e</sup> others of y<sup>e</sup> Honourable Court would take these reasons into your consideration, & free us from these heavy burthens laid upon us, we have many of us borne a heavy burthen for a long time & we fear its growing heavier for we find none amongst us in our respective districts that will move it so much as with one of their fingers. Therefore as you are our Fathers we humbly apply ourselves to you for relief, & if in your great Wisdom think it not convenient as yet to erect us into a town, we beg that we may be acquitted from paying the taxes that are served upon us, & that we may have the Priviledges of other Parishes or districts, till such times as we may be further answered in our request that so we may able further to maintain y<sup>e</sup> Gospel amongst us; these things we humbly ask & rest your humble Petitioners.

Dated at the District called Nottingham

September y<sup>e</sup> 19 1743.

P. S. We that live in the district called Litchfield would acquaint your Excellency that at y<sup>e</sup> time of their settling a minister in this district that we entered our dissents but they proseded & settled a minister Contrary to our opinion, & we think it a hardship, that we should be Obliged to pay taxes to a Minister that is settled upon such a foundation that he is—which is Presbyterianism. This is Contrary to what we was ever acquainted with contrary to our opinion in matters of religion and Contrary to our minds to set under him as such.

*Petition of selectmen for a hearing.*

Prov. of N. Hamp } To His Excellency Benning Wentworth Esq. Gov<sup>r</sup>  
 &c. The Hon<sup>ble</sup> his Majestys Council & House  
 of Repret<sup>s</sup> in Gen<sup>l</sup> Assembly to be Convened  
 The 8<sup>th</sup> of March 1747.

The subscribers selectmen of the Town of Nottingham West, would most humbly represent in Answer to the Petition of Josiah Cumings & Others Inhabitants of Nottingham West afores<sup>d</sup> On the 2<sup>d</sup> day of December 1747. Prefered to this Hon<sup>ble</sup> Court praying, That they might be Discharged both poles and estates from paying any thing towards the Support of the Ministry at s<sup>d</sup> Nottingham so long as they attended Elsewhere &c. For the Reasons therein mention<sup>d</sup>.

That notwithstanding the Order of the Hon<sup>ble</sup> Court for a hearing on s<sup>d</sup> Petition had fully pass'd on y<sup>e</sup> Eleventh day of December last past, and the Hearing on s<sup>d</sup> Peti<sup>on</sup> was granted to be the second day of the sitting of the assembly after the tenth day of January then next ensuing, and that the s<sup>d</sup> Gen<sup>l</sup> Assembly was adjourned unto the 23<sup>d</sup> day of this Instant February to be the first day of their sitting after the tenth of January afores<sup>d</sup>, accordingly the 24<sup>th</sup> of this same February had they set as we Expected was the day appointed for the Hearing afores<sup>d</sup>.

Yett the Peti<sup>on</sup> (for ends to us unknown) did not serve the selectmen or either of them with a Copy of the s<sup>d</sup> Peti<sup>on</sup> or order of Court thereon nor any other ways Notifie them thereof untill the 17<sup>th</sup> day of this Instant February which left no more than six days for the Selectmen to Assemble Notifie and hold a town meeting & if the Town should think fit to make answer & Shew Cause &c. and within the same six days to gett to Portsmouth (Fifty miles & upwards) and by this the Neglect of the Peti<sup>on</sup> Rendered it Impossible for the Town whose proper Right we conceive it was to make answer at the s<sup>d</sup> Expected time, But we the select have proceeded & Notified a meeting of the s<sup>d</sup> town to be held at Nottingham on the 7<sup>th</sup> day of March

next; To see if the town will Impower an agent to answer to the s<sup>d</sup> peti<sup>n</sup> if there should then be occasion, Since which we are Informed that the s<sup>d</sup> Court is adjourned from the s<sup>d</sup> 23<sup>rd</sup> day of February unto the Eighth day of March next the day by the aforesaid order of Court appointed for the hearing afores<sup>d</sup>, And should the town proceed to appoint an Agent to make Answer in their Behalf yet it will be Impossible for them at this difficult season in one night. (the only time we have) to gett to Portsm and attend at the Hearing afores<sup>d</sup> Wherefore we pray that in case the Peti<sup>n</sup> should pursue their Peti<sup>n</sup> for a hearing that it may be continued such Reasonable time that the town of Nottingham may appear, if they shall at their meeting Desire it to shew cause why the prayer of the Pet<sup>n</sup> should not be granted &c.

To His Excellency Benning Wentworth Esq. Gov<sup>r</sup> &<sup>c</sup> of the Province of New Hamp<sup>t</sup> the Hon<sup>ble</sup> his Majesties Council & house of Representatives of s<sup>d</sup> Province

We the Subscribers Petitioners being Inhabitants of this Province Humbly Sheweth that we greatly rejoyce that your Excellency and Honours have taken the Preservation of the Fish in Merrimack River into Consideration and have pass'd an act to Restrain y<sup>e</sup> Practice of Fishing in s<sup>d</sup> River Constantly. We would therefore desire your Excellency and honours to take the premises under consideration & by some additional act to restrain the fishing with Dip or scoop nets at the falls in s<sup>d</sup> River where fish are usually taken with those nets, and also that all obstructions may be removed from y<sup>e</sup> passes in Falls where fish usually pass, so as those places may be clear on the Days fish are allowed to pass, and that fish may not be hindered by any ways or means whatsoever from having a free course up y<sup>e</sup> River, on the day prohibited to fish, and that the Obstructions may be removed that are now in Sundrey streams that run into Merrimac River Where fish commonly pass or Sufficient courses left for the fish to pass during the Term of their Running both up and Down such Streams, and we Further beg Leave to Suggest to your Excellency and Hon<sup>rs</sup> that the Towns adjacent to the River may be Directed to choose proper Persons to see that the act is Observed and all offenders duly Punished.

*Petition to extend the time for making settlement.*

Province of New Hampshire :

To His Excellency John Wentworth Esq. Governor & Commander in Chief and The Honorable His Majestys Council.

The Petition of Josiah Willard & others humbly sheweth.

That your Petitioner having been favor'd with the Grant & Charter of the Township of Dartmouth sometime since which said Charter specifys the first Period of settlement of twenty Families to be in the month of December 1773; but w<sup>h</sup> they apprehend was a clerical Error in filling up the Charter and ought to have been as originally intended December 1775, a compliance with the first Term being utterly impracticable in that distant part of the province. They would therefore humbly beg the s<sup>d</sup> Mistake may be rectifyed & the Time for bringing on the first twenty Settlers be Extended to the month of December 1775. And your Petitioners as in duty bound shall over pray.

Kingstown in s<sup>d</sup> Province themselves. Their families & estates  
to be a distinct Parish from the Town for which great Good-

many difficulties & Inconveniencies in our present State viz:

There having been sundry more Inhabitants Liveing among our Inhabitants who have Petitioned the town that they might be sett off to our Parish: who accordingly granted their Request & in their capacity set them off to us yet we apprehend that we have not sufficient Power to Execute the Law upon them in case there should be occasion for it particularly in regard of our Taxes: also there are others settled & a settling among us who are far more Convenient to us than to the town: & again there are considerable of Lands intermixed with ours which is not inhabited & belongs chiefly to out Town men, which we have no power to Rate: further when any persons come to settle as Tenants upon the Lands so intermixed as above s<sup>d</sup> which may be Likely to be a publick charge, & so may in time be a great Burtien to your s<sup>d</sup> Parish, we have no power to warn them off or Restrain them under these & other difficulties, which your Excellency & Hon<sup>ty</sup> in your wisdom may discover: Wee now again Humbly apply ourselves to your Excellency & Hon<sup>ty</sup> praying that you will be pleased to perfect that which yet concerneth our full settlement & sure establishment by fixing some line of division between our s<sup>d</sup> parish & the Town of Kingstown according to your great Wisdom & Goodness & Justice, Respecting both us & our Brethren & friends in the town.

*Remonstrance against a new Parish.*

To his Excellency Jonathan Belcher Esq. Captain General  
& Governor in Chief in & over his Majesties Province of  
New Hampshire the Honourable his Majesties Council &  
Representatives in General Court assembled.

The Humble Petition of the Subscribers a Committee for  
the first Parish in Kingston. Humbly sheweth

Whereas at the Last session of the Hon<sup>l</sup> Court a number  
of the Inhabitants of the East part of Kingston did prefer a  
Petition to the hon<sup>l</sup> House signifying their willingness and  
ability to support the ministry and a school & here upon were  
set off their families Persons & estates as a distinct Parish  
Notwithstanding they were gratified in this thir Request they  
have been Incessiant in their Demand upon the First Parish  
Particular to run a line Between the Two meeting houses  
which we understand by their explanation of themselves could  
be no other way adjusted than by taking The Half Distances  
Between the two said Meeting Houses on the Salisbury  
Rhode thence running due north to Exeter Line and South to  
Almsbury Bounds And to add thirteen men to their number  
But conscious of our poverty and Exposed situation we let  
them know that we apprehended their Demands were very  
unreasonable inasmuch as we had many more Poor Persons  
amongst us then were with them who had bin Impoverished  
by the warrs. Haveing bin obliged to sell the best of their  
Lands to their fathers in their Extremity for very small con-  
sideration To support their familys and we have had great  
Rumours of a war and are very much Exposed and must  
be obliged to keep Garrisons which besides the Exposing of  
our Lives and fortunes would be to us the loss of Each mens  
Labours one Day in a week Nearly which would Something  
Exceed Their Parish rates Besides the charges of supporting  
the ministry in our own Parish.

Nevertheless we offered them Sutch a line as would circum-  
scribe their Estates with the Estates of the thirteen above  
mentioned and all the Vacant lands intermixed with theirs

which upon their request we have set off to the said East Parish. This grant we have made them in hopes they would have been Easy tho we are fully sencible that their might be named some one farm in their Parish of Greater Income than some twenty livings amongst us. If we speak of the petition now lying before your Excelly And Hon<sup>ty</sup> we apprehend y<sup>e</sup> we ought to Expose their Designs Tho not Exprest for a line to Incompass their estates we do not oppose but Should be free to settle Imediately & would have done it without trouble to the Hon<sup>ty</sup> Legislature But to have Persons and familys torn of from us or mens Estates torn to Peices and divided meerly to gratify their unreasonable restless & insatiable desires is all that we would humbly Remonstrate against and Earnestly Request your Excell<sup>y</sup> & Hon<sup>ty</sup> in your Great wisdom and compassion prevent & fix such a line Between us as shall incompass their estates and leave ours intire to this first parish and your humble Pettioners shall ever Pray, &c.

To His Excellency Benning Wentworth Esq. Governor & Command in Chief in & over His Majestys Province of New Hampshire The Hon His Majestys Council & House of Representatives in Gen Assembly Convened Dec. 1<sup>st</sup> 1743.

The Humble petition of Jedediah Philbrick of Kingstown in s<sup>d</sup> Province as Agent or Attorney for Mary Sewall widow, Jonathan Bradley & Susanna his wife & Samuel Bradley & Mary his wife & Josiah Foulsum, Shews. That John Foulsum Late of Exeter in said Province Yeoman Deceased Died In-

That three of the said Children were young when their said father died & the s<sup>l</sup> Josiah was born after wards the bringing up of which children & the Debts Due from the s<sup>o</sup> Dec<sup>d</sup> with sickness funeral Charges & other necessary Expenses Call'd for most if not all the personal Estate But so it happens that the said Adm is not able to Render any Certain acco<sup>t</sup> of her Administra<sup>n</sup> Especially as it is near twenty years since it was Granted. That by her Industry & Labour she has preserved the Real Estate which now Remains to be divided & which all parties are desirous to have done but as y<sup>e</sup> said Josiah is not of full age it cant be done Effectually by their agreement and the Court of Probate is of opinion that it cant be Legally done by the Authority of that Court because by Law an acc<sup>t</sup> must be Rendered before Distribution can be made for tis the Surplus only that is to be Divided. Besides tis also a Doubt whether that court can Intermeddle after administra<sup>n</sup> has been so Long granted wherefore to Remedy all which your Petitioner in behalf of his Constituents Humbly prays that a Special Act may be passed Authorizing Some indifferent persons to make a compleat & final Partition of the said Real estate Among the said Interested parties and to order that the same so made be Recorded in some of the Public Records and your Petitioner as in Duty Bound shall Ever Pray &c.

*Petition relating to the Basford land grant.*

Province of ) To his Excellency Benning Wentworth Esq.  
New Hamp<sup>sh</sup> ) Cant Gen Governour & Commander in  
Cheif in and over his Majesty's Province of  
New Hampshire and to the hon<sup>ble</sup> his Majestys Council and  
the hon<sup>ble</sup> house of Representatives in Gen<sup>l</sup> Court Con-  
ven'd.

Humbly Shews the Proprietors of the Common and undev-  
ided Land in the Township of Kingston in said Province  
that one James Basford of Chester in s<sup>d</sup> Province yeoman pre-  
tending to have a right to lands in the s<sup>d</sup> town of Kingston  
hath procur'd several persons of Chester afores<sup>e</sup> who stile  
themselves Lott layers to make two several returns of lands in  
Kingston afores<sup>e</sup> to him the s<sup>d</sup> James Bassford one of which  
returns is said to be dated y<sup>e</sup> 19<sup>th</sup> of sept 1733, and the other  
the 27<sup>th</sup> of Sept 1733, in both s<sup>e</sup> returns are contain'd two  
hundred and forty acres of Land which land is the right and  
property of your petitioners and for which the s<sup>d</sup> James Bass-  
ford hath no Lawfull right or grant neither had the Lott lay-  
ers any Lawfull authority to lay out the s<sup>d</sup> Land and they did  
the same without acquainting your petitioners or any of the

Proprietors therewith. And at his Maj<sup>ty</sup>s Superiour Court of Judicature held at Portsmouth within & for the Province afore s<sup>d</sup> on the first tuesday of August last past the s<sup>r</sup> James Bassford obtained an order for a peremptory mandamus which accordingly Issued from the clerk of s<sup>d</sup> court dated August 15<sup>th</sup> 1746 directed to the Town Clerk of Kingston for the time being, requiring him in his Maj<sup>ty</sup>s name forthwith to Enter & Record the s<sup>d</sup> returns in the record of s<sup>d</sup> Town with the other returns of the laying out of Land in the s<sup>d</sup> Town, in the same manner as other returns are enter'd and recorded, being presented to him by the s<sup>d</sup> James or any other person for him paying the Legal fees for the same and the said Town clerk is therein also required to make return of s<sup>d</sup> mandamus & his doings therein unto the s<sup>d</sup> Court on the first tuesday in February next at his peril, By which mandamus if observed by s<sup>d</sup> Town clerk your Petitioners humbly conceive they will be greatly Injur'd in their Right to & Interest in the Land mentioned in s<sup>d</sup> return, (namely) by s<sup>d</sup> returns being recorded in your petitioners book of records against your petitioners leave or Consent, the said James being neither Inhabitant of the s<sup>d</sup> Town nor hath he any legal right to the land mention'd in s<sup>d</sup> returns as proprietor or other wais to your petitioners knowledge wherefore the s<sup>d</sup> James Bassford moving s<sup>d</sup> Superiour Court for a mandamus to the clerk to record said returns before a tryal at the Common Law to Establish his right to the lands mention'd in s<sup>d</sup> return if he had any as also s<sup>d</sup> Superiour Courts Issuing s<sup>d</sup> mandamus without notifying the Proprietors of s<sup>d</sup> Kingston of s<sup>d</sup> motion to be heard thereon and shew cause why s<sup>d</sup> motion should not be granted your Petitioners humbly conceive to be unpresidential as also very injurious to your petitioners and the example hereof may be the like injurious to the Proprietors of the other towns in this Province unless your Excellency and hon<sup>rs</sup> interpose herein: Wherefore your Petitioners most humbly pray that your Excellency and hon<sup>rs</sup> will interpose herein and order that the s<sup>d</sup> mandamus may be stay'd and all proceedings thereon untill s<sup>d</sup> James if he sees fit make it appear by a tryal at the Common Law that he hath a right to the land mention'd in the said returns and that your Petitioners may have opportunity to defend their Just rights in a due Course of Law and not to have s<sup>d</sup> unlawful returns entered and recorded in your petitioners book of records or other wais grant yo<sup>r</sup> Petitioners Such relief in the Premises as your Excellency & hon<sup>rs</sup> in your great wisdom shall see meet and your Petition<sup>rs</sup> as in Duty bound shall ever pray.

The Petition of the Subscribers Freeholders and Inhabitants of the Westerly parts of the Town of Kingston in s<sup>d</sup> Province, Humbly Shews, That your Petitioners living so remote from the meeting house in s<sup>d</sup> town are not able to attend the publick Worship there on the Sabbath and also by reason of the distance we live from the Town our other duties & Services have been for a long time past attended with great charge trouble and difficulty and we having represented the same to the s<sup>d</sup> town they have at their late legal meeting sett us off as farr as in them lay as a distinct Parish with land suitable for the same as by the Votes of s<sup>d</sup> Town herewith presented will fully & plainly appear. *Petition for a Justice of the Peace.*

The Petition of His Majestys subjects in Kingston.

Humbly sheweth, That having long Experienc'd the good  
Effects of the administration of the Civil Authority by a Jus-  
tice of the Peace, as that office was used among us by the  
Hon Ebenezer Stevens Esq. deceas'd: since the death of  
that very worthy & good Gentleman, we are more Sensible of  
our obligations to your Excellency for Establishing such  
authority among us: & affected with our Present disadvan-  
tageous & uncomfortable State, for want of such Authority  
here: to prevent disorders, acknowledge Instruments of Con-  
veyance, receive the Oaths of Town Officers & We there-  
fore humbly Entreat your Excellency to reestablish such  
authority in this Place, and having been advised that your Ex-  
cellency has condescended sometimes to Enquire of leading  
men in a Town who is most likely to support such Commis-  
sion with Honour, in respect of the People, If the Governour  
were to honour us with such demand we might with humble  
submission propose Cap<sup>t</sup> Jedidiah Philbrick.

And if your Excellency would further Indulge us we would,  
but just say: that having been long disus'd to the Inconve-  
nency of going out of Town for such officer. If your Excel-  
lency tho't fit to grant such a Favour before our Annual Town  
meeting: we should esteem it an Instance of your great Con-  
descension & Goodness to us, & it would afford this People a  
Singular Satisfaction.

We humbly beg your Excellency's Pardon for the Freedom,  
which your Paternal Concern for the Peace & good order of  
all under your Government, Condescending Goodness this  
People entirely your own and the Exigency of our Present state,  
has Encouraged & urged us to take. And humbly ask leave  
to add that, If your Excellency shall grant such Commission to  
such Person or Persons among us, & in such Time as in your  
great Wisdom you shall think fit, Your humble Petitioners

The Petition of the Subscribers Humbly shews that, whereas your Excellency & Hon<sup>ble</sup> Petitioners with our associates Proprietors of that Tract of land Called Maj<sup>r</sup> Stevens' town in s<sup>d</sup> Prov. out of a view, & Sincere aim of Settling & Encreasing this his Majesties Governm<sup>t</sup> & thereby to make frontier yet a greater distance from us. Have Exerted ourselves both in our persons and Estates in Laying out our land & in Building many Good Houses to Inhabit. & moving up many families to dwell in them and also have Built a goodly Fort for their Safety: But the Indian Enemy having in the summer past made a Breach upon us & Captivated several of our Inhabitants & thereby lessen<sup>d</sup> our Number of Inhabitants & discouraged those that are left and also discourages others from settling so that we under these circumstances must be forced to move off our s<sup>d</sup> Inhabitants & so break up our settlements. & Demolish our Fort. which we humbly conceive may be a damage to this Governm<sup>t</sup> Wherefore we humbly pray that your Excellency & Hon<sup>ble</sup> would Consider our Case & Grant us some help of soldiers to keep our s<sup>d</sup> fort & keep our inhabitants there which we humbly Conceive may be of advantage to this Governm<sup>t</sup> and we shall still Exert our selves in promoting & Encouraging additional settlements by Encreasing our Inhabitants on s<sup>d</sup> Tract: and so we shall as in duty Bound Ever pray &

*Petition of sundry persons to remain in the old Parish.*

 New Hampshire } To His Excellency Benning Wentworth  
 Esq. Captain General and Commander  
 in Chief of the Province afore's', and to the Hon<sup>ble</sup> His  
 Majesties Council and House of Representatives in General  
 Assembly Convened.

The Petition of us, the Subscribers inhabitants of Kingston,  
 Humbly sheweth, That

Whereas a Petition Subscribed by a Number of the Inhabitants  
 of the Westerly Part of the old Parish in said Town has been pre-  
 sented to the General Court of said province Praying for a Par-  
 ish which according to the Limmitts Petitioned for will include us  
 the Subscribers and your Petitioners knowing that in Country  
 towns every Person cannot be accommodated with a meeting  
 House at his Door and that the Breaking into so many small  
 Parishes is (in our Humble opinion) so far from being for the  
 Intrest of Religion (which is the Pretence) that it is very much  
 injured by it By the great & needless charges that arise there-  
 by, and it is very unreasonable (as wee think) for us & our  
 estates to be laid under those unnecessary Burdens by being  
 Joyned with them contrary to our inclinations and Intrest.  
 Wee therefore Humbly pray That if your Excelly & Honor<sup>s</sup>  
 see Fitt to Grant the former Petitioners a Parish you would in  
 your great Wisdom & clemency take our Circumstances under  
 your Consideration and not compel us to Joyn with the former  
 Petitioners Butt allow uss and our estates to Do duty and en-  
 joy Priviledges with the old Parish as Before, and your Hum-

*Petition for a new Parish.*

To His Excellency Benning Wentworth Esq. Captain General. Governor & Commander in Chief in & over His Majestys Province of New Hampshire. The Honourable His Majestys Council And House of Representatives in General Assembly Convened, the Second Day of January 1760.

The Petition of Sundry of the Inhabitants of that Part of Kingston in Said Province adjoining on the Parish of Sandown, Humbly shews,

That whereas Providence hath placed us at a great Distance from any place of stated public Worship in Town & so rendered our Attendance thereon very difficult & our Families often impracticable: We have built a meeting House among us to accomodate ourselves & Families, That we & they might more conveniently attend the public Worship of God & with more ease & comfort enjoy the Word & ordinances necessary for Salvation, And being disirious at our own cost & charge to maintain the Worship of God among us, We petitioned The Town to Set us off to be a Parish Separate from them, But they (as we apprehend) not regarding our difficult Circumstances have unreasonably denied our Request: Wherefore We humbly pray that we may be sett off & incorporated into a Parish distinct from them in the following manner viz<sup>t</sup> bounding Westerly on Sandown East Line. thence to extend Easterly carrying the whole Breadth of the Town till it comes half way between our new meeting house & the old meeting house in Town, And that we may be discharged from paying to the ministry & the School in the other part of the Town & enjoy the Powers & Priviledges of other Parishes.

*Petition relating to boundaries.*

To His Excellency Benning Wentworth Esq Governor & Commander in Chief in & over his Majestys Province of New Hampshire. The Hon<sup>ble</sup> His Majestys Council & Assembly of said Province

The Humble Petition of Benjamin Stevens and Elisha Swett both of Kingston in said Province as Agents for the Proprietors of the common Land there shews

That the Township of Chester lying next to Kingston &

Principally on the Westerly Side thereof the Proprietors of said Chester have lately Raised a dispute with the Proprietors & inhabitants of Kingston about the Bounds there and would Remove the said Westerly Boundary of Kingston, (which your Petition<sup>r</sup> apprehended was fixed & marked before the grant of Chester) further Eastward & claim the Land between the line which they give us, & that which we say is the true Line, and in Consequence of this have bro't an action against one Bean who holds a parcel of Land between these two lines. in the Right of Kingston which action is now Pending at the Infer Court.

That the land between these lines has been almost if not quite all laid out by Kingston into lots of about forty rods in Breadth & half a mile in length so that there is a prospect of many suits at Law before this dispute will be ended in that way, which will be Expensive & Burdensome many ways, which the Proprietors of Kingston would gladly have settled in a more Summary method, But that cant be done by the direction of the Law to Renew and Perambulate Boundaries for they will not agree to the place which we fix for that Renewal of Perambulation, nor is there any Prospect of Compounding for each party Claims & seems to be determined to have the whole. That the foundation of their claim as yo<sup>r</sup> Petitioners suppose is a Supposition that Kingston has more Land than the Exact admeasurement of their lines wou'd give them which is no more than may be said of every Tract of Land laid out in the woods & Especially so long ago as the grant & Survey of Kingston.

Wherefore your Petition<sup>r</sup> in behalf of their Principals Pray that this matter may be Exam<sup>d</sup> and by a Resolve of the Legislature Determined which of these two Disputed Lines, or where the true boundary line of Kingston on the side aforesaid & elsewhere where Chester Disputes with them is, which your Petition<sup>r</sup> humbly Conceive will Prevent many suits at Law & they will as in duty bound ever pray &c

### LEMPSTER.

[This town was granted by charter January 5, 1767. Settlements were made about 1770, by immigrants from Connecticut. ED.]

*Petition of Capt. Joseph Spencer for an extension of the charter.*

Province of } To his Excellency John Wentworth Esq.  
New Hampshire } Captain General, Governour & Com-  
mander in Chief in and over his Majestys  
Prov. of New Hampshire aforesaid and  
Vice Admiral of the same, In Council.

The petition of Joseph Spencer Esq<sup>r</sup> in behalf of the Major part of the Grantees and proprietors of the township of Lempster in the said province, Humbly shews,

That the Charter of the said Township of Lempster was granted on the 5<sup>th</sup> January 1767 on Certain Terms of Culture & Expressed to be performed within 5 years from the date of the Grant, and your petitioner begs leave to represent. That as there are many difficulties which unavoidably attend the settlement of a new plantation Especially one that is at a remote distance from any Inhabitants many of the Petitioners have abundantly Experienced the discouragements arising therefrom, particularly in being obliged to cut Roads thro' the woods to their respective Lots at their own Expencc, which has principally retarded their compliance with the duties of the Grant; it has been peculiarly hard upon them as sundry of the Original Grantees have not to this day contributed in the least degree towards the settlement thereof. whereby those who have used their endeavours tho' not to full effect are liable to share the Fate of the (totally) delinquent, notwithstanding which inconveniences there are Eight Families actually resident on the premises, and Eight more that have improv'd so as to able to go on in the spring besides other Improvements, which affords a fair prospect to settle the same without delay, but as the

Charter is so near expiring Your Pet<sup>rs</sup> are thence induced to request that your Excell<sup>ty</sup> & honours will be pleased to lengthen out the said Charter for the Term of Four years. In which time the petitioners hereby promise & Engage to fulfill the Conditions required by their said Grant. and to Exclude, if your Excell<sup>ty</sup> & honours think proper those Grantees who have been entirely negligent as aforesaid, whose Names are as follows, Viz<sup>t</sup> Alexander Steward, Alex Steward Jr. Daniel Gates Nathan Gates. Dudley Woodbridge, Oliver Woodbridge, John Steward & John Steward Jr And grant them to such of his Majestys Subjects as are willing to settle their respective Rights or shares in the said Township or otherwise as to your Excell<sup>ty</sup> and honors shall seem just and right.

And your Petition as in duty bound will ever pray.

### LITCHFIELD.

[This town was early granted by Massachusetts as a plantation to William Brenton. and for a long period called *Brenton's Farm*. It was afterwards included in the Old Dunstable Grant, and belonged to that town until 1734. when it was set off and made a distinct Township, as appears from the following Petition. It remained under the jurisdiction of Massachusetts until 1741. when the establishment of the line between that Province and New Hampshire separated it from that Government. It was incorporated under the administration of Gov. Benning Wentworth, 5 June, 1749. JOHN FARMER.]

*Petition of the Inhabitants of Litchfield for a township.*

To his Excellency Benning Wentworth Esq. Captain General, Governour and Commander in Chief in and over his Majestys Province of New Hampshire in New England and To the Honorable his Majestys Council for said Province.

The petition of the Inhabitants of that Tract of Land lying and being in the Province of New Hampshire by the late settlement of the Boundary between the said Province and the Province of the Massachusetts Bay by his Majesty in Council, Called and known by the Name of Litchfield most humbly

sheweth, That upwards of Sixty years past the town of Dunstable was Granted by the Government of the Massachusetts Bay and laid out.

That in the year 1734 a part of Dunstable was set off and made a distinct township by the name of Litchfield, by the Government of the Massachusetts Bay, That the inhabitants of said town acted and Governed themselves by the Laws of the Massachusetts till the settlement of the Boundary Afores<sup>d</sup>

That they have lately settled a minister among them, That they at present labour under Great difficulty for that they are not in a capacity to act as a Town by any authority from the Province of New Hampshire.

Wherefore your petitioners pray your Excellency and Honours in your Great Wisdom and goodness to take this petition under Consideration and to Erect the said Tract of Land which contains six miles square nearest into a township with such Powers and Priviledges as other Towns within this Province have and enjoy, and your Petitioners as in Duty bound shall ever Pray &c

*Petition of inhabitants of Litchfield and Nottingham-west for the same.*

To His Excellency Benning Wentworth Esq. Capt General and Comander in Chief in and over his Majesties Province of New Hampshire in New England and to the Honourable his Majesties Counsel and House of Representatives of said Province in General Court Assembled, at Portsmouth the

The Petition of some of the Inhabitants of Nottingham and some of the Inhabitants of Litchfield humbly sheweth that your Petition After a meeting house was built in Nottingham and before any was built in Litchfield, erected a meeting house for the publick Worship of God where both we and our families might attend upon God in his house, and since that another meeting house has been set up in Litchfield, so that your Petitioners are put to the utmost difficulty to attend upon the publick Worship of God, and it is almost impossible for the rest of our families to weight upon God in his house, it being five, & for many of your petitioners more than six miles to the publick worship of God, so that we are obliged to leave our families behind us which fills those of us who have small Children with the Greatest distress imaginable lest some sore accident should befall them in our absence. And the rest of us

with the Greatest Grief and sorrow, that our families cannot accompany us to the house of God Under these distressing circumstances we have applied ourselves, both to the town of Nottingham and Litchfield for Relief, but they have done nothing for our help, and your Petitioners have for some Considerable time maintained and Supported the publick worship of God among us at our wa cost and charge, and at the same time paid our proportion toward building a meeting house, both in Nottingham and Litchfield and towards supporting the Ministry in both towns, and those of your petitioners that live in Nottingham have don our part also towards settling a minister in Nottingham. Your Petitioners Therefore do humbly pray that we may be erected into a township there being a sufficient tract of land in the North Westerly part of Nottingham, and Southeastely part of Litchfield to make a compact Town without any prejudice to the towns of Nottingham or Litchfield only coming half way from Litchfield Line at the North westerly End of Nottingham To Nottingham meeting house and going half way from Nottingham line at the Southerly end of Litchfield, on both sides of y river, to Litchfield meeting-house this would make a good township and would not be any Disadvantage Either to the Town of Nottingham or Litchfield And so we might all of us be accommodated for attending upon the public worship of God, But if your Hon in your great Wisdom shall not think it for the best to Erect us into a township then our humble petition is that we may be made and invested with all the priviledges of a parish with the Bounds above mentioned or as much of the Lands witnin these Bounds as your Honours shall think fit and that you would be pleased to send a committee upon our cost and charge to View the towns of Litchfield and Nottingham, and Report what they shall think proper to be done for us and your Petitioners as in Duty Bound shall ever pray.

*Petition relating to the support of a minister.*

To His Excellency Benning Wentworth Esq. Cap<sup>t</sup> General and Comander in Chief in and over his Majesties Province of New Hampshire in New England. December y<sup>e</sup> 25<sup>th</sup> 1742.

The petition of some of the Inhabitants of the uper part of the District Called Nottingham and some of the Inhabitants of the Lower part of the District Called Litchfield Humbly sheweth, that whereas your Petitioners have made application to your Excellency and the honourable Court of said Province set forth by a petition in the year past to be erected into a township or parish agreeable to said petition, and it has not ben your Excellency and Honourable courts pleasure to make any Confirmation to your petitioners as yet and in as much as your Petitioners circumstances is very difficult upon the acount of our being such a great distance from the publick worship of God in both places that it is almost impossible to attend the publick worship of God especially in the winter season and difficult times in the year that it is unaccountable to relate the difficulties and hardships that we our selves and families undergo in all seasons of the year. and your petitioners have for many years a grate part of the time maintained the gospel among ourselves upon our own cost and charge where we and our families May with conveniency attend upon God in his house, and under these distressing circumstances our humble petition is that your Excellency would be pleased to free all of us who has already made there application to your Excellency and the honorable Court from paying any more or further Rates and Town charges in Either of the said Towns Towards supporting y<sup>e</sup> ministry for so long a term of time until your Excellency and the honorable court shall further Determine in Answering to s<sup>d</sup> Petition<sup>rs</sup> who have all reddy made there application or for so long a terme of time as your Excellency in your Honors Clemency and goodness shall seem most meet.

We the Subscribers of the Districts called Nottingham and Litchfield who are your Excellencies former Humble Petitioners Beg leave to acquaint your Excellency. That we are Remain united in our earnest Desires to be Erected into a parish or Township Seperate, but in as much as your Excellency Dont as yet see fitt to grant this our Petition we Rest your Excellencies Contented Humble Subjects as to that but many who knows the Difficulties we Labour under upon the account of going with our Families to the stated places of Publick Worship of God in the Towns we Respectively Belong to and also upon the account of the Difficulties and Disturbances that seems to be Dayly arising in maney churches consarning the points of Religion and your Petitioners are all unanimously agreed as to that great and important affair have advised us to proceed in calling and settling a Gospel minister with us upon this we chose a Committee to Take the advise of the Neighbouring Ministers who Informed said Committee that they look upon it that it might be for the Glory of God and that intrest of Religion to settle one that might be able to Take us by the hand and Lead us in the way wherein we should go but notwithstanding we have had this advise and we united in our Desires to proceed yet we thought it not consistent for us to proceed till we had your Excellencies advise fearing we should incurr your Excellencies Despleasure thereby which we would Take all Lawfull means to avoid. *Petition relating to the payment of a minister.*

To His Excellency Benning Wintworth Esq. Capt. General & Governour in Chief in and over his Maj<sup>ty</sup> Province of New Hampshire.

Your Excellency May remember that part of the inhabitants of Nottingham & Litchfield so called Refer'd a petition to your Excellency & y<sup>e</sup> rest of y<sup>e</sup> Honorable Court in Humbly praying that we your humble petitioners with our respective Estates might be Erected into a distinct town or Parish that so we might have y<sup>e</sup> Gospel preached among us with greater conveniency, & from y<sup>e</sup> encouragement that we have had from time to time from your Excellency, and others of y<sup>e</sup> honourable Court, that we should be freed from paying taxes to our respective towns & also in due time to be made a town or Parish that we have obligated ourselves to a minister one that has been with us almost three years, and is still with us, & we some time last winter gave him a unanimous invitation to settle with us in the ministry, but your Excellency was pleased to write to us and in your letter you signified that it might be proper to deferr the settlement of a minister with us till May last past & out of obedience we omitted what we have for a long time wish'd for, we understand that y<sup>e</sup> honourable court is now rise; and we your Humble Petitioners tho't it not improper to write to your Excellency not only to acquaint you of our earnest desire to have a gospel minister settled with us, but also to know of your Excellency, whether we are obliged by the late act that was made by y<sup>e</sup> honourable Court to impower Several Districts Laying by y<sup>e</sup> province Line to raise money to defray town charges to pay taxes to our respective Towns, or whether your Excellency with y<sup>e</sup> rest of y<sup>e</sup> Honourable Court will Judge it sufficient for us to pay y<sup>e</sup> minister that has been with us, we humbly pray your Excellency to think of us in our dejected circumstances—so we remain part of your Excellency's former humble petitioners

*Petition of Nathan Kendall relating to boundary line.*

To His Excellency Benning Wentworth Esq. Capt. Gen<sup>l</sup> Governor & Commander in Chief in & Over his Majesty's Province of New Hampshire and the Hon<sup>ble</sup> His Majesty's Council for said Province, August 22<sup>d</sup> 1746.

The Humble Petition of Nathan Kendall in behalf of the People Inhabiting a place called Litchfield on the Easterly side of Merrimack River shews,

That the said Inhabitants desire to make a Grateful acknowledgment of the favour which your Goodness has Inclined you to grant them in giving them a Charter of Incorporation as a Town & Enfranchising them with the usual Liberties Immunities & Privileges of which they desire to preserve & Cultivate a just Estimation.

That notwithstanding the fatherly Care & Tender Regard shown them in this Particular the good design & Intention is Intirely defeated, for by some Mistake or Misrepresentation

the Boundaries given in the said charter are different from what the Intention was, as they Conceive, for part of that which was called Litchfield on the Easterly side of the said River is in fact taken into Nottingham & incorporated as parcel of that Town and what is left of Litchfield is much too small for a Town & cant possibly Subsist as such & there is no place to which it can be join'd nor from whence any thing can be taken to add to it.

That as these Charters have been lately made out it is likely they may not yet be Recorded, and as there is a mistake it is not Improbable that the Inhabitants of Nottingham may agree to Deliver up their Charter & take a new one Agreeable to the Bounds Originally designed Especially if they found it to be your Excellencys & your Honours Pleasure to have it so. Wherefore your Petitioner Most Humbly prays that the Premises may be taken under Consideration & such remedy Provided as is above suggested or such as to your Wisdom & goodness shall seem meet and your Petitioners as in duty bound shall in behalf of his Principals Ever pray &c.

NATHAN KENDALL.

In Council August 23<sup>d</sup> 1746.

The within petition read & ordered that the select men of Nottingham West be ordered to Appear before y<sup>e</sup> Gov<sup>r</sup> & Coun<sup>ll</sup> on y<sup>e</sup> 3<sup>d</sup> Tuesday of September next to shew reasons if any they have why the prayer of the Petition may not be granted & that, in Order hereto they be served with a Copy of the within Petition & this Order.

*Petition for a Parish on the East side of the river.*

To His Excellency Benning Wentworth Esq. Capt. General and Commander in Chief in and over the Province of New Hampshire, March y<sup>e</sup> 28<sup>th</sup> 1746.

The Humble Petition of the Inhabitants of the district of Litchfield Humbly Sheweth that your Petitioners are about forty familys being a part of Dunstable old grant living on the North Easterly Corner of s<sup>d</sup> Grant That the center of our town being about eleven miles from the Province Line we had not the least apprehension of our being affected by the fixing of Towns near said Line and that your petitioners have Paid above two thirds towards the support of the Gospel for many years, and that we are not only forty families upon the Easterly side of the River but that we have Land to accomodate a considerable Number more that the Inhabitants of Litchfield on the west side of the River dont exceed thirteen or fourteen familys who we are very willing should be disannexed from us In regard to the great Danger and Defficulty which we know

they are Exposed to In Crossing the River in order to attend the Publick worship of God Notwithstanding of all which Either by our having been Inadvertantly over look'd or forgot when Instructions were given to the Committee of the Honourable Assembly for settleing the Districts in these parts or by some other means unknown to us we understand that it is Intended that we be annexed to that District upon the west side of the River and that our Center and place of Publick worship be on the westerly side which would oblige Above forty familys constantly to cross the River to our great and unspeakable danger and difficulty. In order to meet with about thirteen or fourteen famelys. May it Please your Excellency to take the Difficult case of your Petitioners under your wise consideration and so to fix things that we may not be obliged to Cross the River for although we have Lost a Number of familys on the Westerly side of the River we have accommodations on the East side that is now onsettled that is Likely in a few years to Regain the Number Lost on the other side, so that Considering the Difficulty and Danger we must be at in case we were obliged to cross s River to attend publick worship we think that we can be much better accomodated to be Erected into a town on our side and much greater satisfaction to the inhabitants. Therefore your petitioners Desire to be Incorporated with the Injoyment of all the Land on the East side of s River in s<sup>d</sup> District and to be Invested with the Privilidge and Immunities as other towns in s<sup>d</sup> Province are, and your Petitioners as in Duty Bound shall Ever pray.

The Humble Petition of the Inhabitants of the District of

*Petition for a grant of a Ferry.*

To His Excellency John Wentworth Esq Captain General Governor and Commander in Chief in and over His Majesty's Province of New Hampshire. In Council.

The humble Petition of Lucy Read of Litchfield in the County of Hillsborough and Province aforesaid, Widow,

Sheweth, That your Petitioners late Husband Capt William Read was in his Life time Seized and possess'd of a Considerable tract of land on the Eastward side of Merrimac River in Litchfield aforesaid and did (without any Grant from His Majesty) improve a Ferry about three miles and an half Above Col<sup>d</sup> Lutwyches, called & known by the name of Reads Ferry, for about Twenty five years before his death, which happened about 4 years ago.

That the said William Read in his life time, and the said Lucy since his death have been at a Considerable Expence in Boats & attendance to Expedite the same Ferry, & make it commodious agreeable to Law.

Notwithstanding which premises your Petitioner is advised That the s<sup>e</sup> Title under the said William is precarious and sho<sup>d</sup> Any stranger obtain a Grant thereof it wo<sup>d</sup> Embarrass and greatly hurt your petitioner who has also six children by said William all now under age to maintain.

She most humbly intreats your Excellency wise tender regard of the premises to Confirm unto her the aforesaid improved and accustomed Ferry by Grant from His Majesty.

## LONDONDERRY.

[This town was originally called Nutfield, and was granted to a company of Presbyterians of Scotch origin, who emigrated from Ireland. It was settled about the 11<sup>th</sup> of April, 1719, by sixteen families, who were accompanied by Rev<sup>d</sup> James MacGregore, their first minister. A new parish, which is now Londonderry, was incorporated 25 February, 1740, and a second parish, now Windham, was incorporated 12 February, 1742.

The town was divided in 1827, and the old parish was incorporated by the name of Derry, while the second parish retained the name of Londonderry. ED.]

*Petition of the Inhabitants of Londonderry for a Charter,*  
21 Sept., 1719.

[This paper was restored to the Secretary's office in 1827, after having been out of it 86 years. JOHN FARMER.]

The Humble petition of the People late of Ireland now settled at Nutfield to his Excellency the Governor and General Court assembled at Portsmouth Sep<sup>r</sup> 23<sup>d</sup> 1719.

Humbly Sheweth, That your Petitioners having made application to the General Court met at Boston in October last and having obtained a grant for a Township in any part of their unappropriated lands took encouragement thereupon to settle at Nutfield about the Eleventh of Aprile last which is situated by Estimation about fourteen miles from Haverel meeting House to the North West and fifteen miles from Dracut meeting House on the River merimack north and by East. That your petitioners since their settlement have found that the said Nutfield is claimed by three or four different parties by virtue of Indian Deeds, yet none of them Offered any disturbance to your petitioners except one party from Newbury and Salem. Their Deed from one John Indian bears date March the 13<sup>th</sup> Anno Dom: 1701 and imports that they had made a purchase of the said land for five pounds, by virtue of this deed they claim ten miles square Westward from Haverel line and one Caleb Moody of Newbury in their name discharged our People from clearing or any waies improving the said land unless we agreed that twenty or five and twenty families at most should dwell there and that all the rest of the land should be reserved for them.

That your petitioners by reading the Grant of the Crown of Great Britain to the Province of the Massachusetts bay, which determineth their northern line three miles from the River merimack from any and every part of the River and by advise from such as were more capable to judge of this Affair, are Satisfied that the said Nutfield is within his Majesties Province of New Hampshire which we are further Confirmed in, because the General Court met at Boston in May last, upon our renewed application did not think fit any way to intermeddle with the said land.

That your petitioners therefore imbrace this opportunity of addressing this honourable Court, praying that their Township may consist of ten miles square or in a figure Equivalent to it, they being already in number about seventy Families & Inhabitants and more of their friends arrived from Ireland to settle with them, and many of the people of New England settling with them, and that they being so numerous may be Erected into a Township with its usual Priviledges and have a power

of making Town Officers and Laws, that being a frontier place they may the better subsist by Government amongst them, and may be more strong and full of Inhabitants :

That your Petitioners being descended from and professing the Faith and Principles of the Establist Church of North Britain and Loyal Subjects of the British Crown in the family of his Majesty King George and encouraged by the happy administration of his Majesties Chief Governour in these provinces and the favourable inclinations of the good people of New England to their Brethren adventuring to come over and plant in this vast Wilderness, humbly Expect a favorable answer from this honourable Court and your Petitioners as in duty bound shall ever pray & , Subscribed at Nutfield in the name of our people Sep<sup>r</sup> y<sup>r</sup> 21<sup>o</sup> 1719.

By

JAMES GREGG  
ROBERT WEAR.

*Petition for Bills of Credit, &c.*

To his Excellency the Governour and Honourable Council of New Hampshire in General Court assembled at Portsmouth Apr. 18<sup>o</sup> 1721.

The humble Petition of the People of Nutfield.

Humbly sheweth. That your petitioners are sensible of the Goodness of God and Care and Protection of his Excellency the Governour and Council of New Hampshire in supporting and defending their plantation for which they render them unfeigned Acknowledgments of duty and respect.

That your Petitioners are in a Growing condition having already Exceeded the number of three hundred and sixty souls of which there are one hundred and thirty Effective men capable to bear Arms for his Majesty King George, as his Excellency the Governour and Council may think fit to Employ them.

That altho' your petitioners have Exhausted their money in Subduing the wilderness yet they are Carrying on all the parts of good Husbandry and building a House for the worship of God ;

That your Petitioners want to be incorporated, that the affairs of their settlement may be managed with greater advantage.

May it therefore please your Excellency and your Honours to give order that our people which are already so numerous may not be too much Confined in respect of room by any

newer settlement in our Neighbourhood, that Bills of Credit May be lent out unto them upon due Security in some term of years to be paid again without interest in Hemp and other product of the land in such a sum as may incourage their Husbandry and especially their building of a meeting House, and that they may be duly invested with town Priviledges by Royal Authority. *Petition about running the lines.*

To the Honourable the Lieu<sup>t</sup> Governour and Council of New Hampshire.

The humble petition of James MacKeen and James Greg in the name of the people of Nutfield, Humbly Sheweth.

That your Petitioners are deeply sensible of the divine goodness in disposing the Honourable Lieu<sup>t</sup> Governour and Council of this Province from time to time to father and support our settlement.

That our Plantation is very numerous for the time, that our first divisions are filled with Inhabitants, and that we are ready to lay out and fill up Second divisions.

That we find ourselves too much confined in respect of room by the lines of Dunstable and Haverill and having no other way to enlarge ourselves but to the Northward, we did on the eighteenth day of April last run a line from the most northerly Angle or corner of Haverill a mile and half Westward, and then turned Northward: That the people of Cheshire have lately run a divisional line too close upon us and have cut off diverse of our homestead divisions: which was the more surprising to us in regard it was done without our Knowledge. Tho' the people of Cheshire were ordered by the honourable Lient Governour Wentworth, before they did run the additional line, which themselves had consented to run west North west from the Peke of Haverill, to give us advertisement.

May it therefore please your honours to give orders for the running of a West north west Line from the said Corner of Haverill as a mean between our Line and that of Cheshire, and that our second divisions which we are now ready to lay out and fitt up along the said line may not be disturbed in their settlement. And y<sup>e</sup> Petitioners as in duty bound shall ever Pray & .

*Petition relating to common lands.*

Province of ) To the Hon<sup>ble</sup> John Wentworth Esq. Lient  
New Hampshire { Gov<sup>r</sup> & Comander in Chief in & over  
his Maj<sup>ty</sup> Province of New Hampshire  
& to the Hon<sup>ble</sup> y<sup>e</sup> councill & house of Representatives in  
Gen<sup>l</sup> Court assembled.

The petition of us y<sup>e</sup> subscribers, Inhab<sup>ts</sup> & prop<sup>r</sup> of Londonderry within his Maj<sup>ty</sup> Province Most Humbly Sheweth.

That in y<sup>e</sup> year 1722. By the special Grace & bounty of this Gover<sup>mt</sup>, yo<sup>r</sup> Pete<sup>r</sup> & Sundry others of his Majestys Most Duty full Protestant subjects were embodied into a Township & favoured with a Charter for y<sup>e</sup> Town by y<sup>e</sup> name of London-

derry and were thereby entitled to all y<sup>r</sup> Priviledges, Right & Imunitys y<sup>t</sup> other Towns in y<sup>e</sup> s<sup>t</sup> Province usually hold & enjoy, y<sup>t</sup> in May 1723 the s<sup>t</sup> town voted y<sup>t</sup> three men should Lay out y<sup>e</sup> wants of homesteads and amendm<sup>t</sup>s & to y<sup>r</sup> David Cargill, Wm Aiken & Jn MacMurphy were appointed y<sup>e</sup> three men, on y<sup>e</sup> 20 of Jan<sup>y</sup> 1723-4 it was also voted y<sup>e</sup> committee before appointed to lay out wants of homestead & amendm<sup>t</sup>s shall lay out y<sup>e</sup> same quantity, quality Distence & Conveniency considered, y<sup>e</sup> on y<sup>e</sup> 6<sup>th</sup> of March 1726-7, Andrew Todd, W<sup>m</sup> Aiken & Jn M<sup>r</sup> Murphy were Chosen a comittee for laying out y<sup>e</sup> wants of Homesteads, Hig<sup>h</sup>way Land & Amendm<sup>t</sup>s tho y<sup>r</sup> Petit<sup>ion</sup> humbly observe there were some y<sup>e</sup> put in their dissent ag<sup>st</sup> y<sup>e</sup> same, y<sup>t</sup> y<sup>e</sup> s<sup>t</sup> comittee with<sup>out</sup> taking any previous oath to y<sup>e</sup> true & faithfull Discharge of y<sup>e</sup> trust reposed in them as all<sup>o</sup>res<sup>d</sup> proceed in their work, but with what equality & justice will appear to y<sup>e</sup> hon<sup>or</sup> from very many Instances to long to be enumerated in y<sup>e</sup> body of this petition: but by a paper here to annexed w<sup>ith</sup> reference thereunto being had more fully will appear y<sup>t</sup> after y<sup>e</sup> s<sup>t</sup> Comittee had thus w<sup>ith</sup> any regard to proportion & Justice: but in s<sup>t</sup> doing served in a cold y<sup>e</sup> interest of y<sup>e</sup> selves but of such others who were so many as to gain their fav<sup>r</sup> at y<sup>e</sup> Expence of Many of y<sup>e</sup> old prop<sup>erty</sup> Interest & Just Right & Title in such good & unimpeach<sup>ed</sup> lands as they thus unepually laid out y<sup>e</sup> y<sup>e</sup> s<sup>t</sup> Lot buyers w<sup>ith</sup> out acquainting y<sup>e</sup> s<sup>t</sup> town with these their s<sup>t</sup> proceedings for approbation, or according to Law, equity & Good Conscience they ought to Do, give to such persons as they laid out to Copy<sup>es</sup> of their respective Lots, who immediately recorded y<sup>e</sup> same in y<sup>e</sup> Province & Town Records, y<sup>e</sup> most of y<sup>e</sup> substantial & well thinking prop<sup>erty</sup> of y<sup>e</sup> s<sup>t</sup> Town being Justly alarmed at these extraordinary & unprecentall proceedings at a town meeting Sometime in August last, Voted y<sup>e</sup> Actings & Doms<sup>ts</sup> of y<sup>e</sup> s<sup>t</sup> Comittee to be null & void as by s<sup>t</sup> Vote more fully will appear to y<sup>e</sup> hon<sup>or</sup> whereupon It was to be hoped y<sup>e</sup> s<sup>t</sup> same would put an end to y<sup>e</sup> unhappy distractions & Divisions of s<sup>t</sup> Town. But so it is: and so a prop<sup>erty</sup> y<sup>e</sup> this Day had a part Interest thro out y<sup>e</sup> whole town, tomorrow has not half y<sup>e</sup> Interest & y<sup>e</sup> next Day regains his s<sup>t</sup> Right & Interest & y<sup>e</sup> day following is stript of y<sup>e</sup> same & all this done w<sup>ith</sup> any act of his own but by a maj<sup>ority</sup> Vote Pretended and thus Right & property is evidently rendere<sup>d</sup> uncertain & fluctuating & *incertum est Sciretibus ubi Jus est verum* & by y<sup>e</sup> same doctrine & Rule y<sup>e</sup> Maj<sup>ority</sup> vote may give or lay out all y<sup>e</sup> right and property of y<sup>e</sup> minority from them.

That y<sup>e</sup> petit<sup>ion</sup> endeavoured to Conciliate these differences by having y<sup>e</sup> same determined by Indifferent who should examine y<sup>e</sup> Justice & equality of y<sup>e</sup> s<sup>t</sup> comittee in their several

layings out as afore<sup>d</sup> but y<sup>e</sup> same were rejected & all other overtures tho ever so reasonable that thus y<sup>e</sup> Harmony peace & prosperity of s<sup>t</sup> Tom Inevitably will be lost with<sup>t</sup> the interposition of y<sup>e</sup> Hon<sup>ble</sup> & this great & Gen<sup>l</sup> Court, for y<sup>e</sup> differences are of y<sup>e</sup> Gen<sup>l</sup> & publick nature y<sup>e</sup> y<sup>e</sup> ordinary proceedings in y<sup>e</sup> Common Law courts will be so farr from curing y<sup>t</sup> they will only put y<sup>e</sup> town into a greater flame by y<sup>e</sup> multiplicity of suits y<sup>t</sup> therein naturally must arise & w<sup>ch</sup> will also Tend to y<sup>e</sup> great Impoverishm<sup>t</sup> of y<sup>e</sup> s<sup>d</sup> prop<sup>ty</sup> wherefore it has been y<sup>e</sup> great wisdom grace & fervour of this great & Gen<sup>l</sup> Court & y<sup>e</sup> s<sup>d</sup> & Gen<sup>l</sup> Court of y<sup>e</sup> neighbouring province always to interpose in cases of so publick & complicated a nature where y<sup>e</sup> prosperity of a community is so nearly engaged & either upon Publick hearings Immediately to enact & order therein as to their Known Wisdom, & experienced Justice seems most meet or either to appoint a committee to examine & Inspect s<sup>d</sup> Grievances & make a Report thereof for y<sup>e</sup> Legislature to pass thereupon, wherefore y<sup>e</sup> distressed & Grieved Petit<sup>r</sup> are encouraged to approach y<sup>e</sup> hon<sup>ble</sup> to whose goodness they owe their present Right & possession & from whence they expect y<sup>e</sup> same will be preserved unto them, & as it is their bounden duty will ever pray &c.

The petition of the Inhabitants of the town of Londonderry most humbly sheweth.

That in as much as the Inhabitants of the Town of Haverhill do often disturb sundry of your Petitioners in their quiet possession of their Lands granted to them by their charter under their pretensions of a Title thereto. we pray that the government may help and assist us in the defence of our title and possessions, or to take some method as in your wisdom you shall think best to prevent our being impoverished. if not ruined by Law Suits which are daily multiplied by them.

*Petition relating to Minister's tax and a new Mill-h.*

To His Excellency Jonathan Belcher Esq Governor & Commander In chief in & over His Majestys Province of New Hampshire in New England. The Hon His Majestys Council & House of Representatives for said province In General Court assembled the 31 day of January Anno Domini 1739.

The Petition of Sundry Persons Inhabitants of the Town of Londonderry in the province aforesaid Humbly Sheweth.

That the Inhabitants of the said Town at a Town meeting In the year 1736, thinking it most expedient for their accommodation & Satisfaction To have the Town divided into two Parishes or Districts (as to their ecclesiastical affairs) accordingly then Voted a Dividing Line setting forth the course thereof in the vote and shortly after a Petition was Prefer'd to the General Court by the principal part of the Inhabitants living in the western part of the said Town praying that they might be erected & Incorporated Into a New Parish agreeable to the Boundaries mentioned in the said vote.

That altho the matter was not then fully effected yet so much was Done Pursuant to the said Petition that the Petitioners with their associates then & ever since have maintained a Gospel Minister among themselves & have look'd on themselves as a distinct Church & Congregation from that in the other part of the Town and as to affairs of that nature have acted separately too perhaps in strictness of Law not absolutely & compleatly Disjoined and separated from the other part of the Town.

That the constant standing Rule of Raising the ministers Salary there ever since the settlement of the said Town has been to Levy a Tax on the pews or seats in the meeting house when the Proportion of occupants under them shal always paid, so that they shal not be rank'd under such a Tax as shal not be rank'd under the said Salary.

That the persons above mentioned the inhabitants of the said Western part of the Town proceeded to select the Reverend Mr David Magill as their minister who was accordingly ordained to the pastoral office amongst them, and he being a Gentleman with whose ministerial abilities and Moral Character your Petitioners (as well as all the said Inhabitants) are well satisfied and under whose ministry they sit with Pleasure, they are therefore more Solicitously Concern'd that he might be supported Suitable To his Character & Station. That however desirous your Petitioners (& their associates) have been to afford their said minister an Honorable maintainance they have not yet been able but barely to allow him a comfortable subsistence by reason of the unsettled condition they are in &

of the unhappy disputes controversies & Law suits between them & the other part of the said Town by whom they have allways been (as they think unreasonably) oppos'd In matters that Relate to the Premises which situation of affairs has also greatly disturb'd the peace of both societies & perhaps much Impeded not only the discharge of Christian duties but even the offices of Good neighborhood between them. That your Petitioners & their party have however at one time & another made all the overtures to their opponents that could in reason be expected for adjusting & ending the said differences & Issuing all their Controversies in an amicable manner which have hitherto prov'd fruitless & Ineffectual for that purpose, and they are not only still Subsisting but seem to be carried to a greater Length & are risen to a higher Pitch now than ever.

That notwithstanding the afore's<sup>d</sup> rule & method of raising the ministers Salary in the said Town the said party, your petitioners opponents who are the Major part of the Town have lately voted that the support of y<sup>e</sup> ministry among them (tho. they have at present no settled minister) shall be by a tax Levied on the whole Town in General without distinction thereby subjecting Mr Magregore's Congregation to pay toward the maintainance of the other minister or the supply of the other desk at the same time they maintain their own of themselves which seems to be a scheme projected purely to oppress & dishearten that Congregation or at least their present minister. That they are still willing to comply with any reasonable terms of Terminating the said differences but as the said Contending parties are never like to fix on such terms themselves your Petitioners in behalf of the said Congregation fly to this Hon<sup>ble</sup> Court for aid and therefore Humbly Pray that the said Congregation with such others as are willing to join them (not exceeding the one half of the Town) may be freed & exempted from paying to any other ministers salary than their own & all other charges of y<sup>e</sup> nature of Parish charges & may have Parish powers & authorities granted to them, or that both the ministers of the said Town for the time being may be Supported by an assessment on the whole town in Common according to the method of defraying Town charges in other Towns or that such other Redress may be Provided for your petitioners & their associates as this Hon<sup>ble</sup> Court in their great wisdom & Goodness shall think proper & y<sup>e</sup> Petition as in duty bound shall ever pray &

*Answer of Selectmen of Londonderry.*

To His Excellency Jonathan Belcher Esq. Governor and Commander in chief in and over his Majesties Province of New Hampshire, the Honourable his Majesties Council for s<sup>d</sup> province and the House of Representatives in General assembly Convened.

The Answer of the selectmen of Londonderry to a petition of sundry of the Inhabitants of s<sup>t</sup> Toun for a new parish, shews, That at the General Court held at portsmouth in and for said Province in April 1736 there was a petition preferred to the General Court of s<sup>t</sup> province that there might be a parish set off in the westerly part of s<sup>t</sup> toun agreeable to a vote of s<sup>t</sup> toun, that then the General Court was pleased by a Vote to set off a parish in the westerly part of s<sup>d</sup> toun and that the meeting House or place of worship should be where it then Stood in the westerly part of said toun and that to the number of thirty five in s<sup>d</sup> westerly parish might remain to the old parish, and also thirty five of the old parish might go to the New parish, and that Before the s<sup>t</sup> Vote of the General Court was reduced to an act the Secretarys House was consumed by fire the s<sup>d</sup> Vote among other papers was Burnt at which grant to our neighbours by your Excell. & Hon<sup>r</sup> your answerers was fully satisfied and contented, But it hath so hapned since the Destruction of s<sup>t</sup> papers that their is a party in the old parish friends to the Rev<sup>d</sup> M<sup>r</sup> M Gregore that has removed the publick worship of God from the Westerly meeting House Contrary to your Excell. & Hon<sup>r</sup> orders and have Built another meeting house within a mil and a half to the old meeting House which we conceive will tend more to the fomenting of our present Debets and the destroying of Religion than any thing Ells, and have used all means & methods to tear our toun into peaces and also they have tray'd all meathods to destroy our meathod in Rising our ministers Sallary in the old meeting house which meathod was to Rise the ministers Sallary upon the pews or seats in s<sup>t</sup> House they still crying out that such a meathod was unjust and also contrary to the Laws of s<sup>d</sup> province till this present year that they obliged the Town to pass a vote to Rise s<sup>t</sup> Sallary by the poles and estats of s<sup>d</sup> Toun agreeable to the Laws and Custom of this Province. That a number of the Inhabitants of s<sup>d</sup> toun have Petitioned this

Honorable Court (this present sessions) for a new parish in s<sup>t</sup> town. Wherefore your Petitioners most humbly pray that if their be any new parish in s<sup>t</sup> town it may be agreeable to the line agreed upon in the s<sup>d</sup> town and agreeable to the vote of the General Court. Namely that the meeting House be where it was first Built in the westerly part and that thirty five may go from the westerly part to the old parish and as many from the old parish to the westerly parish, and that the taxes already assessed in s<sup>t</sup> town for this year past may be pay'd as assessed by s<sup>t</sup> town.

*Petition of 2<sup>d</sup> Congregation relating to Presbyterial authority, &c.*

To the Honourable Richard Waldron Esq Secretary of His Majestys Council in New Hampshire.

The Humble Petition of Sundry the members of the 2<sup>d</sup> Congregation In Londonderry and Province aforesaid In behalf of themselves and others, Sheweth,

That those of your Petitioners who dwell In the Western side of the Town were disannexed as a distinct Parish by a Vote of the Town in a legal Town meeting In the year 1736. That those who dwell within y<sup>e</sup> Bounds of the old Parish were dismissed from said Parish by Presbyterial Authority all which we can make appear by authentick Records. That the place of worship where we now meet was agreed upon before our minister was ordained by a Great Majority of our Congreg<sup>s</sup> as we can make appear by a written agreement to that purpose. That we beg your Hon<sup>r</sup> would hear our agent Mr Reid upon this Head who can plainly demonstrate the necessity of our place of worships being fixed where it is. That the vigorous oppos<sup>w</sup> has been made against us from time to time what ever specious pretences it may be clothed withall proceeds from a rooted antipathy against our Minister or rather against his Father y<sup>e</sup> late Mr M Gregore whose memory is still dear to us and we think ought to be to our whole Town. That had we an opportunity of letting your Honor Into some passages of the Secret History of our Town we could make it manifest that this is no groundless inuendo. That the prayer of our petition now before his Excellency and Council if Granted cannot hurt the old congregation whatever clamour of this sort they may make they being still far more numerous and wealthy than we and their meeting house as well or better situated for the accomodation of their People. That we cannot help sus-

pecting that we have been Secretly Stigmatized as persons disaffected to his Excellencys Governm<sup>t</sup> by some who make lies their refuge. That if nothing be done for our relief at this Juncture we are affraid our minister will be obliged to leave us which will be exceeding heavy to us considering the great love we have to him and the Edification and comfort we enjoy under his administrations. That your Honours doing somewhat to extricate us from our present difficulties will lay such an oblig<sup>e</sup> to Gratitude upon us as will endear you to us more than ever which we shall be ready to make appear by our future conduct.

May it therefore Please your Hon<sup>r</sup> since we flee to you for Succour to use your Interest upon our behalf with his Excellency & the other honourable members of the Council That our Pctition may be reconsidered and that somewhat may be done for our relief that may be looked upon as reasonable and Just and your Petit<sup>n</sup> as In duty bound shall ever pray.

*Petition of inhabitants of old and new Parishes of Londonderry.*

To his Excellency Benning Wentworth Esq. Governor and Commander in chief in and over his Maj<sup>ty</sup> province of New hampshire the Honourable his Majesties Council for said Province and the house of Representatives in Generall Assembly Convened.

The Petition of Sundry of the Inhabitation of Londonderry in the province of New hampshire belonging to the old and new parishes humbly Sheweth.

That whereas in february in the year 1739-40 there was a

new parish sett off in this town by the Generall Court, Granting Liberty to forty famelyes that lived within the Bounds of the said new parish still to Remain members of the old parish with their estates and at the same time granted Liberty that forty famelys that lived within the Bounds of the old parish Should become members of the new parish With their estates if they saw cause.

Which accordingly was performed and that still their was some few famelys and single persons in Both parishes that was not contented because they were obliged to pay there parish Tax where they properly belonged and went to the contrary parish to the publick worship, and that whereas freedom and Liberty is most to be Desired especially in Religious affairs and whereas every christian ought chiefly to study those things That will be most for the advancement of the Redeemers Kingdom out of a consious concern for those persons that they might obtain their freedom and liberty as well as the Rest of the people of this town the Two parishes chose each of them a committee to see to accomodate that affair who is the Subscribers to this petition and was legally chosen for Said End, and accordingly we meet and after some conversation about the affair we came to a mutuall agreement that all persons who had a mind to become members of the new parish should on a certain day then appointed meet the two committees and sign their names to said agreement which is two tedious here t. Insert and those that had a mind to become members of the old parish had the same liberty and accordingly at the Day appointed the people came and signed their names only their is a saving clause in said agreement that we did not Intend any Infringment on the Court Act Relating to the forty famelys belonging to each parish: Wherefore your petitioners humbly prays your Excellency the Honourable the Councill and house of Representatives that you would be pleased to pass an act to establish this our agreement, & that those persons, with their estates who hath already signed their names with us may become members of the old and new parish as they have signed, and that you would be pleased to Incorporate the new parish into a town & have priveledges as other towns except it be about highway work and taking the Invoice for the payment of the publick tax. Likewise that you would be pleased to explain the former act Relating to the forty famelys that is to say whither on the sale of any of those forty estates the purchaser shall be obliged to pay his parish tax where the estate was signed unto, or whither he may be at his Liberty to go to the other parish if he sees good. Also that all traigent persons who shall come to sojourn in this town shall have liberty to sign there names in three months after there arrivall with

The Humble Petition of the select men of the town of Londonderry in the province aforesaid most Humbly sheweth,

That your petitioners Laying upon or near to the boundery line of the province and so a grait part of our town always disputed in the Law by which your petitioners yet labors in enumerable difiquelty which is attended with large expence and yet some of the disturbers of our peace and not our peace only but of the peace of other towns and also of the province itself, have as we understand petitioned for a part of our town on the East part of our town to be annexed to a new parish or town of there own forming by which if granted would in a measuer destroy our old parish and cut a grait many mens estates to pieces.

May it therefor pleas your Excellency and Honors to take our case into your consideration and not to brake in on our town in any ways which if don will render our town for ever miserable and your petitioners as in duty bound shal ever pray.

*Petition to be Taxed in Nottingham-West.*

Province of } To His Excellency Benning Wentworth Esq.  
New Hamp } Governour & The Hon<sup>e</sup> his Majestys  
Councill & House of Representatives in Gen<sup>l</sup>  
Assembly convened, Jan. 1754.

The petition of Sundry Inhabitants now within the lines of Londonderry whose names are entered on the Back hereof most humbly shews,

That whereas by the unhappiness of the line formerly not being Known and agreed to by this and the Massachusetts Province the grant of Dunstable and Londonderry Interfered, by which means wee and the chief part of our Lands fall within Londonderry

That when we began our settlements there, we was part of the town of Nottingham, and considered as such both as to Duty & Priviledge.

That by the late Incorporation of the lands adjoining to Londonderry we were not considered in their Resettlement and Building their meeting house Neither is the settlement of either of the meeting housen in Londonderry which are sett on the Northeasterly part of that town ten miles from the greatest part of us from some of us eleven and that none of us live within nine miles the Road we pass to the nearest of their meeting housen.

That upon our application to this Hon<sup>l</sup> Assembly sometime since we obtained the favour to be Dismissed from the Taxes Londonderry had then assessed us and in the future till the further order of this assembly.

That altho Nottingham and Litchfield meeting housen are under their last Regulation sett about three miles nearer than Londonderry yet the travill is so far that it is very difficult for us to attend their great part of the year, yett Nottingham has been the place wee have attended the ministry when the season was such we could travill.

That the distance we are from Londonderry renders it Impracticable for us and our families to attend there on Lords days and their Known numbers and Riches leaves no room for pretending to need us to support that charge.

Nottingham has hitherto favoured us with Liberty to meet with them and are still willing without our being taxed to the support of their minister.

That we shall chearfully amongst our selves in the Winter season hire as much as our abilities will admit till we may by some future opportunity be Better accomodated.

Wee justly expect and are Willing to pay to the support of Government (an Invaluable priviledge) what our Equitable part is & shall be. That ever since we have been settled, have & still do keep and maintain Good Hyways thro all that part we claim where they have been found of convenience & are Willing to continue so to do :

Wherefore we Humbly pray that your Excellency & Honours would be pleased to take these premises into your consideration & to grant that wee may be altogether freed and not subjected to any Tax or assessment in Londonderry, and that wee may be so far sett of and annexed to Nottingham west as to be taxed with them to the province charges ; and as in duty Bound shall ever pray.

*Counter petition.*

To his Excell<sup>t</sup> Benning Wentworth Esq Gov<sup>r</sup> & Comander in Chief In & over his Majestys Prov of New Hamp. and to the honourable his Majestys Counsel & house of Rep<sup>ves</sup> in Gen<sup>l</sup> Court assembled March the 27<sup>th</sup> 1754.

The humble Petition of the Town of Londonderry of the said Prov. Sheweth,

That having been lately served by order of Assembly with the copy of a petition Subscribed by a number of people living at present upon some of our Lands in the Southwestern part of the Town, wherein they request to be disannexed from Londonderry, we crave leave to represent as follows: That were we before a court whose Business it is to Judge of the Right of the soyl we might say that as the land upon which the Petitioners is settled did upon the determination of the Boundary Line between the provinces fall within the province of New Hamp. it thereby plainly appears that the assembly of the massach<sup>t</sup> had never any power to grant it that therefore their pretending to hold by Dunstable gives them no just Title to the Land. That had the Mass<sup>t</sup> obtained all that they desir'd of his Majesty, viz. a curve line the case of the petitioners with respect to Title would have been the same all of them living above three miles distant from the River. That the far greater part if not the whole of the Petitioners have settled since the Determination of the line and some of them very lately. But as it may be perhaps said that these things are not a proper Subject to be laid before the honorable assembly we insist not on them but proceed farther to say. That the Town of Windham a part of Londonderry is so much weakened by a considerable number of the Inhabitants being freed from any obligation to support the Gospel ministry there that the remaining part was left too weak to support the said charge, in consequence whereof their minister has been obliged to leave them and they are at present destitute of the principal outward means of Grace without any rational prospect of its being soon otherwise.

That the western parish of Londonderry is already considerably weakened by the Incorporation of Derryfield that should another large part be taken off on the South western side especially if that is done with a view and as a step towards a yet

farther Inroach' the Conseq<sup>s</sup> is like to be soon the same with the Western Parish as that with Windham above mentioned.

That the thing the petitioners ask of this honorable assembly, viz. to be disannexed from Londonderry without being incorporated either as a Town or Parish is (as far as we know) without example in the Prov<sup>e</sup> and it is left to the reasonable consideration of this wise assembly whether (if granted) it might not prove a bad precedent. That as the petitioners Locality which renders their distance from both our places of publick worship considerable is the only Plea enforcing their Petition w<sup>h</sup> has any appear<sup>o</sup> of weight So even in that Respect we humbly appreh<sup>d</sup> they have no reason to complain since they have not been nor are like to be at any charge either in Building a meeting house or supporting a min<sup>o</sup> with us.

May it therefore please your Excell<sup>t</sup> and Hon<sup>o</sup> to take the Premises under your wise and Impartial Consideration and at least to delay the granting of said petition till the circums. of the Petiti<sup>o</sup> be so far altered as to give them some Just Reason of complaint and your Pet<sup>o</sup> shall ever pray.

*Petition for a Law regulating fishing.*

To His Excellency Bening Wentworth Esq. Captain General Governour & Commander in Chief in & over his Majestys Province of New Hampshire: The Honourable his Majestys Council & House of Representatives in General Assembly Conven'd.

The petition of the Subscribers a committee chosen at a Legal Town meeting Holden in Londonderry & Province afore's & others Inhabitants of Neighbouring Towns Humbly Shews,

That the Petitioners apprehend the Publick Interest makes it necessary To make a Law to regulate the following Articles viz: First where as in Merrymac river in the Town of Derryfield & Province afore s<sup>d</sup> there is certain rocks Known by the name of Amuskeeg Falls at which place every Spring there is great number of Salmon & Shad fish which we believe every Inhabitant in the Province afore s<sup>d</sup> has an equal right to, But particular men Takes what they call possession of all the Convenient places to catch said fish & either by themselves or agents prevents all others from catching & those possession men sells at what prices & when & to whom they please which makes Disturbances & Disorders Too many to be here enumerated.

Secondly The rivers & Brooks That emty's into Merrymac river are so filled with Mills & Dams that the passage of the fish is Intirely obstructed & the Inhabitants especially the poorer sort greatly Injured.

Thirdly, Fishing every day with scenes in Merry-Mac river prevents the Increase & in time may Turn the corse of the fish from the river; wherefore your Petitioners Humbly pray,

First That every Inhabitant in the Province afore s<sup>d</sup> if they please to go to the above s<sup>d</sup> falls may fish their Turn & enjoy their right peaceably.

Secondly, That every Impediment on any river or Brook as above s<sup>d</sup> may be removed at the expence of the Builders of s<sup>d</sup> Impediment so that the fish may have free corse to the heads of s<sup>d</sup> rivers & Brooks.

Thirdly, That no persons be allowed to fish more than three days in the week with Siens in Merrymac river within the Province afore s<sup>d</sup> In case Massachusetts Bay makes the same Law or Otherwise In any or all the Above's<sup>d</sup> Articles as in your Great Wisdom you Judge most for the Publick Good & your Petitioners as in Duty bound will ever pray.

*Petition relating to fish in Merrimack river.*

 for said Province.

The petition of us the Subscribers being Inhabitants of Londonderry, Chester, Derryfield, Bedford, Goffestown, Starkstown, Pembrook, Pennykook & who are commonly supplied with Fish caught at the Falls in Merrimack River Most Humbly sheweth

That whereas there hath been a Petition prefer'd to this Honourable Court to Restraine the fishing at the Falls in said River three days in each week as the fishing with Seanes is Restrained by an act lately passed In Answer to said petition we pray that the fishing at the Falls in said River may not be restrained in any measure but that the same may remain free as it hath been hitherto, we being of opinion that the fishing with scoop or dip nets does not in any measure hurt or hinder the Increase of fish so but that they may be always plenty as they have ever been untill the fishing with Seanes as long Experience Sufficiently Evidences for the fish in said River were always observed to Decrease as the number of seanes Increased and provided nothing might be suffered to hinder or destroy the Fry or young-fish coming down the River Provided also that the catching Salmon from and after the first of July to the end of the year were wholly stoped and that two or more persons be chosen and Sworn in each town joyning on the River annually to see that the Laws Relating to fishing be duly observed not only within the towns where they are chose Respectively but any where on said River and the lesser Rivers that Run into the same—Wherefore your petitioners pray that their said fishing at the Falls may not be Restrained and your Petitioners as in duty bound shall ever pray.

*Petition about irregular proceedings in town meeting.*

To the honourable the Representatives of the province of New Hampshire in New England in General Assembly to be Conven'd May y<sup>e</sup> twenty Second A D. 1771

The humble petition of the Subscribers Freeholders of Londonderry and Windham of the province aforesaid Sheweth,

That your Petitioners are a Great part if not the Majority of the Qualified Voters of said Londonderry and Windham That your petitioners think they can make it evidently appear that in the choice of a Representative Last Tuesday they were Treated by the Moderator of said meeting and his abettors with manifest and Glaring partiality, that persons were admitted by the Governing Party in said Meeting to Vote who cou<sup>ld</sup> or won<sup>ld</sup> Not Give sufficient Evidence of their Being Qualified as the Law Directs, That altho' an express Law of the province Provides in case any dispute shou'd arise upon a written Vote a Poll if demanded shou'd be the final Decision and altho the Moderator did Promise that said poll should Take place in case it was Demanded and in consequence of said Promise a Number did forbear Voteing by a written vote as Thinking it wou'd Be soon enough when it came to the poll yet when a dispute did arise upon the determination by the written Vote though the Moderator was call'd upon imediately and Repeatedly by a great number of the members of the meeting agreeable to his promise and to the Law to Bring the matter to a final decision By poll yet he did in an arbitrary and dispotic manner Refuse the same.

May it therefore Please your honours to consider and enquire in to the case from w<sup>ch</sup> we think it will evidently appear that the matter was not fairly carried and to Give order that Londonderry and Windham may have another meeting in order to have a fair choice and your Petitioners shall ever pray & &

*Petition of Londonderry West Parish.*

To his Excell<sup>t</sup> John Wentworth Esq. Cap<sup>t</sup> Gen<sup>l</sup> and Gov<sup>r</sup> in  
 Chief in & over his Majestys province of New Hampshire,  
 And to the honourable his Majestys Council and house of  
 Representatives; In General Court assembled.

The humble memorial and Petition of the western Parish in  
 Londonderry and Province aforesaid Sheweth

That in the year 1739 your petitioners obtained an Act of  
 the Legislature of this province setting off by certain bounds  
 therein specified a parish in the Western side of Londonderry.  
 That a number of people in each Parish, unwilling to join  
 with or be of the Parish in which they were situated and  
 pleading Conscience & Liberty it was provided in said Act that  
 forty Familys within the eastern side of the Town should  
 have Liberty to Incorporate with and be of the western par-  
 ish, and that an equal number within the Bounds of the western  
 Parish should have the same liberty. That by the means of  
 these vicissitudes to which in a long space of Time humane  
 Affairs are liable some of the exempted forty Familys or their  
 posterity have by the transferring of property come to be liable  
 (as is alledged by some) to pay those ministers to whom they  
 never stood in any special Relation whose ministry they can-  
 not in conscience attend: and who have the very same Plea  
 with the mentioned forty Familys exempted in the parish act  
 as above said, That altho your petitioners have never taken  
 any advantage of the circumstances of such Persons as judging  
 that to do so would be contrary to the Principle of Liberty on  
 which the above mentioned exemption in the parish Act is found-  
 ed; yet the Eastern Parish cannot say so; they have (especially  
 of late) shewed a great avidity to avail themselves of such ad-  
 vantages. They have rated a considerable number and made  
 distress upon some who always belonged to the Parish of your

Petitioners, some of those rated are of the exempted forty Families and have been born under the present Ministry inso-much that the Letter of the Parish Act is made use of by our Neighbours in such a sense as to destroy the true spirit and Intention of the said act, and also to rob people of the liberty granted in religious matters by a gracious King and by the laws of this province.

That there is often a wider difference between Presbyterians and Presbyterians than there is between Presbyterians and Congregationals or between Presbyterians and Episcopalians as such—Two persons may both of them be nomenclally Presbyterians and yet may differ in some of the most important Doctrines of Religion whereas Presbyterians and Congregationals or Presbyterians and Episcopalians as such differ only in things of a comparatively lesser Nature. That if the Law provides for people in the latter of these Cases where the ground of dissent is Lesser, much more ought it to provide in the former case where the ground of dissent is greater.

That as the two congregations in Londonderry are nearly Equal: As the people of the two Societys are living promiscuously all over the Town: as the meeting houses are about equally well situated for the accomodation of the Town in general And Finally as the difference in religious matters between the two societys is of long standing and in the Judge of your petitioners wide and of great Importance, your petitioners are humbly of opinion that the Thing and the only Thing that will Establish Peace and good Neighbourhood between the two societys and prevent expensive Prosecutions in the Executive courts will be an act of Assembly appointing that every person in Londonderry should support the Gospel in that Congreg only where he constantly & conscienciously attends—such an act (your peti are fully persuaded) as it is most equitable in it self so it will be the most likely means to calm the spirits of people many of whom are at present much exasperated by apprehended Imposition. This will be the most likely to keep the two societys nearly upon a levell: And to conclude this will make every Individual in the Town a volunteer in the support of the Gospel.

May it therefore please your Excellency & Hon to take this weighty affair which so nearly concerns the peace and happiness of this large town under your wise and impartial Consideration: And under proper limitations to enact that every person shall be obliged to support the Gospel in that Congreg only to which he conscienciously adheres: and where he ordinarily attends, and your peti shall ever pray.

*Petition of Inhabitants of Londonderry, 1773.*

To his Excellency John Wentworth Esq Capt General Governor & Commander in chief in & over his Majestys Province of New Hampshire & vice admiral of the same & The Honourable His Majestys Council & House of Representatives in general Assembly Convened.

The subscribers inhabitants in the East & West Parishes in Londonderry in s<sup>d</sup> Province humbly shews, That in the year A. D. 1739, said Londonderry, by an act of the Legislature of s<sup>d</sup> Province was divided into two grants called the East & west Parishes, with liberty for a number not exceeding forty Families in Each Parrish to Poll to the other the forty families in the east that Poll'd to the west by the assistance of those in the west that lived near the East line of said Parrish obtained a vote to Build & did build a meeting house for said Parrish near the east line thereof when s<sup>d</sup> Parrish then had a meeting house near the center newly Built & is now Rotten for want of use as the number of Inhabitants in the west Parrish increase the forty families in the East that Polled to the West multiply & now are near (if not above) seventy families & by the abovesaid assistance have from the time of passing s<sup>d</sup> act to this day obliged all the rest of s<sup>d</sup> West Parrish to travel to the meeting house near the east line except a few days in great condescension they lately have had preaching in a third New meeting House Built by said West Parrish near the center which must suffer the fate of their first in case their minis-

er continues to live near the center of the east Parrish & all that Proceed from the forty families in the east that Poll'd to the west be the number ever so great belong to & vote with the west Parrish as they yet have done which two causes in our opinion begun the flame of contention in Londonderry & as they have they will keep it alive while they continue when they are Distinct Parrishes without Pollers & not till then Londonderry may reasonably expect peace take the cause & the effect will cease: relative to a petition lately Exhibited to your Excellency & Honours by a committee from the West Parrish now under your consideration Shewing first the great difference between Presbyterians & Presbyterians: 2<sup>d</sup> the promiscuous situation of the Parishioners of each Parrish. 3<sup>d</sup> the great difference in opinion between the people of the two Parrishes in the Important Doctrines of the Gospel. 4<sup>th</sup> that the Meeting Houses are Equally well situated to accommodate the people of each Parrish: Finally praying for what they call by the name of liberty for each Individual to join where he or they Please & pay where they join.

We answer first as to the great difference between Presbyterians & Presbyterians, we take it to be a Theological Distinction when there is no difference: that there is a wide difference between Real & nominal Presbyterians we are very sensible & leave it to the Impartial which they will call the rest.

Secondly that the Parishioners are Promiscuously situated true which is owing to the forty pollers & their offspring: 3<sup>d</sup> there is that great difference in opinion set forth in said petition between the People of the two Parrishes respecting the important doctrines of the Gospel it must be in the minds only some private disputes between enthusiasticks unless they call disputes about the Irregular conduct of some members of presbyterys Important Doctrines of the gospel.

4<sup>th</sup> If by the Meeting Houses in each Parrish being equally well situated to accommodate the inhabitants they can the new meeting House in the East Parrish and the last meeting House in the west Parrish: and the east line where the publick Worship now is & has been ever since they were a Parrish (Except as above excepted) we leave it to your Excellency & Honour now we the inhabitants of the west Parrish are accommodated & what Justice is done therein General: Finally the Liberty prayed for in said petition if granted we humbly apprehend will be productive of greater evils than the Polling act. Because in that case in all future time that Parrish which has the most Popular Preacher who is not the wisest man the best scholar nor the best christian will leave

the other Parish unable to support the Gospel & we dont desire to give or take such unjust advantage it is evident that every Individual of mankind in our present state & circumstances are not to be free in every respect. Because that would destroy the publick good. In all Bodys Politick Individuals give up part of their Liberty & Properties to the Publick to secure the remainder. In all societies Religious civil or Politick Individuals are to enjoy private liberty & property as far as is consistent with the good of the community of which they are a part & no further, from which it is evident that whatsoever liberty one of any number desire or pray for inconsistent with the good of the community of which they are a part, should be refused

And as the prayer of their Petition is evidently calculated to destroy the future peace and good order of both the above s<sup>d</sup> Parrishes in Londonderry. Therefore your Petitioners Humbly pray first that the prayers of said Petition may not be granted. 2<sup>d</sup> that the present dividing line between the two Parrishes in said Londonderry may be examined by a committee appointed by your Excellency & honours and if Just, established & if not that s<sup>d</sup> committee may fix it so as to doe Equal Justice to both Parrishes.

And that an act may be made that will oblige Every Individual Presbyterian in all future time to pay his proportion according to law of the Ministers Salary in the Parrish where he dwells & Joine & Worship where he or they please which we believe would produce peace & good agreement between the Inhabitants of both Parrishes in general or reduce the forty pollers to their primitive number & fix it so that they never shall exceed that number & impower the west Parish to meet for Publick worship where it will be most Just & Convenient for the Inhabitants of s<sup>d</sup> Parish for the future the latter will better our circumstances, the first will cause our distructions.

But we humbly submit all to your Excellency & Honours & as in duty bound will ever pray &

The petition of Ebenezer Green of Thetford in the County

*Petition for a half-shire Town.*

To his Excellency John Wentworth Esq<sup>r</sup> Captain General Governor and Commander in chief in and over his Majestys Province of New Hampshire. The Honorable his majestys Council and House of Representatives in General Assembly conven'd, Jan<sup>y</sup> 1773.

The petition of the Inhabitants of the Towns of Lime & Orford in y<sup>e</sup> county of Grafton by their agents. Alexander Phelps & Israel Morey, humbly sheweth that the number of Families, living south of v<sup>e</sup> Town of Haverhill in y<sup>e</sup> County of Grafton are in proportion to the number living Northward of said Haverhill as fifteen to one all which except about twenty Families living in Piermont must pass through a corner of Orford in travelling to Haverhill. that no Inhabitant living Southerly of a direct line drawn from the northern most extent of Campton which is proposed to be annexed to said County to the Northmost extent of Orford can travel to Haverhill but by traveling eight miles further than to go to Orford or Lime: that much the greater part of them must travel thirty miles further to go to Haverhill than to Lyme and near twenty further than to go to Orford. That there are now in Lebanon the Southwestmost Town in said County at least fifteen Families more than inhabit in said County Northward of Haverhill, that the Increase of settlers southward of Haverhill has hitherto been and is still likely to be proportionably greater than the Increase of settlers North of said Haverhill as the present Inhabitants below are in Number greater than above. That from the southernmost part of the County it is full fifty miles to Haverhill so that there can never be Room for a new County between Haverhill and the southward extent

of said County, that the northerly & Southerly extent of said County is not less than one Hundred & 40 miles which in regard of extent, is full long for two countys and thereupon your petitioners cannot but suppose s<sup>d</sup> County will in future Time be divided into two Countys as soon as the northern part shall be sufficiently inhabited.

That your petitioners humbly conceive it cant be reasonable to alter the place of holding the Courts after it shall be once fixed y<sup>t</sup> the expence of building Court house, Prison, county, Books & must principally be defray'd by the present inhabitants That the good of Dartmouth College which we doubt not is an object of your excellencys & honors concern will much depend on the publick Courts not being held at too great a distance

Whereupon your Petitioners humbly pray that your Excellency and Honors would be pleased in establishing the half-hire Town next Connectitt River to take into consideration the Reasons and Facts abovementioned which they are ready to evince and enact that either the Town of Lime or the Town of Orford be the place where half the Courts of Records in s<sup>d</sup> County of Grafton shall be held and as in Duty bound shall ever Pray.

To his Excellency Benning Wentworth Esq. Governour and Commander in Chief of his Majesty's Province of New Hamp<sup>t</sup>

The petition of the Inhabitants of Salem-Canada in said Province, Humbly Shews

That your petitioners live in a place Greatly exposed to the Indians and have not men Sufficient for to Defend us. That tho'

there be but few of us yet we have laid out our estates to begin in this place So that we shall be extremely hurt if we must now move off for we have there by the Blessing of God on our labours a fine crop of corn on the ground and tho' we have a Garrison in the Town Built by Order of Maj<sup>r</sup> Lovell yet we have no body impowered so much as to set a watch among us nor men to keep it; we would therefore pray your Excellency that we may have some assistance from the Government in sending us some souldiers to Guard and Defend us as in your wisdom you shall think proper. Tho' we are but newly added to this Government yet we pray your Excellency not to disregard us but so to assist us that we may keep our estates and do service for the government hereafter & your Petitioners as in duty Bound shall ever pray.

commander in chief in & over his Majestys Province of New

of Representatives for said Province in General Assembly  
convened the 10<sup>th</sup> day of May 1743.

The petition of Sundry Persons Inhabitants of the Westerly

part of the Town of Dover & the Northerly part of Durham in said Province Humbly Shews. That your Petitioners live at such a distance from the meeting houses in their Respective Towns as makes it difficult for them & their Families to attend the Publick Worship there especially in the Winter & spring seasons of the year, which Induc'd a number of your Petitioners some years since at their own cost to Build a meeting House situated more conveniently for them where they have some times had preaching in those seasons of the year at their own expence tho they were not Exempted from paying their proportion at the same time to the standing Minister of the Town.

That the Towns aforesaid are well able as your Petitioners apprehend to bear their annual charges without the assistance of y<sup>e</sup> Petitioners and that *they* might be Incorporated into a new Parish whereby they might be accommodated their children & servants (as well as themselves) have more Frequent opportunities of attending Public Worship and all of them Keep the advantages of such an Incorporation which considering their present circumstances they think would not be a few, and the Towns not Injured.

That your Petitioners conceive a parish might be erected with out prejudice to the other part of the Town of Dover by the Following boundaries viz. Beginning at the Bridge over Johnsons Creek so called, where the dividing Line between Dover & Durham Cross the Country Road & from thence running as the said Road runs until it comes even with Joseph Jenkins his house & from thence to run on a North West & by North course until it comes to the head of said Township which boundaries would comprehend the estates & habitations of y<sup>e</sup> Petitioners living in Dover & the making a parish there will greatly contribute to the settling the lands within said Boundaries & those that Lay contiguous as well as be very convenient for y<sup>e</sup> Petitioners. Wherefore they most humbly pray that a parish may be erected & Incorporated by the Bounderies aforesaid with the usual powers & Priviledges & that such of y<sup>e</sup> Petition<sup>r</sup> as live within the Town of Durham may have liberty to Poll off into the same, or that such a part of the said Township may be annexed thereunto which would be the better way as will accommodate the Remote settlers in said Township near the said Boundaries as well as your petitioners or that they may be Relieved In such other way & method as this Hon<sup>ble</sup> Court shall see fit, & yo<sup>r</sup> petitioners as in duty bound shall ever pray &

To His Excellency Benning Wentworth Esq. Gov & the  
 Hon<sup>ble</sup> his Majestys Council & House of Representatives in  
 Generall Assembly Convened at Portsmouth the 9<sup>th</sup> of April  
 1754.

The petition of the Inhabitants of the Town of Merrimack  
 Humbly Shews.

That their settlement is in its Infancy the greatest part of  
 the Inhabitants settled since the late war and have been at  
 Large Expence in clearing and making of roads that they have  
 Built & Have to maintain three great Bridges over Souheeg  
 River besides many over severall other large Streams in that  
 Town at the Expence of near a Thousand pounds besides  
 other necessary Town charges which has all been Loaded on  
 the few Inhabitants there settled and are now a going to erect  
 a meeting house in s<sup>d</sup> town the Burden whereof will be ex-  
 ceeding Heavy & a discouragement to persons settling there if  
 the tax must wholly be Raised on Poles and estates.

That theres a considerable quantity of unimproved Lands  
 in s<sup>d</sup> Town owned by non-resident Gentlemen who has never  
 been at any expence in Bringing forward the settlement or  
 Otherways whereby the Inhabitants has been eased; That the

settlers by their Labour & Industry has Increased the Value of such Lands more than four double to what they would have been & they must still greatly increase on the Flourishing of the s<sup>t</sup> Town.

Wherefore we Humbly pray that your excellency & Hon<sup>ty</sup> could please to grant that all the lands Belonging to nonresident prop. in that town whereon settlement is not made may be taxed at Sixpence per acre for one year to be Improved for and Towards building a meeting house and two pence per acre for the next four years for and towards the support of a minister and your petitioners as in Duty bound shall ever pray.

*Petition for dividing the State into Counties.*

To His Excellency Benning Wentworth Esq. Gov<sup>r</sup> &<sup>c</sup> the Hon<sup>ble</sup> his Majestys Council & House of Representatives in Generall Assembly Convened at Portsmouth y<sup>e</sup> 9<sup>th</sup> of April 1754.

Wee the subscribers Inhabitants of the Province of New Hamp<sup>r</sup> on the West side of Merrymac River,

Would most Humbly Remonstrate, That the extent of the settlements in this Province is upwards of One Hundred miles Westward from Portsmouth the Place where all the Courts are held.

That the Difficulties of Travill & expence to and from Portsmouth on all County Emergencies Lays the Western Inhabitants under Insupportable Disadvantage as well as Occasioning great delay to the Parties & Jurors who necessarily attend the courts of Judicature, by which the Government is Greatly Impoverish<sup>d</sup>

That we Humbly apprehend these Grievances might be in some good meas<sup>r</sup> Redress<sup>d</sup> by dividing the Government into Two Countys. Which also would be a means of a great Increase of Inhabitants & Improvements in the Western parts of this Province.

Wherefore we Humbly pray That your Excellency & Honors would take the premises into consideration & Divide the province into two Countys by such dividing Line & with such Powers and Authoritys as in your wisdom shall be tho<sup>t</sup> Best, and as in Duty Bound shall pray.

The petition of sundry persons Inhabitants of New Boston was this day again taken under Consideration by which it is Represented, That when the Lots were sever'd belonging to the respective shares of the proprietors of said Township the Lot numbered sixty one was drawn to the share appropriated to the use of the first settled minister & his heirs forever and the lot Numbered fifty three was drawn to the share appropriated to the use of a school which might be changed greatly to the advantage of the First Minister which was now likely to settle in said Town whom they were Desirous to Encourage. They therefore Pray'd that they might be authorized to make said exchange and that the Votes they had passed for that Purpose be confirmed and it appearing that the settling of a minister of the Gospel in any New Township to his & the Peoples satisfaction tends much to the Increase of Inhabitants and the property of such Town. Therefore it is considerd & hereby Resolved and Voted That the votes of the said Inhabitants for making said exchange be & hereby are confirmed for this purpose and that the lot Number Sixty one in second division in said Township be & hereby shall be adjudged taken & held as part of the share of land there belonging to said school right & share, and the Lot numbered fifty three in the said division in said Township shall be adjudged taken & held as part of the share & right appropriated & belonging to the first minister of the Gospel in said Township, each of said Lots so to be adjudged taken & held to be given granted & so appropriated in exchange for the other to be held to & for the Respective uses aforesaid forever.

*Petition against a bridge at New Castle.*

Prov. N. Hamp To His Excellency Sam<sup>r</sup> Shute Esqr. Capt. General and Gov<sup>r</sup> in chief in and over His Maj<sup>ties</sup> Prov. Afores<sup>d</sup> and vice admiral of the same, and To the Hon<sup>ties</sup> the Councile, and house of represen<sup>ves</sup> now sitting in General Assembly.

The Petition of Sundry His Majesties good Subjects of the town of Portsmouth and N. Castle w<sup>ch</sup> in the Province afores<sup>d</sup>. most Humbly *Sheweth*,

That some years since, at the time of our late Gov<sup>r</sup> Col<sup>o</sup> Dudleys administration, a projection was made, and a scheme

laid, for y<sup>r</sup> building a bridge from great Island, over the main river of little harbour, to the Main land w<sup>ch</sup> project was no sooner budded than nipt, w<sup>ch</sup> prevented its growth, till now tis Sprung up anew, and may if not timely prevented, ripen to a head w<sup>ch</sup> may be of lasting ill-consequence throughout y<sup>e</sup> s<sup>d</sup> Province especially to the sea-faring part thereof. May it please yo<sup>r</sup> Excellency and y<sup>e</sup> hon<sup>ble</sup> Gen<sup>l</sup> Assem<sup>y</sup>

We would take leave in y<sup>r</sup> first place humbly to address our selves to you by way of Quere, (viz:) Whether it be not an infringement on y<sup>e</sup> rights & priviledges of y<sup>e</sup> Gen<sup>l</sup> Assem. for any town w<sup>ch</sup> in this province to make and pass any Vote or Votes, for y<sup>e</sup> building any bridge, over any navigable river w<sup>th</sup>in y<sup>e</sup> Same as New Castle hath done, and made a begining thereupon, as is above mentioned, that is to say, to build a bridge from great Island to the main w<sup>ch</sup> in the afores<sup>d</sup> town of N. Castle w<sup>ch</sup> cannot be Justify-able either in law or equity, w<sup>th</sup>out a Special Act of Gen<sup>l</sup> Assem<sup>y</sup> for so doing. The reason is plain, for that every navigable river, tho<sup>t</sup> it may run through any town yet is not y<sup>e</sup> peticular property of that town but of the Prov. in Gen<sup>l</sup> wherein y<sup>e</sup> town lyes. So that tis most evident, y<sup>t</sup> tis a matter y<sup>e</sup> ought to be before y<sup>e</sup> Gen<sup>l</sup> Assem<sup>y</sup> & not to be proceeded on by y<sup>e</sup> authority of a town vote, for illustration, may we further humbly offer, that if such a proceeding upon Such authority is legale and Justifyable, that then N. Castle & Kittery may as wele unite and joyn together and build a bridge from s<sup>d</sup> N. Castle to s<sup>r</sup> Kittery (if it were practicable) across y<sup>e</sup> mouth of the Great Harbour, because one town lyes on one side, & tother on y<sup>e</sup> other, w<sup>ch</sup> amounts to just so great a weight of reason, as can be offered in the other case and no more

And now we have plainly demonstrated that y<sup>e</sup> afore<sup>d</sup> town of N. Castle, hath entered upon a matter quite out of its legal reach, Now we will in y<sup>e</sup> next place as evidently sett forth, that It is as much out of reason that a bridge Should be built at y<sup>e</sup> place aforementioned, as it is out of y<sup>e</sup> pow<sup>r</sup> of N. Castle to build it.

1 There is a ferry stated over s<sup>r</sup> river, a high way laid out through the first proprietors lands to said ferry, much money expended in repairing a Cassway to s<sup>r</sup> ferry & the ferry house all w<sup>ch</sup> are benefitts lost & money spent w<sup>th</sup> out profit if a bridge be built.

2 All y<sup>e</sup> Inhabitants of N. Castle pass & repass ferridge free on Lords days and training days & all publick days.

3<sup>d</sup> The want of a bridge will be a Security in case of a warr.

4 Sundry persons living there and thereabout have Some laid out y<sup>e</sup> most part, and some y<sup>e</sup> whole of their estates in

fishery who must unavoidably be ruined if s<sup>d</sup> bridge be allowed of, for stopping their passage is in Effect tying up their hands, & haling their Shallops ashore.

5 If a bridge be built it will stop y<sup>e</sup> ice & cause it to Jamm together in y<sup>e</sup> winter season that there will be no passing for y<sup>e</sup> fishing boatts for three or four months in Winter w<sup>ch</sup> is y<sup>e</sup> harvest for fishing, where as tis now never frozen over or Jamed save two or three days together & that in very hard weather.

6 Another unspeakable hardship w<sup>ch</sup> will attend a bridge is y<sup>e</sup> transportation of Hay from y<sup>e</sup> meadows and marishes where the tides must be attended both by night and day and to pass under a draw bridge or through any such gap as their may be w<sup>th</sup> a gondela of hay in a dark night & a strong wind or in any other vessel w<sup>th</sup> so strong a Current as there is beside must needs be a danger too terrible to be thought on.

Whereupon we humbly pray no bridge may be allowed as before mentioned and petition<sup>rs</sup> shall ever pray as in Duty bound.

The foregoing petition being read In Councile it was voted That The Hearing thereof shall be on Thursday next 10 o'clock A. M. & y<sup>t</sup> y<sup>e</sup> parties be notified accordingly.

*New Castle's Answer to Sandy-beach Petition.*

To the Honourable John Wentworth Esqr. Lieut Governour and Command<sup>r</sup> in and over His Majesty's Province of New Hampshire and to the Honourable the Council & Representatives in Gen<sup>l</sup> Assembly Convened at Portsm<sup>r</sup> in the Said Province.

The answer of Hugh Reed, Jo<sup>r</sup> Simson and Daniel Greenough (in behalf of the Inhabitants of that part of New Castle called the Great Island and others adjoining thereto) To a Petition prefer'd to yo<sup>r</sup> Hon<sup>r</sup> by Sundry of the Inhabitants of Little Harbour and Sandy beach & Your Respondents Humbly pray that the Prayer of the afores<sup>d</sup> Petition may not be granted for that it may prove to be of very ill Consequence not only to yo<sup>r</sup> respond<sup>t</sup> but also to the whole Province in Generall. The Inhabitants of Great Island are Gen<sup>l</sup> poor and depend on the fishery for a livelyhood, which is very precarious and uncertain, so y<sup>t</sup> they are not able to maintain a Minister of the Gospel among them without the assistance of the afores<sup>d</sup> Petitioners, the want of which will Discourage many of the said Inhabitants and oblige them to remove and go to live Else where and those that will remain will be obliged to go off of the Island on the Lords day to attend the Publick Worship of God, which in time of Warr will much Expose the Kings Fort on s<sup>d</sup> Island to the Surprise of an enemy the afores<sup>d</sup> Petition<sup>r</sup> Saying that they are willing to Contribute to the Subsistance of the ministry during the rev<sup>d</sup> M<sup>r</sup> Shurtleffs life or Continuance among us (which is both alicke uncertain) will not avail, for Should their Prayer be granted its very Likely Mr Shurtleff would be so Discouraged as to leave us, but admit he should Continue w<sup>th</sup> us as long as he lives, yet at his Death (w<sup>h</sup> we know not but may be before the year comes about) we Shall be Destitute and so Exposed to the afores<sup>d</sup> Inconveniences.

Yo<sup>r</sup> Respond<sup>t</sup> therefore most Humbly Pray That if the afores<sup>d</sup> Petition<sup>r</sup> be Set off by themselves That they be so in all respects, and that one half of the Land in New Castle be

Subjected to bear the Burthen of the Publick Charge for that part Call'd Great Island and the other half to that Part Call'd Sandy beach. Except Some other Expedient may be found for the Comfortable Maintainance of our Minister for The afores<sup>d</sup> Petition<sup>r</sup> are Possessed of some Thousands of acres of the best Land in New Castle, and yo<sup>r</sup> respond<sup>t</sup> but of a few Hundred and most of that so rocky as not fitt for Tillage, and besides that yo<sup>r</sup> respond<sup>t</sup> have a great many poor widows to releave all which being Considered by yo<sup>r</sup> Hon<sup>r</sup> yo<sup>r</sup> respond<sup>t</sup>'s doubts not of yo<sup>r</sup> Hon<sup>r</sup>'s doing therein according to Equity and good Conscience and will as in duty bound ever pray.

*Petition for aid in behalf of the Ministry.*

To His Excellency Benning Wentworth Esqr. Capt. General Governor & Commander in Chief in & over His Majesty's Province of New Hampshire the Hon<sup>l</sup> His Majesty's Council & House of Representatives for Said Province in General Assembly Convened May 27 1748

The Humble Petition of Joseph Newmarch & Matthew Livermore Esqrs. as agents for the Town of New Castle in Said Province *Shew*

That by an Act made & pass'd in the twelfth year of His Late Majesty's Reign Entituled an Act for the Settling & Establishing of two Parishes in the Town of New Castle. Among other things it is Enacted that in Consideration the

Meeting house at the Island is Conveniently Situated for the Soldiery Posted at his Majestys Fort William & Mary to Repair to for the Benefit of the Gospel-Ministry that there be twenty four pounds paid annually out of the Excise towards the Support of a Gospel Minister on the Said Island. That the said Grant has not been duly Complied with & paid which as the said Town & the Minister there have had hopes & Expectations of & Really wanted has been Detrimental to both and having a just claim to by the said act think that a farther Delay of the payment thereof will be keeping them ought of their Right & Still a greater Injury as the Nominal Sum is not a third part of the Real value it would have been if Seasonably & annually paid. Wherefore your Petitioners in behalf of their Principals Humbly Pray that the premises may be considered that they may be heard thereon & have leave to shew what is now justly due upon the said Grant & that the same and all arrearages thereof & whatsoever is due may be paid without further Delay and your Petitioners as in duty bound Shall ever Pray &c.

*Rev. Mr. Blunt's Petition.*

Province of N. Hamp<sup>r</sup> To His Excellency Benning Wentworth Esq<sup>r</sup>  
Governor & Commander in Chief In & over  
His Majestys Province of New Hampshire  
The Honorable His Majesty's Council and House of Representatives for said Province in General Court Convened.

The Petition of John Blunt of New Castle in the Province  
of New Hampshire Clerk Humbly *Shews*

That in the year of Our Lord 1726 a Law was pass'd by the  
General Assembly of this Province wherein (among other things) it is Enacted that In Consideration that the Meeting House on the Great Island is Conveniently Situated for the Soldiers Posted at His Majesty's Fort William & Mary

that twenty four .. Pounds per annum be paid out of the Excise towards the Support of a Gospel Minister on the said Island," by virtue whereof & of your Petitioner's sustaining that office there. he humbly conceives he has a just claim to the payment of the aforesaid Sum annually from the time of his Settlement in that Capacity, & that no Legal or Rational objection has ever been or can be made to the payment thereof so long as the Said Law Remains in being & full force which he also Conceives to be the Case & consequently that the non payment thereof yearly but much more the delay of doing it for so long a time as it has been your Petitioners Right is manifestly a Great Injury to him.

That your Petitioner thinks he has the same Claim to the aforesaid Sum of money as he would have had to any Real Estate Granted by the Same Authority which is no more weaken'd because not paid as it became due than in the case of a Real Estate because one that has no Right Keeps the Possession a few years which no man would pretend to, And that Denying a due Compliance with the acts of the Governm<sup>t</sup> is not only a Breach of Public Faith, but of very ill Example to those who are the subjects of the Good & wholesome Laws of the Province.

That as your Petitioner in his Settlement had some Regard to the aforesaid grant it has been a Considerable Disappointment to him that it has not been punctually complied with as every Gentleman upon the least attention to the Circumstances of the said place must needs allow.

Wherefore your Petition<sup>r</sup> most humbly Prays that Effectual Provision may now be made for the payment of what is in arrearage & due to him agreeable to the aforesaid Grant, & for the due & Seasonable payment thereof for the future, and your Petitioner as in duty Bound shall ever pray.

*Petition of New Castle relating to a Lottery to build a Bridge.*

To his Excellency the Governour of New Hampshire, The Honourable his Majestyes Council, and House of Representatives, in General Assembly conven'd.

We being appointed a Committee by the Inhabitants of the Town of New Castle in said Province, to Petition the said General assembly for the Priviledge of a Lottery in Order to enable us to build a Bridge over Little Harbour River as set forth in our Petition now before you, beg leave to offer these following Reasons for the same viz:

1. The only Barrier or Forte, by Sea, belonging to this Province is in New Castle, or on the Island called great Island, and the only Place by Sea, which is in danger of being Attack'd by a foreign Enemy.

2. We the Inhabitants of said Island, ordinarily, have not more than Men enough to take care of our wives and Children, and to convey them to a Place of Safety, in case of a Sudden Invasion.

3. It will be really Necessary for the Safety of this Province, more Especially for the Towns adjacent to said Island, That we be so accommodated as that a Suficient number of men from the main may with speed and Conveniency, come to us for our defence and safety, in case we are suddenly invaded by a foreign Enemy.

4. We have not a sufficient number of Boats neither can we Expect that the Province will at their charge Provide and Keep in repair such a Number as may be Necessary to convey so many men to us as we shall need, in Case we are Distressed by an Enemy. Therefore

5. It is absolutely necessary that a Bridge be built over Little-

Harbour-River from Saunders Point on the Main to said Island.  
And then

2. With regard to us the Inhabitants of said New Castle or great Island. We would observe. The flourishing and Prosperous State of any Town in a Province more Especially of a Barrier-Town. is for the good and wealfair of the whole Community.

3. Altho' said Island is a Barrier Town, yet, we, the Inhabitants, are but in low Circumstances considering our Long Standing.

4. The only way which we can think of at Present to retrieve our Circumstances, and to Enable us the better to bear a Part in the Defence and Support of the Government, is that we may have a free and Open Communication with the Inhabitants on the Main

5. And this, appears to us, can only be effected by building a Bridge over said River, and then the Inhabitants on the Main can bring and sell to us the Necessaries of Life, which will save us a great deal of time and expence: and which must if rightly improved by us increase our wealth and strength, and be no ways detrimental to our Neighbors.

Therefore for the Reasons above said with what we have suggested in our Petition now before you we Earnestly desire that the Prayer thereof may be Granted.

N. SARGENT } Committee for

                  } aforesaid, The Honourable his Majestys  
                  } Council and House of Representatives for  
                  } said Province.

The Petition of us the Subscribers Humbly *sheweth*.

Whereas your Petitioners for many years past have been great sufferers for want of a better Conveniency of passing from the great Island to the Continent and at some seasons of the year it is almost if not quite impracticable to pass to the Main and so for the People on the Main to come to us which is the reason why the Country People bring not to us the Necessaries of Life to Vend as otherwise they would do and our poorer

Families and Widdows who are not able to go abroad to provide for themselves are sometimes thereby brought into the greatest Straits and difficulties.

And inasmuch as the only Fortification of this Province by sea is and ever will be for anything we can discern on said Island, Therefore it is highly necessary for the safety of this Province as well as for the Inhabitants of said Island that a Bridge be Built across the River called Little Harbour River to the Main so that help with Speed and Conveniency may come to us in Case of an Invasion by a Foreign Enemy which in time of War we have reason to fear may be our unhappy Case, and also that our Wives and Children and others who are unable to Endure the fatigues of War may with greater Conveniency and Speed, Retreat to some place of safety.

Therefore your Petitioners most Humbly Pray that your Excellency with your Honours would consider our Petition and the Reasonableness of our Requests and grant us the Privilege of a Lottery in order to raise money to build a Bridge over said River.

To his Excellency John Wentworth Esq<sup>r</sup> Governor and Commander in Chief in and over his Majestys Province of New Hampshire, the Honourable Council and Representatives of Said Province.

The Humble Petition of Thomas Tash and Thomas Cheslee. In Behalf of the Proprietors of New Durham *Sheweth*

That Whereas a Great Number of the Proprietors of said New Durham have been Delinquent in paying their proportion of the Necessary Charges that have already arisin on account of the Settlement of Said Town, and it is highly probable s<sup>d</sup> Delinquents will be as unwilling to pay any Necessary Charge that may hereafter arise; Therefore the Burden must Consequently Lay on such of said propriety as are most willing to promote said Town and the Settlement thereof.

That this and Several other Towns in this Province are exposed to Great Difficulties being Separated from the Metropolis and the Main Body of the Settled Part of this Province by a narrow River Running between Stratham and New Market which Lais us under a Necessity to travel many miles Round the Head or Else Cross said River at a Ferry which is often times Not Less Difficult and at Certain Seasons of the year is altogether Impracticable and is always so for Carte and Teams.

*Exeter's Answers to Stratham and New Market's Petition  
 for a Bridge.*

Province of ) To his Excellency Benning Wentworth  
 New Hampshire ) Esq<sup>r</sup> Captain-Generall, Governor and  
 Commander in Chief in and over his  
 Majesty's Province of New Hampshire, To the Hon<sup>ble</sup> his  
 Majesty's Councill And house of Representatives Convened  
 in Generall Assembly.

Humbly *Shewes*

The Freeholders & Inhabitants of Exeter by their Agents the  
 Subscribers hereof That whereas Notice hath lately been  
 given in the Publick Prints That the Towns of Newmarket  
 Stratham & Towns Adjacent have Petitioned your Excellency  
 and this Hon<sup>ble</sup> Court Praying Liberty to Build a Strong Sub-  
 stantiall Draw Bridge over the river that Divides said Stratham  
 and New Market at the Ferry place in Said Stratham or a Lit-  
 tle above, And your Excellency & hon<sup>ble</sup> having ordered said  
 Petitioners a hearing of their Petitions on the Second day of  
 the Sitting of this Court after the Seventeenth day of January  
 then next and that said Petitioners give Public notice Thereof.

Whereupon we the Subscribers agents as aforesaid on behalf  
 of our Constituants as well as for our Selves Most Humbly  
 Crave Leave to offer the Following reasons why the Prayer of  
 said Petitions Should not be Granted, (Viz :)

1<sup>st</sup> For that the building such a Bridge would in a Great  
 measure Stop the Course of the Fish Especially the Bass  
 which Providence has hitherto yearly supplyd us with great  
 Quantitys of to the Great Support of our selves and Towns  
 above us, and many Poor Familys, if the Course of the Fish  
 be Stopped will be Likely thereby to be Great sufferers.

2<sup>nd</sup> For that whereas the said river having been free Ever  
 since The settling the Town of Exeter (upwards of one hun-  
 dred years) for the passing and repassing of Vessels from

hence to Portsmouth & Boston and other Ports, and there being Generally water sufficient for the passing and repassing of any Vessel of one hundred Tons Loaden whereby this Town as well as the Towns above it have reaped great advantages By means of Transporting their Lumber and by having return'd to them by the same Vessels, The Provisions and Necessaries for the Support of Life & for Commerce and Trade with Each other: Which the building of the aforesaid bridge would greatly hurt, if not Totally Stop, & also Prevent Carrying on the building of Vessells in the Town of Exeter which they have as Just a right to do as any other Towns in the Province.

3 For that the Free use and Priviledge of That river to the head thereof was the Principal reason and Cause of Peoples settling so far into the Country and Defending their Settlements in such Dangerous & Difficult times as have been since the Settlement of the Same and was also an Incouragement to the Inhabitants of Kingston and other Towns to Settle Farther into the Country they hoping to Enjoy the Benefit of Transporting their Lumber in this river without such an Incumbrance as the Proposed bridge would be. And now if the Prayer of the Petition should be granted Those invaluable Priviledges which the respondents have so Long Enjoyed and so highly Prised (more than any other part of their Estates) would in a great measure if not Totally be cutt off and would be more Damage to the Town of Exeter and other Towns above it Than to Maintain men and Boats forever to carry over the Petitioners and Every thing they have as often as they please to remove, and Cannot be of such Service to the Petitioners as to Equal the Damage that would be consequent upon it. Neither would the Petitioners themselves be willing that any such Incumbrance should be made upon the river below their Landing places to prevent the Free passage of Vessels to them.

Neither is it likely if Possible for the Petitioners to make and maintain & Duly attend Such a Bridge in such manner as to Lett all Vessells pass and repass in said river For Vessels going up & Down swiftly with a strong tide cannot come to anchor and wait for any Persons to come and open the Passage for them without great Dilligently & Danger and Damage more than can be at Present Discerned.

4 For that the building the aforesaid Bridge would be a great Impediment to the Conveying Down to Portsmouth the Mast Trees which are Yearly Procured in & brought to the Town of Exeter for his Majesties use, and would also make it very Dangerous to pass with Vessells rafts & Gundelows in the Narrow Passage of Thirty foot. For the Straitening of the river must of Consequence Cause the Current to run very

swift and Rapid and thereby Greatly Endanger the Lives of the People as well as the Loss of their Vessels Lumber and Gundelows.

5 We humbly Conceive that the Granting the Prayer of the Petition by this hon<sup>ble</sup> Court will not only be a Depriving of our Constituants as well as the Towns above us, and others, of their Lawfull right & Priviledge but also be a Leading Example for other Injuries of the like nature and be a much Greater Injury to the Province in Generall Than Benefit to the Petitioners or others, in That it would cause the People of this Town and the Towns above us Instead of Transporting their Lumber to Portsmouth to Convey the Same to Haverhill and Newbury and thereby very greatly obstruct the Trade of this Province.

We do therefore Humbly Intreat That your Excellency & this Hon<sup>ble</sup> Court will duely Consider the foregoing reasons and what we may Further Crave Leave to offer why the Prayer of the said Petitions should not be Granted Considering the many bad Consequences it might be attended with, and humbly hope and Desire That Your Excellency and hon<sup>ble</sup> will in your great wisdom Prevent the Same by not Granting the Prayer of said Petition.

At a Meeting of the free holders & Inhabitants of the Town of Exeter holden at the Town house in s<sup>t</sup> Town Jan<sup>y</sup> 19 1746 7 Whereas notice hath been Given in the publick prints that New Market Stratham & several of the adjacent Towns have petitioned the Gov<sup>er</sup> Court of this Province for Liberty to build a bridge Cross the River that parts Newmarket & Stratham at the ferry or a Little above & that the s<sup>d</sup> Petitioners are to be heard on s<sup>a</sup> petition on the Second Day of s<sup>a</sup> Courts next Sitting & those that are against the Prayer of s<sup>a</sup> Petition being Granted are in s<sup>a</sup> Prints advised to appear to shew Cause at the Granting the Prayer of s<sup>a</sup> Petition.

*Reply to Exeter's Objections.*

To His Excellency Benning Wentworth Esq. Capt. Gen Gov<sup>r</sup>  
& Command' in Chief the Hon<sup>ble</sup> His Majestys Council &  
House of Represen<sup>ts</sup> for the Prov<sup>nc</sup> of New Hamp<sup>sh</sup>.

The Reply of the Petitioners for a Bridge over the River at  
New Market to the Objections made by the agents of the Town  
of Exeter.

1<sup>st</sup> It is objected a bridge would stop the course of the fish  
&c. This is w<sup>ch</sup> the objectors cannot prove, it is *Gratis dictum*,  
nor does it carry probability with it that an open Bridge as this  
is proposed to be, should stop the passage of Fish only by hav-  
ing a few Piers standing in the River, it may with almost  
Equal truth be said, that ships & Vessels in the River Stop the  
Course of the fish, & so there should none of them be Suffer'd  
to pass besides the advantage made by fishing at the head of  
the River is too Inconsiderable to be put in the Scale against  
the advantage of such a bridge.

2<sup>d</sup> their second Objection supposes that the building this  
bridge would prevent all trade &c. it is not fair to suppose the  
case other ways than it Really is, or will be. An open Bridge  
will not prevent trade, passing & Repassing with Vessels &c.  
a bridge may be so Contriv'd as to be very little Impediment  
to that. Some Inconveniencys allways attend the building of  
Bridges, and if none was to be built but only where there  
should be no Inconveniency attending there will never be  
another built & if that had been the Rule of judging concern-  
ing those that have been done, there never would have been  
one made over a River But in Such a Case the Greater Public  
Benefit is to have the Preference if the building the bridge will  
serve 100 People in the Course of a year to the Same Degree  
it disserves or prejudices 99 the Bridge ought to be built, that  
a bridge can be so made as to be very little Damage to the pas-  
sage on the River, we need only to look about us, & see what  
has been done in other places. Vessels of near 100 Ton pass  
& Repass London bridge (as well as many other places) tho'  
they are forced to strike their Masts, yet the trouble was not  
tho't Equal to the advantage of the Bridge. As to the Lumber  
Trade tis well Known it Decreases every year at Exeter.  
Lumber bro't out of the Conatry is carry'd to other places  
more than to Exeter, & if this Bridge is built more will come  
over it or to it, in one year than come down the River from  
Exeter in three.

3<sup>d</sup> their thaird objection is but little different from the 2<sup>d</sup> it  
supposes that there could be no passing the Bridge, without  
Insuperable difficulties, which is only begging the Question, the  
Petitioners think a Bridge may be so contriv'd as to be no  
other Impediment in passing but only a few Minutes time & a

little care and they have the Examples of other places & People to support them in their Opinion, as to what they say about the Inducem<sup>t</sup> to settle at Exeter it is a great mistake for they settled there as soon as at Portsm<sup>o</sup> for the sake of the falls for Grist Mills & not for the Sake of transporting Lumber to Portsm<sup>o</sup> when every man there might cut it at his own door or within a few Rods of the River.

4 their 4th objection is still the Same only to make it a little more formidable, the Mast Trees are bro't in & His Majestys name made use of, and is it more difficult for a Mast tree to Swim under a Bridge than for a Gundeloo of wood or a Raft of Boards, what may easily pass as the bridge may be contrived. But how many mast trees are bro't to the head of Exeter River in a year, & those that are might with as Little Difficulty be hal'd below this Bridge & would be so was the bridge erected, but this objection was made only to fright People with those Potent words *his Majesty's use*, and to carry a more frightful idea they Suggest the Lives of the People would be in danger which is nothing but suggestions.

5 The fifth Objection Relates to the depriving People of their Privilege, this objection operates Equally in all other cases of this nature & if attended to, no bridge had ever been built nor tyde mills, nor any works upon Rivers which makes the passage more difficult for they are always some disadvantage to those whose Estates lay above such works, and 'tis almost impossible but that every Public work is a prejudice to Particular Persons, the Repair of a Bridge that the Public maintains, is a prejudice to the Owners of the Lands adjoining & yet it shall be done & the Law will give them no Remedy Because Private Right must give way to the Public advantage, and if it is considered what a great advantage this Bridge must be to two thirds of the People in the four old Towns, & all the new settlem<sup>t</sup> above New Market Durham Dover &c. both in peace & war what is the little difficulty of the trading part of Exeter & those concerned with them in comparison of the advantages of such a bridge which are so plain they need not be mentioned the wisdom of all well ordered Governments have Esteemed such Buildings a Great advantage & if it be fact that more of the vessels which fetch Lumber from Exeter Stop at the place proposed for this bridge & Raft it down which may be easily prov'd, this Lessens the Difficulty to those that object, as to many of the People bro't in as objectors it is plain they proceed only on this principle that it will be some charge to them as they fear, upon the whole it is Humbly Submitted whether the advantages will not abundantly over Balance the supposed disadvantages, by

*Copy of a vote against the building of a Bridge over

Province of N. H. At a Legal Town meeting held by the freeholders of New Hamp<sup>sh</sup> & Kingston in s<sup>d</sup> Province March the third 1746-7

1<sup>st</sup> Major Eben<sup>st</sup> Stevens was chosen modderator for that meeting

Voted unaniously that we are not willing that there should be any Bridge Built over Exeter River any where below the falls at Exeter Town.

*Vote of the Inhabitants of East Kingston against the

To his Excellency Benning Wentworth Esq Capt. Gen & Governour & Commander in Chief in & over his majesties province of New Hamp<sup>r</sup>. & to the Hon<sup>ble</sup> his majesties Council & House of Representatives in Gen<sup>l</sup> Court assembled.

The vote of East Kingston Concerning the Building a Bridge over Exeter River with some reasons therefor are most Humbled presented, as followeth viz :

At a legal meeting of the Inhabitants & freeholders of the East Parish in Kingston held y<sup>e</sup> 10<sup>th</sup> day of march Anno dom 1746-7 voted that we are not willing there should be a Bridge Built over Exeter River, and that William Boynton Phineas Bachelder & Jeremy Webster are Chosen a Committee to draw up some reasons for the above s<sup>d</sup> vote.

A true Coppie,

Jeremy Webster Clerk

Which are as followeth viz : Wee humbly apprehend that If there should be a Bridge Built over s<sup>d</sup> River it would wholly stop the course of the fish up the same. & so deprive these towns of that benefit, and also.

That it would greatly obstruct the navigation of the River & so Consequently the trade of Exeter which is by far the nearest & most Convenient Market Town for us & the towns above us (that is in our own Government) which Town of Exeter is a very growing town. & gives Encouragement to these up-Country towns. to hope in great priviledges by it, which If this Bridge should be Built, it would so obstruct the trade of the River & so of Exeter that all our hopes of these things will be entirely quasht & so we must be obliged to Carry all our Provisions & all our lumber into the neighboring Government, which we Humbly apprehend will not only greatly hurt us in our Interests but also Exeter, & very nearly affect the whole Government & even Portsmouth itself in particular. and further we are humbly of the opinion, that however earnest many may now be to promote the Building of this Bridge, yet it may not be Long before they may see that the profit will not countervail the Cost. & then this may prove (should it be Granted) a strong foundation laid to bring it into a perpetual Provincial charge and so we pray that their Petition may not be Granted.

The Humble Petition of Sundry of the Inhabitants of  
 Stratham & other Places in Said Province *Sicetex*

That in the twentieth year of His Majesty's Reign an Act was pass'd Granting liberty for Building a Bridge over New Market River a Little above the Place where the Ferry is kept from the Land of Andrew Wiggin to the Land of Robert Smart according to the Directions in said Act which Bridge it was Proposed shou'd be Built by Subscription and about two thousand Pounds O. T. accordingly subscribed but as the Subscription was not to be paid before the Bridge was Built there is no fund Provided for Defraying the first necessary Expence which must be Considerable and such a Building cannot be completed merely on Credit. That the sum aforesaid is far short of a sufficiency to Effect the Design and very few Persons now appear willing to join the Subscribers so that there is no Prospect of Success in this affair by Subscription Especially Considering all tuture Subscribers will expect the Same Terms of Suspending the Payment.

That as there are Several Examples of Raising money for such Purposes by Public Lotterys many have tho't it a very feasible method & giving a fair Prospect of Success in this Case and many Persons wou'd contribut in this Way who wou'd Refuse to do it in any other and as Building said Bridge appears to be a Projection of very Considerable advantage to the Public and is therefore on that account worthy of Encouragement and much to be wished to be well Executed—

Your Petitioner therefore Humbly Pray that they may have Liberty to Set up a Public Lottery for the End aforesaid and for maintaining said Bridge all to be under Such Regulations & managed by Such Persons as in your Great Wisdom you shall judge Proper and that the Petitioners may have Leave to bring in a Bill accordingly and they will as in Duty bound Ever Pray &c.

*Petition of sundry Inhabitants of the Province relating to  
 New Market Bridge.*

To His Excellency Denning Wentworth Esq<sup>r</sup> Governor & Com-  
 mander in Chief In and over his Majesty's Province of New  
 Hampshire. To the Hon<sup>ble</sup> his Majestys Council & House  
 of Representatives for said Province Convened in Gen<sup>l</sup> As-  
 sembly.

The Petition of the Subscribers Freeholders & Inhabitants  
 within this Province.

Humbly *Sheweth* That whereas there was some years sence  
 a Grant made by the General Assembly of this Province to a  
 Number of Petitioners. for Leave to Build a Bridge over Ex-  
 eter River from New Market to Stratham near the Lower  
 Ferry place and whereas a Number of Petitioners for Leave to  
 set up a Lottery for the building of said Bridge have obtained  
 Leave to bring in a Bill Accordingly. and it appearing to us  
 that the building said Bridge at that Place will be a Much  
 Greater Expence to the builders and much Less Benefit to the  
 Publick than if the said Bridge should be built across said  
 River at a place called the New Fields We Pray your Excel-  
 lency & Honours to Reconsider the Votes Already Passed con-

cerning said Bridge and Grant that the said Bridge may be built at the s<sup>d</sup> New Fields, For the Following Reasons viz:

1 For that since the first Grant for building said Bridge at the lower Ferry place, The Country is Largely Settled back so as to make the Trading & Travelling by the said New Fields much more Convenient and Profitable to the People in General than at the other place.

2 For that the Damage (if any) to the People that Trade in Lumber at Exeter & other places above the New Fields will be much Less if the bridge be built at New Fields than if it be built below as the Rafts & Lighters which Come down from thence, Commonly stop at the New Field to make up their Load & Rafts bigger.

3 For that the River at the New Fields is at bottom Evener and Firmer for making a bridge to stand fast than it is below and Not so wide by Eight rods, so that the charge of building Said Bridge at New Fields would be Vastly Less than to build it below.

4 For that there is already a high way laid open from the Country road in New Market to the upper End of the Landing at New Fields, and (if the bridge be built at New Fields) there will be a highway given by the owners of the Land in Stratham on the South side of said River From the said river to the Country road in Stratham which will be much more Serviceable & Convenient for People that Travel into the Country than the other way would be as also there will be a highway given from the Lower End of the Landing at New Fields to the Country Road in New Market near the Dwelling house of Hubartus Mattoon to Accomodate the People that live in the lower part of New Market and in Durham, which will make that way as Commodious for that people as if the bridge was to be built below.

5 For that there is a Great Trade and business Carry'd on at the Said New Fields (particularly Shipbuilding) which (as People are Frequently Settling there) is likely to Increase very Largely in Case the Said Bridge be built there.

For all which Reasons and many more that may be offered Your Petitioners Most Humbly Hope that your Excellency & Hon<sup>r</sup> will Take under your wise Consideration the Premises aforesaid and Take such order concerning the Same as your Excellency & your Hon<sup>r</sup> in your Great Wisdom shall think Most Convenient and proper And Your Petitioners as in Duty Bound Shall Ever Pray &c.

- Prov. New Hamp. In Council Feb<sup>ry</sup> the 6<sup>th</sup> 1760  
read & ordered to be sent down to the assembly  
(Theodore Atkinson Sec<sup>y</sup>)

To His Excellency Benning Wentworth Esqr. Governor and  
Commander in Chief of His Majestys Province of New  
Hampshire. To the Honorable His Majestys Council and  
House of Representatives for Said Province Conven'd in  
General Assembly.

The Petition of the Subscribers, Freeholders and others  
Inhabitants within this Province Humbly sheweth, That there  
was formerly a Grant made by the General Assembly of this  
Province to Build a Bridge over Exeter River from New Market  
to Stratham near the Lower Ferry place; But the same has

never been improved; nor is it likely that it ever will be improved. That its well known that Great advantage to the Publick would arrise from having a Bridge over said River between said Towns a little higher up the River at the New Fields Landing Place so called; a situation far superior to that of the Place where Liberty was formerly Granted; in respect to the Convenience of Travelers throughout the Province, a narrower Passage, Shoaler waters, and an even and firmer Bottom, so that the cost of Building would be a great deal Less than at the other place; That these reasons are so flagrant, that most if not all those who were formerly for haveing the Bridge Below, have relinquished their opinion being Convinced that a Bridge at the place now requested would be much more for the Publick utility; besides a Bridge in this place would be the least Impediment to the water Carriage, of any other place in the River and might easilly be contrived so as to give little or no hindrance to the Transportation of Rafts & Vessels.

Your Petitioners likewise Humbly presume that a Bridge in this place may be built on any Plan your Excellency and Honours may see most proper to order, by private subscriptions allowing as short a time as you may think sufficient to Effect the Same. Therefore for all these Reasons and many more which may be offered, evincing the great public and private usefulness of such a work, Your Petitioners Humbly pray that Liberty may be Granted for Building a Bridge over said River at the Place now requested. Your Petitioners earnestly Hope that your Excellency and Honours will take our prayer into your wise Consideration and give such orders Concerning the same as your Excellency and Honours shall think most proper and Convenient. And your Petitioners as in duty bound Shall ever pray.

Mr. Speaker.

Having seen a Petition which is to be prefer<sup>d</sup> to the General Assembly for a Removal of the Bridge that was to be maid a Cross Exeter River Near the Lower ferry (so called) between New Market and Stratham and am doubtfull whether Ever a bridge will be built at the place where the act has *Proposed* therefore hope the Generall Court will adhere to the Petitionors and a nother Reson for the bridge to be above is that Merss Shut and Mattoon has Given from under thire hands to open a Road from the upper ferry to the main Road which is a Great advantage to the North End of New Market

furthermore as the back Settlements Inceas the bridge is much more wanting.

*Sundry Inhabitants of New Market &c. Petition for a Lottery.*

To His Excellency John Wentworth Esq. Governor and Commander in chief in and over his Majesty's Province of New Hampshire, The Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in general Assembly convened Feb. 23<sup>d</sup> 1768.

The Humble Petition of Sundry of the Inhabitants of Newmarket Stratham & other Places in said Province Shews

That in the twentieth year of His late Majesty's Reign George the Second. an Act of this Province was pass'd, granting Liberty for Building a Bridge over New Market River a litle above the Place where the Ferry is kept, from the Land of Andrew Wiggin to land of Robert Smart, according to the Direction in said act, which Bridge it was Propos'd should be built by Subscription, and about two thousand Pounds old Ten<sup>r</sup> accordingly was subscribed, but the Subscription money was not to be paid before the Bridge was built, there is no fund provided for defreying the first necessary Expence, which must be considerable and such a Building cannot be compleated merely on Credit. That the Sum aforesaid is insufficient to effect the Design and very few Persons now appear willing to join the Subscribers so that there is no Prospect of Success in this Affair by Subscription especially considering all future Subscribers will expect the same Terms of suspending the Payment.

That as there are several Examples of raising money for such Purposes by Public Lotteries many have tho't it a very feasible method and giving a fair Prospect of Success in this

Case, and many Persons wou'd contribute in this way, who wou'd refuse to do it in any other: as building said Bridge will be a public Benefit, and is therefore on that account worthy of Encouragement and much to be wished to be well executed.

Your Petitioners therefore humbly pray that they may have Liberty to Set up a Public Lottery to raise money to erect and compleat said Bridge and for the future mauntaining of the same, under such Regulations and managed by such Persons as in your great Wisdom you shall Judge proper, And they will as in Duty bound ever pray &c

*Act to raise money by Lottery for a Bridge over Exeter  
River.*

Anno Regni Regis Georgii Tertii magnæ Britanniaë Franciaë et  
Hiberniaë octavo.

An Act for granting Liberty To Set up & Carry on a Public Lottery  
to raise Money for the Building & Maintaining a Bridge over Exeter  
River so called from Stratham to New Market in This Province.

Whereas in & by an Act passed in The twentieth year of his late  
Majesty's Reign Liberty was granted for the building a Bridge over  
said River at a Place & in The Manner therein expressed which not  
having been Carried into Execution many of the Inhabitants of this  
province have lately petitioned the General Assembly setting forth the  
great Benefit it would be to the province in general if that Design was  
executed, which has hitherto been delayed for want of Money & pray-  
ing Leave to raise Money by a public Lottery for that purpose, which  
having been duly Considered & the Proposal appearing to be for pub-  
lick Advantage

Be it therefore enacted by the Governour, Council & Assembly that

the persons hereinafter named be & hereby are authorized & permitted to set up & Carry on a publick Lottery to raise Money for the End aforesaid in so many Classes & Drafts as they shall judge proper not exceeding in the whole the Sum of one Thousand Pounds Lawful m<sup>o</sup> of said province provided the said Lottery be drawn & finished within the Term of Two Years from the passing of this Act. And Andrew Wiggin & Walter Bryant Esq<sup>r</sup> Deac<sup>t</sup> Stephen Boardman, Cornet Thomas Wiggin, Lieut Joseph Young & Lieut. John Burley, or the major part of them are hereby appointed to be managers of said Lottery who shall be under oath to be administered by any Justice of the peace to the faithful Discharge of that Trust & shall duly pay all benefit Tickets according to the Tenor & True Meaning of their Scheme & shall refund all sum and sums of Money that shall be paid for Tickets in Case the said Lottery shall not be drawn and Completed within the Term aforesaid. And the said Managers or the Major part of them are hereby appointed & authorized to apply the Money which they shall so raise by Causing the said bridge to be built agreeable to the Act aforesaid with this Difference that The Passage of twenty eight feet shall be where the deepest Water is instead of the Passage of forty five feet as mentioned in said Act & the forty five feet to be in the next birth on the side of New Market, and the Passage for Vessels may be made in any manner that shall be more Convenient than that propos'd in said Act & they shall Cause the said Bridge to be finished within one year after the said Lottery shall be finished & they shall be allowed their reasonable Demand for their Time & Trouble as the General Assembly shall Judge proper to whom they shall render their Account of their proceedings & all Charges & Demands Concerning the Premises & if any money shall remain after the Bridge shall be finished it shall be applied for the Support & Repairs thereof as the General Assembly shall Order.

And be it further enacted, by the authority aforesaid that there be a Convenient high Way each side of said Rivers from the Country Road to said Bridge when built in the Town of Stratham, to begin where the South East end of said Bridge shall be & from thence to run South easterly Thro' the Land of Andrew Wiggin Esqr. to the Country Road as the Road now goes, & in New Market To begin where the North West End of said Bridge shall be & from thence to run North-westerly a straight Line to the Country Road near the Southerly side of Philip Fowlers Garden, the said Road in both Towns to be three Rods wide & to be under the same regulations as tho' it was laid by the quarter Sessions.

The owners of the Land giving the Land for that purpose which they have engaged To do provided they may have Liberty to hang & Maintain Two Gates on each side which Liberty is hereby granted.

To His Excellency John Wentworth Esq<sup>r</sup> Governor & Commander in chief in & over his Majestys Province of New Hampshire the Hon<sup>ble</sup> His Majestys Council & House of Representatives for said Province in General Assembly Convened the 31 day of March 1772

The Humble Petition of Sundry of the Inhabitants of New Market Stratham & other places in said Province *Shews*,

That they find by experience that the Plan for building a bridge of New Market Lower Ferry place is not so well suited for that Design as the upper ferry place called the New fields, that the Tydes by reason of the Several points of Land runs so much across the River that the Rafts will almost unavoidably be thrown on to the Piers which will necessarily occasion damage either to the Piers or the rafts add to this the Length of the distance to be built will occasion near double the cost that wou'd be necessary to compleat the work above. That your Petitioners humbly conceive that every advantage for Effecting Such a design, is so evidently on that side of the Question which of the two places is the best in Preference of the upper place, that your Petitioners are at a Loss what reasons determined the case as it is. That as the place where it is begun is fixed by an act, your Petitioners Suppose it cannot be changed without another act for that purpose otherwise the People concerned would have altered the design have erected it at the New Fields & it is probable have finished it there by this time. That it is supposed with the advantage of the materials already provided three hundred and fifty pounds will be sufficient to finish it that they have Set on foot a Subscription to Raise that sum which on the View of a Change of the Place will be soon full that if Liberty shall be granted to Erect the bridge at the Newfields there will appear a number of Persons to give sufficient Security that the whole work shall be compleated within One Year after such Liberty shall be granted.

Wherefore your Petitioners most Humbly Pray that they may have Liberty to Erect the bridge Proposed at the place called the New Fields may have the Property of the materials already provided as they are we suppose paid for or given gratis to the Public for the use of the undertakers or those who were to carry on the work and that they may have leave to bring in a bill accordingly and they will as in duty bound ever pray &c

The humble Petition of the Selectmen of New Market &  
 others *sheweth*,

That the Selectmen of New Market aforesaid on the 18 Day  
 of August 1763 laid out a High Way Two Rods wide in New  
 Market aforesaid thro' the Lands of Several Persons; and  
 made a Return thereof (which was recorded on the Towns  
 Records) to General Satisfaction. But it has sence been dis-  
 covered that thro' the Inadvertency of the Surveyor there was  
 a Mistake made in several of the courses of said Way between  
 the Gate near Piscassick Bridge and Josiah Hiltons South  
 West Corner so that instead of the Returns Directing it in such  
 convenient Places as was then intended and agreed on it directs it  
 to such Places as are very Inconvenient and almost Inaccessi-  
 ble to the damage of some and great Dissatisfaction of others.

Wherefore your Petitioners Pray your Excellency and Hon<sup>ors</sup>  
 to interfere in the Premises and appoint and send a Committee  
 to investigate the Inconveniency Thereof and Provide a Rem-

 where said Way shall go.

to the Hon<sup>ble</sup> His Majesties Council of s<sup>t</sup>

Dec<sup>r</sup> 27<sup>th</sup> Anno Domini 1743.

The Memorial of Peter Morse, John Webster & Samuel Plummer for themselves and in behalf of Sundry others Inhabitants of the North Westerly part of the Town of Almsbury commonly called Almsbury Peck and within the Said Province

Humbly *sheweth* That your Petitioners Labour under inexpressible difficulties by reason of our being annexed to the Town of South Hampton. That the most of us live near fourteen Miles from the Meeting House in said Town and therefore cannot without great Cost as well as hazzard in passing their rocky & dangerous paths ever attend the publick worship of God there.

That lying at such a distance from them we have no Notice

of their meetings for transacting their publick affairs So that we have no liberty of voting; are Tax & chosen into office without our Consent or Knowledge which with humble submission we Cannot but think a very Great Grievance.

That your petitioners also live near Eight miles from Kingston meeting House So that it will be very difficult for us to attend the publick worship of God there & we would further humbly suggest that Kingston haveing of late Claimed Our lands there is now such a discord betwixt us that will we fear never be reconciled so as to sit easy together.

That we are unable to support the worship of God amongst ourselves (tho we are willing and desirous to Contribute to it according to our ability) and we liveing very near & Convenient to Haverhill district have some of us attended the worship of God at the Rev M Cushings meeting others at Timber lane for many years past through their lenity to us, unless sometimes in the winter Season we have at a very great Cost hired preaching amongst ourselves & we apprehending that if we were annexed to that district it might make Two good parishes & would be agreeable and a very great Satisfaction to them as well as ourselves we earnestly request your Excellency and Honours to annex us to that district so that we may have y<sup>e</sup> priviledges as they have. & for your Excellency & Honours

*New Town Petition.*

To his Excelency Benning Wentworth Esq Governour in Chieff in & over his Majesties Province of New Hamp<sup>sh</sup> in New England and to the Hon<sup>ble</sup> his Maj<sup>ties</sup> Council.

The Petition of Sundry Inhabitants that Live in Almsbury District & in South Hampton in the Province aforesaid

Humbly *Sheweth* That Several of your Petitioners have for many Years past been under very Difficult & Melancholy Circumstances because of their Liveing three or four Miles from any Place of Publick Worship which is very hard upon them at any time of the Year and Especially in the Winter Season when it is almost Impossible for them and much more for their

families to attend the Publick worship a Considerable Part of their Time.

But in the midst of these discouragements your Petitioners have for some years Past Pleased themselves with the hopes that if a Kind Providence would sooner or later Provide for their Better Accommodation. However these agreeable hopes have in some measure been retarded by the Settlement of the Line between the two Provinces and also by the Grant of the Township of South Hampton By Virtue of which Grant Several of your Petitioners fall within that Township and are obleedged to Pay their rates there Notwithstanding such your Petitioners humbly Conceive that when the Meeting House was erected there the Managers of that affair had Little or no regard to their accommodation but on the Contrary could not but be Senseble that we could not Possibly attend the Publick worship in South Hampton for a Great Parte of the Year because of the Extraordinary Difficultys in Passing over Powow river which is very often overflowed by reason of Several Dams that are built thereon which Deplorable Circumstances have Put your Petitioners upon Preparing to Erect a Meeting House in the Most Suitable place they could find for that Purpose, and it is so situated that it will accomodate near sixty families and scarce any of them be obleedged to Travel above Two Miles. Your Petitioners therefore humbly hope that the Consideration of their great hardships will so far prevail with your Excellencies & your Honour as to grant them a Parish Bounded as followeth: Beginning at a White ash Tree by Powows river which is said to be a bound of Chapleys Line and so following said Line to the West of Powows Pond so called so running South West to Haverhill Line so called and so following Haverhill Line to the Province Line and so following the Province Line Easterly to Powows river and so following the said river to our beginning and your Petitioners are the rather encouraged to expect some favour from your Excellency Because your Late Hon father was so remarkably famous for Benevolence & Condescension and we humbly Trust & hope that those Paternal accomplishments will Equally attend your Wise & just administration and we also flatter ourselves with some hopes of success from the Honesty & Justice of our Case & Especially when we beg Leave to affirm that this our humble Petition Proceeds not from a Spirit of Strife & faction or for want of Due affection to any of the Neighbouring Ministers but Purely from a hearty Desire of haveing a Convenient Place to Worship God in constantly after the manner of our forefathers and according to the usual Custom of the Established Churches in this Country, and therefore your Petitioners Humbly hope that your Exceclency & your Hon will Grant them such relief in

the Premises as shall be most agreeable to Equity & Good Conscience.

And your Petitioners as in Duty Bound shall ever Pray &c.

2ly we told our Dissenting brethren that we could not set them off for we had no power to Encorporate our selves into a town so we had no power to make any secession but we told our Dissenting brethren that it was a time of Grate charge with us and if they would Joyne with us in our Extraordinary charges that when they should be thought capable by lawfull authority to maintain y<sup>e</sup> Gospel of christ among them then we would pay back all their part of y<sup>e</sup> Extraordinary charges that should arise to them in finishing y<sup>e</sup> Meeting house setteling a Minister and bulding for him We Did not make our Dissenting brethren this offer because they Could Make any Majority upon us but we Did it for peace we considering how good it is for brethren to Dweel to gether in love and unity and that peace is the beauty of a society and it was so nessary and so valuable that we ar Ready to sacrifice anything to procure it Saving only a good conscience and so we proceeded to a Vote which is as followeth.

At y<sup>e</sup> same meeting it was taken in to consideration that whereas there are a number of Inhabitants of y<sup>e</sup> upper or west part of this town that live at a Considerable Distance from Meeting and have thought in time to be better accomodated, then Constantly to Assemble with us and we being Desirous to Exercise all Christian Regard and Kindness to them. Votes first that all those persons that lives above or to y<sup>e</sup> Westward of Capt. Jon<sup>s</sup> Currier's that have a mind to go off and be a parish shall have their Extraordinary Charge that they are now at among us paid back again to them that is to say all their part of y<sup>e</sup> Extraordinary Charges that shall arise to them by finishing y<sup>e</sup> Meeting house setteling a Minister and bulding for him when they shall be thought capable by Lawfull authority to Maintain y<sup>e</sup> Gospel of christ among them provided they do not molest or hinder us of y<sup>e</sup> other part in our speedy Seteling a Gospel Minister among us and that they pay toward his support while they are of us or belong to us hoping at y<sup>e</sup> same time they will of their own free will be assisting to us.

3ly We sent a Committee to the Association meeting of y<sup>e</sup> Rev. Ministers at y<sup>e</sup> Rev. Mr. Collins in Kingston lower parrish to ask advice how we should proceed in a Regular way to settle a Gospel Minister among us and there appeared some of our Dissenting brethren and opposed y<sup>e</sup> Vote and said we did that only for a Sham for we knew they could not make a parish but we should say when they and their neighbors could make a parish whereas we Drew y<sup>e</sup> vote according to their petition and they never ask us to set them off to Joyn with their neighbors for there is not such a word in their petition as their neighbours :

4<sup>th</sup> We call'd a town meeting which is as followeth At a Meeting of the Inhabitants of y<sup>e</sup> town of South Hampton November y<sup>e</sup> 26: 1742

John Flanders was chosen Moderator for y<sup>e</sup> same meeting. At y<sup>e</sup> same meeting it was taken into Consideration that whereas we y<sup>e</sup> Inhabitants of this towa being in present want of a pious Larned orthodox Minister of a good Conversation to Dispense y<sup>e</sup> word and Administer y<sup>e</sup> ordinances of our lord Jesus among us and it being our Duty to look up to Heaven for Divine assistance to guide us in all our affairs, therefore voted that thursday y<sup>e</sup> 2 day of December next is appointed to be a day of fasting and prayer in order for y<sup>e</sup> calling and settling a Gospel Minister among us.

Voted and past in y<sup>e</sup> Affirmative.

At a meeting of y<sup>e</sup> Inhabitants of y<sup>e</sup> town of South Hampton Feb. y<sup>e</sup> 15 1742-3 Joseph French was chosen Moderator. at y<sup>e</sup> same meeting it was put to vote wheither the town would Chuse the Rev Mr. Odlin and the Rev. 8<sup>th</sup> y<sup>e</sup> Rev Council came to our assistance y<sup>e</sup> day appointed and y<sup>e</sup> Rev<sup>d</sup> Mr. Caleb Chusing was Moderator, and our Dissenting brethren appeared in Council and objected against Some of the Council and y<sup>e</sup> Moderator. Ask them who they wear and they said Mr. Joseph Parsons Mr. Sam<sup>l</sup> Parsons and Mr. Fogg, the Moderator ask them what they had against them men they said they were akend to y<sup>e</sup> man that was to be ordained the Moderator ask them what they had against y<sup>e</sup> man that was to be ordained as to his life and Conversation or his Doctrine and they Eledge nothing but they said y<sup>e</sup> province line would be Removed and then they should lose the money they Expended with us and they had not a Covenant way, the Moderator told them that could be no bar against Settling a minister if y<sup>e</sup> province line should be moved we must petition to the Massachusetts Court for a parish and as to high ways y<sup>e</sup> law provides how they should get them so not withstanding all their opposition and Allegations y<sup>e</sup> Rev<sup>d</sup> Council see their way Clear to proceed to the ordaining y<sup>e</sup> Rev. Mr. Parsons in y<sup>e</sup> work of y<sup>e</sup> Ministry among us.

9<sup>th</sup> we voted that we would pay back again to them all their part of the Extraordinary Charge that should arise to them by finishing y<sup>e</sup> meeting house Settling a minister and bulding for him but then there was a Condition annexed to that vote, it was provided they did not molest or hinder us of y<sup>e</sup> other part in our Speedy settling a gospel minister among us. Now some of our Dissenting brethren say they have not hinder us in settling a Minister but how came it to pass that they did not hinder us, it was because they could not hinder us, they molested us and they opposed us from place to place and from time to time, they Entered their Contrary Dissents once and again against our regular proceedings in an orderly way to settle a minister among us and

they did not enter contrary dissents only against the Rev Mr. Parsons but against all the Candidates for y<sup>e</sup> Ministry so that if they could have Got their wills, we had never had a Gospel Minister Settled with us to y<sup>e</sup> end of the world.

10<sup>th</sup> all these Molestations Enterruptions and oppositions we have met with from our Dissenting brethren since we offered them that vote yet now they would skreen themselves under that vote when they never Full-Fill'd y<sup>e</sup> Conditions or y<sup>e</sup> vote in any one Article. For if they had Concured with us we had no need to have called so many town meeting nor been put to such an Extraordinary Charge in Sending from town to town and from one parish to another about y<sup>e</sup> Country to call in that Grand Council for two or three y<sup>e</sup> neighbouring ministers would have done our bissness in y<sup>e</sup> morning before y<sup>e</sup> ordination.

11<sup>th</sup> After we offered our Dissenting brethren that vote we made them another offer that whereas they had not then Rais'd their meeting house that if they would set it one mile above y<sup>e</sup> upper end of our town and then our meeting houses would stand four miles and a half apart and then we would be willing they should have a midle line and that would be but two miles and one quarter each way and we thought that could not be hard for any to go to meeting.

At the same meeting Cap<sup>t</sup> Jonathan Currier and Joseph French jun. was chosen a Committee to call in y<sup>e</sup> assistance of y<sup>e</sup> neighbouring Ministers to Celebrate a day of Fasting and prayer among us.

Voted and past in y<sup>e</sup> affirmative.

7<sup>th</sup> We Call the Rev. Council to set y<sup>e</sup> day before y<sup>e</sup> ordination and we notified our Dissenting brethren that they might come and shew Reasons if any they had why y<sup>e</sup> minister should not be ordained, but before y<sup>e</sup> time appointed Came we heard that our Dissenting brethren had made Report that they would take of our Council for some were a kind to y<sup>e</sup> man that was to be ordained and others had given Judgment before, so we hearing of their Strategem and not being Ignorant of their Devices we considered it was eser to prevent a Desease then to cure it or to Keep an adversary out while he was out than to git him out when he is in, so we being forewarned we thought it best to be fore armed, so we call'd the town together again to chuse other ministers, but our Dissenting brethren was very Refractory and said What must you appint a place for us to set our Meeting house? no thats what we wont Do.

12<sup>th</sup> the Gent<sup>l</sup>men Committee that was appointed by his Excellency Governour and the Hona<sup>ble</sup> his Majesties Council to view the lands and Settlements mentioned in y<sup>e</sup> petition of Joseph Bartlett and others came by your houses to our Meeting house about a mile below Powers River and they never vied y<sup>e</sup> situation of y<sup>e</sup> east end of y<sup>e</sup> town to see the Dificult sircumstances that them people labours under in going to y<sup>e</sup> Publick worship and so never considered whether we were capable to make a parrish or not but say it appears Reasonable to them if y<sup>e</sup> petitioners should be Incorporated into a parrish by meets and bounds and according to their boundarys they comes within a mile of our meeting house and so they have taken of all y<sup>e</sup> inhabitants that lives west of our meeting house saving four houses and so it appears to us that it will brake up an old parrish to a new one.

13<sup>th</sup> the petitioners petitioned for a parrish beginning at a white Ash tree by Powers River and from thence to fowllow Shapleys line so called till it comes to the head or Westery part of Powers pond so called and then to Run South West to Haverhill line so called and from thence to follow Haverhill line to the province line, then to follow y<sup>e</sup> province line easterly to Powers River and so following s<sup>th</sup> River to y<sup>e</sup> first mentioned bound and y<sup>e</sup> Gent<sup>l</sup>men Committee say they being attend by y<sup>e</sup> Selectmen of South hampton and Major Stevens being present to say for King-ton. In fact it appears to us that Major Stevens said well to save King-ton for he or they have cut down their petition from y<sup>e</sup> head or westerly part of powers pond so called to y<sup>e</sup> South east corner of y<sup>e</sup> long Cove so called and not allowing y<sup>e</sup> petitioners to En-

clude any land or Settlements within y<sup>r</sup> line of their petition that Kingston claims but they have un Reasonably Entruded upon South hampton a litle poor parish at y<sup>e</sup> best are much Inferiour to Kingston upper parish both as to men and Eastes.

14<sup>th</sup> the Gent<sup>l</sup> Committee say that it appears to them that y<sup>e</sup> Circumstances of y<sup>e</sup> petitioners are such that they cannot without greate Difficulty attend y<sup>r</sup> publick worship at South Hampton, we answer we had liberty to buld a Cassway on a mans land and accordingly we bult a Cassway and bult a bridge and there are severl Families that lives to y<sup>e</sup> west of Powers River that have all ways attended y<sup>r</sup> publick worship with us ever sence we have been Incorporated into a town and there are some that come several times to our meeting y<sup>e</sup> lives above y<sup>e</sup> west end and y<sup>e</sup> other Inhabitants might come as well as their neighbours and we should have had a commodious highway before this time if they had not opposed us and put it by but now we have laid out a new highway from y<sup>r</sup> highway y<sup>e</sup> leads from y<sup>e</sup> meeting house to a highway or publick Rhoad that leads from Kingston through y<sup>r</sup> west part of South hampton to Ambsury.

15 the gent<sup>l</sup> Committee say it appears to them that y<sup>e</sup> petitioners cant be Joyned to any neighbouring place for their accomodation but it appears to us that they can or else where is that Inhabitants that belongs to Kingston that they have given libity to pole to this new parish if they Desire it. if y<sup>e</sup> petitioners had set their meeting house higher up then there might have been some taken of y<sup>e</sup> upper end of South hampton and some of Kingston and have made a good parrish and not have broken up South hampton.

16 if our Dissenting brethren can git to Powers River for a Dividin line to make them a parish it will sartainly break up ours and we shall take it hard that an old parrish should be broke up for a new one for they will come within a mile of our meeting house and take off all y<sup>e</sup> houses most of our meeting house but foure and then our brethren at y<sup>r</sup> east end of y<sup>r</sup> town say y<sup>e</sup> meeting stands at one end of y<sup>e</sup> people and there going off at y<sup>e</sup> west end of y<sup>e</sup> town dont bring y<sup>e</sup> meeting house any nearer to them but makes them a great Deal more Charge to pay and they as fur from meeting as ever and they say if those men which were petitioners for y<sup>e</sup> town May go off, surly they that were non petitioners may go off also and so they will be annexed to Kingston parrish and then there are some of our brethren that lives on y<sup>r</sup> northerly part of the Town y<sup>e</sup> say if they goes off at both ends of y<sup>r</sup> town then they will be annexed to Kingston lower parrish for it is Impossible that the middle part should support the Charges and then there are a few families that lives next to y<sup>e</sup> Province line that can in no wise Support the charges nor Do y<sup>e</sup> Duty of a town and we humbly Conceive that this Hon<sup>l</sup> Court wont set them off to Joyn with Salisbury because this is a seprate Government and so them men are fit for no body and so they are in that affair of all men y<sup>e</sup> most miserable

17<sup>th</sup> if twenty men in this town should Divide this town they will Encourage thirty in another town and them thirty will say if twenty can Divide a town surly thirty can and so they will goe on from bad to worse till they Grows Incorrigible, if these Examples should be tolerated in these our Dissenting brethren they will Corrupt other and if it should be followed by many it would prove y<sup>e</sup> Dissolution an Confusion of towns parrishes and Churches for as sone as y<sup>e</sup> minor part sees they cant make a majority upon y<sup>e</sup> Major part they say we will have a meeting house and a minister of our own and so insted of having a Great many meeting houses and ministers in a litle time there wont be any for they cant possible be supported.

18- if this Hon<sup>l</sup> court Should see fit in your Great wisdom set

off these petitioners according to y<sup>e</sup> bounderyes of y<sup>e</sup> Committee Report Then we Humbly pray that we might be annexed to y<sup>e</sup> town that we lays ajacent to for we cant in no wise support y<sup>e</sup> charges nor Do the Duty of a town.

19 We do Declare this Day to this Hon<sup>ble</sup> court that we have not willfully Endeavoured to take any Indirect way contrary to the law of our province to Defraud any brother [we wish our Dissenting brethren all well] we wish brotherly love might be with us and Continue, we wish that Grace Mercy and peace might be multiplied among us that the God of love and peace might Dweel with us, we wish all things might be done with Charity, we wish we might have a Quiet and peaceable Settlement ina Way of Righteousness that we might all be built to eternal life through Faith in Jesus Christ our lord.

20<sup>y</sup> by what has been all Ready offered we Doubts not but your Excellency and Honours in your great wisdom and Goodness will see Just Cause to Reverse y<sup>e</sup> vote and petition of our Dissenting brethren and accordingly Grant our Request.

Wherefore we your Humble petitioners which formly proferd a petition to this Honourable Court and some other of our Neighbors Humbly begs leave to revive our former petition and pray that we may be annexed to Kirsington parrish and there Do our Duty and there Injoy the priviledgs of towns men. so shall we as in Duty bound ever pray &c.

To his Excelency Benning Wentworth Esq<sup>r</sup> Capt. General and Governour in Chief in and over his Majesties province of New Hampshire in New England &c.

Whereas the Sec<sup>y</sup> by your Excelency command Did Recommend a letter to us y<sup>e</sup> Select men of South Hampton Dated June y<sup>e</sup> 14<sup>th</sup> 1748 Signifying that y<sup>e</sup> Inhabitants of Almsbury District have set forth their unhappy Situation and they are Desirous y<sup>t</sup> y<sup>e</sup> town would Set off a sufficient Number of Inhabitants to their assistance or else they would be an next to South Hampton &c that is what y<sup>e</sup> town cant in no wise agree to y<sup>e</sup> y<sup>e</sup> District should be an next to y<sup>e</sup> town for y<sup>e</sup> Reasons Fowling. 1<sup>st</sup> we apprehend that them men wont be Contented without a Nother Minister and two Ministers is what we cant possible Support among such a Small number of people and upon such a Narrow Strip of Land and we have several poor people among us and we have for several years past been involved in a soar and a greivous war w<sup>ch</sup> has Created a great charge and what will be the Result there of we know not and it has pleased Almighty God in his all wise providence to visite many families among us with a soar and Long sickness which has caused great Expence for Physicians Nursing and other Nesciaries.

2<sup>nd</sup> there wear thirty men or there about among us who at y<sup>e</sup> first erected our meeting house and laid out between three and four hundred pounds in that way and them men gave it up to y<sup>e</sup> town for y<sup>e</sup> towns use to make peace, so our contending brethren at y<sup>e</sup> west end of y<sup>e</sup> town paid Nothing toward that charge and we have built a passonage house and barn and fenced our passonage and there were Certain men among us that Duge

a well for our Minister and Stoned it and there wear other generous men built a pound and gave that to y<sup>e</sup> town for y<sup>e</sup> towns use. so our Contending brethren paid Nothing toward Either of them and we have laid out a great Deal of money in purchasing high ways in y<sup>e</sup> town and we have got a high way that Leads Directly from our meeting house up among y<sup>e</sup> Inhabitants at y<sup>e</sup> west end of y<sup>e</sup> town and we have built a spacious bridge over y<sup>e</sup> River and made it a fine way and it is traveled by many of his Majesties good Subjects and our Contending brethren have no Need to complain for want of a way for they may come to meeting with the neighbors if they would and this may Inform your Excellency that these Extraordinary Charges we have been Exposed to.

3 if y<sup>e</sup> District should be annex to South Hampton we humbly Conceive that they will make a Majority and then they will oblige us to help them and pay our proportion with them in finishing their Meeting house which is only a frame with a few boards on it.

And build them a parsonage house and barn and Dig a well and buy them a parsonage and fence it which will in this Day Cost of our money near four thousand pounds old tennur as it has been Computed.

Now for these men of the District to Desire to be annex to South Hampton and make us bear such an Extraordinary charge with them when they never paid y<sup>e</sup> thousand part of a penny toward our Extraordinary Charges it appear to us to be an actually cheat and a piece of oppression and it is very unadequate and if your Excelency should be pleased to grant them men their Disire in this thing it would make a prodigious Quarrel and prove the Dissolution and Confusion of our town and our Latter end will be worse then our beginning for y<sup>e</sup> annexing of them men to South Hampton cant be for the good of y<sup>e</sup> town. it Directly and surely tends in y<sup>e</sup> Natural Course of things to our utter Ruin and Destruction. the Subversion of our Constitution and it Deprives us of our just Rights and it lays Such a heavy yok upon our necks that we nor our children Cant bear.

4 our Contending brethren the Cheif men that oppose us signed our petition with us and we never Intended to make but one parrish and since they Retrograded and gon back from what they sign'd with us and if they had set their meeting house one mile or there about higher up in y<sup>e</sup> District they might have men enoufe to Joyn with them to make a good parrish and not have broke up South Hampton. but our contending brethren with some others of y<sup>e</sup> District have set up a frame of a meeting house just over y<sup>e</sup> Line at y<sup>e</sup> west end of our town where it would sut them and they think we are bar-

barous to Disire them to assemble with us and yet they would tak of a Number from us against their wills who sets Down easy with us and Count that no barbarity at all and if our Contending brethren think it hard to joyn with us against their wills then Consequently they may thiak it hard for our brethren who set down easy at y<sup>e</sup> first and went on chearfully with us in all our Extraordinary charges to be forced to Joyn with them against their wills and so we will force no man to go off from us but give every man his liberty to go or stay and since your Excellency has desired that we would set off a sufficient number to their assistance we Know no Number more sufficient to go off than they that are willing

This Charter of Nottingham I found among the Waldron Papers in 1828. It was supposed to be irrecoverably gone, as appears from a Petition of Col. Now this is the original having the autograph of Gov. Shute.

The Petition of the Proprietors of y<sup>e</sup> Town of Nottingham  
Humbly *Sheweth*

That the Proprietors & Inhabitants of s<sup>t</sup> Town, are under  
very great Difficulties & Disadvantages for want of a Suitable  
Road to a convenient landing Place For the High way already  
laid out is not only much longer than is necessary, but, not-  
withstanding a very considerable expence, the Propriet<sup>r</sup> have  
been at in clearing & Bridging the same it yet remains impass-  
able for loaded Carts unless when the Rivers are very low,  
and for as much as there is already a pretty good cart way  
(Comonly called Hull's way) four or five miles from the land-  
ing place at New Market towards Nottingham which if con-  
tinued thro' that part of Exeter which is between Nottingham  
and y<sup>e</sup> Parish of New Market, would be above three miles  
nearer, & on every other acc<sup>t</sup> more convenient. They humbly  
therefore pray that there may be a Highway allowed & laid  
out thro' y<sup>e</sup> s<sup>t</sup> part of Exeter & New Market, which  
would be of great advantage not only to Nottingham, but to  
some of y<sup>e</sup> New Towns Settling above it, and your Petitioners

The Petition of the Inhabitants and Resident Proprietors of the Town of Nottingham Humbly Sheweth

That whereas your said Petitioners have for Sundry years Past Resided in said Town and have for a Great Part of the Time been Destitute of a Preacher of the Gospel among us the cause whereof being chiefly our Inability to afford a suitable Maintainance for a Minister we being but a small Number although the Proprietors were obliged to Settle a family upon Each Right which if it had been Done would have been a Number Sufficient to have Supported a Minister for the Benefit of the Town, but since far the Greatest Part are non Resident and many of them Live out of this Province it cannot but be Highly Reasonable that as they have a Share in the advance of the Common Interest of the Town and it being Consistant with their Votes at Sundry Meetings and also the Most Likely Method to advance the worth of their Lands that they should bear som Suitable Proportion of the charge of a Minister till such time as the Inhabitants shall be able to Bear the Burden alone, we make bold therefore Humbly to Petition your Excellency and Honours to Pass an act to make the lands of such non Resident Proprietors as neglect to Pay such Proportion as to your wisdom shall seem meet to Lay upon them Lyable to be taken by Destraint in Case they do not Pay such assessments and seeing it may be for the Glory of God

the Interest of Religion and the Benefit of your Petitioners we humbly beg that this or some thing more Proper may be Done as to your wisdom Shall appear moste Expedient for the Remedy of the Difficulties we Labour under and your Petitioners as in Duty bound Shall Ever Pray &c.

To His Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander in chief in and over his Majesties Province of New Hampshire and the Hon<sup>ble</sup> His Majesties Council and House of Representatives for said Province in General Assembly Convened.

The Inhabitants of Nottingham in said Province Take this Opportunity Thankfully to acknowledge your Goodness in Sending and Supporting a Number of Men in Years Past for our Safeguard and Defence in this Time of War. And altho' we might from thence Infer your Good Disposition to Help us for the future yet in order to your being more fully Informed of our Circumstances we would Humbly offer to the Consideration of this Honorable Court some of the Difficulties and Dangers we find our selves Exposed to in this Time of War.

Our Settlements are Remote one from another in a Mountainous and Broken Country our Fields are Generally Encompassed about with Trees and Bushes which Continually Exposes us to the Danger of being Surprized by the Enemy while about our Daily Labour our Common Roads and High ways are no Less Dangerous to Pass; We Live open to a Wide Wilderness which surrounds us on all sides by which means the Enemy may come undiscovered very near our Garrisons which we have hardly men enough to Defend our Number being now very Small many having already Removed out of the Town and others Seem so much Discouraged that we fear our Numbers will be much Less in the Ensuing Summer than they are at present which has a Tendency to make our Burden Still the Heavier which is already almost unsupportable we have Never Desired Needlessly to be a Burden to the Government Neither

have we Ever before in this manner apply'd for Relief but being now convinced more than Ever of the Danger we are Likely to be Exposed to we cannot but think it Needfull for us to be Importunate with Your Excellency and Honours to grant us Such Large assistance as our Necessitous Circumstances may Require without which we fear we shall be obliged to Retreat for the Safety of our Selves and Families tho' it must be with the Greatest Regret that we Leave our Settlements which we have Cultivated with much Toil and Labour.

May it Pleas your Excellency and Honours to take the Premises into your Wise Consideration and if it be Consistent with your Pleasure and for the Benefit of the Province in General as well as your Petitioners in Particular to Keep this Town we Humbly Pray that there may be Speedy Provision made for the Support of Forty or Fifty Men to be sent up Early in the Spring and Kept Here for the Safeguard and Defence of the Inhabitants Here and that Such Stores as may be needfull for them may be conveyed up by sledging the Knowledge of which as it would be Likely to Prevent some from Removing out of Town So it would be a means to Encourage and strengthen us all who are very Sensible that we cannot Long Support our Selves Here without Such assistance from the Government as Shall Enable us to Go about our Labour and Business in some Degree of Safety which we Hope you will Freely Provide for and your Petitioners Shall as in Duty Bound Ever Pray &c.

New Hamp: } Governour in chief in & over the Province  
aforesaid (in Counsel)

The Petition of the Inhabitation and freeholders of the Sow west part of Nottingham Humbly Sheweth that your Petitioners wear set of by a vote of the Town of Nottingham as a Parish in the year 1750 at their annual meeting and were Bounded as followeth Viz: Begining at a Certain tree between the fifth and sixth Ranges in the third Division of Lotts in s<sup>d</sup> Towne No. 21 at the Lower end of said Ranges then Runing S. West to Chester Line being about five Miles, thence Runing on s<sup>d</sup> Chester Line West North West to a Pitch Pine tree which is the South westerly corner of Nottingham, thence Runing north East and by north on the head of Nottingham about five miles to the line between the 5 & 6 Range then running East South East on s<sup>d</sup> Line to the Bounds first mentioned. The aforesaid Tract of Land being about six Miles square was voted of as a Parish to the inhabitation & freeholders of said Land with all Priviledges belonging to a Parish as much as in them Lyes.

And in March 1751 Their was money Rais'd on all the inhabetence of Nottingham Except the Church men and it was then Voted that what was paid by those men that Lived in the South West Parish (so call'd) should be expended in supporting a Minister to Preach the Gospel among them

And in March 1752 at the annual meeting there was a Large sum of Money Rais'd and your Petitioners were to have the money that was paid by your Petitioners to be expended among us; And money hath ben raised yearly ever since and we have Receiv'd nothing for our Money Except one Days Preaching and about three weekes schooling for six years, for your Petitioners not being incorporated into a Parish only by the Votes of the Town were not able to chuse any Parish officers to Re-

ceive the money and to lay it out altho' the Town are willing we should have it as soon as we are incorporated and as preaching the Gospel and teaching the children are matters of Great importance to all his Majesties Good Subjects and for many other Reasons which you in your wisdom are sensible of that will forward the Settling and Promote Good order in a Place.

We your Petitioners Earnestly Pray you would be pleas to incorporate us and Grant us Parrish Priviledges.

NOTE BY THE EDITOR.

After the foregoing papers relating to Nottingham were prepared for  
 the press, the editor received the following note, through Hon. B. F.  
 Prescott, viz. :

Deerfield Center, Nov. 25, 1875.

Friend Prescott:

I have in my possession, a Plan of Nottingham, by John Brown—1732, showing on it (where legible) the names of the then owners of each lot of land, the number of each lot, and the number of acres in each lot.

I think that there can be no doubt of its authenticity or of its correctness.

On the back is a Plan which I cannot make out. Much information can be obtained from it. This Plan was drawn while Nottingham included Deerfield, Northwood and a part of Raymond. Perhaps it would not be amiss to inform Dr. Bouton.

Yours, &c.,

G. H. STEVENS."

Reference to this Plan may be important to persons in investigating titles to land, or in completing a history of Nottingham, and of towns laid off from it. The editor would have been happy to have secured a copy for an insertion in this volume. ED.

*Henry Baldwin's petition in behalf of the Town of Pelham.*

To His Excellency Benning Wentworth Esqr. Capt. General Governour & Commander in chief in & over his Majesties Province of New Hampshire. The Hon<sup>ble</sup> his Majesties Council & House of Representatives in Gen Court assembled.

The Humble Petition of Henry Baldwin of Pelham in said Province Gentleman Shews That y<sup>e</sup> Inhabitants of s<sup>t</sup> Pelham are but few in Number & some of them not able to pay any Tax at all and besides other Difficulties which they labour under in their present needy Circumstances y<sup>e</sup> War makes their case much more difficult & y<sup>e</sup> Support of y<sup>e</sup> Ministry and their other Necessary charges more intolerable.

That there are many valuable Tracts of Land owned by non resident Proprietors which Lands are much meliorated by our Improvements & at our Expence and we are verily perswaded that some if not all of s<sup>t</sup> non resident Proprietors would willingly be subjected to pay something towards our Help. I would therefore in y<sup>e</sup> name & on y<sup>e</sup> Behalf of s<sup>t</sup> Inhabitants as well as on my own humbly supplicate your Excellency & Honours by an act to Subject said non residents Lands to pay a Tax of one penny & an Half annually pr. acre for five years next ensuing & to impower a Collector or Collectors by us lawfully constituted to collect y<sup>e</sup> same or otherwise do what your Excellency & Honours shall think best for us & consistent with Justice.

*Petition of Selectmen of Pelham for power to tax non resident lands.*

To His Excellency Benning Wentworth Esqr. Captain General Governor in chief in and over His Majestys Province of New Hampshire in New England. To the Honourable His Majestys Council & House of Representatives of said Province in General Court assembled at Portsmouth the fourteenth Day of July, 1756.

The Petition of James Wilson John Hamblet & Benjamin Barker Selectmen of the Town of Pelham in the Province aforesaid in behalf of said Town.

Humbly Sheweth That the Inhabitants of said Town labour under many Difficulties by Reason that about one half of the Land in Said Town is owned by Non Resident Proprietors (as your Petitioners Humbly conceive) and the Taxes which

the Selectmen of the Said Town assessed on the lands in said Town at one penny half penny per acre annually in years past hath been applied and used as in and by the act for granting the same was ordered and yet there must be further great Cost and charge before the Meeting House in said Town be finished, and moreover the Inhabitants of said Town (though few in number) are desirous to promote learning among them and to that end be at the Cost to Keep a School.

And further there is a certain River (called Beaver River) Runs through the Body of the said Town which occasions great charge for Building and maintaining five Bridges over said River to accommodate people in passing over the same from all which (and other circumstances) ariseth great Cost and charge upon the Inhabitants of said Town. And the said Non Resident owners of such lands are greatly benefited and may be still by the performance of these things thereby raising the value of such lands.

Your Petitioners therefore (being Desirous to act and do such things as tend to the General Interest of the Town) Humbly supplicate the serious Consideration and favour of your Excellency and your Hon<sup>r</sup> Praying that power and authority may be granted to the Said Town to Tax all the Lands of such Non-Residents lying within the said Town at two pence per acre annually for such term as your Excellency & your Hon<sup>r</sup> in your wisdom and Goodness shall think fit and Judge meet—all which is humbly presented by

## PEMBROKE.

[This town was originally Suncook, and afterwards Lovewell's Town; and was granted by Massachusetts to the brave men who belonged to the company of Capt. John Lovewell, and to the heirs of those who fell in the memorable engagement at Pequawket. The first Settlement was made about the year 1729, by some of the survivors of that engagement. The Town was chartered by New Hampshire, 1 November, 1759. Ed.]

To His Excellency Benning Wentworth Esqr. Captain General and Governor in chief in and over his Majestys Province of New Hampshire in New England the Honourable the Council and House of Representatives in General Court Convened.

The memorial and Petition of Moses Foster in the Name and Behalf of the Inhabitants of the Plantation of *Suncook* in Said Province.

Humbly Sheweth,

That the Said Plantation has been Settled by His Majestys Subjects about Eleven years and a Gospel minister ordained there Several years.

That the Settlers had an eye at enlarging His Majestys Dominions by going into the Wilderness as well as at their own Interest

That several Thousand Pounds have been spent in clearing and cultivating the Lands there and in erecting Houses, Barns, and Fences; besides a large additional Sum in Fortifications, lately made by His Excellency the Governours Order.

That the breaking up of the Settlement will not only ruin the Memorialists, but in their Humble Opinion greatly disserve His Majestys Interest by encouraging his Enemies to encroach on His derelict Dominions and be also hurtful to the Province by contracting its Borders and by drawing the War nearer to the capital.

That it was by a long and importunate Intercession of this Province (and not of the Memorialists seeking) that they are put under the immediate care of this Government which they apprehend gives them so much the better Right to its Protection.

That as War is already declared against France and a Rupture with the Indians hourly expected your memorialists unless they have Speedy help will be soon obliged to dissent their Settlements how disserviceable so ever it may be to the Crown, and this Province and ruinous to themselves

Wherefore your Memorialists most humbly Supplicate your Excellency the Honourable Council and House of Representatives to take the Premises into your wise and mature Con-

sideration and to grant them such Seasonable Relief as may enable them to maintain His Majesty's Dominions in so ancient and well regulated a Settlement as well as to secure their own Lives and Fortunes against the Ravage and Devastations of a Blood-thirsty and Mercy-less Enemy and your Memorialists as in Duty bound will ever Pray.

To His Excellency Benning Wentworth Esqr. Capt. General, Commander & Gov in chief in & over his Majesties Province of New Hampshire in New England, the Honourable his Majesties Council & House of Representatives in General Court convened.

The Memorial & Petition of Benjamin Holt in the name and behalf of a major part of the inhabitants of the New plantation commonly known by the name of *Suncook* or Lovewells Town in said Province Humbly Sheweth.

That the said plantation has been settled By his Majesties Subjects about fourteen years, and a Gospole Minister upwards of seven, that the settlers had an eye at enlarging his Majesties Dominions by going into the Wilderness, as well as at their own Interest

That many thousand pounds have been spent in clearing & cultivating the Lands there, and many more in erecting Houses Fortifications, Barns and Fenses.

That the Buildings are properly formed for defence, and Well situated for a Barrier being on Merrimack River about a Days march below the Confluence of Winnipishoky and Pemissawasset Rivers Both of which are gang ways of the Canadians to the Frontiers of this province and within a Weeks March at farthest from a very Strong Fort Built within these few years by the French at Crown point, which will be a Place of constant Retreat and Resort for the French and Indians in all their Expeditions against the English Settlements.

That the Breaking up of the Settlements will not only Ruin the memorialists, But in their humble opinion greatly disserve his Majesties interest by encouraging his Enemies to Encroach on his derelict Dominions and be also hurtful to the Province by contracting its Borders and drawing the War nearer the capital.

That it was by a long and importunate intercession of this Province (and not of the memorialists seeking) that they are cast under the immediate care of this government which they apprehend gives them so much Better Right to its protection.

That as War has been declared against France for some time and a Rupture with the Indians has been hourly Expected many of the inhabitants of said Plantation by Reason of their being so exposed to Eminent danger from their Enemies have already moved from said Plantation The Season of the year being such as to give the Indians an opportunity of Disturbing the Frontiers.

And your memorialists unless they have sufficient & speedy help will bee soon obliged to Evacuate said Plantation how disserviceable soever it may be to (the) crown Dishonourable to the government Hurtful to the Province and Ruinous to themselves

Wherefore your Memorialists most Humbly supplicate your Excellency the Honourable Council & House of Representatives to take the Premises into your wise and mature Consideration and to grant them thirty or forty soldiers to be posted at said Plantation for scouting Watching, Warding & guarding, with Sufficient Military Stores or otherwise to grant them such aids Both with Respect to men & military stores as your Excellency & Honours shall think sufficient to secure your Memorialists Lives & Fortunes against the Ravage and Hostilities of our said Enemies. And your memorialists as in duty Bound Shall ever pray.

*Petition of the town of Peterborough.*

Province of ) To His Excellency Benning Wentworth  
New Hampshire ) Esq. Commander in Chief in and over  
his Majestys Province of New Hamp.  
The Honourable his Majestys Council of said Province.

The Humble Petition of us the Subscribers Being Inhabitants of a Tract of Land Lying in said Province on the West side of Merrymac River of the Contents of about six Miles square, Commonly Called and Known by the Name of Peterborough in Behalf of ourselves and others the Inhabitants of said Tract of Land. Most Humbly shews, That about the year of our Lord 1739 a number of Persons in Consequence of a Grant of a Tract of land, had and obtain'd from the Great And Gen Court, or Assembly of the Province of the Massachusetts Bay by Samuel Haywood and Others his Associates Granting to them the s<sup>d</sup> Tract of Land on certain Conditions of Settle<sup>r</sup> and in Pursuance whereof a number of People Immediately went on to said Tract of land and began a Settlement. (Tho then Very Far from any other Inhabitants) which we have Continued Increasing ever since the s<sup>d</sup> year 1739, Except Sometimes when we left said Township for fear of Being Destroyed by the Enemy who Severall times Drove us from our Settle<sup>r</sup> soon after we Began, and almost Ruined many of us. Yet what Little we had in the World, Lay there, and we having no wheither Else to Go Return'd to our settle<sup>r</sup> as soon as Prudence would addmit, where we have Continued Improving Constantly Ever Since and have Cultivated a Rough part of the Wilderness to a Fruitfull field, the Inhabitants of said Tract of Land are Increas'd to the Number of forty five or Fifty Famelys, and our Situation, with the Respect to the Terms we at first Settld on are Such that we Cannot hold any Propri<sup>r</sup> meeting at all to pass any Vote or Votes that will be Sufficient to Oblige any person to do any part towards Supporting the Gospel Building a Meeting house and Bridges, Clearing and Repairing Roads all which wou'd not only be a Benefit to us Settlers to have it in our power to do but a Great Benefit to People Travelling to Connecticut river and those Towns settling beyond us. Therefore we Humbly Request of Your Excell & Hon<sup>r</sup> to take the Premises under Considera-

tion and Incorporate us that we may be Invested with Town Priveledges and immunities as other towns are in this Province And Your petitioners as in Duty Bound shall ever pray &c.

*Petition for a new County.*

To His Excellency John Wentworth Esqr. Captain General, Governour & Commander in Chief in & over his Majesties Province of New Hampshire & the Honourable His Majesties Council & House of Representatives in General Assembly Conven'd.

The Petition of the Subscribers Inhabitants of the Sundry Towns to which our names are annexed, All in the Province aforesaid Humbly Shews That by Reason of our Remote Situation from the Metropolis of the Government. where all the Courts Legislative & Executive are held Our Expense time & Trouble &c to Recover our Just Debts is Often greater than our Debts. & if the Case Requires Evidences & the Def<sup>t</sup> Appeals & procures a few Continuances we had better let any man with Hold a sum Large enough to Distress a poor family than be quite Ruined according to Law, in Peticular our Widows. Fatherless, & Orphans suffer. to settle an Estate agreeable to Law leaves little or nothing to Support the Survivors. Some are so unreasonable that they Report when we have a County on Our side Merrimac River. the Shire Town will be at that or Connecticut River & some are so weak as to believe it will be so, Either of which is so absurd & unjust it would be an affront to Common Sense & Impartial Justice to Offer Reasons for or against either.

Our prayer is first that we may have a County ———

Secondly that a Committee of Judicious Impartial Gentlemen may View all the Land & number all the Inhabitants. Intended to be Included in said County and every Circumstance being maturely Considered & every Reason Estimated at its Proper Nature we doubt not (from your well Known Clemency

& Impartial Justice) But we shall have a County & the Shire Town Appointed where it will best Accommodate the Inhabitants that are or may be within its Bounds, Which is all our desire & your Petitioners as in Duty Bound will ever pray.

The Humble Petition of us the Subscribers Being Inhabitants of The Town of Peterborough in the County of Hillsborough & Province aforesaid Humbly Sheweth that about five years since the Reverend John Morrison was Legally appointed to & ordained in the work of the ministry in said Town since which Time he has been guilty various times of profane swearing, Drunkenness, Immodest Actions & conversation & other Lew<sup>d</sup> wicked & Disorderly behaviour Quite unbecoming the christian character by Reason of which your Petitioners Humbly apprehend that he is by no means Suitable to Exercise the sacred function, nor can they derive any Benefit or advantage from his ministry or Injoy any of the christian ordinances under his administration

To His Excellency John Wentworth Esqr. Captain General Governor and Commander in Chief in and over his Majesties Province of New Hampshire and Vice Admiral of the same and also to the Honourable his Majesties Council.

the Request of your Petitioners Humbly Sheweth

That whereas your Excellency and Honours Petitioners (viz) Petterborrough and petterborrough Slip So called together with some of the inhabitants of the town of Jaffrey Are Desirous of obtaining four hundred Rods off the East End o Jaffrey :

Now we the Subscribers your Petitioners are of the mind that if Petterborrough Be Divided according to their Request and added to the petterborrough Slip it will Be accomodated Both in quantity and qualaty for as Compleat a town as the town of Jaffrey as it now Stands Likewise in the West End of s Jaffrey there is a Number of Baptists are now Embodvd into a Society and we Expect that they will Enjoy their Prevelidges without interuption also in the north West part of s<sup>d</sup> town is included Most part of the Grand Monadnock Mountain and some Great ponds and other uninhabitable Lands (Viz) to the amount of Between two and three thousand Acres.

Also Near the Center of s<sup>d</sup> town is Laid out ten acres of a Common and some Considerable of Labour Done upon it and a Burying yard laid out and Some people interred there also the Roads are opened By s<sup>d</sup> Center so as to accommodate a Meeting House.

Now if Such a Division Should take place it will unavoidable Deprive us of many Valuable priviledges Such as Maintaining the Gospel and otherwise.

For Which Reasons aforementioned we your Humble Petitioners Request your Excellency and Honours indulgence in Letting us Enjoy the aforesaid Town of Jaffrey as it now Stands Bounded, therefore trusting to your Excellency and

*Sanborn, Palmer & Weares report of Haverhill District.*

To his Excellency Benning Wentworth Esq<sup>r</sup>

May it please your Excellency,

In Obedience to your Excellencys appointment we have View'd het Situations of the Inhabitants of Haverhill District to see if said District may Conveniently be Incorporated into three Townships having Regard to those People of Salisbury and Almsbury District above South Hampton that they may be Provided for in one of the Townships,

And Beg leave to Report

That upon the best survey we Could make and Information we could have from the Inhabitants it appears to us that the Circumstances & Situation of the Inhabitants of said District (as well as their Desire) is such that they cannot at present Conveniently be Incorporated into more than two Townships.

It appears to us that at the upper or Northwesterly part of said District the Inhabitants are Compact and Conveniently Situate for a Township or Parish, The Bounds of which (in Our Opinion) may be as follows. To begin at the North East Corner of Tyngs farm mentioned in Mr. Hazzens Plan and from thence to Run to the South west Corner of Hales farm from thence to Woodbridges Corner Bounds from thence to Morses Corner as mentioned in said Plan and from thence to Run north to Shapleys line then to follow Shapley's line westwardly till it strikes Haverhill Northwest line so called then to follow Haverhill Northwest line to the head of the District. And for the Bounds on the other side to begin at the North East Corner of Tyngs farm beforementioned from thence to run on the line of Tyng's farm, half way to the Bounds on Hog Hill and from thence on a strait Course to Clements Southwest corner bounds by Islandy Pond and then as Described in the Plan to the head of the District. This we think will conveniently make a Township and the other part of the District we cannot find any way be Divided at present to be Incorporated into more than one Township to be so well for the Inhabitants as they are now.

*Hazzen and others Petition for a Special Act, &c.*

Province of } To His Excellency Benning Wentworth Esqr.  
 New Hamp<sup>sh</sup> } Governour and Commander in chief in &  
 over s<sup>d</sup> Province of New Hampshire. The  
 Hon<sup>ble</sup> His Majesties Council & House of  
 Representatives in General Court assembled  
 at Portsmouth August 1744

Humbly Shew the Subscribers That sometime in the months of September October or November last many persons living in Haverhill District in s<sup>d</sup> Province or near to the same in the Town of Haverhill had severall of their Cattle taken out of their fields, or pastures and kill'd also Severall Swarms of Bees were stolen & the Honey carry'd off by some thievish & ill minded persons, as also axes Poultry of all sorts & other things.

That severall of the hides were found in that part of s<sup>d</sup> District which is Commonly called Rumford Parish either hid in barns under y<sup>e</sup> hay, or in other dark holes with the head and horns cut off for which reason with many other evidences we are well satisfied, the actors of these thefts & Robberies live most of them in s<sup>d</sup> District or Parish.

That forasmuch as these actions are for the most part committed in the dark where positive evidences can scarcely ever be had, it is very hard & difficult to detect & convict the criminals in the Ordinary course and Method of the Law, by which means the Guilty are become verry bold & daring in their evil practices and the sufferers not like to have any recompense unless Some further provision in the law can be made.

We therefore Earnestly request your Excellency & Honours to Compassionate our distressed circumstances and afford us releif either by making Some act to bring suspected persons & their aiders & assistants on their oaths which we humbly conceive has been of Great Service in Trespass or Otherwise as your Excellency & Honours in your known wisdom goodness & piety shall think best & for your Excellency & Honours your Humble petitioners as in duty bound shall ever pray &c.

Province of ) To his Excellency John Wentworth Esq<sup>r</sup> Gov-  
New Hamp<sup>t</sup> ) ernor the Honourable his Majesties Council  
and Representatives of said Province in  
General Court assembled.

The Memorial of James White and others humbly sheweth Whereas by a late act or Law of this Province the Town of Plaistow is Divided and part of it become a New and Separate Parish, which Includes our Houses and Lands, we apprehend that our Situation and other Circumstances will render it very Difficult for us to become members of the said new Parish. And it being Just and reasonable to allow all men freedom and Liberty with respect to the choice of a society wherein to join in Public worship—

We therefore Pray that your Excellency and Honours will according to your wonted favours Enact and order that we with our Estates may be set off from said new Parish, be annex'd and belong to said Plaistow (old Parish) in the Same

manner as heretofore. And we as in Duty bound Shall ever Pray.

## VOLUME VI.

PORTSMOUTH TO WOLFEBOROUGH.

### PORTSMOUTH.

[This is one of the oldest towns in the State, having been settled in the year 1623. Its Indian name was Pascataquack, and the first English name was *Strawberry Bank*. It was incorporated by the name of Portsmouth, 28 May 1753, by the Colony of Massachusetts, under whose government the people of New Hampshire then were. The inhabitants in their petition for incorporation say, "the name of this plantation at present being *Straberry Banke*, accidentally so called by reason of a banke where strawberries *was* found in this place": They humbly desired "to have it called PORTSMOUTH, being a name most suitable for this place, it being the river *mouth* and *good harbor* as *any in this land*." JOHN FARMER, Esq.]

#### *Orders relating to a School.*

Portsm<sup>o</sup> 16 Nov<sup>r</sup> 1708.

Notwithstanding the pious care of the Governor Council and Assembly of this Province in Raysing a free Gramar Schoole for the province to be kept in the town of Portsmouth being the head of the Government & their good provision for the maintainance of the master:

The Council are now Informed that there is no provision made by the Toun of Portsmouth for a Schoole house for the receipt of the master and schollars:—

Ordered, that the selectmen of the toun of Portsmouth be notified of their neglect herein, and that they forthwith provide a suitable house for the said schoole to be kept, that the schollars may not lose their time within three days next coming upon the penalty of forty pounds to be levyed upon their persons & estates as other fines & *charge* ? into the treasury to be expended in the building of a good schoole house for the future service, that the aforesaid good and religious Act of the Assembly be not evaded & eluded.

---

May &c (as early as 1709).

Upon the vacancy of the School by Mr. Gambling's desire to be discharged, the Council have taken it into Consideration of calling a new school ma<sup>r</sup> who would very gladly submit to yo<sup>r</sup> Exce<sup>l</sup> Recommendation of M<sup>r</sup> Dudly Broadstreet; but fearing he would not be every way soe agreeable have therefore by the good character they have had of Mr. Dan<sup>l</sup> Ringe of Ipswich, to give him a call and agree with him for 4 years According to the Act—humbly desiring y<sup>r</sup> Excell<sup>t</sup> concurrence therewith.

To his Excellency Sam Shute Esq<sup>r</sup> Capt. Gen<sup>l</sup> & Comander

view of the s<sup>d</sup> tract of land and mature consideration thereon  
your Petition find that it will not answer for the intended  
Settlement

Your Petitioners therefore humbly pray to have the liberty  
to withdraw the s<sup>d</sup> Petition and to have a tract of land granted  
for a Township to the Inhabitants of Portsmouth whom we  
represent, of six miles front and eleven miles back into the

*Request to the Selectmen of Portsmouth.*

To the Select men of the town of Portsm<sup>t</sup> in New Hampshire :  
Gentlemen : Whereas in an Act of this Province (of y<sup>e</sup> 4<sup>th</sup> year of  
his Majesty King George) entitled an Act for y<sup>e</sup> better regulating of  
Town and Proprietary Meetings, among other things, It is enacted in  
the words following : "That when and so often as ten of the free-

“holders of any Town shall signify under their hands to the selectmen their desire to have any matter or thing inserted into a warrant for calling a town meeting, the Selectmen are *herely required* to insert y<sup>e</sup> Same in the next warrant they shall issue for y<sup>e</sup> calling a Town meeting”—

And Whereas at a thin meeting of the said Town held by adjourn<sup>t</sup> in said Town, the 7<sup>th</sup> of September, 1724, several votes were past as we conceive w<sup>o</sup>ut due consideration, respecting the three nooks & gores of land mortgaged to Maj<sup>r</sup> Wm. Vaughan, which votes (in our opinion) are unreasonable & unjust, and to us a great greivance, & (as we are given to understand) very disagreeable and \* \* \* contrary to y<sup>e</sup> mind of y<sup>e</sup> town in general:

Therefore, We the subscribers & freeholders of y<sup>e</sup> said Town, do now by these Presents signify to you y<sup>e</sup> it is our desire to have y<sup>e</sup> said votes reconsidered at y<sup>e</sup> next town meeting, in order to have y<sup>e</sup> subject matter thereon more maturely & deliberately discussed & repass'd upon to y<sup>e</sup> end that strict justice may be done, our grievance removed & y<sup>e</sup> town contented touching y<sup>e</sup> premises; and accordingly do earnestly pray that the same be inserted into the next warrant (alias notification) which you shall issue for y<sup>e</sup> calling a town meeting Pursuant to the afores<sup>d</sup> (in part recited) Act.

In testimony of our desire as aforementioned we have hereunto set our hands.

*Petition in relation to a meeting house at the Plains.*

To his Excellency Jonathan Belcher Esq. Governor and Commander in chief in and over his Majesty's Province of New Hampshire in New England, and to the Honourable the Council and House of Representatives convened in General Assembly.—

The Petition of Sundry his Majestys loyal Subjects, Freeholders & Inhabitants of the Southwesterly Part of the town of Portsmouth in said Province:

Most humbly sheweth: That about seven years agoe several of your Petitioners with some others (at a vast expence) erected a House for the Publick worship of God at the Plains (so called) in said Portsmouth; and from the month of January 1725 to March 1727, defray'd the charge of constant preaching in the said house, paying their full Proportion of the Parish Tax for the support of the Gospel Ministry at the Bank at the Same time: But that Burthen bearing a little too heavy, the Proprietors of the said house and others commodiously situated for attending the Publick worship there, at length requested the Parish to which they belong'd to exonerate them from any further levys towards the subsistance of the Reverend Mr. Fitch, which they (like well-dispos'd & true Christian brethren) by a unanimous vote dated the 4<sup>th</sup> of

March 1727, in a full Parish meeting readily comply'd with ; in order to enable the said Proprietors and others to maintain the Publick worship of God with the greater cheerfulness & more ease amongst themselves, which they have done with the utmost alacrity (for the most part) ever since, and found unspeakable comfort therein. But forasmuch as the method for defraying the charge aforesaid hath hitherto been by a free subscription, which has had considerable Inconveniency attending it—some paying much more & some much less than their due Proportions, and Some few nothing at all, either there or elsewhere ; and moreover your humble petitioners (upon serious consideration) earnestly desiring a full enjoyment of the Gospel ordinances amongst themselves, from a sincere aim at the glory of God and the Health of their immortal souls, do now most humbly supplicate your Excellency and Honours to grant them an Act of Incorporation for a Parish by the metes and Bounds mention'd in the aforesaid Parish Vote ;—an exemplification of which properly authenticated is hereunto annex'd, with the full powers and authoritys of a Parish—excluding all those that belong to the Mill dam Parish by Law (that desire to be excluded) if by Law any such Parish there be.

Your Excellency and Honours are so well acquainted with the common arguments in such Petitions (viz.) The great distance from the Meeting-house ; the vast difficulty of travel (especially for women & children ; & more especially at some seasons of the year) that not more than one in five or six can go up to the house of God, and that therefore they are in danger of perishing for lack of vision ; labouring under a Famine of the word, &c. that your Petitioners dont think it proper to essay any Illustrations on those common themes, but humbly take leave only to offer an observation or two for the further enforcing their request, viz.

1<sup>st</sup> That there are to the best of their knowledge Eighty families, (besides the Familys of six widows) one hundred & eight ratable heads & four hundred and fifty souls or thereabout within the bounds mentioned in the aforesaid vote.

N. B. There are half a dozen Familys or more consisting of thirty souls at least (not comprehended in the bounds above-said.) more commodiously situated to attend the Publick worship at the Plains Meeting-House than any where else.

2. That in the year 1727 (as they are informed) there was at Greenland but 92 ratable Polls, tho' that has been a Parish between 20 & 30 years ; at Newington but 92 which has been a Parish near 20 years, at New Castle but 82 ; at New Market but 78 ; and at Rye but 72 : By which it appears that the Reasons for making a Parish in the Southwest Part of Portsmouth are much greater with respect to numbers, than they

were for incorporating either of the Parishes aforesaid, & on all other accounts the same; and therefore as your Petitioners cannot in the least doubt of your Excellency's & Honours religious disposition to promote the glory of God & good of souls, so neither can they suspect the success of a prayer supported by weightier Reasons, when so many Petitions of like sort, but with much lighter Reasons have so often prevailed. We are your Excellency's & Honours most dutiful & obedient servants and shall ever pray as in Duty bound.

P. S. May it consist with the wisdom of the Legislature, to put the Petitioners on the same footing with the Parish of Greenland in Regard to an Assembly Man & the Province Tax without further concern with Portsmouth.

*Petition relating to dividing the Common land in Portsmouth.*

To his Excellencie Jonathan Belcher Esq<sup>r</sup> Capt. Generall & Commander in Chief, in and over his Maj<sup>ty</sup> Province of Newhampshire, and the Hon<sup>ble</sup> his Maj<sup>ty</sup> Council for said Province :

The humble Petition of Henry Sherburn Esq<sup>r</sup> Ephraim Dennet Esq<sup>r</sup> Joshua Pierce Esq<sup>r</sup> and Mr. William Cotton for themselves and others, a Committee for the dividing the Common Land of the Town of Portsmouth, In behalfe of the Proprietors of the said Common Land, most humbly *Sheweth* :

That in the yeare 1699, The was at a legall Town meeting held at Portsmouth a vote Past for the dividing the common Land of the said Town amongst the then Inhabitants, and persons as a Committee for Doing the same then appointed, and from Time to Time continued of which Com<sup>ty</sup> the above are the Major part: which Committees from Time to Time ever since (when not obstructed by the Indian Warr.) has continued to lay out the said Comon lands to all such as had Right, and such Rights quietly enjoyed untill the year of our Lord 1716; Since which yeare Sundry of the Proprietors of the Comon land about Greenland adjoining to the town of Streatham have been molested and hindered from improving their Rights by the Inhabitants of said Town of Stretham, and several Law-suits commenced which is the cause of great trouble & charge &c. all which happened by the misaplying the Grant or Charter of the Town of Stretham, as y<sup>e</sup> Pettition humbly presumes, which they humbly sheweth happens as hereafter exprest:

On the 10<sup>th</sup> day of January 1715-16, sundry persons calling themselves the Inhabitants of Squamscott Patent (Tho' there never was any such Patent) Petitioned the *the Hon<sup>ble</sup>*

\* This is incorrect, unless there is a confusion of terms—making a distinction between the Squamscott and Hilton's Point Patent. See and compare Prov. P. p. Vol. I. pp. 221-23, and General and Hist. Reg. 1879, where the Hilton's Point Patent *alias* Squamscott is printed in full. Ed.

George Vaughan Esq<sup>r</sup> then Liv<sup>t</sup> Governor and Comander in Chiefe in and over this Province of New hampshire to be set off as a Township; and therein prescribs bounds; The said Liu<sup>t</sup> Governor with the advice of his Maj<sup>ties</sup> Council did, on the twenty<sup>th</sup> day of March then next following, grant the Petition and gave them a Charter according to the Bounds prescribed (with the exceptions of fower families,) as by the Charter may be seen.

Now those persons that called themselves the Inhabitants of Squamscot Patent Did live upon a tract of land that its usually said was granted by the Council of Plim to one Edw<sup>l</sup> Hilton and his Associates three miles into the Country from the Maine river going up to Exeter, and as such the Towns round about acknowledged them, and none ever interfered or claimed within the three miles from the Maine River south east into the country; and tho' all their land fell within the auintient bounds of the Town of Portsmouth, yet the Town Voted that three miles that Mr. Andrew Wiggans claimed should still be to him & his heirs &c. And the grandfather of the family of the present Wiggans (upon the marriage of Son to the Daughter of Gov<sup>r</sup> Bradstreet) made a Deed of Gift of that part of the said Hilton's Patent which he claimed (being three miles square) and called it Squamscot, the bounds of which Deed were only three miles south-east from Exeter River, and no Dispute happened till since the grant to the Town of Stretham as aforesaid. In running the Bound of which according to the said Charter (at the West end of the Wiggan's grant) by an advantage of a Southerly turn of Exeter River, the south bound of Stratham (against the Wiggan's Grant is fower miles very neare upon a South east point) at the west end of Portsmouth bounds and they claime that land between the Charter line and the afores<sup>d</sup> Wiggan's Right and so to a Gore at the easterly end, and say that it was confirmed to them by virtue of the Grant by Liv<sup>t</sup> Governor Vaughan to Stretham aforesaid; Which notion had and Dos govern much with our country juries, So that those persons that have their Comon Rights laid out between the lines aforesaid are in a perpetual controversie and law suits.

For Remedy whereof

Your Petitioners for themselves and the others of their Society as a Comittee and in behalfe of the Proprietors of the Comon Land of Portsmouth, most humbly prays your Excellency & the Hon<sup>l</sup> Council, That as the Grant for the Town of Stretham was made only by that Hon<sup>l</sup> Board, That an Explanation be made of Stretham charter (that as Wee humbly presume) that this Board in that Grant, Did not att all meddle or pretend to alter the Right of the soile; and alsoe Wee pray that this Hon<sup>l</sup> Board would alsoe appoint a Comittee of In-

different persons to run the Dividing line between Portsmouth and that Deed of Thomas Wiggans Esq<sup>r</sup> to his son Andrew Wiggans; The Town having no Dispute beyond the Bounds of that Deed which Deed is conformable to the Patten of Edward Hilton and associates aforesaid; And your Petitioners as in Duty bound shall ever pray, &c.

*Petition of the South Parish in Portsmouth.*

To his Excellency Jonathan Belcher, Esq. Governor & Commander in chief in & over His Majesty's Province of New Hampshire in New England, the Hon<sup>b</sup> his Majesty's Council & House of Representatives for said Province, in General Court convened, the 31<sup>st</sup> Day of January, Anno Dom. 1739.

The Petition of James Clarkson, Esq<sup>r</sup> Thom Wright & Daniel Pierce Merch<sup>ts</sup> all of Portsm<sup>o</sup> in said Province, a Committee of the South Parish in Portsm<sup>o</sup> afores<sup>d</sup>. and as agents for & in behalf of the said Parish:

*Humbly sheweth:*

That there has been for some considerable time a difference subsisting between the North and South Parishes in said Town respecting the settlement of their Parishioners and the removal of certain persons from one Parish to the other & the Taxes to be paid by such persons toward Parish charges:

That sundry persons that have removed from the attendance of the Public worship in the North Parish afores<sup>d</sup> and have settled themselves or constantly attended the said worship in the South Parish afores<sup>d</sup> for some considerable time past, have notwithstanding been rated or taxed toward the charges of the said North Parish, & so in consequence of such removal have been obliged to pay both;

That the greater part of those who have so removed have been induced thereto by a Prospect of Better accommodations for themselves & families in the meeting-house they have removed to, and think it a hard case that they must purchase those accommodations by paying a double Tax;

That those persons have not been able (tho' it has been several times requested) to obtain a regular dismissal from the said North Parish, nor have the Parishes at any meetings, or by their delegates (tho' Essays have been made) been able to come to any terms of composition relating to the Premises;

That the said South Parish conceives the Rule & Method by which new parishioners have been & still are to be settled in said Parishes, is such as gives the said North Parish (which is much the superior for numbers & riches of its Inhabitants) greatly the advantage, and that therefore it is highly reasonable that a new and more equitable Rule for that purpose should be establish'd & the former suspended.

Wherefore your Petitioners humbly Pray that a Law may be now enacted agreeable to a Vote of the Honorable the House of Representatives for said Province, of the 15<sup>th</sup> of Nov<sup>r</sup> 1738, Respecting the premises (and herewith exhibited) excepting only a clause in said vote Relating to such young men as should settle on the Estates of their fathers &c. But that the settlement of such persons should be determined by the same Rule therein proposed for the settling of other young men in the said Parishes & strangers that shall come to settle in the said Town; or that such other methods or Rules of fixing Parishioners in the said Parishes may be established as this Hon<sup>ble</sup> Court in their great Wisdom & Goodness shall think equitable & just between the said Parishes.

And your Petitioners as in duty bound shall ever pray, &c.

*Remonstrance of Portsmouth Selectmen.*

To his Excellency Jonathan Belcher Esq. Governor & Commander in Chief in & over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province. In General Court Convened, Jan 31, 1739.

The Remonstrance of the selectmen of the town of Portsmouth in said Province, *Humbly Shews*

That the Laws of the Province that relate to the admission of new Inhabitants into any of the Towns in this Province & the removal of such persons as obtrude themselves upon the Towns, are very defective in many Respects, so that the good purposes that were even designed by those Laws cannot be attain'd:

That the said Town of Portsmouth from its situation is greatly exposed to the entrance of strangers by sea, from which Quarter many enter & become Inhabitants even in spite of all opposition & often a charge to the town; for the prevention whereof there is no effectual Provision in the said Laws:

That Laws well calculated to remove or Prevent the said Inconveniency would certainly be of general Benefit & would serve the Interest of every town in the Province & the larger Towns in a more especial manner:

Wherefore your Remonstrants beg leave humbly to propose that the Laws already in force Relating to the premises might be perus'd by this Hon<sup>ble</sup> Court, or such as they shall appoint to that service & such an additional Act speedily enacted as will be necessary for the purposes afores<sup>d</sup>:

Your Remonstrants beg leave further to observe:

That the Town of Portsm<sup>th</sup> afores<sup>d</sup> in many places of it being built in a compact manner and in some places there are old houses with broken chimneys, ovens &c. and the dwelling in these houses especially in the winter season greatly exposes them to the danger of fire, by which, if they should be consumed whole streets might meet with the same fate.

Wherefore they humbly pray that a Law may now be made authorizing some officer or officers upon request to view such old houses & to determine whether they are in a condition fit to be occupied as Dwelling Houses: and if not to order the

repair thereof at the expense of the Proprietor (so far as shall be necessary for the common safety) or to remove the occupants of such houses, or to take such other measures as this Hon<sup>ble</sup> Court shall in their great wisdom & goodness think proper in a case of such Importance; for which your Remonstrants, as in duty bound (in behalf of their Principals) will ever pray &c.

*Answer to a Petition relating to the choice of James  
Clarkson, Esq., as representative.*

To the Hon<sup>ble</sup> the House of Representatives for the Province of New Hampshire, met in General Assembly, Dec<sup>r</sup> 31<sup>st</sup> 1745.

The Answer of the Selectmen of the Town of Portsmouth in said Province, to the Petition of sundry persons respecting the late choice of James Clarkson Esq<sup>r</sup> to be one of the Representatives of said Town in General Assembly:—

*May it please this Hon<sup>ble</sup> House*—As it was the order of the House that we should be served with a copy of the Petition afores<sup>d</sup> we presume 'twas with Design to hear what we had to say in answer to it, tho' not express'd in the order, & therefore beg leave to answer the said petition in the following method, viz: First, to represent the case as we apprehend the truth of the facts to be, & then to shew why the prayer of

this petition ought not to be granted, for which we pray the patience, attention, & impartial consideration of this Hon<sup>d</sup> House.

The case was thus:—Pursuant to a precept to us, Wee gave notice to the voters in the usual manner of the time, place & occasion of holding a meeting, which was duly attended; a moderator chosen & then the votes in writing bro't in for a Representative, which were fairly put into a Box standing before the moderator & clerk, by the voters passing by man by man. When all were bro't in, the votes were turned out on a table & counted by the moderator & Clerk. It appeared there were only two candidates, viz. James Clarkson & Joshua Peirce Esq<sup>r</sup>. In conducting the whole affair thus far, there was not the least appearance of any disorder or unfair practice. When the counting of the votes was finished & the number of votes for each candidate was known to some, tho' not declared by the Moderator, some of the voters on the side of the Lowest number being disappointed in their expectation, declared their Dissatisfaction, that there was some mistake, & thereupon a Poll was demanded. Here we must observe, all was quiet & still, not the least Dissatisfaction expressed till it was plain how the vote was, & indeed the disparity left no room for doubting, for one of the gentlemen had 114, the other but 81 votes. When the Poll was demanded, the Moderator had recourse to the Law, which gives it. Upon which every person present had free liberty of reasoning & constructing as he tho't fit, & after much reasoning and consultation upon it, the Moderator declared his opinion, That he apprehended the Demandants had no right to a Poll upon the Law & Circumstances of the case & therefore denied, for which he gave his reasons with the denial. This is a brief but true State of the case as we apprehend; and whether this or that made by the Petitioners is Right, will best be discovered upon the evidence.

We come now to the prayer of the Petition, & say it ought not to be granted for the following reasons: First—Because it has neither Law nor Reason to support it; and therefore in the next place, the granting of it would be an infringement upon the legal Rights of the voters & deprive them of their just Liberties & Privileges; And Lastly, It would be an act of Injustice—all which may be easily evinced to the satisfaction of every unprejudiced Judgment.

To the first of these—that the prayer of this petition has neither Law nor Reason to support it:—This is a direct negation of what the Petitioners say, and may be made out very clearly as we conceive by considering of the only Law they can be supposed to refer to, which is an Act entitled, *An Act for the better regulating Town & Proprietary meet-*

ings, of the Province Laws": By which this controversy ought to be determined; and if this Law is not with the Petitioners, they have none of their Side in this case. In order to know this, every reasonable man will think it necessary to find out the true Intent & meaning of this act; for it is a maxim,—an indisputable Rule—in such cases, *That the meaning & intention of the Law, is the Law itself*; and to find out that it is a certain & undisputable rule among those whose business lays this way & who are thoroughly versed in the Interpretation of Acts & Laws, That the Preamble of an Act is always first to be consulted; as it is declarative of the reasons of making of it, & the mischief designed to be remedied or prevented by it, & therefore is compared to a Lanthorn hanging in an Entry of an House by which we discover the rightway in. Now the Preamble of this Act says, *By reason of the Disorderly carriage of some persons in such meetings the Business thereof is much retarded & obstructed*: for preventing whereof it is enacted that a moderator shall be chosen to govern & regulate the Business of the meeting; and, *when it shall happen that any matters remain doubtfull after a vote, the Moderator is directed to Decide it by the Poll, if seven or more desire it*: This is all that relates to this affair in the whole Act. Now this being the first paragraph in the Act it must in reason be supposed the Preamble contains a special reference to the things mentioned in this Paragraph; for to suppose a preamble to an Act which has no reference to any thing thereby enacted, and to suppose it has none to the first & principal paragraph, is equally absurd: And therefore we can't but think that by the disorderly carriage mentioned in the Preamble was intended such as rendered the vote when passed Doubtfull & uncertain, for the removing of which a Poll might be had;—and if this be just reasoning, the consequence is, When there is no disorderly carriage or none detected, no disturbance or interruption given to the affairs of the meeting; when there is no apparent cause of doubt nor Rational cause of suspicion, no Poll was to be granted. But to come to the enacting clause: To find out any meaning we ought always to consider the mark he aims at, the main point he has in view. This is also given As a Rule to find out the mind of the Legislature & to apply it in the case before us:—What was the point the Legislators had in view in forming this clause? It is plain if we take their words in the same sense which other people use them, it was to take away all cause of Doubt how a vote was carried; & the restraining Disorders was with a special view to that, as they give Occasion of Doubting; for the words are, & *when it shall happen that any Matters remain Doubtful after*

*a vote*, then a Poll is to be had &c. The words are express in case of Doubt: Do they mean also that there shall be a Poll where there is no doubt? when the thing is already as plain as it can be by polling: Surely this Law did not design every thing should be Determined by the Poll, if that had been intended it would have said so. But as the Petitioners would have it, it must be in all cases if required, for the thing is always either plain or doubtfull; the Legislators mention & limit the Remedy to a particular case only: But this way of interpreting supposes they intended something directly contrary to the import of their expressions, and the design they had in view, that is, to comprehend all cases. By such a method any law may be made to mean any thing its interpreters would have it mean:—and the consequence of construing this Act in this manner, is to make Polling necessary in all cases at every Town or Parish meeting, where there are seven persons against the vote, which is an inconveniency which the Petitioners are not well aware of, & is greater than any man would readily imagine:—for by the juggle & contrivance which designing & disaffected persons might then practice, this very scheme for making things certain would be a means of destroying itself, embarrassing all such affairs & introduce occasions of perpetual jangle & controversy. But we take the truth of the case here really to be this: This law was designed to reduce the usual method of voting by lifting up the hand, to a more certain method of decision when there should be occasion, viz. by Polling & was never designed to be used where the voting is by Ballot or writing, which is a Modern way not used among us when this law was made & is much more certain than polling; and to correct that by this would be like correcting a man's countenance by his picture, or to make an original peice more certain by a copy,—that is, in plain English, to amend the better by the worse.

We humbly conceive it will not be said, or if said will not be regarded, that this law was intended to satisfy everybody's doubts who should pretend to them, tho' they could shew no Rational grounds for them, or because they may suggest a possibility of deception without pointing out any thing in particular; these are such wild and loose objections as deserve no reply; for by the same way any thing may be made doubtfull, & to argue from possibility to reality, deserves no attention;—those who do it claim pity, but no answer. As to the reason of the thing or the nature of such affairs, we can't think reason would ever have directed to the tryal of voting by writing, by Polling the voters. We have the more reason to think so because we don't find that among other people no less reasonable than ourselves when they determine matters by written

votes, they have not lit upon this happy method of polling to try the other by in case of dispute; At this day the Jurys attending the Courts in Westminster Hall are elected by Ballot, but no Polling in case of Dispute. If they cant tell what is done, the way is to do it over again until they can; so in choosing of Parliament Men, the regulation of corporation affairs, &c. which is done by Voting but no Polling: & to come nearer home in the neighbouring Govern<sup>t</sup> Jurys, Registers, Representatives, &c. are chosen by ballot, but there is nothing of the way we are speaking of in doubtfull cases. Now if Reason or the nature of the thing directed to this way, it is strange that other peoples Reason had not lead them into it; but as we don't find it has, we conclude it is not a dictate of Reason but an instituted method introduced & subsisted by the Provincial Law. Reason would have directed to several methods more certain than Polling, as writing down the voters names, setting their names to their votes &c. And if this be so, & that Law does not reach the case of the meeting now under consideration, then it necessarily follows, that to grant this Petition would be an infringement upon the Legal Rights of the voters & deprive them of their just Libertys and priviledges in this affair. This is so plain & so necessarily follows, that little need be said to it; for if the Law don't teach nor Reason oblige to it, then to vacate what the people have legally done is an infringement upon those Rights by which it was done, to deny them of the man that was chosen to represent them is depriving them of their Liberty in that respect, which is to choose for themselves, & taking away a valuable privilege of keeping the man they have once chosen; & hence it follows that it would be an Act of Injustice; these things which would be thus broke in upon & taken from the people, are of more consequence really to them than a part of their substance. It has cost Englishmen dear every body knows to purchase & maintain these & such like priviledges, & therefore to deny the free exercise of them, which is a Denial in effect, is the highest Injustice. It is no answer to say the people have a new choice; for besides the loss of time spent in this case, when a new choice is made may not that be set aside in the same manner & so on till they choose, not according to their own inclination, but the man they might be directed to. This would be like sending out a Jury till they find such a verdict as the court likes. Upon the whole we humbly conceive, to grant the prayer of this Petition signed by twelve persons only out of eighty-one, & one of those not an inhabitant of the town, to set aside an Election honestly, fairly & Legally made, upon such grounds, because a motion was denied that was made out of season, after those who made it saw the affair was determined

contrary to their desire and which was made not from any cause of doubt but only dissatisfaction, & which they would never have made, had every thing but done just as it was, only the vote been as they would have had it; Nay, but would rather have cryed out upon it as unjust, illegal & absurd, should such a motion have been made; We say to make void this election under all these circumstances, we apprehend would have a very extraordinary effect & is what the wisdom & justice of this Hon<sup>ble</sup> House will not suffer us to fear.\*

*Petition of Portsmouth Selectmen about a Pest-house.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Capt. General,  
 Governor & Commander in Chief in & over his Majesty's  
 Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council  
 & House of Representatives for said Province, in Gen-  
 eral Assembly convened the 23<sup>rd</sup> day of Feby. 1747.

The Humble Petition of the Selectmen of Portsmouth in  
 said Province for the current year, *shews* :

That your Petitioners in the summer past have had the Build-  
 ing of a Public Pest House under consideration and had fixed  
 upon a certain Island near the Pool commonly called Antho-  
 ny's Island as the most convenient place near to which Vessels  
 might conveniently perform Quarantine, & Persons sick with  
 any infectious Distemper might be safely kept both with re-  
 spect to themselves & others.

That the property of the said Island could not be purchased but at more than double the real value, as your Petition conceive, advantage being taken of the supposed necessity of the case, whereby the grant of the sum made by the General Assembly would have been expended (or near it) only for the land: That the necessity of such an house grows greater every year, & the charge of purchasing a proper place & building suitable places for the reception of the sick & those whom it may be necessary to remove, will be considerably more than it appear'd to be when the said grant was made; and as such places are for the Benefit of the whole Province, Your Petitioners pray that a further grant may be made for that purpose; That (as the owners of the Land which may be fixed upon, will probably raise their demands upon the occasion) three or more indifferent suitable persons may be appointed to value and appraise the said Island, or other place that may be chosen, under Oath, & to make Return to some Magistrate or Judicatory, who shall administer Oath, & that the owner or owners thereof may be obliged to take the sum so stated, and the appraisers ordered to make Return describing the Place so appraised & that being recorded in the Province Records with the Oaths of the appraisers, may vest the fee of the Land so appraised & described in the Province, & Divest the owners thereof, (without the formality of Executing a Deed or Deeds, which may be attended with difficulty;) and your Petitioners as in duty bound shall ever pray.

The Answer of the Town of Portsmouth to the Petition of Clement March of Greenland in said Province, Esq<sup>r</sup> praying

to have certain Lands purchased by him, lying in said Portsmouth, annexed to Greenland aforesaid :

First, There is no reason for diminishing the Rateable Estate of said Town & lessening the Extent thereof, to enlarge the Parish of Greenland, but quite contrary, for the Annual charges of said Town for Schools, Poor &c. is more than Double in proportion to the Polls & Estates, than the annual charge of Greenland.

2<sup>ly</sup>. The Reason given by the Petitioners for Annexing the Lands mentioned, to Greenland, is, that they lye contiguous to his other Lands which are in Greenland, & so most convenient for him to have it so ; But why most convenient? There is no Reason but only the Rates in Greenland are not so high as in Portsmouth, for as to any other advantage it is not conceivable: the situation of the Land & all other circumstances will be just the same, whether they belong to Greenland or Portsmouth, excepting the article of Rates; and if that is the motive to ask this favour, that alone shows it ought not to be granted; because it shows that Portsm<sup>n</sup> has greater charges in proportion than Greenland, & therefore more need of Rateable Estate. Besides, what is there in the Petitioner's case that is peculiar, & will not be every man's case who shall ever purchase Lands in the Town if he lives near or upon the line in another Town or Parish all around: or indeed, which will not happen in any other Town thro' the Province. For, may not every purchaser under like circumstances, ask the same favour to have his lands annexed that place which pays the lowest Taxes: and where will this end? There is one Dearborn who owns Lands in Greenland, Stratham & Hampton, which lye contiguous, as the Petitioner's does: May not he with equal Reason come & pray that all his lands may be annexed to that place he likes best, & will there not be the same conveniency to him as in the case of the present Petitioner? and so of many others. It is a rule to be observed with respect to Petitioners, that when any thing is asked which makes way for every person, or an indefinite Number to ask the like,—when the thing ask'd is a mere matter of favour, and no principle of justice or equity to enforce it,—There, in such cases it ought not to be granted. The present Petition is rather against Justice & Equity; it amounts really to no more than this: that the Petitioner may hereafter be exempted from paying half or some part of the Taxes which the Law imposes on him; and there are many others ready to ask the like favour; and then some others must pay the more: and can it be said to be just and right to grant a favour to one to the prejudice & Injury of another? Wherefore as the Town of Portsmouth is a Sea Port continually exposed to strangers & many extraordi-

nary charges, the extent ought by no means to be lessened; and as several others are in like case of the petitioner who will in all probability follow his example in case he succeeds, whereby the charges of said Town will fall so much the heavier on those who remain, 'tis humbly hoped you will see cause to deny the prayer of this Petition.

*Petition for a Lottery to pave the streets in Portsmouth.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander-in-chief in & over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in General Assembly conven'd, the 16<sup>th</sup> day of Octob<sup>r</sup> 1759.

The Humble Petition of sundry of the Inhabitants of Portsmouth in said Province *Shews* :—

That your Petitioners apprehend it to be very necessary that the principal Streets in said Town (which are now much us'd & are narrow) shou'd be Pav'd, especially where the Public Business occasions the greatest concourse of People: That this wou'd be a work of very considerable expence, and considering the annual charges of the town for support of the Poor (which by the situation it is often oblig'd to receive) more than any other Town in the Province, with other incidental charges, the Inhabitants cou'd not well sustain a Tax for this purpose at Present;—

That works of this & the like nature are annually carried into execution in other Places by Public Lotteries, and much money from this as well as other places in the Province is by the adventures of Particular persons carried away & made contributory to the Designs of those Lotteries;

Your Petitioners therefore think it may be prudent to take advantage of this disposition of the People & Direct it to some Public use & General service among ourselves.

Wherefore, they Humbly Pray that they may have leave to set up a Public Lottery to raise a sum of money for paving the Streets aforesaid, to be under the Regulation & management of Persons to be stated & appointed in a Bill for that end, and that they may have leave to bring it in accordingly; and your Petitioners as in duty bound shall ever pray, &c.

The humble Petition of the Selectmen & agents of the Town of Portsmouth, *shews* :—

That your Petitioners have been informed that there is now lying before the Assembly a Bill for granting liberty to the Town of New Castle to set up a Lottery to raise money for building a Bridge a cross that Branch of Piscataqua River call'd Little Harbour, which your Petitioners apprehend if it should be effected will greatly Prejudice the said Town of Portsmouth, especially if done in the manner we are inform'd is design'd & begun; and as your Petitioners have been so lately inform'd of the said Bill they have not time to Reduce the Objections to be made to writing, and especially as there was no Public notice nor Liberty given for that purpose, they could not be prepared therewith, they humbly pray that they may in behalf of said Town be heard, to shew cause why the said Bridge shou'd not be built, especially in the unlimited manner proposed;—and they shall as in duty bound Pray &c.

*Memorial for a bounty on fish, wheat, hemp, &c.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Governor and commander-in-chief, in & over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council & House of Representatives in General Assembly convened, June 6<sup>th</sup> 1763.

The MEMORIAL of Sundry Inhabitants of Portsmouth and other places in said Province *shews* :—

That as the Business of taking, curing & carrying on the Fishery in this Province wou'd be of great advantage to the Province in general, and especially to the landed Interest, perhaps nothing cou'd sooner & more sensibly encourage & Promote that Business than the favour and regard of the Government, not only countenancing but granting a bounty on the same, in such manner & proportion as in their wisdom shall be judged convenient; for as that Business has been in a great measure neglected for some time & preparing for it is attended with considerable expence, & the issue & event not certain, most People who heretofore were engaged in it, will be backward to resume it on the bare prospect of the advantage arising by it:

That it has been done in many instances by the wisdom of the British Parliament not only for introducing a new Branch

of Trade, or a new kind of Manufacture, but also for reviving & giving spirit to any thing of that Nature useful to the Public not wholly disus'd but much decay'd, as in particular on the Whale Fishery an additional Bounty of twenty shillings a Ton on the admeasurement of the ship, by Stat. 22 Geo. 2, was granted to the owners of the ships, on a preceding bounty of twenty shillings, before granted by the Stat. of 5 & 6 Geo. 2, &c. And many other instances might easily be given; For it is now become a maxim from long experience, that the Generality of the world must be counted to pursue their own Interest; And it is a well known Fact, how greatly the State of Ireland has been raised & improved within thirty years last past, by giving bountys & premiums to those who excelled in every kind of manufacture in use there,—which raised a spirit of emulation, in that way bro't arts & industry into credit & reputation & promoted the trade & wealth of the kingdom. The reason is so clear & strong in such cases that even in the New Province & settlement of Nova Scotia, the Government there has granted a Bounty of twelve pence sterling per Quintal on all Cod fish cured there; and in every Government encouragements in this way have not been wanting; That there is perhaps more necessity for such an encouragement in this Province, than in any other place that can be named, to raise something to ballance the large Importation annually made for some of the necessaries of life;—it appearing by the Custom House Book, that between March 1761 & June 1763, 180,865 Bushels of corn had been duly Entered imported here, besides adventures & small quantities not observed, by Coasters, &c. Add to this, the prodigious quantities of flower & great quantities of other provisions, by which means all the silver & gold which used to be current here is gone, or at least the greatest part, and the Bills of credit now current Depreciated as they wou'd not purchase our daily Bread, for it is certain the more limited any currency is & the fewer demands it will answer, the more the value will sink.

That a sufficient sum for the purpose aforesaid might be easily raised by an Excise on Spirituous Liquors, more especially on that enormous Quantity of rum imported, which by the entries aforesaid, it appears that more than three thousand eight hundred & twenty hogs heads have been in little more than two years, besides smaller parcels,—and many hogsheads annually of New England rum, carried up Merrimack & consumed in this Province; and it is well known to every one, that almost all the Profit of this trade is made by the Importation and consumption here; and how prejudicial to the substance, morals and health of the People such a large

consumption of spirit is, no one can readily conceive; and therefore it seems as necessary to prevent or lessen this growing mischief, as it was in time of war to Defend the people against the common Enemy, by whom perhaps fewer lives were annually destroyed;

That wheat, Hemp, Flax & other kinds of the Produce of the Field, wou'd doubtless be soon raised and bro't to such a degree of perfection, as would at least lessen our Importations & bring our Trade nearer to a ballance, if not turn it in our favour, if the Husbandman was suitably encouraged and some method taken to introduce a more profitable way of cultivation and Agriculture, than has yet been practised here, the Public wou'd soon find the advantage; And from the experience of others, we learn that nothing will prove more effectual to advance & promote such like improvements than Bounties and premiums given at first till those concerned find their account & encouragement from the Profit of the Business.

Wherefore your memorialists Pray you wou'd take the Premises under consideration and do therein as in your wisdom & goodness you shall upon the whole Judge will be best for the public advantage & emolument—and we shall ever pray, &c.

*Petition of the Selectmen, &c., of Portsmouth, to hold Town meetings in the State House.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Governor and commander in chief, in and over his Majesty's Province of New Hampshire, The Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in General Assembly convened, Decem<sup>r</sup> 15<sup>th</sup> 1763.

The humble Petition of the Select men of Portsmouth in said Province & the Wardens of the first Parish in said Town, shews :

That it has been the usual practice to hold the meetings of said Town in the meeting House in said Parish, which has been long complained of by many in the Parish, not only as injurious to the property of particular Persons, by breaking down the seats, dirting the Pews and benches, & carrying away cushions & other injuries, but as a very indecent thing to make an house appropriated & consecrated to the worship of God, the scene for public civil affairs, where the warmest Disputes & Contentions often happen; and wou'd be so estimated by serious Persons of any Religion whatsoever; But especially since a very Large & commodious addition at a great expence of the Parish, has been lately made, the article of Injury is more evident & more frequent; and as the number of parishioners increase the complaint of indecency and Impropriety increases; Wherefore your Petitioners humbly pray, that leave may be granted by a Resolve, that the said meetings of the Town of Portsmouth for the Purpose aforesaid, may be held in the State House, from time to time, and any damage occasioned thereby shall be repaired or made good by the Town—and your petitioners as in duty bound shall ever pray, &c.

The humble Petition of the Select men of Portsmouth in  
the Province aforesaid, whose Names are hereunto subscribed,  
*Sheweth—*

That the annual and other Town meetings for the said Town  
of Portsmouth have (for many years last past) been held in  
the North Meeting house there, which hath given offence to  
many of the Parishioners, who by means thereof have had  
their Pews dirtied and spoiled and who are also of opinion  
that the said Meeting house ought to be wholly set apart for  
the worship of Almighty God; and this hath lately produced  
no small contention:

That with a view to quiet the said contention and prevent  
any future offence, It was at the last annual meeting for the  
said Town, *Voted*, as follows, viz.

“That the Selectmen be desired to Petition the General  
“Court at their next session for leave to hold their Town

“Petition be granted, that the said selectmen be and are here-

                                } sembly conven'd;—May 4<sup>th</sup> 1775.

The humble petition of the subscribers, freeholders in Portsmouth, in s<sup>d</sup> Province, *Sheweth* :—

That before the last election of Representatives for this Province, Writs issued to several new Towns in said Province, which had not heretofore sent Representatives, to choose persons to represent them in General Assembly;—in consequence of which Writs, these towns did elect Representatives; And as there is no Legal Authority vested in any separate Branch or Branches of the Legislature of this government to issue such writs, we apprehend the exercise of such authority, therefore, not only unwarranted by the British Constitution & the Laws of this Province, but in its consequences subversive of both, and pregnant with many alarming evils (1).

Wherefore we being deeply sensible of the great importance of preventing so unconstitutional a procedure, most humbly pray that the honourable House may take into their wise and immediate consideration, whether the persons so chosen, are entitled to a seat there.

The Humble Petition of the Subscribers, freeholders and

*Sheweth*:

That the Said Parish was Incorporated in May A. D. 1764,  
and have ever since been Destitute of a Meeting-house for the  
Publick Worship of God in said Parish;

That the Parishioners cannot agree where to set a Meeting-  
house, altho they have had sundry meetings for that purpose;  
but the Major part of the Inhabitants Living in the North  
Easterly part of said Parish, have Voted to set the Meeting  
house about a mile from the North Easterly side line of said  
Parish, which will greatly discommode many of the Inhabit-  
ants of the upper part of said Parish, which is likely in a  
short time to be the best part of s<sup>t</sup> Parish.

That your Petitioners humbly conceive that if the meeting-  
house was to be placed as near the Center of the Parish as  
possible, It would Accommodate all the Inhabitants that now  
are or hereafter may be settled there. And as some of your  
Petitioners live almost five miles from the place proposed &

To his Excellency Benning Wentworth Esq<sup>r</sup> Governor and Commander in Chief in & over his Majesty's Province of New Hampshire, the Hon<sup>bl</sup> his Majesty's Council & House of Representatives for said Province in General Court convened.

The Humble Petition of William Chamber<sup>s</sup> [Chamberlin] and John Jeness both of Rochester in the Province of New Hampshire, as a Committee for the said Town, *shews* :

That the said Town of Rochester being an Infant settlem<sup>t</sup> the Inhabitants thereof Labour under many hardships & Inconveniencies unknown to Places come to maturity and that are able to supply with all the necessaries of life.

That the General Court in consideration of the Indigent circumstances of the said Inhabitants past an Act some few years since subjecting the non-resident Proprietors to the payment of fifteen shillings upon every whole Right or share, and in proportion for a Lesser part towards the support of the Ministry

& other charges of the said Town;—which Act was temporary & expires in March or April next.

That the said Inhabitants have labored under the frowns of Providence in a peculiar manner for the two last years, by cutting short their crops of Indian Corn (their chief support) with early & unseasonable Frosts, which has greatly distrest them & made them more Indigent than when the Court granted them the aid above mentioned; especially too considering there is no Grist Mill in the said Town & that they suffer many other inconveniences too numerous to be here particularly mentioned:—Wherefore your Petitioners in behalf of their constituents most humbly Pray this Hon<sup>ble</sup> Court to Revive the aforesaid Act for such time as shall seem meet or to grant them leave to bring in another, drafted in such manner as this Court shall think to be a proper support & succour to the said Inhabitants, or give them such other Relief as in your Great Wisdom & Goodness you shall think proper;—and your Petitioners as in Duty Bound (in their said capacity) shall ever pray. &c.

Prov. of New Hampshire } To his Excellency the Gov<sup>r</sup> the Hon<sup>l</sup> his Maj-

 } resentatives of said Province:

The Petition of the Town of Rochester in said Province  
 Humbly *sheweth*:

That by reason of the unwearied Diligence of a Number of  
 Gentlemen in Settling the Wilderness Country to the Northward  
 of us, and the abundance of Land-carriage and Travelling  
 which is Daily or yearly increasing and Likely so to continue,  
 Makes it Necessary to have a good Road or Roads to Encour-  
 age so essential a Plan for promoting the Bringing the unprof-  
 itable Wilderness to be serviceable to the Province and En-  
 creasing his Majesties subjects in the same, and by Reason of  
 our Natural situation the Roads must run a great length  
 through our Town which is but a little part of it settled at one  
 end in comparison of what is unsettled, so that the Road to New  
 Durham Runs 7 or 8 Miles through said unsettled Land, and  
 the Road to Water Town much further, and the Inhabitants  
 Dont own one 16<sup>th</sup> if the 20<sup>th</sup> part of said wild Land, which  
 is yearly increasing in value by settling the country above, and  
 we have don between five and six hundred days work on the  
 Road to New Durham, which is found insufficient, and we  
 have had one Presentment already for said Deficiency and are  
 liable to more when any disaffected Party shall see cause:

Therefore we pray that your Exc<sup>l</sup> and Honours will pass an  
 Act to lay a Tax on the settled and unsettled Land through the  
 whole Town to defray the charge of clearing and repairing the  
 Roads through the unsettled Land from time to time as there  
 may be occasion or so long and Recoverable in such a way as  
 your Honors in your wise Penetration may judge Reasonable.

We trust you will consider our circumstances as a People, that in peril of our Lives from the sword of the wilderness, have Defended this frontier from which we are but just Relieved, so that our condition may well be thought to be otherways than if we had had our Liberty; for many or the most of us are not in a capacity to take our Packs and travel sixteen or Eighteen miles into the country to Do so much Labour as is needful on said Roads, and our families not suffer at home; Therefore we hope your Parental affections are such that you will lay the Burden where it Properly Belongs; and we as in duty Bound will ever Pray.

## RUMNEY.

[Rumney was granted first to Samuel Olmstead, afterwards to Daniel Brainerd, Esq., 18<sup>th</sup> of March, 1767. A settlement, however, was begun there in October, 1765, by Capt. Jotham Cummings. The first minister, Rev. Thomas Niles, was a native of East Haddam, Ct.; graduated Yale College 1758; ordained 21 Oct. 1767, and settled in Rumney; left Feb. 10, 1788. He was a Congregationalist, but it does not appear that a church was organized there. Ed.]

*Petition of sundry Inhabitants of Rumney against Daniel Brainerd, Esq.*

Province of } To his Excellency John Wentworth Esq<sup>r</sup>  
New Hampshire } Governor and Commander in chief in and  
over the Province of New Hampshire  
afores<sup>d</sup> and to the Honourable Council  
and Assembly of said Province :

The Petition of the subscribers being Proprietors and Inhabitants of the Town of Rumney most humbly *sheweth* :

That Daniel Brainerd of said Rumney, Esq<sup>r</sup> is owner and according to the Province Laws has Right (as your petitioners suppose) to vote for a considerable number of Proprietors shares or Rights in said Town, and that he takes upon him in the meeting of the Proprietors of said Town to vote for sundry others Rights or shares therein, under color of Power and Authority from the owners of the same, which owners do not attend said meetings;—by which he is enabled to carry the vote and to decide all affairs in such proprietors Meetings according to his own pleasure, to the introducing much confusion and uncertainty in the publick & common affairs of said Proprietors (as your Petitioners apprehend) and which Power the s<sup>t</sup> Brainerd uses in such manner as to injure and oppress your Petitioners particularly in the following Instances: as

First—That the monies Voted by the Propriety are not laid out for the Proprietors use or to answer the purposes for which they were granted by s<sup>t</sup> Propriety, by which means the settlement of this Town is much retarded and your Petitioners greatly damaged.

Secondly—No Rate or Tax has been duly assessed upon the said Proprietors since the Grant of their Charter, till within a few months past, and the Rate now assess'd does not amount to the whole of the Proprietors Debts.

Thirdly—No settlement has been made with the Rev<sup>d</sup> Mr. Niles the minister of said Rumney since he has been the minister of s<sup>t</sup> Town, nor any part of his Salary paid whereby he has been obliged to commence a suit in Law for the Recovery of his Sallary, and the said Brainerd by means aforementioned

has procured a vote of said Proprietors to charge themselves without justice or necessity (as your Petitioners Imagine) with twelve shillings Lawful money upon each Right to defend said suit. The Rev. Mr Niles before s<sup>d</sup> vote was pass'd having publicly offer'd to withdraw said suit at Law, and also to abate of his Salary forty Dollars, if the Proprietors would come to settlement with him according to said Proprietors vote.

Fourthly—Sundry of your Petitioners having paid divers sums to the Rev<sup>d</sup> Mr. Niles and laboured for him with expectation that the same should be set off against their Respective Rates or Taxes to his Sallary, no Tax was for a long time assess'd, and now but a part of the money due to Mr. Niles is assess'd, and that comprised in y<sup>e</sup> same general sum with the other taxes; and no ways distinguished from them therein; so that though Mr. Niles is willing to discount the same yet your Petitioners cannot come to the knowledge of the particular sums due to him in y<sup>e</sup> Tax assess'd as afores'd.

Fifthly—Some of your Petitioners having requested of the s<sup>d</sup> Brainerd that he could make a just assessment and procure a Rate bill combining the whole of y<sup>e</sup> money due to Mr. Niles according to vote of y<sup>e</sup> Propriety, y<sup>e</sup> s<sup>d</sup> Brainerd refuseth to do it, and refuseth to accept of Receipts from Mr. Niles for the whole which is due to him as afores<sup>d</sup> and by means of the said Brainerd's conduct and arbitrary use of his Power, your Petitioners Lands are exposed to be sold and will be sold as we are publickly notified on y<sup>e</sup> 23<sup>d</sup> of this Instant July, unless your Petitioners pay the money, tho' they have paid the same in Labour:—Wherefore your Petitioners humbly Pray your Excellency and the Honourable Council and Assembly to take their case under consideration and to grant them such relief in the Premises as to the wisdom of your Excellency and the Honourable Council and Assembly shall seem meet; and particularly that such order may be made thereupon that your Petitioners may have the full benefit of what they have paid the Rev. Mr. Niles and the labour they have done for him, by the same being set off to pay Mr. Niles, and that they may not be liable to pay over again those sums which they have already paid as afores<sup>d</sup> nor be liable to have their Land sold for the non-payment thereof nor be driven to their Action in Law to recover a due allowance for their labour: And your humble Petitioners as in duty bound shall ever pray.

 Council for said Province :

The Petition of Daniel Brainerd of Rumney in s<sup>d</sup> County & Province, in behalf of himself, and Mathew Grissell of Lime, David Day & Henry Champion of Colchester, & Joseph Spencer of East-Haddam, all in the Colony of Connecticut, Humbly *sheweth* :—

That your Petitioner and the afore mentioned persons are considerably interested in said Town of Rumney, under his Majesty's Grant thereof, and have with Jeremiah Clough Esq<sup>r</sup> Sam<sup>l</sup> Moore & others been making Large Improvements therein by persons under them greatly to the Emolument of said Town :

That the time limited for doing the Duty conditioned in the grant aforesaid Expir'd the 18 day of March last: That a number of the original Grantees have neglected to perform the several conditions in said Grant express'd, much to the prejudice of the Settle of said Town, namely, Humphrey Colby, Jabez Chapman, Miles Wright, Thomas Mosely and others :

Wherefore, your Petitioner humbly prays that your Excellency & Honours would take the Premises into consideration and grant your Petitioner and the said Matthew Grissell, David Day, Henry Champion and Joseph Spencer such further Time to complete the duty enjoy'd upon their Interest, as in your great Wisdom shall seem meet; and also to dispose of the Interest and shares of the delinquent Proprietors to such of his Majesty's good subjects as will effectually settle & cultivate the same; and your Petitioner as in duty bound shall ever Pray.

Portsm<sup>l</sup> May 4<sup>th</sup>, 1772.

The Names of the *other* Grantees, who are delinquent in Rumney, referr'd to above, viz. Thomas Niles, Clerk, Ephraim Rand, Aaron Brainard & Jabez Chapman: There is one family settled on these two original Rights, but on which particular one is uncertain, as they remain undivided.

*Petition of Rev. Thomas Niles.*

To his Excellency John Wentworth, Esq<sup>r</sup> Captain General and Governor-in-chief of his Majesty's Province of New Hampshire, and to the Honorable his Majesty's Council of said Province :

The Petition of Thomas Niles of Rumney in the County of Grafton in said Province, Clerk, humbly *sheweth* :—

That your Petitioner was ordained about five years ago and has endured all the hardships attending the Beginning of a new Township as the first minister of said Town of Rumney, that he owns three Rights of Land in s<sup>t</sup> Township, viz. one as the proper Right of the first ordained Minister, another which was originally drawn to Ephraim Rand, by the free gift of the Proprietors of Rumney as an additional encouragement to him to settle so early in the Town among the first inhabitants, and a third granted to him the said Thomas Niles by Name in the new charter of s<sup>t</sup> Township :—all which Rights the Proprietors voted to be exempt from all Taxes while in the Possession of your Petitioner and during his Ministry in said town. That on the Right originally drawn to Ephraim Rand, your Petitioner has expended considerable money and labor, and has inclosed about twenty acres which he improves for pasturage, and is making Preparation for the settlement of a Family there as soon as possible : That on the Right granted him by Name in his Majesty's charter of the Township, your Petitioner has erected a House & Barn and mows several Tons of good English hay, and has other valuable articles of produce ; That your Petitioner would have proceeded much farther in his improvements of all the above mentioned Rights if he had not been injuriously kept out of the greater part of his Salary due to him from the afores<sup>d</sup> Proprietors since his settlement in the Township : Your Petitioner therefore earnestly Requests that the Rights afores<sup>d</sup> may be continued to him notwithstanding any Representations which may have been made to your Excellency and Honors, of his having forfeited any of them ; and relies on your Wisdom and goodness that said Rights will still be confirmed : And your Petitioner shall ever pray, &c.

*Petition for a new District or Precinct, 1721.*

To his Excellency Samuel Shute Esq<sup>r</sup> Capt. Gen<sup>l</sup> & Governor in chief in and over his Maj<sup>ties</sup> Province of New Hampshire &c. To the Hon<sup>ble</sup> the Council & House of Representatives, now conven'd in Gen<sup>l</sup> Assembly in & for s<sup>d</sup> Province :

The humble Petition of sundry the Inhabitants living about Sandy Beach, partly in New Castle, Hampton & Portsmouth, humbly *sheweth* :

That your Petitioners, the subscribers hereof, have for these many years past lived under great inconveniencies as to their having the free benefit of the gospell, most of us Living at great Distances from our Respective meeting-houses, especially those belonging to New-Castle ;—for that besides the great Distance wee live from thence, there is the great Inconvenience of a Ferry, by the Reasons of which for neare half the yeare, Wee the Masters of families that are best able cannot but now and then attend upon the publick worship of God (as in Duty wee are bound) and when wee Doe. It is many times late within Night e're wee can reach our habitations: And besides this great inconvenience to ourselves, there is a much greater happens to the greatest part of our families (viz.) our women and children, who can rarely attend at all or not above two or three times in the yeare, and then but those that are grown to years; for our younger children that should imbibe in the precepts of the gospell with their milk, cannot attend untill grown to some years: Wee having four, five & some more than six miles, besides the Ferry; And wee can now count amongst us above two hundred and forty or fifty souls, and not one third capeable to attend as wee are now circumstanced: And we think ourselves capeable to maintain a minister of the Gospel, and to give a Competent Liveing, as our neighbouring Pa'shes & precincts do :

Therefore wee, your humble Petitioners prays that we may be set off a p'ticular precinct (from Mr. William Seveys and westward by the sea-side as far towards Hampton as the little Boars head or Little River, and back into the Country about three miles & a halfe or soe far as in your wisdom shall see meet) and that we may be impowered to make and raise all

our own Taxes & gather them: So prays your humble Petitioners.

To the Hon<sup>ble</sup> John Wentworth, Esq<sup>r</sup> Liv<sup>t</sup> Gov<sup>r</sup> and Commander in Chief in and over his Maj<sup>ty</sup>'s Province of New Hampshire in New England. and to the Hon<sup>ble</sup> the Council for s<sup>t</sup> Province:

The humble Petition of the Inhabitants living in that part of New Castle called Little Harbour and Sandy Beach, and the Inhabitants living at the Eastward of the Little River comonly so called, att the Easterly end of Hampton, next Sandy Beach, and sundry others of Portsm<sup>r</sup> Living near the s<sup>t</sup> Sandy Beach humbly *Sheweth*:

That there being sixty familys or upward within the Precincts above named who having for a long time lived att a great Distance from any meeting house where the publick worship of God has been carried on, and most of us having great familys which very Rare above one or Two of a family can go to the House of God for the greatest part of the time by Reason of the Distance we live from any meeting house, and thereby the greatest part of our familys have been Deprived of the Dispensation of the Gospell, and there has been

almost a famine of the word and worship of God amongst us, there being near four hundred souls whereof not above the sixth or seventh part can attend s<sup>t</sup> worship which is very Prediall to the glory of God, and Destructive to our Eternall wellfare, for the greatest part of us thus to be brought up in Ignorance which is a Greater Griefe to us than we can herein Express. and the only cause of addressing y<sup>e</sup> Hon<sup>ble</sup> and the Hon<sup>ble</sup> the Council herein.

And for preventing the Difficulties and Hardships which wee have for a long time labour'd under, and for the advancement of the glory of God and good of souls, wee the subscribers hereof humbly prays your Hon<sup>ble</sup> and the Honourable the Council that wee may be sett off a Particular District or Precinct for the maintaining a minister with the Priviledges of carying on the affairs of a Town or Parish according to the Bounds hereafter Express or as your Hon<sup>ble</sup> in wisdom shall see meet, viz. *Petition from sundry Inhabitants of Little Harbour, Sandy  
Beach and Hampton, 1725.*

To the Honourable John Wentworth Esq<sup>r</sup> Lieut. Governor and Commander-in-chief in & over his Majesties Province of New Hamp; To the Honourable the Council And Representatives in Gen<sup>l</sup> Assembly conven'd at Portsmouth in the s<sup>d</sup> Province:

The Petition of Sundry Inhabitants of Little Harbour and Sandy Beach in the Town of New Castle, and sundry of the

Inhabitants of the East end of the Town of Hampton, and some of Portsm<sup>n</sup> or Greenland, most humbly *sheweth* :

That the dwelling-places of y<sup>r</sup> Petitioners with their Families, which consist of the number of more than Four hundred Souls, are very far distant from the settled Meeting-Houses in the respective Towns to which they belong and thereby their attendance on the publick worship of God on the Lord's Days is rendered extremely difficult, and at some times impossible in stormy weather and in the winter season, especially, to their Women and children, so that they cannot pay to God the Honour of Publick worship on his day, which Religion and the good Laws of the government demand of them; and your Petition<sup>rs</sup> with their wives and children are brought up in Ignorance of his word; Which evil cannot be remedied but by the favour of your Honours and the Honourable Assembly in constituting them a separate District or Precinct from their respective Towns, to which they now belong, and enabling them to carry on the Publick worship of God amongst themselves; and therefore yo<sup>r</sup> Petitioners most humbly pray that your Honour and this Honourable Assembly would please to set off that part of New Castle called Sandy Beach & Little Harbour, with such of Hampton, Portsm<sup>n</sup> or Greenland as to you in your Wisdom shall seem proper to be a District or Precinct for the carrying on the worship of God and maintaining a School therein according to Law, and your Petitioners shall ever pray, as in duty bound, &c.

*Another Petition from the same source, 1725.*

Whereas we the subscribers did formerly Petition to the Government of this Province to be set off for a Precinct or District, which we humbly conceive was denied, because it was thought that if the prayer of the Petition were granted, the Great Island could not subsist to maintain a Minister there without the assistance of a great part of the subscribers;—now to take of that objection, and in order that the Gospel may be continued both at the Island and Sandy Beach, we the subscribers consent that Twenty Pounds annually during the Rev'd Mr. Shurtleff's life, or continuance in the Ministry at the Island, be allow'd as follows: viz. That whereas Little Harbour side with Sandy Beach used to pay near one third part of Mr. Shurtleff's Salary, and there being five persons on Little Harbour side that do not desire to join with us, the Petitioners, viz. Lieut. Jno. Sherburn, Tobias Lear, Jno. Odiorne, James Randle, and the Widow Wallis who used to pay about six pounds annually towards the minister's Rate, We the subscribers do promise and engage to make that sum Twenty pounds annually as afores<sup>d</sup>;—Provided that we may be cleared from all other Parish Taxes to the several places where we do now belong.

That whereas this Parish was established by a Special Act of General Assembly Apr. 30, 1726, and near one half of the freeholders & other Inhabitants of the same being Poled off to s<sup>d</sup> Parish from other Towns, a considerable number of which did before belong to Hampton Town, & having no line fixed & settled between s<sup>d</sup> Parish & Hampton, the s<sup>d</sup> Parish are under ill conveniences respecting their Parish affairs, some moving out & Leaving the Burden of Taxes heavier upon the Remnant left, and some others moving in among us & settling in that part of the Parish that did belong to Hampton, which we are not impowered to Levy Taxes upon, nor to obledge to attend military exercises, nor to help in Repairing his Majesties High-ways in this Parish nor to assist in managing our other Parish affairs;—We, labouring under these & many other ill

*Petition from Selectmen of Rye, relating to the effects of a violent Storm, 1754.*

New Hampshire } Esq. Governour and Commander in  
Chief, in and over his Majesty's Province  
of New Hampshire, and the Hon<sup>ble</sup> the House of Represent-  
atives for said Province now in General Court sitting:

*Humbly shews*—James Marden and Joses Philbrick two of the Selectmen of the Parish of Rye in the Province aforesaid (being the major part thereof) in behalf of the said Parish: That on or about the Nineteenth day of June last past there was a Violent Thunder Storm and there fell a very considerable quantity of Rain & Hail which reach'd through the said Parish and Damaged all the Inhabitants of the said Parish (three or four familys only excepted) very much by shattering their houses and barns, breaking the glass windos almost the one half thereof through the said parish; shattered the meeting-house and Parish house and Broke the glass thereof, that one hundred pounds old tenor will not be sufficient to repair the said Meeting and Parish house; Destroy'd almost all the apples in the said Parish, with almost all the English and Indian corn then and there standing and growing, of one half of the said Inhabitants: By means whereof the said Inhabitants are reduced to Miserable circumstances, with Regard to the fruits of the earth this year, And it will be as much as the said Inhabitants can do (and will be beyond the capacity of many) to repair their buildings and provide sustinence for themselves and cattle this year; and as the said Parish is but a poor place and the said Inhabitants are at considerable charge among themselves over and above the Province Tax, which in itself is very heavy, and considering the circumstances of the said Parish will be insupportable as their dependence is on the fruits of the earth (which are now destroy'd.) Wherefore the said James Marden & Joses Philbrick pray in behalf of the said Parish that your Excellency and Honours will take the case of the said Inhabitants into your wise consideration, and Relieve the said Inhabitants by abating the whole or so much of the said Province Tax as your excellency and Honours in your great Wisdom shall think expedient, and your Petitioners in behalf of said Inhabitants as in duty bound shall ever Pray.

To his Excellency Benning Wentworth, Esq<sup>r</sup> Captain General, Governor and Commander in Chief in & over his Majesty's Province of New Hampshire, the Hon<sup>bl</sup> his Majesty's Council & house of Representatives in General Assembly conven'd, this 8<sup>th</sup> day of May 1764.

The Petition of the Inhabitants of the Parish of Rye, & of the Inhabit<sup>ts</sup> of the South West end of Portsmouth; *Humbly Sheweth* :—

That it would not only be very beneficial to them, but to all other Travellers, who pass from Portsm<sup>o</sup> to Rye, or from Rye to Portsmouth, provided a Road might be had & obtain'd across the woods from or near Mr. Thomas Cotton's Farm in Long Lane so called, to the highway in Rye near to Mr. Wallis Foss's, which would make the travelling from Portsm<sup>o</sup> to Rye or from Rye to Portsmouth much more convenient, as it will save eight miles in travel to & from nearer than the road now goes, as there is no highway from said Rye to Portsmouth except at the North East End or at the South West end of said Rye, both of said highways being at the extrem limits of said Parish of Rye, & being five miles distant from each other, which makes it difficult for your petitioners to send their wood &c. to market; which Road if obtain'd they think would be a General Good, & your Petitioners humbly conceive it might be had & obtain'd at the Cost & charge of seven hundred & fifty pounds new Tenor, but that your petitioners are not at present able in & of themselves to purchase said highway altho' so beneficial; Wherefore your petitioners humbly prays your Excellency & Honours, to grant them leave to bring in a Bill for a LOTTERY to enable them to effect the same & to be under such direction & Regulation as you in your great wisdom may think proper, & if any overplus arises thereby, to be disposed of as may be ordered by your Excellency & honours, & your Petitioners as in duty bound shall ever pray &c.

*Petition of Methuen for redress of grievances as to taxes.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Captain General and Governour-in-chief in and over his Majesties Province of New Hampshire,

May it please your Excellency :—

The humble request of your Petitioners, *Sheweth*—That whereas your Excellency and Counsel have been pleased to erect a District in that part of Methuen and Dracont lately fallen into New Hampshire, according to which the Inhabitants of said District as Incorporated by your Excellency have assembled and chose officers according to your Instructions, and levied the Province taxes; and inasmuch as your Petitioners who live in that part of said Methuen which is adjacent to Londonderry or Windham, are likewise taxed by said Derry or Windham officers and s<sup>t</sup> Derry or Windham constable or Collector has forcibly taken away a considerable quantity of our valuable goods and carried them off under pretence that it was for our Rates towards support of the government, though we have paid our Proportion of Province taxes already to our Constable, therefore your Petitioners humbly pray that your Excellency would be pleased to take some effectual method to prevent such disorders for the time to come

and to redress our grievances, and likewise that your Excellency would be pleased to take some care that we may be put into a capacity for the support of the Ministry which is in Danger of being obstructed by reason of our unsettled posture; and likewise that we may be enabled to carry on our other affairs.

Thus Pray your Petitioners.

*Letter from Theo. Atkinson Esq. to Selectmen of Londonderry & Windham, 1742.*

Portsmouth, Dec. 28<sup>th</sup> 1742.

GENTLEMEN—

It has been represented by some of the Inhabitants on the District of Methuen, as settled by Act of the Gen<sup>l</sup> Assembly that the Constables of London Derry have levied the Province taxes on s<sup>l</sup> Inhabitants, who had before paid their Province tax to the officer chosen by said District;—a copy of said representation you have herewith sent you for your Government:

I am therefore by his Excellency's order to advise you to return the said Taxes so levied to the respective persons, from whom they have been taken, unless they have heretofore been rated to your Town or Parrish, as the contrary behaviour may tend to create disorder & confusion in the Government.

THEO<sup>l</sup> ATKINSON, Sec<sup>y</sup>.

To the Selectmen of Londonderry  
or the Parish of Windham.

Sent by Mr. John Ober,  
the day above s<sup>d</sup>.

*Petition for a Parish, 1743.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Governor & Command<sup>r</sup> in chief in & over his Majesty's Province of New Hamp<sup>r</sup> the Hon<sup>ble</sup> his Majesty's Council & House of Representatives in Gen<sup>l</sup> Assembly convened, June 25, 1743.

The Humble Petition of John Ober & Daniel Peasely as a Committee in behalf of the Inhabitants of a place called Methuen in said Province, *Shews*:—

That the said Inhabitants are in an unsettled state & condition, not being within any Parish or Town, nor having any Power or authority to raise money for the support of the Min-

istry, Schools & other necessary charges among them, for want of which they are involved in many Difficulties which are too obvious to need a particular enumeration :

That what was done by this Government as to making of Districts having relation to the Province tax only, could be no Relief to the said Inhabitants in Regard of the Difficulties above referr'd to, had that regulation continued, and as they have & shall always cheerfully contribute their proportion towards the support of the Government to which they belong, they are encouraged to hope for & depend on the justice of this Government to grant them those aids which are necessary to their subsistence & well being, & by virtue whereof they will be the better Enabled to pay their part of the Public Taxes :

That they have been now a long time in this uncomfortable situation and can't possibly any longer support y<sup>e</sup> Gospel Ministry among them under their present circumstances, & live too remote from any Town or Parish to enjoy it with them.

WHEREFORE, your Petitioners in behalf of their principals most humbly pray that they may be Incorporated into a Parish or Precinct by the following Boundaries: viz. Beginning at the East End of a Pond commonly called & known by the name of the Captain's Pond, & from thence to Run to the late dwelling house of one Richard Petty now deceased, upon a strait line, and from thence to the North part of Pollicy Pond so called, & so running by said pond to the South West part thereof, and then on a West course until it comes to Dracut Line & then by Dracut Line till it comes to the Province Line & so running by that till it comes to the place first mentioned: and invested with the usual Parish Powers & Privileges within this Province, and your Petitioners, as in duty bound shall ever pray, &c.

JOHN OBER  
DANIEL PEASELY.

In the House of Representatives, June 25, 1743.

The within Petition read, & Voted that the Petitioners serve the Selectmen of Windham (forth with) with a copy of this Petition and the Votes thereon, and that they appear Thursday the Seventh of July next (to shew cause if any, why the Prayer of the Petition may not be granted) and if the General Assembly be not then sitting, then to appear the third day of the sitting of the Gen Assembly at their next sessions; and that the Constables & Collectors of Windham do not make distress for any Rates or Taxes: Except for the Province tax, until after the hearing above intended.

*Petition of Part of Methuen to be a Township, 1746.*

To his Excellency the Governor and the Honorable Council of the Province of New Hampshire :

The humble Petition of us the subscribers, *sheweth* :

That whereas the Inhabitants of the District of Methuen, viz. those who are included within the following lines, that is to say, Beginning where the Line between the Province of New Hampshire and the Massachusetts Bay crosses the Ancient line between Haverhill and Methuen, from thence Northwest-erly upon s<sup>l</sup> Line to about 2½ miles, to a Red Oak tree marked, from thence westerly to the North East end of Pollicy Pond, so called, from thence thro' s<sup>l</sup> Pond to the westerly end of s<sup>4</sup> Pond, from thence westerly to Dracut Line so called, from thence Southerly upon Dracut Line to the above s<sup>l</sup> Line between the Provinces, from thence upon s<sup>l</sup> Province line to the bounds first mentioned; Those Inhabitants included in the above<sup>l</sup> Lines have been at charges in erecting a meeting House and settling a Minister, and are commodiously situated to attend the worship of God in s<sup>l</sup> District: And whereas the Inhabitants included in s<sup>l</sup> Lines consist of but about Forty-five Families, who are of a different Perswasion from the Inhabitants of Windham, they being Presbyterians and we being Congregationalists—

We therefore your Petitioners pray that there may be a Township erected according to the above mentioned boundaries which boundaries are inclusive of us the subscribers and your Petitioners shall ever pray.

The Petition of Daniel Peasley Esqr. & John Ober, Inhab-

 Province in behalf of sundry Inhabitants therein, most humbly  
*shews*: That by virtue of the District Act so called, they have  
 rated sundry Persons and their Estates to pay their Province  
 Rates there, and also that the same Persons and their estates  
 are claimed by the Parish of Windham in s<sup>t</sup> Province, and  
 there rated to pay their Province Rates;—whereby they are  
 twice rated; which lays such persons under a great burden  
 and difficulty, and that the s<sup>t</sup> persons and their Estates pay all  
 their other Rates to Methuen afore s<sup>t</sup>: Wherefore your Peti-

*Petition for a Township, 1749.*

To his Excellency the Governour, the Honourable his Majes-  
 ties Council of the Province of New Hampshire:

The Petition of us the subscribers Inhabitants of the Dis-  
 trict of Methuen, *sheweth*—

That notwithstanding the care of this Government in form-  
 ing of us into a District, and notwithstanding those Inhabit-  
 ants of Windham who used to pay Taxes to Methuen are by  
 special Act of Court obliged still to do it; yet since a Num-  
 ber of of those who were formerly of our Society continue in  
 the Massachusetts-Bay Government, and since the Act of form-  
 ing us Into a District is but temporary, it appears to us im-  
 practicable for us to fix a settled support upon the Rev<sup>d</sup> Abner  
 Bayley our Minister for the time to come, both upon account  
 of our small number and upon account of our District  
 being but a temporary settlement; which makes him in-

dulge tho'ts of a removal from among us; for having carried on the work of the Ministry among us for near ten years past without any such fixed support, now calls upon us to settle affairs with him, which we ought to do, otherwise must expect that he will remove from among us. Further, that since a number of the Inhabitants of the westerly End of the District of Haverhill are very conveniently situated to joyn with us, from which considerations your Petitioners humbly pray—That a Township may be incorporated out of the District of Methuen with such an addition out of the Westerly end of the District of Haverhill as may be sufficient to support the Gospel among us and carry on our other Town affairs.

And your Petitioners shall ever pray.

*Letter from Daniel Peaslee to Thomas Packer, Esq'*

SIR—When I was at your House I desired that you would represent our difficult circumstances to his Excellency and Council and endeavor to obtain a Township by taking part of Haverhill District and that the Line should be Southeast from the South Easterly Corner of London Derry being a Red Oak near the widow Patee's Corn Mill; however having more fully examined that Line find that it will extend too far Easterly upon the Line between the Provinces, for having drawn a Plan which I herewith send you, the Easterly line of which is South Twenty three Degrees East from the above said Tree, but upon scanning this Plan find that this is as much too little as the other was too much, and accordingly should be oblig'd to you if you would use your endeavours that the above said Line should be from the above said Tree, South Thirty four Degrees East. What we aim at and desire to have are those Inhabitants that were by the settlement of the Massachusetts Bay Government, but are cut off by the Province Line, of Mr. Bachellers Parish.

Sir—I herewith transmit to you a Petition of Sundry of the Inhabitants of Methuen District to be laid before the Governour and Council and as this represents our small number so we desire that all those who have been of late years obliged to pay taxes to the support of the ministry &c. to Methuen District, whose number is but small, together

with those Inhabitants on the westerly end of Haverhill as above specified should be incorporated into a Township: Sir, we are ignorant whether any thing further will be necessary; for which reason we should be obliged to you, if you will send up if any thing is. Sir,—Excuse this Trouble, Your endeavors to serve us will lay a fresh obligation upon this People and more especially upon

Your Humble Servant,

DANIEL PEASLEE.

*Petition for redress of grievances, 1756.*

To his Excellency the Governor, The Honourable his Majesty's Council, & the House of Representatives in General Court assembled:

The Humble Petition of us the Subscribers, *Sheweth*—

That your Petitioners formerly Inhabitants of the District of Methuen now of Salem were included in Windham & s<sup>d</sup> District at the same time, and accordingly were taken in both valuations for Windham & Methuen District but obliged by Act to pay Province taxes to Windham, which we did pay in the years 1743, 1744, 1745, 1746, 1747, 1748, 1749, 1750, 1751, 1752, for which years there are arrears due from the District afores<sup>d</sup> to the Province which by Act of Court are to be paid in the years 1755 & 1756; but no arrears due from Windham,—but we being since included in Salem are taxed to s<sup>d</sup> arrears due from the District afores<sup>d</sup>, by which means your petitioners are greatly injured in the Premises.

Therefore your Petitioners humbly pray that the aboves<sup>d</sup> difficulties may be removed & your Petitioners redressed in s<sup>d</sup> grievances & your Petitioners shall ever pray.

Sanborn Town, January y<sup>e</sup> 8<sup>th</sup> 1768.

To his Excellency John Wentworth, Esq. Captain General, Governor & Commander in Chief, in & over his Majesty's Province of New Hampshire, in New England:

The Humble Petition of y<sup>e</sup> Inhabitants of Sanborn Town: We, the Inhabitants of this Town, Promising our selves your Excellency's Protection, Both in our Public & Private interests, Humbly beg y<sup>e</sup> Liberty of Declaring to your Excellency, y<sup>e</sup> Present Condition of this infant Town, which is as followeth, viz: We have thirty-two Familys in Town, & a number more we expect will some move in, & we doubt not But that in a few years we shall if Prospered, be a flourishing Town, able to support our familys, and be a help to y<sup>e</sup> Publick. But at Present we are under a necessity of going to other Towns for many things to support our selves and our Cattle which are but very few, y<sup>e</sup> time Being so very short since we moved into Town, there Being no more than seven familys

that have Been in Town so long as two years, & they were Poor People that mov'd in for y<sup>e</sup> sake of Cetching a few fish to support their familys; many of us have Been here But one year & some not so long, our Land is very heavy to clear & after it is clear<sup>d</sup> & affords us a considerable Crop of indian Corn it is next to imposable to Plow the Land for some years by Reson of y<sup>e</sup> stumps & Roots; there hath Been But a very few acres ever Plow<sup>d</sup> in Town, not more then six or seven men that have Plow<sup>d</sup> any & on y<sup>e</sup> whole it is not without a great deal of Difficulty that we Bring y<sup>e</sup> year about, Being obliged to spend on the Store we had Before we moved up, those that had any & those that had not, to Run in debt many of us or be beholden to friends, which cant we humbly conceive be thought strange considering that this was all a wilderness so very lately.

Now with submission to your Excellency's Pleasure. our humble Petition is, that your Excellency would Consider our Circumstances & Release us from paying any tax for a Little time:—your Excellency granting which we Humbly conceive will be an advantage, not only to your humble Petitioners But also to the Publick as it will enable us to make the greater Progress in clearing our farms & so of consequence to Pay y<sup>e</sup> greater tax which at present could be but very small, having but a Little to pay for.

The Humble Petition of the Freeholders & Inhabitants of the Parish of Summersworth within the s<sup>d</sup> Province humbly *sheweth*:—

That the s<sup>d</sup> Parish being sett off a seperate Parish by an Act of the General Assembly made and passed in the third year of his present Majesty's Reign whereby the Inhabitants of s<sup>d</sup> Parish are invested with all the Powers and Priviledges of a Parish as to maintain an Orthodox Gospel Minister their poore and School and to choose all Parish officers, now the growing charge of maintaining the minister, poore and school and other necessary charges arising insomuch that the Rates for this present year are six shillings & Eight pence on the head or four pence per pound in the new Tenor which makes the taxes very high, and our Numbers being small, also the Land not taken up is so mean that there is but little probability of our numbers increasing, as also that when we have chosen a Collector to gather the Parish Assessment & he having served in that troublesome office hath beene Re-chosen by the Town of Dover as Constable, which office he hath been Obliged to serve in or otherwise to pay his fine, and also if any person that was chosen by s<sup>d</sup> Parish as Collector and Refused to serve there was no Law to compel him to pay his fine:—Wherefore to Remedy the above Grievances your Humble Petitioners Humbly Pray that your Excellency and Honours would be pleased By an Act of General Assembly to Invest us with the priviledges and Powers of a Town, and a small matter to enlarge our Boundaries according or near our first Petition: viz. The Petition of sundry of y<sup>e</sup> Inhabitants of the Est part of Salisbury which by the runing the new Line fall into the Province of New Hampshire and (as we are informed) are included in the late charter granted for y<sup>e</sup> Township of South Hampton. *Answer to the foregoing Petition by the Selectmen of  
South Hampton.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Captain General and Governour in Chief in and over his Majesties Province of New Hampshire in New England, and to the Honourable his Majesties Council and Representatives in General Court Assembled, May y<sup>e</sup> 10<sup>r</sup> 1743.

We the Select men of South Hampton have taken opportunity at this time to express our loyalty to the King's Majestic and our Duty to your Excellency and Honours and to the Representatives: We humbly confide in your tender Regard to our holy Religion that whereas we have setteled a Church of our Lord Jesus among us that you will protect us so that we may be able to maintain it.

We have been served with a copy of a Petition that Doc. John Page and Mr. Benjamin Baker have prefered to this Honourable Court in order to pole off from us, which we oppose for these Reasons following.

1. Every man cant have an equal priviledge in going to y<sup>e</sup> publick worship, in all Towns and Parishes there is some without as well as some within and since Doc. Page and Mr. Baker's lines are fallen to them without we think they ought to be content.

2<sup>d</sup> We laid out a drift way from y<sup>e</sup> high way that leads from Doc. Page's house a cross to our Meeting house and we made gats and some of our brethren came to us to meeting but they found some difficulties by Reason of y<sup>e</sup> Gats so they were desirous that we would lay it out an open high way and we being willing to shew them all Christian Regard and kindness layd it out an open high way and have agreed w<sup>th</sup> y<sup>e</sup> owners of y<sup>e</sup> Land and y<sup>e</sup> way cost y<sup>e</sup> Town about one hundred and fourty pounds and we have made y<sup>e</sup> way so convenient to pass & Repass that som of our brethren comes to us to meeting and Doc. Page and Mr. Baker may come with their neighbours.

3<sup>d</sup> We have laid out a high way from y<sup>e</sup> mouth of a high way y<sup>e</sup> leads from our meeting house to Powers River a cross Richard Curriers land to a high way y<sup>e</sup> leads from Almisbury through South Hampton to Kingstown to oblige our brethren at y<sup>e</sup> West part of y<sup>e</sup> Town, and we have built a Bridge over Powers River and we have been at an Extraordinary charge in building a long and high Cassey over a Great water y<sup>e</sup> is flow'd by a Dam a cross y<sup>e</sup> River and we have made it convenient to pass and Repass And several famils come to us to meeting.

4<sup>th</sup> If Doc. Page and Mr. Baker should be polled off there are some at y<sup>e</sup> west end of y<sup>e</sup> Town y<sup>e</sup> lives further of y<sup>e</sup> Meeting house then Doc. Page and Mr. Baker, and they will say there is more reason y<sup>e</sup> they should poll off then Doc. Page and Mr. Baker, because they lives further of. Doc. Page and Mr. Bakers polling off Dont bring them any nere y<sup>e</sup> Meeting house, but makes them more charge to pay and they as far from meeting as ever and so they will be for polling off too and so it will threaten y<sup>e</sup> Dissolution and confusion of our Town.

5<sup>th</sup> Your Excellency and Honours was pleased to grant us a Town calld by y<sup>e</sup> name of South Hampton for which we thank you and you wear pleasd in your greate wisdom to send us a Committee of very judicious men and they came along by Doc. Pages and Mr. Bakers houses and so came across nere where we laid out our new high way to our Meeting house and viewed y<sup>e</sup> Town to y<sup>e</sup> Extent, and they judged that all y<sup>e</sup> Inhabitants that lives above or to y<sup>e</sup> westward of Kingsington line that was Run by Capt. Robie out to y<sup>e</sup> Province line should stand with us, and we stands by their judg-

ment, and we shall take hard that one or two privit men should spoil a Publick Intrest.

6. Doc. Page and Mr. Baker have set forth in their Petition that they cant come to y<sup>e</sup> publick worship with us by Reason of the great Distance therefrom nor attend other publick meetings for y<sup>e</sup> management of Town affairs, whereas we think they are nearer to our Meeting house than they are to Hampton Falls Meeting house, and we think it cant in Reason be thought that ever Doc. Page and Mr. Baker will or intend to make any constant practis in going to Hampton Falls to meeting for they make it their constant practis in going to Salisbury to meeting, and will have their priviledge w<sup>th</sup> them, and we think it reasonable that they should stand with us because there is about thirteen families that lives at the North west End of Salisbury that constantly Assemblys with us.

7. By What has been offered we doubt not but your Excellency and Honours will se just cause in your great wisdom to revers Doc. Pages and Mr. Bakers petition, and accordingly grant us our Request.

*Memorial of Inhabitants of South Hampton.*

To his Excellency Benning Wentworth Esq. Captain General and Governour in Chief in and over his Majesties Province of New Hampshire in New England and to the Honourable his Majesties Council.

After our Duty expressed we find ourselves constrained to make our humble acknowledgment of your Goodness extended toward us, and Return you thanks for granting our Petition and Incorporating us into a Town called by y<sup>e</sup> name of South Hampton. We have been credible informed that some of our Dessenting brethren that lives at y<sup>e</sup> upper or west part of our Town have preiend a petition to y<sup>e</sup> Honourable Court to be set off from us and we hear all so that they have presented a copy of a vote to your Excellency & Honours that we are willing they should be set off, which Vote we oppose for y<sup>e</sup> Reasons hereafter mentioned. Our Dessenting brethren Did at a Town meeting present us a petition which is as followeth :

September y<sup>e</sup> 29<sup>th</sup> 1742. We whose names are under written Do Petition to the Town of South Hampton that they would agree to pass a

vote that that part of y<sup>e</sup> town which lyeth upon y<sup>e</sup> west side of Powers River should be set off as soon as they are in order to Settel a minister y<sup>e</sup> is more convenient for them that is as many as shall be willing to be set off, then we will agree to help support y<sup>e</sup> minister here till then; If you will finish y<sup>e</sup> meeting house and settel a minister upon your charge and like wise Release us from doing any thing toward y<sup>e</sup> meeting house that has been past: Jonathan Farren, Micah Hoit, James George, John Eliot, Aaron Currier, David Goodwin, David Martain, Timothy Farren, Thomas Greenfield, John Sargent, Abraham Merrill, Robert Martain, Nathaniel Ash, Philip Challis, Samuel Goodwin, William Sargent, Caleb Hobs, Daniel Goodwin, George Martain, Jonathan Kimball, Benjamin Kimball, Roger Eastman, David Colby, Jacob Colby, Zacheus Colby, Jonathan Watson.

A true Copy Examined by me,

Reuben Dimond, town Clerk.

Now we had no power to set our Dissenting brethren off, for as we had not power to Incorporate ourselves into a Body so we had no power to make any secession and it is not for us to arrogate that to ourselves which belongs to the Honourable Court; but we told our Dissenting brethren that it was a time of great charges with us and if they would joyne with us in our extraordinary charges, when they should be thought capable by lawfull authority to maintain y<sup>e</sup> Gospel of Christ among them y<sup>e</sup> we would pay back again their part of y<sup>e</sup> extraordinary charges that should arise to them in finishing y<sup>e</sup> meeting house, settling a minister and building for him: now we did not make this offer, because they could make any majority upon us, but we did it for peace, we considering how good it is for brethren to Dwell together in Love and unity, and that peace is y<sup>e</sup> beauty of a Society and it is so necessary and so valuable that we were Ready to sacrifice any thing to procure it, saving only a good conscience. and so we proceeded to a vote which is as followeth:

At a meeting of y<sup>e</sup> Inhabitants of y<sup>e</sup> town of South Hampton, September y<sup>e</sup> 29. 1742, Cornet Abraham Brown was chosen Moderator for y<sup>e</sup> same meeting. At y<sup>e</sup> same meeting it was taken into consideration that, Whereas there are a number of Inhabitants of y<sup>e</sup> upper or west part of this town y<sup>e</sup> lives at considerable Distance from meeting and have thoughts in time to be better accommodated than constantly to assemble with us, and we being Desirous to exercise all Christian Regard and kindness to them, Votes first, That all those persons that lives above or to the Westward of Capt. Jonathan Currier's that have a mind to go off and be a Parish shall have their extraordinary charges that they are now at among us paid back again to them:—that is to say, All their part of y<sup>e</sup> extraordinary charge that shall arise to them by finishing y<sup>e</sup> meeting house, settling a minister and building for him, when they shall be thought capable by lawfull authority to maintain the Gospel of Christ among them, Provided they do not molest or hinder us of y<sup>e</sup> other part in our speedy settling a Gospel minister among us, and y<sup>e</sup> they pay toward his support while they are of us or belong to us, hoping at the same time, they will of their owe free will be assisting to us.

2<sup>d</sup> Voted, That we will make no opposition to them in their Indeav-

ours to be a Reg'lar town or parrish whenever they shall be thought capable by lawfull authority—voted in y<sup>e</sup> affirmative.

A true Coppy—

Attest, Reuben Dimond, Town Clerk.

Now after this Vote was offered to our Dissenting brethren we chose a Committee to go to y<sup>e</sup> Association meeting of y<sup>e</sup> Rev<sup>d</sup> Ministers at y<sup>e</sup> Rev. Mr. Coffin's in Kingston to ask advice. How we should proceed in Reg'lar way to settel a Gospel minister among us, and there appear'd two of our Dissenting brethren and Declared that they would not joyne with us in setteling a minister for they s<sup>d</sup> that vote was only a sham for we knew that they could not make a parrish; but they said that we should have put into y<sup>e</sup> vote y<sup>e</sup> when they and their neighbours could make a Parrish;—whereas we drew y<sup>e</sup> vote according to their petition, and they never ask us to set them off to joyne with their neighbours for there is no such a word in their petition as their neighbours.

At a meeting of the Inhabitants of South Hampton, November y<sup>e</sup> 26, 1742. John Flanders was chosen moderator for y<sup>e</sup> same meeting. At y<sup>e</sup> same meeting it was taken into consideration, that Whereas we y<sup>e</sup> Inhabitants of this Town being in present want of a pious, larned orthodox minister of a good conversation, to dispense y<sup>e</sup> word and Administer y<sup>e</sup> ordinances of our Lord Jesus among us, and it being our Duty to look up to Heaven for Divine Assistance to guide us in all our affairs, therefore, Voted, That Thursday y<sup>e</sup> 2<sup>d</sup> day of December next is appointed to be a day of Fasting and Prayer in order for y<sup>e</sup> calling & setteling a Gospel minister among us, voted and past in y<sup>e</sup> affirmative. Nathaniel Ash, Jonathan Farren, James George Daniel Goodwin, Jacob Colby, Sam<sup>l</sup> Goodwin, John Eliot, David Goodwin, Philip Challis, David Colby, enters their contrary Dissents against y<sup>e</sup> Vote for ye fast which was for calling and setteling a Gospel minister among us.

A true Copy of y<sup>e</sup> vote and all y<sup>e</sup> dissenters that live above or to y<sup>e</sup> westward of Powers River.

Attest—Reuben Dimond, Town Cler.

At the same meeting Capt. Jonathan Currier and Joseph French jun. was chosen a Committee to call in y<sup>e</sup> Assistance of y<sup>e</sup> neighbouring ministers to celebrate a day of Fasting and prayer among us—Voted & past in y<sup>e</sup> affirmative.

A true copy,

Reuben Dimond, Town Clerk.

Now when y<sup>e</sup> Rev. Ministers was come, which we called to our assistance, our Desenting brethren appeared and opposed them and beat off y<sup>e</sup> forenoon exercise, yet notwithstanding all their oppositions and Alegations the Rev. Ministers Did not see but y<sup>e</sup> way was clear to proceed to y<sup>e</sup> worship of y<sup>e</sup> day where unto they were call'd.

At a legal meeting of y<sup>e</sup> Inhabitants of y<sup>e</sup> Town of South Hampton, December 27, 1742, John Flanders was chosen Moderator y<sup>e</sup> Same meeting. At y<sup>e</sup> same meeting it was Voted, That we give y<sup>e</sup> Rev<sup>d</sup> Mr. William Parsons a call to settel in y<sup>e</sup> work of y<sup>e</sup> Gospel ministry among us. Voted in y<sup>e</sup> affirmative. At y<sup>e</sup> same meeting, James George, Jon-

athan Farren, Aaron Currier, David Goodwin, David Colby, Daniel Goodwin, Zacheus Colby, Philip Challis, Jonathan Wotson, Sam Goodwin, Rogles Colby, Roger Easman, Jacob Colby, Robart Martain, Micah Hoyt, Enters their contrary Desents against y<sup>e</sup> Vote for calling and settling the Rev. Mr. William Parsons or any other man in y<sup>e</sup> work of y<sup>e</sup> Ministry under their present curcomstances. A true Copy of y<sup>e</sup> vote and all y<sup>e</sup> Dessenters that lives above or to y<sup>e</sup> westward of Powers River.

Attest, Reuben Dimond, Town Clerk.

At y<sup>e</sup> same meeting it was Voted that y<sup>e</sup> 23<sup>l</sup> Day of February next is appointed to be a day of ordination among us & at y<sup>e</sup> same meeting Joseph French, John Ordaway, Thomas Merril and Abraham Brown were chosen a Committee to send Letters to y<sup>e</sup> Rev. Ministers and Messengers to be assistant in gathering a Church and in ordaining the Rev. Mr. William Parsons in y<sup>e</sup> work of y<sup>e</sup> ministry among us. Voted in the affirmative.

A true Copey. Attest, Reuben Dimond, Town clerk

Now y<sup>e</sup> ministers we calld to our assistance were the Rev. Mr. Chusing, Mr. Whipple, Mr. Joseph Parsons, Mr. Sam<sup>l</sup> Parsons, Mr. Fogg, Mr. Coffin, Mr. Webster: These wear chosen a Council to carrey on y<sup>e</sup> work of the ordination among us, and to set y<sup>e</sup> day before y<sup>e</sup> ordination, and so we notified our Dissenting brethren to come at y<sup>e</sup> time appointed and shew Reasons if any they had why y<sup>e</sup> minister should not be ordained; but before y<sup>e</sup> time appointed came, we heard that our Dissenting brethren had made Report that they intended to take of our Council, for some were akin<sup>d</sup> to y<sup>e</sup> man that was to be ordain'd and others had given judgment before: So we, hearing of their Stratagem and not being ignorant of their Devices, we considere<sup>d</sup> it was easier to prevent a Diseas than to cure it, or to keep an adversary out when out, then git him out when he was in. and so being forewarnd we thought it best to be forearm'd and so we calld y<sup>e</sup> town together to chuse other ministers.

At a meeting of y<sup>e</sup> Inhabitants of y<sup>e</sup> town of South Hampton, Jan<sup>ry</sup> y<sup>e</sup> 15<sup>th</sup> 1742-3, Joseph French was chosen Moderator. At y<sup>e</sup> same meeting it was put to vote wheither the Town would chuse the Rev. Mr. Odlin and the Rev. Mr. Gookin and their messengers to be assistant in Council with y<sup>e</sup> other Ministers for gathering a Church and carry on y<sup>e</sup> ordination among us, and y<sup>e</sup> vote was past in the affirmative.

A true copy. Attest, Reuben Dimond, Town Clerk.

We voted that we would pay back again all their part of y<sup>e</sup> extraordinary charges that should arise to them by finishing y<sup>e</sup> Meeting house, settling a minister and building for him when they should be thought capable to maintain y<sup>e</sup> Gospel of Christ among them: but then there was a condition annext to that vote: it was provided they did not molest or hinder us in our speedy settling a Gospel minister among us; but now they have opposed us from place to place, and from time to time they have entered their contrary desents once and agen

against our Regular proceedings in an orderly way to settel a Gospel minister among us, and then put us to a great deal of trouble and to an extraordinary charge in calling in that Grand Council which set at y<sup>r</sup> time appointed, and the Rev. Mr. Caleb Chusing (1) was moderator, and our Desenting brethren appeared in Council and objected against some of y<sup>e</sup> Council; and y<sup>e</sup> moderator ask them who they were and they said Mr. Joseph Parsons, Mr. Samuel Parsons and Mr. Fogg: the Moderator ask them what they had against them men; they s<sup>d</sup> they wear akend<sup>d</sup>; and y<sup>e</sup> Moderator ask them what they had against y<sup>e</sup> man that was to be ordained as to his life and conversation or his Doctrin, and they eldge nothing; but they said y<sup>e</sup> Province line would be moved and then they should lose the money that they had expended with us, and they had not a convenient way: The Moderator told them as to y<sup>e</sup> removing y<sup>e</sup> line that could be no bar as to setteling y<sup>e</sup> minister, for if y<sup>e</sup> lines should be moved then we must petition y<sup>e</sup> Massachusetts Court for a Parrish, and as to a way, their law provids how they should get high ways; so notwithstanding all y<sup>e</sup> objections and allegations they could make the Rev. Council did not see but y<sup>e</sup> way was clear to settel a minister among us.

All these molestations, interruptions and oppositions we have met with from our Desenting brethren since we offerd them that vote; yet now they would skreen themselves under that vote, that we are willing they should go off when they have never fullfilld y<sup>e</sup> conditions of y<sup>e</sup> vote in any one article; for if our Desenting brethren had agreed with us, we should have had none occasion to have been at so much trouble and at such an extraordinary charge in sending from town to town and from one Parish to another about y<sup>e</sup> country to call in that Grand Council, for two or three of y<sup>e</sup> neighbouring ministers would have done our business in y<sup>e</sup> morning before y<sup>e</sup> ordination.

That the Town finding thare was Occasion of a highway from the Meeting-house Southward to a highway which was laid out by Alms bury, accordingly Voted a way should be laid out on the East side of the Parsonage unto Powes River, and throw sundry mens Land unto the said high-way, and the selectmen being met to lay out s way and finding a more convenient way might be had else where made Request to the Town, who Voted, That the former Vote should be reconsidered, and a high way should be laid out across the Parsonage and over the River whare it dos meet the high way which was laid out by Almsbury Direct, and thare it is laid out and Recorded.

Notwithstanding this way is moste for the common good, thare are sunn persons who are uneasy because the way first Voted is not laid out and have applyed themselves to the General Sessions of the Peace who have ordered a Committee to lay that way out also : which if Don the Town must make and maintain two ways and two bridges within about twenty five or thirty Rods which will be a very great and useless charge.

*Petition from sundry inhabitants of South Hampton to be annexed to Newtown.*

Province of }  
New Hamp' } South Hampton, July 14. 1768.

To his Excellency the Governor, the honorable his Majesties Council & House of Representatives for the Province aforesaid in General Court Assembled :

We subscribers Inhabitants of South Hampton do humbly request that we and our Estates may be annexed to Newtown for the Reasons following, viz.

We were originally of the Almsbury District which is now called Newtown :

We can attend public worship there with more ease, the way to it being much better & the place of worship nearer ; some of us live within half a mile of Newtown Meeting House & four Miles from our own.

The most of us do constantly attend public worship at Newtown and enjoy special religious privileges there but are denied the satisfaction of paying our money where we have our favors, and to those to whom it seems of right due, and the mortification of paying it to such as do us no good.

We are ill accommodated in regard to schooling for our children. Newtown School we have no right to: South Hampton is so distant that we cannot send to it ; indeed Southhampton hath in some instances left our proportion of the School money to our own disposal, but the sum is so small that it will not maintain a School long enough to be of any considerable benefit, & even while it does support a school among us we live so scattered & at such a distance from one another that the School cannot be so placed as to well accommodate us all at once.

Our condition is really in our account Very unhappy ;—we therefore humbly beg that your Excellency & Honors would take it under your consideration and grant such relief as in your wisdom you shall think proper.

*Petition of Jonathan Wiggin, relating to Hilton's Ferry.*

To his Excellency Sam: Shute, Esq: Captain Gen: Govern: & Command in Chief in & over his Majesties Province of New Hamp: &c. To the Honourable the Council & Representatives convened in Gen: Assembly in Portsm<sup>n</sup> in s<sup>d</sup> Province.

The Petition of Jonathan Wiggin of the town of Stratham, most humbly *Sheweth*:

That Capt. Rich: Hilton of Exeter was formerly favored by the Gen: Assembly in this his Majesties Province with a Grant of the Ferry over Exeter river, which Grant was attended with a particular condition that he should procure a way to the Ferry, so that the Publick should not be charged therewith; but tho' he has had the improvement of the Ferry for the space of near Thirty years yet never procured any way thereto on the southerly side of the s: river, but all Travellers have trespassed on yo: Petitioner by passing over his pasture, meadows and fields, for the space of one full mile in one part of his farm & almost halfe a mile in another part thereof, extremely to yo: Petitioner's damage, who cannot obtain any redress from the s<sup>d</sup> Hilton, altho' his Grant is thereby forfeited to the Government.

And the afores<sup>d</sup> Capt. Hilton doth live at so great a distance

from the river that Travellers are oftentimes hindred in getting over and necessitated to burden your Petitioner with themselves and horses for entertainment in the night, which is expensive to yo<sup>r</sup> Petitioner and an hindrance to them in their journey, many of whom have often times put your Petitioner upon praying for the Ferry on that side of the river adjoining to his land. And if your Petitioner should stop up the afore s<sup>d</sup> ways, Travellers would be extremely prejudiced.

Your Petitioner therefore most humbly prays that your Excellency and this Honourable Assembly will please to grant to him the privilege of the Ferry on the southerly side of the s<sup>d</sup> River, with the liberty of Keeping or hanging Gates through his own farm & the liberty of the Ferryman keeping an house of entertainment for Travellers free of Excise: So yo<sup>r</sup> Petitioner shall ever pray as in duty bound &c. & subscribes,

*Petition of Stratham relating to divisions about a Minister.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Captain General Governor and Commander in Chief in and over his Majesty's Province of New Hampshire; To the Hon<sup>ble</sup> his Majesty's Council and house of Representatives convened in General Assembly.

The Petition of the subscribers Freholders & Inhabitants of the Town of Stratham in the Province aforesaid, Humbly shews:

That your Petitioners having for some years past been under very Difficult circumstances both as to their Church and Town

affairs occasioned by the unhappy and unscriptural separation of a great number of the Principal members of the Church who by their example have influenced others of the Church and Congregation to follow them into the same separation and thereby have made themselves the major parte and have for some time past carry'd on the Publick worship in a separate house and are got to such a height as to call a Town meeting to choose a Committee to Apply to Mr. Joseph Adams their present minister to take on him the pastoral care & charge of a Church in said Town, and to cast himself on the Lord and Depend on him for what he shall Incline the People to give him for his support, which your Petitioners expect will be liberal enough inasmuch as we must bear our part of it unless relieved herein by your Excellency & Hon<sup>r</sup> : And inasmuch as their separations and proceedings thereon is so unjust and unwarrantable and we have just reason to fear willfull, and our circumstances will not admit us without impoverishing our Estates to maintain more than Mr. Rust our present ordained Minister (with whose doctrine and conduct we are well satisf'd) who was principally call'd and settled by the Principal Gentlemen in the present separation, who then made a great show of Respect for him and his Ministry ; and inasmuch as this unhappy separation and proceeding thereon greatly tends to an unnatural Behaviour towards each other, and to root out our Holy Religion, and also to Destroy that Love, Peace and Unity that ought to be kept and maintained amongst us as the Professors of Christ, as also to the Destruction or wasting of our Estates : Wherefore your Petitioners most humbly Pray that your Excellency and hon<sup>r</sup> will take our Deplorable case under your wise consideration, and redress our present Grievances in such way as to your Excellency and hon<sup>r</sup> shall seem most for the glory of God and Real welfare of this Place.

And your Petitioners as in duty bound shall ever pray &c.

To his Excellency Benning Wentworth, Esq<sup>r</sup> Capt. General, Governor and Commander in chief in and over his Majesty's Province of New Hampshire and the Hon<sup>rs</sup> his Majesty's Council for said Province:

The Humble Petition of William Sims of Winchester so called in the Province of New Hampshire on behalf of the Proprietors or claimers of that Tract of Land within said Province called the *Lower Ashuelot*, a List of whose names is herewith presented, *Shews*,

That the said proprietors or claimers have been improving the land at the place aforesaid near Eighteen years last past & have made considerable progress therein: Apprehending when they first entered the Land was within the Province of y<sup>e</sup> Massachusetts Bay, and by countenance of the Government of that Province they entered upon the Lands & carried on their settlement so far as to make a Proportion & Division of said Lands to & among the Persons aforesaid, who have been at very considerable expence in making the said settlement and Defending of it.

That in order to carrying of it to greater Perfection & making of it a more useful Place it is necessary the settlers & Inhabitants should be Incorporated & vested with the Rights & Privileges of Towns which it is well known is a very necessary aid & support of such a Design, and as the persons already there have done so much to make it a useful settle-

ment they seem to have a claim to your Excellency's favour in this respect preferable to any others: Wherefore your Petitioner Humbly prays as aforesaid that your Excellency would be pleased to make a Grant of the s<sup>d</sup> Lands to the Persons afores<sup>d</sup> in Proportion & according to their Respective claims & the Proportion & Division made as aforesaid, and that the same may be incorporated by the Name of Swansey & Intitled to the Rights and Privileges of other Towns in said Province of New Hampshire, and your Petitioners as in duty bound shall ever pray &c.

*Petition of Inhabitants.*

The Petition of the Inhabitants now resident at the *Great Meadows* on Connecticut river with other the inhabitants below on the said River, to the Gentlemen Petitioners for the Equivalent Land lying on the western side of the said River, conven'd at Worcester May the 13<sup>th</sup> 1752.

GENTLEMEN—We have made this place the constant and settled place of our abode for several years before the last French and Indian War and have sustained many distressing losses from the French and Indian enemy during the time and continuance of the s war; Particularly our houses were burned, our cattle kill'd, some of our persons captivated and others put to death; we were confined to the small inclosure of a Garrison or Fort in which we were harried with the continual Incursions of the Enemy; wee were deprived of the advantage of our cropps by reason of the constant lurking of the Enemy, and not having souldiers sufficient for so small a number of Inhabitants to remain unmoveable were obliged to withdraw and desert our habitation which we enjoy'd peaceably not as tenants to any gentlemen whatsoever, but in freehold as others of his Majesties faithful and loyal subjects; and upon our leaving our Fort immediately the Enemy burn'd the same down to the ground to our greater Damage with near the one half of our goods then present on the spott. After our departure we remained in the warrs for subsistance for ourselves and familys who was then without habitation.

And now we are informed of the goodness of the Gentlemen Petitioners for the said Equivalent land in which we abide, that there is room left for such as wee to come in with them as proprietors to the said land, and hereupon wee send that we may have the same conferr'd on us, which we do now request and petition for hoping as this is seasonably sent to the proprietors by the first opportunity wee had, do hope you will please to take into deep consideration these our past difficulties afore mentioned, and but just hinted at, you'll do by us accordingly, as also, inasmuch too, as we were absent but part of the space of two years from the said land; and wee do also Certify you, gentlemen, that wee were at the entire cost and expence of our Fort ourselves without the help of any person or persons whatsoever, but particularly Major Willard or any of his Relations whatsoever, which we are ready further to confirm by our Oaths; and forasmuch as some of us hath

been settled on the spot for near fourteen years past without molestation or hindrance, and some of us hath lost three houses past and now live in the fourth house, to our further Expence:—Therefore wee humbly Leave the same with you Gentlemen and hope to hear an answer from you to our satisfaction, wishing and praying you the full and perfect grant according to your petition, and conclude ourselves, Gentlemen, your most Humble and Obliged Petitioners & ser

To his Excellency Benning Wentworth,

his Majesties Council of said Province :

The Petition of Josiah Willard Esq<sup>r</sup> in behalf of himself & others Inhabitants & settlers of a Place called *Winchester*, bordering on Connecticut River within this Province, humbly *sheweth* :

That your Petitioners were induced about eighteen years ago to go into the Wilderness to settle & improve the afore-said Tract of Land, being told it was within the Mass<sup>t</sup> government, which Government made them & Predecessors a Grant of the Land, as by a Plan herewith exhibited the Bounds may appear, & also invested them with all the Powers & Priveleges of a Town within the said Government of the Massachusetts aforesaid; That in consequence hereof about

(1) There is a tradition that Josiah Willard, one of the principal grantees, refused to have Dartmouth College located in Winchester, on the ground that it would have a tendency to depreciate the value of his possessions! ED.

fifty Families have at sundry times settled & made Improvements there, that above forty dwelling Houses were built on the same & a meeting House for the publick Worship, & a minister settled there (1): But so it happened that by ascertaining the divisional Line between this government & that of the Massachusetts, the said Town fell to y<sup>e</sup> Northward of y<sup>e</sup> said Line & consequently within this his Majesties Government; in consequence of which we had no Power of transacting any Town affairs such as choosing Town officers, making & collecting assessments for defraying the charge of the Ministry, school, Poor, making & clearing Roads &c: That they have once had all their private Buildings & meeting House burnt by the Enemy & were forced to retire with exceeding great loss; that since the Peace they are collected & got upon the Premises again & have many Houses built & more building, but for want of Town Privileges as above, are in a most unsettled & uncomfortable situation.

Wherefore Pray, that your Excellency and Honours would be graciously pleased to grant them a Charter of Incorporation (with all such Town privileges as are usually granted to other Towns in this Province) agreeable to the Bounds described in the Plan herewith exhibited (2), which are the same as heretofore they imagined to be their Bounds:—& your Petitioners as in duty bound shall ever pray, &c.

That in the French war the greatest part of those Towns were left defenceless, drove of, their forts & Buildings & much of their Estate destroyed by y<sup>e</sup> Indians, besides the Slaughter & captivity of y<sup>e</sup> Inhabitants:

That they have vigorously renewed their settlement since that war, and are now upwards of two hundred families, the greatest part of whose Estates are wholly there, and if constrain'd (for want of Defence) to make that part of the Province a dereliction, they will be left in very distressing circumstances as well as the Frontier much increased:

That the contiguous parts of the Frontier of the Massachusetts are amply Defended by a number of their troops employed there, so that we at present are the only easy prey the Indians can have:—

*Humbly shew*, James Reed of Londonderry in the Prov-

That at the last Session of this Hon<sup>d</sup> Court sundry of the Inhabitants of Londonderry afores<sup>d</sup> exhibited a Petition praying that they (with others) might be erected & incorporated into a new Parish with the usual Powers & authorities granted in the like cases:

That accordingly an Act was past by which a new Parish was erected & incorporated within said Londonderry by certain metes & bounds set forth in the said Act with the usual powers & authorities of a Parish. by which Act the first meeting of the said Parishioners was to have been in March last; But so it happen'd that no Persons were named & appointed to call the first meeting in & by said Act, tho' a blank is therein left for the names of such Persons as this Hon<sup>d</sup> Court should see meet to appoint; Whereby the ends & purposes of the said Act are intirely prevented and can in no measure take effect until something farther shall be done in the premises.

Wherefore your Petitioners in behalf of their principals most humbly pray that proper persons may be appointed to call the first meeting of the said Parishioners, and that they may be enabled to call the same forthwith, and that when the said Parishioners are assembled they may have the same power and authority as if their meeting had been held in March last, & the officers that shall be chosen at the same as fully inpower'd to discharge the duty of their respective offices for the remaining part of the curr<sup>r</sup> year & until new ones shall be chosen as if they had been chosen in March last pursuant to the said Act;—And y<sup>r</sup> Petitioners as in duty bound shail ever pray, &c.

Anno Regni Regis Georgii Secundi Magnæ Britaniæ, Franciæ and Hiberniæ, Decimo Quarto &c.

An Act for Incorporating a New parish in the Township of Londonderry in the Province of New Hampshire.

Whereas sundry of the Inhabitants of the Southern part of Londonderry aforesaid have petitioned this Court representing their circumstances to be such as made it necessary to Incorporate them into a new parish & that the other part of the Town was willing they should be so Incorporated by the Boundaries particularly set forth in their Petition, and praying that it might be accordingly done:—which Representation having been examined by this Court and found true as to the substance thereof:

*Petition in relation to an irregular Parish meeting.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Capt. General, Governor & Commander in Chief in & over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in General Assembly Convened, the 11<sup>th</sup> day of Decemb<sup>r</sup> 1746.

The Humble Petition of sundry of the Freeholders & Inhabitants of the Parish of Windham in said Province, *shews*:

That the selectmen of said Parish for the current year, by their Warrant or Notification dated the 20<sup>th</sup> of June last, called a meeting of the Inhabitants & Freeholders of the same, to have been holden on the 7<sup>th</sup> day of July following, but held in September last by adjournment, for the following purposes, viz. First, to see what Encouragement they would give for the settling of a Gospel Minister among them & what yearly salary. 2<sup>dly</sup> to consider what sum might be proper to be raised for the maintenance of the Gospel among them according to their former way, or whatever else they might then think necessary.

Pursuant to which the meeting was afterwards held by adjournment as aforesaid & Voted on the first article of the Warrant to give Mr. Wm. Johnson (a gentleman who has preached there) the sum of three hundred pounds Old Tenor settling money, & two hundred pounds yearly salary. 2<sup>dly</sup>, Voted on the last article of the Warrant, not to raise any money according to their former manner.

That there would not have been a majority of the Votes in favour of those Resolves had more been admitted to Vote but such as were qualified, but by admitting of disqualified Persons matters were carried against the majority, or at least an equal number of qualified voters:

That the said Meeting being a special or particular meeting nothing should have been transacted there but what was expressly mentioned in the warrant for calling of the same; and your Petitioners humbly conceive that neither of the articles mentioned in the said warrant could authorize the voters at that meeting to make choice of a man to be their minister, nor to give an invitation to any particular person to settle among them in that relation & whenever a meeting is call'd for that purpose being a point of great weight & Consequence ought always to be expressly set forth in the warrant as part of the intended business of the meeting & not to be comprised under any general expressions whatsoever.

That your petitioners apprehend, should such a design be fairly Notified & the meeting Regularly conducted, there would be a majority of the Votes against the choice aforesaid & in order to obtain such a meeting more than twenty-five of

the Inhabitants & Freeholders of the said Parish have since petition'd the select men afores<sup>d</sup> for that purpose & mention'd in their petition sundry articles they would have inserted in the Notification for calling the Meeting: But the Selectmen have refused & utterly denied to do it:—all which with many other matters respecting the managem<sup>t</sup> of said meeting too tedious to be here inserted your petitioners conceive to be just matter of grievance & complaints Wherefore they Humbly pray that the meeting held as aforesaid may be declared to be irregular & illegal & the proceedings thereof Null & Void; that a new meeting may be called for the purposes mentioned in the Petition to the selectmen afores<sup>d</sup> (a copy of which shall be produced.) and some indifferent suitable person be appointed to govern the said meeting, that so the minds of the Parish may be truly known relating to the matter in Dispute, and thereby a variety of Law-suits prevented: And your petitioners as in duty bound shall ever pray, &c.

*Petition of Samuel Morrison and John Dinsmoor, jun.*

To his Excellency Benning Wentworth Esq<sup>r</sup> Capt. General, Governor & Commander in chief in & over his Majesty's Province of New Hampshire and the Hon<sup>ble</sup> his Majesty's Council for said Province:

The humble Petition of Samuel Morrison & John Dinsmore both of Windham in said Province, yeomen, as Agents for said Windham *Sizes*:—

That Windham is a Parish within the Towship of Londonderry incorporated about the year 1742, which was done for the conveniency of the Inhabitants with regard to their attending the Public Worship of God. as they were situate at a great distance from each of the meeting-houses in said Londonderry, tho' they were scarcely able to support the charges incident to a separate Parish; yet as the Parish was of sufficient extent they were willing for the conveniency afores<sup>d</sup> to bear the burthen which at first lay on them (tho' heavy) in hopes it would grow lighter every year by the addition of new Parishioners.

That a great part of the Northerly side of said Parish is very poor land uncapable of any kind of Improvement so that the Parish would never have been rich & able like the other Parishes in said Town, had it remain'd of the same extent as

at first: But by the Incorporation of the Town of Salem lately made, near a third part of the said Parish is cut off, & comprehended within that Township, & the best land, which with what was excepted out of said Parish w<sup>o</sup> fell within the bounds, by the Act of Incorporation and the unimprovable Land, not only renders the Parish impotent at present, but puts it beyond all hopes of Recovery:—so that there can be no rational prospect of its continuance under such a situation in any respect but having an empty useless Name.

That this would have been truly and seasonably represented, But by the designed or careless management of one of the Selectmen, to whom the order or notice of Council that the Parish might be heard on Petition for the Township of Salem was delivered, they had no notice till it was too late, for the Selectmen could not undertake to make an answer without consulting the Parish & taking their orders thereon & they were so far from having the opportunity for that, that two of them knew nothing of it till the day appointed for the hearing, or near it, and then represented to be the week after.

And had a just representation of all circumstances been made, your Petitioners humbly conceive your Excellency & the Hon<sup>ble</sup> Board would not have granted the said Petition so much to the prejudice of said Parish, since as it now stands the case in effect is the Ruining an old corporation to erect a new one: Wherefore your Petitioners humbly pray that they may be heard in behalf of the said Parish upon the premises and that the Charter of Salem aforesaid may (so far as it interferes with the said Parish) be vacated, or that the said Parish may in some other way be relieved & prevented from being broken up & they be obliged to dismiss the minister they have settled: and your Petitioners in behalf of their principals shall as in duty bound ever pray, &c.

[NOTE. By virtue of a Warrant issued by John Wilson and Joseph Clyd, Selectmen of Windham, another Town meeting was called which met at Samuel McAdams Barn, on Friday the 21<sup>st</sup> of December, 1750, and agreeably to the warrant, acted on the articles specified. ED.]

*Petition against the proceedings of said Meeting.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Capt. General, Governor & Commander in Chief in over his Majesties Province of New Hampshire, and the Hon<sup>b</sup> his Majesty's Council for said Province :

The Humble Petition of Sundry of the Inhabitants & freeholders of the Parish of Windham in said Province, *shows* :

That the Selectmen of said Parish for the current year by their warrant or Notification dated the sixth of this Instant Dec<sup>r</sup>, called a meeting of the freeholders & Inhabitants of the same, to be held the twenty first day of the same for the following purposes. (viz.)

First, to see if you will make any alteration in the late Line between us and Salem.

2<sup>dly</sup> To see if you will begin at the westerly Angle of Londonderry East line, and so running South to Hyt-tity Pond, thence to Policy Pond, thence to the south-west Corner of the Same, thence to Pelham Line, so as to leave out the English people and include John Dinsmoor, Samuel Armour, Gaan Armour and Robert Spear and their families.

3<sup>dly</sup> To see if you will Reconsider a vote pass'd on the third article of a warrant granted last June 8<sup>th</sup>

4<sup>y</sup> To see if the Town will allow the agents chosen at s<sup>l</sup> meeting to prosecute the Business for which they were chosen any further.

Pursuant to which the meeting was held as a fore s<sup>l</sup> and voted on the first article to alter the line afores<sup>d</sup>

2<sup>ly</sup> Voted on the second article to run a line as set forth in said Warrant. 3<sup>dly</sup> Voted to reconsider the vote pass'd on the warrant afores<sup>d</sup>. 4<sup>ly</sup> Voted not to allow the agents chosen as afores<sup>d</sup> to prosecute the Business for which they were chosen any further in behalf of Windham.

That there would not have been a majority of Voters in favour of those Resolves, had all those who we apprehend are qualified to vote been admitted, But by refusing such and admitting disqualified persons, matters were carried against a majority or at least an equal number of qualified Voters.

That the affairs of this Parish is in a very uncomfortable situation from the success which those who are at present the officers (with others of the same temper) have obtained by their underhand dealing, which leads to the utter ruin & Destruction of a poor Parish, unless your Excellency & the Hon<sup>ble</sup> Board (who are the only beings that can relieve us) redress our grievance.

Wherefore we humbly Pray that the meeting held as aforesaid may be declared illegal & irregular, & the proceedings thereof null and void, that thereby a Variety of Law-suits may be prevented, which are as moaths to a Society, and our adverse party frustrated in their exorbitant & unreasonable Demands & designs, and that what was done at s<sup>l</sup> meeting may

not be confirmed by your Excellency and Honours. And your Petitioners as in duty bound shall ever pray.

*Petition relating to a disturbance in the Parish.*

To his Excellency Benning Wentworth, Esq<sup>r</sup> Capt. General, Governor & commander in chief in & over his Majesty's Province of New Hampshire the Hon<sup>ble</sup> his Majestys Council & House of Representatives in General Assembly convened:

The Humble Petition of sundry of the Inhabitants of Windham in said Province, *shews*:

That at the last Annual meeting of said Inhabitants for the choice of Town officers a difference arose among the said Inhabitants concerning the Right of voting: The Selectmen suffering sundry Persons expressly excepted in the Act for incorporating of Windham to vote there and sundry others who did not belong there & were not Inhabitants & only Occasionally in the Parish.

That a great Number of the Inhabitants then objected against such Proceedings, but to no purpose, they still proceeded; whereupon the objectors seperated & held a different meeting whereby there were two sets of officers chosen & sworn; but being doubtful of their authority on both sides neither party has acted in their offices and the whole Business of the Parish in consequence thereof has been neglected to this time.

That this is a great injury to the Minister & all others who have any concern with the Parish as well as to the Inhabitants in general and to leave the affair to the decision of the Law in the common course would be much more so not only by the expence but the delay which will be occasioned in that way, and as there is no Prospect of a Reconciliation the breach is likely to grow wider, for it all rests till the next annual meeting; the same Dispute will in all probability again arise with an additional controversy about calling the meeting.

Wherefore your Petitioners humbly Pray that the circumstances of the said Parish may be considered and that in your great wisdom & goodness you wou'd interpose & reduce their affairs in this regard into order; That you will make void both the said proceedings, appoint a proper person to call & govern a new meeting, that all grounds of Dispute respecting

the premises may be taken away or that you will relieve the said Parish in any other method which you shall judge best,—and your Petitioners as in duty bound shall ever pray, &c.

*Answer of Selectmen to the foregoing Petition.*

To his Excellency Bening Wentworth, Esq<sup>r</sup> Capt. General, Governor and Commander in chief in and over his Majesty's Province of New-Hampshire, the honorable his Majesty's Council and house of Representatives in General Assembly convened.

Samuel Campbell, George Davidson, Hugh Brown inhabitants of Windham in s<sup>d</sup> Province, (who was Selectman of the perrish of s<sup>d</sup> Windham in the year 1751) who was by this honorable Court ordered to be served with a copy of a petition of some of the Inhabitants of s<sup>d</sup> parrish, Dated the 2<sup>d</sup> of February Instant to appear before this honorable Council to shew cause if any they have why the prayer of the s<sup>d</sup> Petition should not be Granted &c. The Respondents humbly *shew*—That the said petition is not genuine but groundless and fallacious in Divers Respects; as first, It is therein shew'd forth that at y<sup>e</sup> last annual meeting of s<sup>d</sup> parrish there arose a Disput Relating to y<sup>e</sup> Right of Voting in s<sup>d</sup> meeting and that y<sup>e</sup> Selectmen suffered sundry persons expressly exempted in the Act for y<sup>e</sup> Incorporating of Windham to Vote there; which asertion is intirely groundless and without any foundation—there being only five persons with their respective families and Estates that were exempted in s<sup>d</sup> Incorporation, and nethee of them were present at s<sup>d</sup> meeting.

2<sup>th</sup>) There Asertion in s<sup>d</sup> petition that there was sundry others that were not Inhabitants nor Did not belong there, But were only occasionally there were allowed to vote there: which s<sup>d</sup> asertion we utterly Deny.

3<sup>th</sup>) Whereas they set forth that a great number of y<sup>e</sup> Inhabitants there objected against such proceedings but to no purpose: Whereas there was not any that made any Legal or methodical objection against s<sup>d</sup> meeting in any Respect, nor protested against the same in writing, that we might then have known what there objection was and Redrest their grivinces if in our power: which we humbly conceive they ought to have done.

4<sup>th</sup>) As to the separat meetings there held as mentioned in s<sup>d</sup> Petition, We understood it onely that a number being Disaffected that they could not carry there point in Voting, caviled at y<sup>e</sup> proceedings to embarras y<sup>e</sup> busnise of s<sup>d</sup> parrish & in a heddy mabash way without any warrant held a sepperate meeting when they plainly see that a majority of y<sup>e</sup> Qualified voters of s<sup>d</sup> Parrish was against them, and after a number of y<sup>e</sup> s<sup>d</sup> officers was chose declared and sworn they presumtously chose and Swore another set of officers as we humbly conceive with a design to render y<sup>e</sup> Busnessee of y<sup>e</sup> Day abortive by petitioning to have both meetings Destroyed as illegal, knowing there own to be so.

5<sup>th</sup> Whereas y<sup>e</sup> s<sup>d</sup> petitioners set forth that they was doubtful on both sides as to their authority and that nether parties has acted in there offices, and the whole Busness of y<sup>e</sup> perrish in consiquence thereof hath been neglected to this time to the great Injury to y<sup>e</sup> minister and all other who have any concern with s<sup>d</sup> perrish as well as the Inhabitants: To which your Respondents in fact say that indeed and in truth they Never knew that any was doubtful of there authority as to y<sup>e</sup> officers on the Respondents side except y<sup>e</sup> petitioners, and they onely on there own side, that that representation is so far from being truth, that the Busness of s<sup>d</sup> perrish hath been carred on as usual, and that there hath since s<sup>d</sup> annual meetig been sundry meetings of the s<sup>d</sup> perrish called by y<sup>e</sup> officers of y<sup>e</sup> opposite side from y<sup>e</sup> petition and that there hath been Comitees chose for y<sup>e</sup> s<sup>d</sup> perrish in Busness since then, of which some of the petition<sup>r</sup> hath been appointed and officiated therein, and that a Comitee was at a meeting since s<sup>d</sup> anual meeting chose to settle acc<sup>t</sup> with our minister, of which one of s<sup>d</sup> petitioners was one and served in that trust and the s<sup>d</sup> minister is paid his dues in full by s<sup>d</sup> parrish, and that y<sup>e</sup> Selectmen have since assed y<sup>e</sup> Inhabitants of s<sup>d</sup> parrish and that a considerable part of s<sup>d</sup> assesment is paid:

That y<sup>e</sup> petitioners ten of them Belongs to Salem and that some of s<sup>d</sup> petitioners are minors.

And that in the Number of the whole of the oposites there is not above eleven qualified Voters as we conceive of y<sup>e</sup> Law in that Respect: of all which your Respondents are redy to aver: Wherefore your Respondents humbly pray; That your Excelency and honners would in your clemency and goodness take y<sup>e</sup> premises into your wise consideration and grant that y<sup>e</sup> s<sup>d</sup> petition be no further sustained, and that y<sup>e</sup> s<sup>d</sup> parrish be no longer disturbed and Distressed by such unnesary & unreasonable Disputs, and your petitioners as in Duty bound shall ever pray, &c.

*Deposition of Robert Hopkins.*

Robert Hopkins of Windham in the Province of New Hampshire, of lawful age, testifies and says, That the same day of the Annual meeting for 1752, of Windham in the Province of New-Hampshire, after s<sup>d</sup> meeting, David Archibald shewed me a Bond which David Gregg & two

more Inhabitants on the West side of the Pond, had signed as Principle, with a large penal sum, that if he the s<sup>d</sup> Archibald would vote for them & pay Province & Town Taxes with them, that they would pay for him or help him clear from Minister Taxes for twenty years to come.

### *Deposition of Samuel Barr.*

Samuel Barr of Londonderry in the Province of New Hampshire of lawful age, testifies & says

That on or about the ninth of March A. D. 1752, he with many others, being at the annual meeting of Windham in the Province of New Hampshire & a dispute arising betwixt the Inhabitants and the Selectmen for the year 1752, the said Selectmen & clerk Refused the votes of Samuel Armer, Gaan Armer, John Dinsmoor, Francis Dinsmoor, Robert Spear, John Bolton, Andrew Armer, John Dinsmoor, jun, Michal Ferguson, James Twadwell, they being Inhabitants of the Town of Windham, incorporated by the three branches of the Legislature: The Selectmen & clerk afores<sup>d</sup> excepted as voters, David Archibald, Samuel Archibald, James More, David More, they being inhabitants of the second Parish of Londonderry to which they pay Rates, & was exempted when s<sup>d</sup> Windham was Incorporated: Also excepted as Voters Samuel McMaster, Charles Mellin, Joseph More, James Alexander, the last eight th<sup>e</sup> Inhabitants of the easterly side of the Pond then urged were not legal Voters: David Archibald above s<sup>d</sup> after the meeting told me that some men of the westerly side of the Pond gave him word that if he was Rated in Windham they would pay his Rates; also that he was ashamed of what he had done & ware it to do again he would not do it for his oxen.

### *Petition relating to a Meeting-house.*

To his Excellency Benjamin Wentworth, Esq. Governor and Commander in Chief in & over his Majesty's Province of New Hampshire, The Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province, in General Assembly Conven'd, Feb<sup>y</sup> 20<sup>th</sup> 1754.

The Petition of sundry of the Inhabitants of the Westerly Part of the Parish of Windham in said Province humbly *shews*: That the Parish of Windham aforesaid was made by an Act of Assembly in or about the year 1742, by certain Boundaries set forth in the Act—a Part of which was after the Incorporation of the Township of Salem set off & made a part of that Township.

That before that was done, or the Line fixt between Salem & said Parish, the Inhabitants of said Windham not agreeing where they had best place their meeting house, they finally

agreed to chuse a Committee of indifferent Persons to Determine that matter:—which they did accordingly & the Committee Resolved upon a proper place after having view'd the Parish, & Declared the same.

That the said Committee determined the matter before the said Line between Salem & Windham was laid as it now stands, as above mentioned, and tho' it might have been well with respect to the whole of what was Windham by the said Act, yet by the taking of & annexing to Salem those Polls & Estates by the Last Line, that place which was near the center of the Parish before, was very ex-centrical afterwards.

That after all this a number of said Parish in a private way erected a meeting house at the place agreed upon [by] the said Committee without regard to the Line last stated, and have lately obtain'd a vote (after it had been reject'd at one meeting) that the Parish shou'd take or receive the said house & pay the charge of building the same.

That the said meeting-house is by no means conveniently situated as it now stands for the majority of the Parishioners considering the present extent of the Parish, but especially if it be considered that the greatest part of the future settlements in the Parish must be at the remotest part of the same from said house, and as it is likely there will be much contention in said Parish (already almost ruined by Divisions and Debates) about the place where said house had best be finally fix'd for it can't be that the majority shou'd long agree it shall stand where it is at present. Your Petitioners humbly pray that this matter may be put out of the power of said Parishioners to contend about, and for that purpose that a committee of disinterested impartial persons may be appointed by the General Assembly to view said Parish & consider it in all circumstances as it now stands with respect to boundaries, as also with respect to the situation of the present Inhabitants & the Prospect of future settlements & additional inhabitants, and to determine upon the whole matter where it is proper the said meeting-house shou'd be placed and to make Report thereof as soon as may be: And the said House or another (if the Parish shall chuse rather to build a new one than Remove this which may be easily done) may be placed accordingly, and your Petitioners as in duty bound shall ever pray.

To his Excellency Benjamin Wentworth, Esq. Governor & Commander in chief in & over his Majesty's Province of New Hampshire, the Hon<sup>ble</sup> his Majesty's Council & House of Representatives for said Province in General Assembly Convened, Jan<sup>y</sup> 25<sup>th</sup> 1757.

The humble Petition of Oliver Saunders of Salem in said Province, sheweth, That your petitioner on the 13<sup>th</sup> day of October 1755, exhibited a Petition to your Excellency & Honours relating to the Rates supposed to be wrongfully assess'd on sundry of the Inhabitants of said Salem in the manner set forth in said Petition, signed by himself & others aggrieved, on which a time was appointed for hearing of the Petitioners on their Petition, which they mistook and so lost the opportunity whereby the merit of their case has not been considered: Wherefore your Petitioner most Humbly prays That the said Petition may be revised that the Petitioners may be heard thereon and such measures pursued relative thereto as in your great Wisdom & Goodness you shall judge to be Right and your Petitioners in Duty bound shall ever pray &c.

NOTE.—On the foregoing petition a hearing was granted, "on the second day of the sitting of the Genl Assembly next after the 1<sup>st</sup> day of February," when, In the House of Representatives

Voted, That the prayer of this petition be granted & that the petitioners be exempted from paying any arrears of Province Tax to Salem before the year 1753, it appearing they had paid their province taxes to Windham from the year 1743 to 1752 (1).

 in Chief in and over the Province aforesaid, and the Honorable his Majesty's Council for said Province:

The Humble Petition of Anani Rahmah Cutter, Physician and John Parker, Merch both of Portsmouth in said Province as a Committee of the Proprietors of *Wolfeborough* in said Province *sheweth*—

That there are in the Township of Wolfeborough upwards of Thirty Families settled and more coming to settle there, which makes an Incorporation necessary in order to transact their common affairs with ease & dispatch, and in that case many would be induced to settle there, who would be backward without that advantage.

That the Proprietors aforesaid are desirous of obtaining this Privilege as it will enable them to carry on the settlement with more Regularity and enable them to carry into Execution any of their Resolutions in which all are concerned, with Justice as well as with dispatch, and have therefore chosen your Petitioners with another person now absent to apply to your Excellency & the Hon<sup>ble</sup> Council for this purpose.

Wherefore they humbly Pray that the said Inhabitants & Proprietors may be Incorporated with the usual Franchises, Privileges & Emoluments: that they be authorized & intitled to use the Powers with which other Corporations are Invested, and your Petitioners as in Duty bound shall pray &c.

### NOTE BY THE EDITOR.

Readers of the foregoing Papers relating to Towns, will have noticed that no mention is made of a very considerable number of Towns in the State, some of which held an important place in our history. In relation to some of the towns thus omitted, the reason may be, that they never had occasion to make application to the Legislature by petition or otherwise; or that making such application, the Papers were not preserved or have not been found: Other towns are of modern date, i. e. subsequent to 1787, and therefore not properly included in this volume. The Editor, however, has carefully printed every paper which he has found on file or on record, relating to early towns. The following notices of towns omitted, are given as supplementary:—the facts stated being derived from such authorities and documents as were accessible to the Editor (1).

#### *Towns not included among the foregoing Papers.*

ALEXANDRIA, granted March 13, 1767; incorporated Nov. 23, 1782; its first settlement was made in December 1769, by Jonathan, John M. and William Corliss.

ALLENSTOWN, so named from Gov. Samuel Allen, the purchaser of Mason's claim; the tract was reserved for Allen's children. (See Prov. Pap. Vol. 4, p. 42.) A settlement was begun by John Wolcott, Andrew Smith, Daniel Evans, Robert Bantin and others, about 1740.

ANDOVER was granted by the Masonian proprietors in 1746, to Edmund Brown and others, and was called New Breton in honor of the capture of Cape Breton, 1745. It was incorporated, with its present name, June 25, 1779.

ANFRIM derives its name from a county of that name in Ireland—the original settlers being mostly of the Scotch-Irish stock that settled Londonderry in 1719. The first settlement was made by Dea. James Aiken, about 1768; it was incorporated, March 22, 1777.

BARNSTEAD was granted May 20, 1727. Settlements commenced in 1767.

BATH. The original charter of Bath was granted Sept. 10, 1761, to Rev. Andrew Gardner and 61 others. It was re-chartered to John Sawyer and others, in March 1769, on the ground of the forfeiture of the first charter; settlement was made in 1765, by John Lianiman, from Haverhill, Ms.

BRADFORD was granted to John Pierce and George Jaffrey, in —? Settlement was made in 1771, by Dea. William Presbury or Presby. Incorporated Sept. 27, 1787.

BRIDGEWATER formerly comprised the whole of New Chester (now Hill), Bridgewater and Bristol; the first settlement was made in 1766, by Thomas Crawford, Esq. BRISTOL was taken from Bridgewater and

(1) Much reliance has been placed on statements found in the N. H. Gazetteer, by Farmer & Moore, 1823. Ed.

New Chester; first settlement, about 1770, by Col. Peter Sleeper, Benj. Emmons and others.

**BROOKLINE** was formerly a part of old Dunstable. It was incorporated March 30, 1769, by the name of RABY. The name was altered in November, 1798.

**BENTON** was granted Nov. 6, 1766, to Clement March, Joseph Senter and others.

**CAMPTON** was granted in Oct. 1761, to Capt. Jabez Spencer of East Haddam, Ct.; first settlement made in 1765, by two families of the name of Fox and Taylor; it derives its name from a *camp* built by the first surveyors of the town.

**CANAAN** was granted by charter, July 9, 1761, to 62 persons, mostly from Connecticut, and took its name from Canaan in that State. The settlement was begun in the winter of 1766-7, by John Seofield, who, it is said, drew his effects from Connecticut river by hand-sled, 14 miles, over a crust of snow.

**CANDIA** was originally a part of the township of Chester, incorporated Dec. 17, 1763; said to have been named by Gov. Benning Wentworth, who was once a prisoner on the island of Candia (the ancient Crete). A settlement was begun as early as 1748, by William Turner; and in 1755, by John Sargent and a few others.

**CENTRE-HARBOUR**, or rather *Senter Harbour*, so named for Col. Joseph Senter, a prominent man, who settled there in 1767.

CONSTITUTIONAL CONVENTIONS

IN NEW HAMPSHIRE,

1778-1783;

WITH THE

CONSTITUTION ESTABLISHED IN 1784.

## APPENDIX.

### CONSTITUTIONAL CONVENTIONS.

#### NOTES BY THE EDITOR.

The Editor is happy to lay before the people of New Hampshire, in this closing volume of Provincial and State Papers,—which he has had the honor to compile, edit and publish, by authority of the Legislature,—a connected statement of the facts, with all the documents which he has been able to find, relating to the Conventions which were successively called, and which resulted in the adoption of a State Constitution, October 31, 1783, that was carried into full effect, June 10<sup>th</sup>, 1784.

The *first* Constitution of New Hampshire was adopted soon after the Revolution began, January 5<sup>th</sup>, 1776; it was not designed or understood to be permanent, but “to continue during the present unhappy and unnatural contest with Great Britain.” A copy of this is printed in full in Volume VIII. of the Provincial and State Papers, pages 2-5, to which reference may be made. The Constitution then adopted is believed to be the *first* adopted by any Colony or State in the Union. It was to continue in force through the war; or until superseded by a new Constitution. In December 27, 1777, the House voted to recommend to towns and parishes in the State, to instruct their Representatives to call a Convention “for the sole purpose of forming and laying a permanent plan or system for the future Government of the State.” This vote does not appear to have been concurred by the Council; but February 2<sup>nd</sup>, 1778, The House voted to resolve themselves into a Committee of the whole, to join the honorable Board, if they see fit, to consider “of the calling a full and free representation of all the people of this State for the sole purpose of forming a permanent Plan or system for the future government of this State;” and February 25<sup>th</sup>, 1778, the Assembly, in Committee of the whole, Hon. Mosech Weare in the Chair, agreed to report, “That a full and free representation of all the people of this State be called, for the purpose above expressed, to meet in Convention at Concord, on the second Wednesday (10<sup>th</sup>) in June;” that when the said Convention have formed such plan of Government, they lay the same before their constituents for their approbation; and that it should not go into effect until three quarters of the people of this State shall consent thereto. On the next day, 26<sup>th</sup> February, the abovesaid Report was adopted; and the Convention of delegates chosen by the respective towns and parishes, for the abovesaid purpose met in Concord, on the day appointed, June 10<sup>th</sup>, 1778 (1).

(1) For the facts here stated, see State Papers, Vol. VIII. pp. 757, 758, 774, 775. ED.

It is much to be regretted, that the JOURNAL of that Convention cannot any where be found. Search was made in vain for it by the late John Farmer, Esq., and by Mr. G. Parker Lyon, as also by the Editor of this volume: Mr. Lyon was at the great pains, however, of collecting the names of the Delegates to that Convention: from the Town Records, respectively, throughout the State. The following is the list of names as thus collected by him (1).

NOTE. The next meeting of this Constitutional Convention was at Concord, June 5<sup>th</sup>, 1779:—at which time, a Constitution was agreed upon and sent out to the people for their adoption. The copy of the Constitution, from which this is transcribed, is printed on both sides of a half-sheet of large size, and issued from the Press of Zechariah Fowle, in Exeter, 1779. It is the only copy of the original print which the Editor has found, and is as follows (1):

### [THE CONSTITUTION PROPOSED IN 1779.]

#### A DECLARATION OF RIGHTS, AND PLAN OF GOVERNMENT FOR THE STATE OF NEW HAMPSHIRE.

WHEREAS, by the tyrannical administration of the government of the King and Parliament of Great Britain, this State of New Hampshire, with the other United States of America, have been necessitated to reject the British government, and declare themselves *Independent States*—all which is more largely set forth by the Continental Congress, in their resolution or Declaration of the fourth of July, A. D. 1776:

And whereas, it is recommended by the said Continental Congress to each and every of the said United States to establish a form of government most conducive to the welfare thereof: We the delegates of the said State of New Hampshire, chosen for the purpose of forming a permanent plan of government subject to the revisal of our constituents, have composed the following *Declaration of Rights and Plan of Government*: and recommend the same to our constituents for their approbation.

#### *A Declaration of the Rights of the People of the State of New Hampshire.*

1st. WE declare, that we the people of the State of New

Hampshire, are free and independent of the Crown of Great Britain.

2d. We the people of this State, are entitled to life, liberty and property; and all other immunities and privileges which we heretofore enjoyed.

3d. The common and statute laws of England, adopted and used here; and the laws of the State (not inconsistent with said Declaration of Independence) now are, and shall be in force here, for the welfare and good government of the State, unless the same shall be repealed or altered by the future legislature thereof.

4th. The whole and entire power of government of this State, is vested in, and must be derived from the people thereof, and from no other source whatsoever.

5th. The future legislature of this State, shall make no laws to infringe the rights of conscience, or any other of the natural, unalienable Rights of Men, or contrary to the laws of GOD, or against the Protestant religion.

6th. The extent of territory of this State, is, and shall be the same which was under the government of the late Gov. John Wentworth, Esq. Governor of New Hampshire. Reserving, nevertheless, our claim to the New Hampshire Grants, so called, situated to the west of Connecticut river.

2d. The Council shall consist for the present of twelve members, to be elected out of the several counties in the State, in proportion to their respective number of inhabitants.

3d. The numbers belonging to each county for the present, according to said proportion being as followeth, viz.—To the county of Rockingham, five—to the county of Strafford, two—to the county of Hillsborough, two—to the county of Cheshire, two—to the county of Grafton, one.

5th. The House of Representatives shall be chosen as follows. Every town or parish, choosing town officers, amounting to one hundred families and upwards, shall send one representative for each hundred families they consist of. (or such lesser number as they please) or class themselves with some other towns or parishes that will join in sending a representative.

THE SECOND CONSTITUTIONAL CONVENTION.

NOTE.

On the 23<sup>d</sup> of March, 1781, the House of Representatives voted to call another Convention to "call a Parliament of Government," and that a Committee be appointed, to join a Committee of the Board, to form and issue a suitable Proscript to the towns, for that purpose; which vote was concurred by the Board; and on the 6<sup>th</sup> of April, 1781, a joint Resolve was adopted that the said Convention should meet at Concord, the first Tuesday of June, next (1).

The Journal of that Convention has not been found; but fortunately the late Mr. G. Parker has obtained a Bill of Delegates, which is presumed to be correct: (see N. H. Reg. 1852, pp. 22-25). The names of the Delegates chosen are as follows:

## AN ADDRESS OF THE CONVENTION

FOR FRAMING A NEW CONSTITUTION OF GOVERNMENT, FOR  
THE STATE OF NEW HAMPSHIRE, TO THE INHABITANTS OF  
SAID STATE.

[SENT OUT, 1751.]

FRIENDS AND FELLOW CITIZENS.—

The General Assembly of this State having thought proper to issue precepts to the several towns within the same, for choosing delegates to form a Convention for the purpose of framing a civil Constitution for the people of this State; and the Convention having met in consequence of such choice, after maturely deliberating on the important subject, agree to report the following plan, which with the humblest deference is submitted to your impartial consideration.

The task of forming a Constitution, adapted not only to our present situation, but to the probable situation and circumstances of remote posterity, is an arduous one indeed! How far we have succeeded in it you are the sole judges. It is your interest as well as duty, to examine it with the most critical attention, and it is your unquestionable right to propose such alterations as you may judge necessary, to approve and establish it as it now stands, or wholly to reject it.

A perfect system of Government is not to be expected in the present imperfect state of humanity. But could a faultless one be framed, it would not be universally approved unless its Judges were all equally perfect. Much less then, may we presume to hope that the plan here offered to view will meet with universal approbation. Unanimity of sentiment is seldom to be found in any case; there are many reasons for despairing of it in the present. Besides the common sources for variety of opinions on points in general, there are new and particular ones in the case before us. There is nothing which our *open, avowed, enemies* more dread than to see the several States each formed into a permanent and well-constructed body-politic: as nothing, under God, can more contribute to the stability of their councils or the success of their exertions. Nor have we any reason to doubt but that our *secret, internal enemies* are equally averse thereto. Every artifice will be devised, every effort tried, to frustrate an event equally dreaded by both. Let us guard against their machinations.

Nor is it our enemies only we have to dread. We have much to fear from our friends: from those who wish well to the common cause, and are equally opposed to the common enemy.

The love of Power is so alluring, we had almost said infatigating, that few have ever been able to resist its bewitching influence. Wherever power is lodged there is a constant propensity to enlarge its boundaries. Much more then, will those with whom it is entrusted, agonize to retain all that is clearly delegated to them.

When the people of this state first thought proper to assume government for themselves, it was a time of difficulty and peril. That form which was the simplest, and first presented itself to their view, in the perturbation of spirits that then prevailed, they adopted without that thorough discussion and calm deliberation which so important an object required. It was not intended to be lasting. It was expressly declared by themselves to be temporary.

In this imperfect form, the legislative and executive powers of government were vested in one body, to wit, in a General Court, consisting of two branches, a House of Representatives and a Council. Nor was any provision made therein for the exercise of the executive power in the recess of the General assembly. So great a defect was soon discovered and felt; and the Court thus established by the Constitution, without any new authority derived from the people, or without even consulting them, patch'd this flaw by delegating to a number of persons, whom they termed the "Committee of Safety," the executive power to be by them exercised in the recess of the General Assembly: which mode has been since continued, and the Committee have made an important part of the government.

A further defect among innumerable others, is the want of an EXCLUSION-BILL: In consequence of which, many of the individuals who compose the aforementioned body, assist in enacting laws, in explaining and applying them, and in carrying them into execution.

Can it seem strange then, that such persons, and indeed all who are vested with the aforementioned powers, should be backward in receiving and approving a Constitution that so remarkably retrenches them? that sets out in direct opposition to the present one, with this position, that the three essential powers of government ought ever to be kept totally independent of each other? It is not strange, it is perfectly natural; and the fact is fully verified by the length of time which the present form of government has been permitted to continue. But we trust you will with a manly and becoming firmness, oppose every interested adviser, reject every selfish motive, and with a noble independency of spirit, "even of yourselves judge what is right."

Having premised these things, we will proceed to consider

as critically as the limits of our time will admit, the frame of government herewith exhibited to your view; its principles, and some of the motives that induced us to prefer it to any other system which occurred to us.

Availing ourselves of the various theories and forms of government we could meet with, whether new or old, examining their principles, and comparing them, as far as we were able, with experience, the surest touchstone, and most infallible comment, we collected sufficient, and we hoped the best, materials for the political building now presented to your view.

The three powers of government, before hinted at, to wit, The Legislative, or power of making laws.—The Judicial, or power of expounding and applying them to each particular case—And the Executive, to carry them into effect, and give the political machine life and motion: These three important powers we have thought proper to keep as separate and distinct as possible, for the following reasons.

If they should be all united, the government, would then be a complete system of tyranny. The same party would be legislator, accuser, judge, and executioner.

If the Legislative and Judicial powers should be united, the maker of the law would be the interpreter thereof, and might make it speak what language best pleased him, to the total abolition of justice.

If the Executive and Legislative powers should be vested in one body, still greater evils would follow. This body would enact only such laws as it wished to carry into execution, and would, besides, entirely absorb and destroy the judicial power, one of the greatest securities of the life, liberty, and property of the subject; and in fine, would procure the same system of despotism first mentioned. And lastly, should the executive, and judicial powers be combined, the great barrier against oppression would be at once destroyed: The laws would be made to bend to the will of that power which is to execute them with the most unbridled rapacity.

These several powers should also be independent; in order to which they are formed with a mutual check upon each other. We shall proceed to consider them distinctly.

The Legislative power we have vested in a Senate and House of Representatives (with the reserve hereafter mentioned) each of which branches is to have a negative on the other; and either may originate any Bill, except for the grant of monies which is always to originate in the house. Any alterations or amendments may be proposed by either branch, in all cases. We have given the supreme executive power the right of revising and objecting to all the acts passed by the legislature, for reasons hereafter to be mentioned. The manner of

electing the second branch, or House of Representatives, as it is new, requires a particular discussion.

Experience must have convinced every one who has been, in any degree, conversant with the transacting of business in public bodies, that a very large assembly is not the most convenient for the purpose. There is seldom so much order, and never so much dispatch, as is to be found in a smaller body. The reason is obvious. This has given birth to the mode of chusing committees out of the whole body; and experience hath demonstrated its utility. The Convention, therefore, were of opinion, that the confining this second branch to the number of fifty, which appeared to them sufficiently large for every purpose, would be attended with the following salutary consequences.

*First.* There would be, probably, a greater proportion of suitable men, than in a larger body. The manner of their choice, they being twice sifted, would likewise greatly promote this. The debates, would of course, be conducted with more wisdom, and unanimity. From their numbers, merely, there would be much less confusion, and infinitely more dispatch. This would of itself, produce an amazing saving in the expense, independent of the difference between paying fifty, and three times that number. For these and many other reasons, the reducing and confining this branch to a small number, was surely an achievement devoutly to be wished! But how was it to be effected? Should the mode hitherto practised of chusing members be continued, scarce three towns in the state, would be each entitled to elect one. Should several towns be joined together till a number sufficiently large was collected to choose a representative, this would be abridging the privileges of towns, confounding them with each other and destroying their independences. This has been practised in some few instances, but has been the source of much complaint, and many heavy evils.

The Convention therefore, after revolving the matter with the utmost attention, could hit upon no method that appeared to them in all respects, so unexceptionable as the one here offered. By allowing every town and parish having fifty rateable polls to elect one member to compose a certain body, out of which the people's representatives are to be chosen, almost every town and parish within the State that would wish to exert the privilege, is included, and even such as have less than fifty rateable polls are permitted to join another. Besides, in a few years, tis probable, there will be no towns which have not fifty families at least within the State. The larger towns being permitted to choose in the same proportion renders the representation as equal as the nature of things will admit.

These bodies thus chosen, one in each county, after dividing the districts as mentioned in the Constitution, are respectively to choose from among themselves the representatives of the people to sit in the General Court. This mode will be found, perhaps, as free, equal, and perfect, as any that can be devised. The objection, that in this way each town will not know, nor have the power of designating its own representative, will, perhaps, on examination, be found one of the strongest arguments in its favor. Those interested views, that party spirit, and zeal for rivalry, which too often takes place in towns on such occasions, will be hereby in a great measure destroyed; and the people will be under a necessity of acting upon higher and better principles.

The provision for publishing the journals of both Houses at the close of each session, supersedes another objection that might be stated against the want of information among the people, that the smallness of the Representative body might otherwise occasion. The only remaining objection of any weight, is the consequences that may arise from the assembling so large a number of people together at the County Conventions. To this it is replied, that the County Delegates thro' the State, will be divided into five separate and distinct bodies—that all will sit on the same day,—and probably not more than one day, unless upon extraordinary occasions—that they will be the chosen ones of the people, a most respectable body, with too much business on their hands to allow them time for dissipation, and too much of the people's welfare at their hearts to permit them to sow sedition. And even allowing some of the inconveniences hinted at really to follow, they must be less than if all should unite in one General Assembly, and sit, not one or two days only, but half the year, in the proportion of a hundred to one.

We have been thus particular upon this head of representation, partly on account of the novelty of the mode, and partly from a full conviction of the vast importance of the thing. And we leave it for your faithful discussion: observing as we do it, that it is what many great, wise, and learned men of our own, and other days, have wished to see put in practise, and have not seen it.

The choice and powers of the Senate, having less of novelty and being sufficiently explained in the Constitution we shall pass over with a bare mention, and proceed to the Executive Power.

This Power is the active principle in all governments: It is the soul, and without it the body-politic is but a dead corpse. Its department is to put in execution all the laws enacted by the legislative body. It ought therefore, to have the appoint-

ment of all the civil officers of the State. It is at the head of the militia, and therefore should have equally the appointment of all the military officers within the same. Its characteristic requisites are secrecy, vigour, and dispatch. The fewer persons, therefore, this supreme power is trusted with, the greater probability there is that these requisites will be found. The convention therefore, on the maturest deliberation, have thought it best to lodge this power in the hands of one, whom they have stiled the GOVERNOR. They have indeed, array'd him with honors, they have armed him with power, and set him on high. But still he is only the right hand of *your* power, and the mirror of *your* majesty. Every possible provision is made to guard against the abuse of this high trustment and protect the rights of the people.

The manner of his choice is such, that he is the most perfect representative of the people. He can take no one step of importance without the advice of his privy-council; and he is elected annually. But, as if this was too little, no one person is capable of being elected oftener than three years in seven. Every necessary and useful qualification is required in him, in point of age, religion, residency, and fortune. In addition to all which, he is liable for every misconduct to be impeached, tried, and displaced, by the two legislative branches; and is amenable to the laws besides, equally with the meanest subject of the State. Thus controlled and checked himself the Convention thought it reasonable and necessary, that he, in turn, should have some check on the legislative-power. They therefore gave him the right of objecting to and suspending, tho' not the absolute control over the acts of that body; which they thought indispensably necessary to repel any encroachments on the executive power, and preserve its independency.

The Judicial department falls next under our consideration.

This comprehends the Judges of the several courts, and the Justices of peace throughout the State. These are all appointed by the Governor, with the advice of Council, but not removable by him in case of misconduct, but by the legislature, and in no case without the intervention of that body.

The Judges all hold their offices during good behavior; the only proper term, especially for the Judges of the Supreme Court of Judicature, as they ought, in a peculiar manner, to feel themselves independent and free, and as none would be at the pains to qualify themselves for such important places, if they were liable to be removed at pleasure. As another inducement for persons so to qualify themselves as an encouragement to vigilance, and an antidote to bribery and corruption; adequate, honorable, and permanent salaries to the Judges of the Supreme Court in a particular manner, we

have made essential in the Constitution, and do now most strongly recommend.

The alteration of Justices' commissions from life to five years, is to guard against age, incapacity, and too large a number; to secure the appointment of the best; and to prevent too frequent addresses and impeachments. You will judge of the propriety and expediency of this innovation, and either give it your sanction or not, as appears to you best.

The reasons for the EXCLUSION BILL are too obvious to be pointed out. Sad experience has evinced the necessity of such a provision. Besides the interference of several offices held by the same person, in point of *time*, which we have often *seen*; and the difficulty of one man's giving his attention to many matters sufficiently to understand them all, which we have too *often felt*; there is still a stronger reason, which is the difficulty of a man's preserving his integrity in discharging the duties of each unstained—at least by suspicion.

From the deepest impression of the vast importance of LITERATURE in a free government, we have interwoven it with, and made its protection and encouragement a part of the Constitution itself.

The BILL OF RIGHTS contains the essential principles of the Constitution. It is the foundation on which the whole political fabric is reared, and is consequently, a most important part thereof. We have endeavored therein to ascertain and define the most important and essential natural rights of man. We have distinguished betwixt the alienable and unalienable rights; for the former of which men may receive an equivalent: for the latter, or the rights of CONSCIENCE, they can receive none; 'The World itself being wholly inadequate to the purchase. \* For what is a man profited, though he should gain the whole world, and lose his own soul?'

The various modes of worship among mankind, are founded in their various sentiments and beliefs concerning the GREAT OBJECT of all religious worship and adoration. Therefore to him alone and not to man, are they accountable for them.

Thus the Convention have endeavored to explain as particularly as they could without trespassing on your patience, the reasons and principles upon which they have labored to form this Constitution. They have done it in integrity and faithfulness. They conceive themselves as part of the community for which the Constitution is intended, and therefore equally interested with the other members in framing the best. Whatever latent defects there may be in it, time will discover them—and, at the end of seven years, provision is made that they may be amended. Confiding therefore, in your candor, and humbly imploring on your behalf, that assistance which the

fountain of Wisdom sees you need, we leave it in your hands, and wait with cheerful acquiescence, your decision.

*In the Name and pursuant to a Resolution of the Convention.*

GEORGE ATRINSON, President.

Attest. JONA. M. SEWALL, Secretary.

## PROPOSED CONSTITUTION OF 1781.

A CONSTITUTION OR FORM OF GOVERNMENT, AGREED UPON BY THE DELEGATES OF THE PEOPLE OF THE STATE OF NEW HAMPSHIRE IN CONVENTION,

Began and held at Concord, on the second Tuesday of June, 1781, and continued by adjournment, to the second Tuesday of September following: To be submitted to the PEOPLE for their revision, in order to the completing of the same, in conformity to their amendments, at a session to be holden for that purpose, on the fourth Wednesday of January next.

A CONSTITUTION OR FORM OF GOVERNMENT FOR THE STATE OF NEW HAMPSHIRE.

### PART I.

*A Declaration of the Rights of the People of New Hampshire.*

#### ARTICLE I.

All men are born equally free and independent, therefore all government of right originates from the people, is founded in consent, and instituted for the general good.

#### II.

All men have certain natural, essential, and inherent rights among which are,—the enjoying and defending life and liberty—acquiring, possessing and protecting property,—and in a word of seeking and obtaining happiness.

#### III.

When Men enter into a state of society, they surrender up some of their natural rights to that society in order to secure the protection of others, and without such an equivalent the surrender is void.

## IV.

Among the natural rights, some are in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the RIGHTS OF CONSCIENCE.

## V.

Every individual has a natural and unalienable right to worship God according to the dictates of his own conscience, and reason,—and no subject shall be hurt, molested, or restrained in his person, liberty or estate for worshipping God, in the manner and season most agreeable to the dictates of his own conscience, or for his religious profession, sentiments or persuasion; provided he doth not disturb the public peace or disturb others in their religious worship.

## VI.

As morality and piety, rightly grounded on evangelical principles, will give the best and greatest security to Government, and will lay in the hearts of men the strongest obligations to due subjection; and as the knowledge of these is most likely to be propagated through a society by the institution of the public worship of the Deity and of public instruction in morality and religion; therefore to promote these important purposes, the people of this State have a right to impower, and do hereby fully impower the Legislature to authorize from time to time, the several towns, parishes, bodies corporate or religious societies within this State to make adequate provision at their own expence, for the support and maintenance of public Protestant teachers of piety, religion and morality:

*Provided* notwithstanding, That the several towns, parishes, bodies-corporate or religious societies, shall at all times have the exclusive right of electing their own public teachers, and of contracting with them for their support and maintenance. And no person of any one particular religious sect or denomination, shall ever be compelled to pay towards the support of the teacher or teachers of another persuasion, sect or denomination.

And every denomination of christians demeaning themselves quietly and as good subjects of the State, shall be equally under the protection of the law; and no subordination of any one sect or denomination to another shall ever be established by law.

And nothing herein shall be understood to affect any former contracts made for the support of the ministry, but all such contracts shall remain and be in the same state as if this Constitution had not been made.

## VII.

The people of this State have the sole and exclusive right of governing themselves as a free, sovereign and independent State, and do, and forever hereafter shall, exercise, and enjoy every power, jurisdiction and right pertaining thereto, which is not, or may not hereafter be by them expressly delegated to the United States of America in Congress assembled.

## VIII.

All power residing originally in, and being derived from the people, all the magistrates, and officers of government, are their substitutes and agents, and at all times accountable to them.

## IX.

No office or place whatsoever in government shall be hereditary—the abilities and integrity requisite in all, not being transmissible to posterity or relations.

## X.

Government being instituted for the common benefit, protection, and security of the whole community, and not for the private interest or emolument of any one man, family, or class of men, therefore whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right ought, to reform the old, or establish a new government; the doctrine of non resistance against arbitrary power, and oppression is absurd, slavish, and destructive of the good and happiness of mankind.

## XI.

All elections ought to be free, and every inhabitant of the State having the proper qualifications, has equal right to elect, and be elected into office.

## XII.

Every member of the community has a right to be protected by it in the enjoyment of his life, liberty and property—he is therefore bound to contribute his share in the expence of such protection, and to yield his personal service when necessary, or an equivalent. But no part of a man's property shall be taken from him, or applied to public uses, without his own consent or that of the Representative body of the people. Nor are the inhabitants of this State controllable by any other laws than those to which they or their Representative body have given their consent.

## XIII.

No person who is conscientiously scrupulous about the law-

fulness of bearing arms, shall be compelled thereto, provided he will pay an equivalent.

## XIV.

Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property or character, to obtain right and justice freely, without being obliged to purchase it; completely, and without any denial; promptly, and without delay, conformably to the laws.

## XV.

No subject shall be held to answer for any crime, or offence, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. And every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defence by himself, and Counsel. And no subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled, or deprived of his life, liberty or estate, but by the judgment of his peers, or the law of the land.

## XVI.

No subject shall be liable to be tried, after an acquittal, for any crime or offence whatsoever. Nor shall the Legislature make any law that shall subject any person to a capital punishment, excepting for the government of the army and navy, and the militia in actual service, without trial by jury.

## XVII.

In criminal prosecutions, the trial of facts in the vicinity where they happen, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offence ought to be tried in any other county than where it is committed.

## XVIII.

All penalties ought to be proportioned to the nature of the offence. No wise Legislature will affix the same punishment to the crimes of theft, forgery and the like, that they do to those of murder and treason; where the same undistinguishing severity is exerted against all offences, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do those of the lightest dye; for the same reason a multitude of sanguinary laws are both impolitic and unjust. The true design of all punishment being to reform, not to exterminate, mankind.

## XIX.

Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. All warrants, therefore, are contrary to this right, if the cause or foundation of them, be not previously supported by oath, or affirmation; and if the order in the warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons, or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; And no warrant ought to be issued but in cases, and with the formalities prescribed by the laws.

## XX.

In all controversies concerning property, and in all suits between two or more persons, except in cases in which it has been heretofore otherwise used and practised, the parties have a right to trial by jury; and this method of procedure shall be held sacred, unless in causes arising on the high seas, and such as relate to Mariners wages, the Legislature shall find it necessary hereafter to alter it.

## XXI.

In order to reap the fullest advantage of the inestimable privilege of the trial by Jury, great care ought to be taken that none but qualified persons should be capable of serving, and such ought to be fully compensated for their travel, time and attendance.

## XXII.

The liberty of the Press is essential to the security of freedom in a State; it ought therefore to be inviolably preserved.

## XXIII.

Retrospective laws are highly injurious, oppressive and unjust. No such laws therefore should be made, either for the decision of civil causes, or the punishment of offences.

## XXIV.

A well regulated militia is the proper, natural, and sure defence of a State.

## XXV.

Standing armies are dangerous to liberty, and ought not to be raised or kept up without the consent of the Legislature.

## XXVI.

In all cases, and at all times, the military ought to be under strict subordination to, and governed by the civil power.

## XXVII.

No soldier in time of peace shall be quarter'd in any house without the consent of the owner, and in time of war such quarters ought not to be made but by the civil magistrate in a manner ordained by the Legislature.

## XXVIII.

No subsidy, charge, tax, impost or duty shall be established, fixed, laid, or levied, under any pretext whatsoever, without the consent of the people or their Representatives in the Legislature or authority derived from that body.

## XXIX.

The power of suspending the laws, or the execution of them, ought never to be exercised but by the Legislature, or by authority derived therefrom, to be exercised in such particular cases only as the Legislature shall expressly provide for.

## XXX.

The freedom of deliberation, speech, and debate, in either House of the Legislature, is so essential to the rights of the people, that it cannot be the foundation of any action, complaint, or prosecution, in any other court or place whatsoever.

## XXXI.

The Legislature ought frequently to assemble for the redress of grievances, for correcting, strengthening, and confirming the laws, and for making new ones, as the common good may require.

## XXXII.

The people have a right in an orderly and peaceable manner, to assemble in order to consult upon the common good, give instructions to their Representatives; and to request of the Legislative-body, by way of petition or remonstrance, redress of the wrongs done them, and of the grievances they suffer.

## XXXIII.

No magistrate or court of law shall demand excessive bail or sureties, impose excessive fines, or inflict cruel or unusual punishments.

## XXXIV.

No person can in any case be subjected to law-martial, or to any pains, or penalties by virtue of that law, except these persons employed in the army or navy, and except the militia in actual service, but by the authority of the Legislature.

## XXXV.

It is essential to the preservation of the rights of every individual, his life, liberty property and character, that there be an impartial interpretation of the laws, and administration of Justice. It is the right of every citizen to be tried by Judges as impartial as the lot of humanity will admit. It is therefore not only the best policy but for the security of the rights of the people that the Judges of the Supreme (or Superior) Judicial Court should hold their offices so long as they behave well; and that they should have honorable Salaries, ascertained and established by standing laws.

## XXXVI.

Economy being a most essential virtue in all States, more especially in a young one, no person ought to receive any stipend, or salary, but as an equivalent for actual services, and the Legislature ought to be exceeding cautious of granting pensions, especially for life.

## XXXVII.

In the government of this state, the three essential powers thereof, to wit, the Legislative, Executive and Judicial, ought to be kept as separate from and independent of each other, as the nature of a free government will admit, or as is consistent with that chain of connection that binds the whole fabric of the Constitution in one indissoluble bond of union and amity.

## XXXVIII.

A frequent recurrence to the fundamental principles of the Constitution, and a constant adherence to justice, moderation, temperance, industry, frugality, and all the social virtues, are indispensably necessary to preserve the blessings of liberty and good government; the people ought therefore, to have a particular regard to all those principles in the choice of their officers and representatives: And they have a right to require of their law givers and magistrates an exact and constant observance of them in the formation and execution of the laws necessary for the good administration of government.

## PART II.

## FORM OF GOVERNMENT.

The people inhabiting the territory formerly called the Province of New Hampshire, do hereby solemnly and mutually agree with each other, to form themselves into a free, sovereign and independent Body-politic or State, by the Name of the STATE OF NEW HAMPSHIRE.

## THE GENERAL COURT.

The supreme legislative power within this State shall be vested in a Senate and House of Representatives, each of which shall have a negative on the other.

No bill or resolve of the Senate or House of Representatives, shall become a law, and have force, as such, until it shall have been laid before the Governor for his revision: And if he, upon such revision, approve thereof, he shall signify his approbation by signing the same. But if he has any objection to the passing of such bill or resolve, he shall return the same, together with his objections thereto, in writing, to the Senate or House of Representatives, in whichever the same shall have originated; who shall enter the objections sent down by the Governor, at large, on their records, and proceed to reconsider the said bill or resolve: But if upon such reconsideration, three quarters of said Senate or House of Representatives, shall notwithstanding the said objections, agree to pass the same, it shall, together with the objections, be sent to the other branch of the Legislature, where it shall be also reconsidered, and if approved by three quarters of the members present, it shall have the force of a Law: But in all such cases, the votes of both Houses shall be determined by yeas and nays: and the names of the persons voting for, or against, the said bill or resolve, shall be entered upon the public records of the State.

And in order to prevent unnecessary delays, if any bill or resolve shall not be returned by the Governor within eight days after it shall have been presented, the same shall have the force of law.

The General Court shall forever have full power and authority to erect and constitute Judicatories and courts of record, or other courts, to be holden in the name of the State, for the hearing, trying, and determining all manner of crimes, offences, pleas, processes, plaints, actions, causes, matters and things, whatsoever, arising, or happening within this State, or between or concerning persons inhabiting, or residing or brought within the same, whether the same be criminal or civil, or whether the crimes be capital, or not capital, and whether the said pleas be real, personal or mixt; and for the awarding and issuing Execution thereon: To which courts and judicatories are hereby given and granted full power and au-

thority, from time to time, to administer oaths or affirmations for the better discovery of truth in any matter in controversy, or depending before them.

And farther, full power and authority are hereby given and granted to the said General Court, from time to time, to make, ordain, and establish, all manner of wholesome and reasonable orders, laws, statutes, ordinances, directions, and instructions, either with penalties or without; so as the same be not repugnant or contrary to this Constitution, as they may judge for the benefit and welfare of this State, and for the governing and ordering thereof, and of the subjects of the same, for the necessary support and defence of the government thereof; and to name and settle annually, or provide by fixed laws, for the naming and settling all civil officers within this State; such officers excepted, the election and appointment of whom, are hereafter in this form of government, otherwise provided for; and to set forth the several duties, powers and limits, of the several civil and military officers of this State, and the forms of such oaths or affirmations, as shall be respectively administered unto them for the execution of their several offices and places, so as the same be not repugnant or contrary to this Constitution; and also to impose fines, mulcts, imprisonments, and other punishments; and to impose and levy proportional and reasonable assessments, rates and taxes, upon all the inhabitants of, and residents within the said State; and upon all estates within the same: to be issued and disposed of by warrant under the hand of the Governor of this State for the time being, with the advice and consent of the Council, for the public service, in the necessary defence and support of the government of this State, and the protection and preservation of the subjects thereof, according to such acts as are or shall be in force within the same.

And while the public charge of government, or any part thereof, shall be assessed on polls and estates in the manner that has hitherto been practiced, in order that such assessments may be made with equality, there shall be a valuation of the estates within the State taken anew once in every five years at least, and as much oftener as the General Court shall order.

There shall be annually elected by the freeholders and other inhabitants of this State, qualified as in this Constitution is provided, twelve persons to be Senators for the year ensuing their election; to be chosen in and by the inhabitants of the districts, into which this State may from time to time be divided by the General Court, for that purpose: And the Gen

eral Court, in assigning the number to be elected by the respective districts, shall govern themselves by the proportion of public taxes paid by the said districts; and timely make known to the inhabitants of the State, the limits of each district, and the number of Senators to be elected therein; provided the number of such districts shall never be more than ten, nor less than five. And the several Counties in this State, shall, until the General Court shall order otherwise, be districts for the election of Senators, and shall elect the following number, viz.

And the inhabitants of plantations & places unincorporated, qualified as this constitution provides, who are, or shall be, required to assess taxes upon themselves towards the support of government, or shall be taxed therefor: shall have the same privilege of voting for senators in the plantations and places wherein they reside, as the inhabitants of the respective towns and parishes aforesaid have: And the meetings of such plantations and places for that purpose shall be holden annually in the month of March, at such places respectively therein, as the assessors thereof shall direct; which assessors shall have like authority for notifying the electors, collecting and returning the votes, as the Selectmen and town clerks have in the several towns by this constitution.

And that there may be a due meeting of senators on the first Wednesday of June annually, the Governor and three of the Council for the time being, shall as soon as may be, examine the returned copies of such records; and fourteen days before the said first Wednesday of June, he shall issue his summons to such persons as appear to be chosen senators by a majority of votes, to attend and take their seats on that day: Provided, nevertheless, that for the first year the said returned copies shall be examined by the president and five of the Council of the former constitution of government; and the said president shall in like manner, notify the persons elected, to attend and take their seats accordingly.

The senate shall be final judge of the elections, returns, and qualifications of their own members, as pointed out in the constitution, and shall on the said first Wednesday of June annually, determine and declare, who are elected by each district to be senators by a majority of votes: And in case there shall not appear to be the full number returned elected by a majority of votes for any district, the deficiency shall be supplied in the following manner, viz. the members of the house of representatives and such senators as shall be declared elected, shall take the names of such persons as shall be found to have the highest number of votes in each district, and not elected, amounting to twice the number of senators wanting, if there be so many voted for; and out of them shall elect by joint ballot the number of senators wanted for such district: And in this manner all such vacancies shall be filled up in every district of the state, and in like manner all vacancies in the senate, arising by death, removal out of the state, or otherwise,

shall be supplied as soon as may be, after such vacancies happen.

*Provided nevertheless,* That no person shall be capable of being elected a senator, who is not of the Protestant Religion, and seized of a freehold estate in his own right of the value of four hundred pounds, clear of debt, lying within this state, and who is not of the age of thirty years, and who shall not have been an inhabitant of this state for seven years immediately preceding his election, and at the time thereof he shall be an inhabitant of the district for which he shall be chosen.

The senate shall be a court with full power and authority to hear and determine all impeachments made by the house of representatives, against any officer or officers of the State, for misconduct or mal-administration in their offices. But previous to the trial of any such impeachment, the members of the senate shall respectively be sworn, truly and impartially to try and determine the charge in question according to evidence. Their judgment, however, shall not extend further than removal from office, disqualification to hold or enjoy any place of honor, trust or profit under this state; but the party so convicted, shall nevertheless be liable to indictment, trial, judgment and punishment, according to the laws of the land.

#### HOUSE OF REPRESENTATIVES.

There shall be in the legislature of this state, a representation of the people, consisting of fifty members, apportioned upon each county, as follows, viz. for the

- County of Rockingham, twenty;
- Stamford, eight;
- Hillsborough, ten;
- Cheshire, eight;

And if after the fifties are deducted, there should remain twenty five, or more such rateable polls, that remaining number shall entitle such town or parish to elect another delegate therefor. And every corporate town, or parish with town privileges, which now, or hereafter, shall not contain fifty rateable polls, shall have a right to join, or associate with some town or towns adjoining, for the election of delegates; and in such cases, the votes thus united, shall have the right to elect the same number of delegates, as they would have done were they inhabitants of one corporate town; which delegates may be elected out of either of the associated towns, or parishes, indifferently. Each county shall contain as many districts, as the same shall have representatives, and each district in each county, shall be so divided by the respective annual conventions, as each shall contain equal number of rateable polls, or as near as may be.

The several counties in the State shall be so divided into districts by the conventions of each county, at their first annual meeting; and forever after at every fifth annual convention. Which being done, each convention, shall elect by a majority of written votes out of the members who are chosen to compose such convention, a representative for each district; and living within the district for which he may be chosen. And the president of such convention, with the clerk, shall sort and count the votes, and declare who are chosen representatives by a majority of votes for each district within such county, and the clerk shall make a fair record of the names of each representative, and of the number of votes for each against his name, in open convention; and deliver a copy of the record attested by the president and clerk, to each representative, as soon as may be.

Each convention shall have power to adjourn themselves but not longer than two days at a time. All intermediate vacancies in the house of representatives, may be filled up from time to time by the convention of the county wherein the same may happen, agreeably to the writ from the house of representatives for that purpose; which occasional convention shall be holden at the same places appointed for the annual ones, and at such times as the writ shall direct; and such representatives shall be elected and returned, in like manner as those at the annual conventions.

The house of representatives shall be chosen annually, and shall be the second branch of the legislature.

The wages and travel to the General Court, and returning home, once in every session, shall be paid out of the public treasury, to every member, who in the judgment of the house, shall attend seasonably, and not depart without leave.

The house of representatives shall choose their own speaker, appoint their own officers, settle the rules of proceedings in their own house; and issue writs to fill up any intermediate vacancies therein. They shall have authority to punish by imprisonment, every person who shall be guilty of disrespect to the house in its presence, by any disorderly and contemptuous behaviour, or by threatening, or ill treating any of its members; or by obstructing its deliberations; every person guilty of a breach of its privileges in making arrests for debt, or by assaulting any of its members during his attendance at any session, in assaulting or disturbing any one of its officers in the execution of any order or procedure of the house, in assaulting any witness or other person, ordered to attend and during his attendance, of the house, or in rescuing any person arrested by order of the house, knowing them to be such. The Senate and Governor, and Council, shall have the same powers in like cases, provided that no imprisonment by either for any offence, exceed ten days.

The Journals of the proceedings of both houses of the General Court, shall be printed and published immediately after every adjournment, or prorogation; and upon motion made by any one member, the yeas and nays upon any question, shall be taken and entered in the journals.

The legislature shall once every five years from the commencement of this constitution, apportion the representatives anew to and for each county, according to the number of rateable polls each may contain.

## EXECUTIVE POWER.

### GOVERNOR.

There shall be a supreme executive Magistrate, who shall be stiled, the GOVERNOR of the State of New Hampshire; and whose Title shall be HIS EXCELLENCY.

The Governor, with the advice of Council, shall have full power and authority in the recess of the general court, to prorogue the same from time to time, not exceeding ninety days in any one recess of said court; and during the session of said court, to adjourn or prorogue it to any time the two houses may desire; and to call it together sooner, than the time to which it may be adjourned, or prorogued, if the welfare of the state should require the same.

In cases of disagreement between the two houses, with regard to the time of adjournment, or prorogation, the Governor, with advice of Council, shall have the right to adjourn or prorogue the General Court, not exceeding ninety days, at any one time, as he may determine the public good may re-

quire. And he shall dissolve the same seven days before the said first Wednesday of June. And in case of any infectious distemper prevailing in the place where the said court at any time is to convene, or any other cause whereby dangers may arise to the healths, or lives, of the members from their attendance, the Governor may direct the session to be holden at some other the most convenient place within the State.

The Governor of this State for the time being, shall be commander in chief of the army and navy, and all the military forces of the State, by sea and land; and shall have full power by himself, or by any chief commander, or other officer, or officers, from time to time, to train, instruct, exercise, and govern the militia and navy; and for the special defence and safety of this state, to assemble in martial array, and put in warlike posture, the inhabitants thereof, and to lead and conduct them, and with them to encounter, expulse, repel, resist and pursue by force of arms, as well by sea as by land, within and without the limits of this state; and also to kill, slay, destroy, if necessary, and conquer by all fitting ways, enterprize and means, all and every such person and persons, as shall at any time, hereafter, in a hostile manner, attempt or enterprize the destruction, invasion, detriment, or annoyance of this State; and to use and exercise over the army and navy, and over the militia in actual service, the law martial in time of war, invasion, and also in rebellion, declared by the legislature to exist, as occasion shall necessarily require. And also from time to time, to erect forts, and fortify any place or places within the said state, and the same to furnish with all necessary ammunitions, provisions and warlike stores for defence and offence, and to commit, from time to time, the custody and government of the same, to such person or persons as to him may seem meet: And in time of emergency, the said forts and fortifications to demolish at his discretion: and to take and surprize by all ways and means whatsoever, all and every such person or persons, with their ships, arms, ammunition, and other goods, as shall in a hostile manner invade, or attempt the invading, conquering, or annoying this State: and in fine, that the Governor be, and hereby is intrusted with all other powers incident to the office of Captain-General and Commander in Chief, and Admiral, to be exercised agreeably to the rules and regulations of the Constitution, and the laws of the land. Provided, that the Governor shall not at any time hereafter, by virtue of any power by this constitution granted, or hereafter to be granted to him by the legislature, transport any of the inhabitants of this state, or oblige them to march out of the limits of the same, without their free and voluntary consent, or the consent of the general court; nor grant commissions for

exercising the law martial upon any of the inhabitants of this state, without the advice and consent of the council of the same.

The power of pardoning of offences, except such as persons may be convicted of before the senate by the impeachment of the house, shall be in the Governor, by and with the advice of the Council. But no charter of pardon granted by the Governor, with the advice of Council, before conviction, shall avail the party pleading the same notwithstanding any general or particular expressions contained therein, descriptive of the offence or offences intended to be pardoned.

All judicial officers, the Attorney-General, Solicitor-General, all Sheriffs, Coroners, Registers of Probate, and other civil officers, except such as are to be otherwise elected or appointed by this constitution, or the laws of the state, and all officers of the militia and navy shall be nominated and appointed by the Governor, by and with the advice and consent of the Council; and every such nomination shall be made by the Governor, at least seven days prior to such appointment.

No officer, duly commissioned to command in the militia, shall be removed from his office, but by the address of both houses to the Governor, or by fair trial in court martial, pursuant to the laws of the state for the time being.

The commanding officers of regiments shall appoint their adjutants and quarter-masters; the brigadiers their brigade majors; the major-generals their aids; the captains and subalterns their non-commissioned officers.

The Governor, with the advice of Council, shall appoint all officers of the Continental army, whom by the confederation of the United States it is provided that this state shall appoint, as also all officers of forts and garrisons.

The division of the militia into Brigades, regiments, and companies, made in pursuance of the militia laws now in force, shall be considered as the proper division of the militia of this state, until the same shall be altered by some future law.

No monies shall be issued out of the treasury of this state, and disposed of, (except such sums as may be appropriated for the redemption of bills of credit or treasurers notes, or for the payment of interest arising thereon) but by warrant under the hand of the Governor, for the time being, by and with the advice and consent of the council, for the necessary support and defence of this state, and for the necessary protection and preservation of the inhabitants thereof, agreeably to the acts and resolves of the general court.

All public boards, the commissary-general, all superintending officers of public magazines and stores, belonging to this

state, and all commanding officers of forts and garrisons within the same, shall once in every three months officially, and without requisition, and at other times, when required by the governor, deliver to him an account of all goods, stores, provisions, ammunition, cannon with their appendages and small arms, with their accoutrements, and of all other public property under their care respectively; distinguishing the quantity, and kind of each, as particularly as may be: together with the condition of such forts and garrisons: And the commanding officer shall exhibit to the governor, when required by him, true and exact plans of such forts, and of the land and sea or harbor or harbors adjacent.

And to prevent an undue influence in this state, which the first magistrate thereof may acquire, by the long possession of the important powers and trusts of that office, as also to stimulate others to qualify themselves for the service of the public, in the highest stations, no man shall be eligible as governor of this state, more than three years in any seven.

And as the public good requires, that the Governor should not be under the undue influence of any members of the two houses, by a dependence on them for support, that he should in all cases act with freedom for the benefit of the public; that he should not have his attention necessarily diverted from that object to his private concerns; and that he should maintain the dignity of the State in the character of its Chief Magistrate; it is necessary that he should have an honorable stated salary of a fixed and permanent value, amply sufficient for those purposes, and established by standing laws; and it shall be among the first acts of the general court after the commencement of this constitution, to establish such salary by law accordingly.

Permanent and honorable salaries shall be established by law for the Justices of the Superior Court.

Whenever the chair of the Governor shall be vacant, by reason of his death, absence from the state, or otherwise, the President of the Senate, for the time being, shall during such vacancy, have and exercise all the powers and authorities which by this constitution the Governor is vested with when personally present; and whenever the President shall fill the chair, he shall have no voice in the Senate.

The resolutions and advice of the Council shall be recorded in a register, and signed by the members present, and the record may be called for at any time, by either house of the legislature, and any member of the Council may enter his opinion contrary to the resolution of the majority.

And whereas the elections appointed to be made by this constitution, on the first Wednesday of June annually, by the two houses of the legislature, may not be completed on that day, the said elections may be adjourned from day to day until the same shall be completed. And the order of the elections shall be as follows: the vacancies in the senate, if any, shall be first filled up; the Governor shall then be elected, provided there should be no choice of him by the people: And afterwards the two houses shall proceed to the election of the COUNCIL.

#### SECRETARY, TREASURER, COMMISSARY-GENERAL, &C.

sions. All judicial officers, duly appointed, commissioned and sworn, shall hold their offices during good behaviour, excepting those concerning whom there is a different provision made in this constitution: Provided nevertheless, the Governor, with consent of council, may remove them upon the address of both houses of the legislature.

Each branch of the legislature, as well as the governor and council, shall have authority to require the opinions of the justices of the superior court upon important questions of law, and upon solemn occasions.

In order that the people may not suffer from the long continuance in place of any justice of the peace, who shall fail in discharging the important duties of his office with ability and fidelity, all commissions of Justices of the peace shall expire and become void, in the term of five years from their respective dates; and upon the expiration of any commission, the same may if necessary, be renewed, or another person appointed, as shall most conduce to the well-being of the State.

The judges of probate of wills, and for granting letters of administration, shall hold their courts, at such place, or places, on such fixed days, as the convenience of the people may require. And the legislature shall from time to time, hereafter appoint such times and places, until which appointments the said courts shall be holden at the times and places which the respective judges shall direct.

All indictments, presentments and information shall conclude against the peace and dignity of the State.

The estates of such persons as may destroy their own lives, shall not for that offence be forfeited, but descend or ascend in the same manner, as if such person had died in a natural way. Nor shall any article, which shall accidentally occasion the death of any person, be henceforth deemed a deodand, or in any wise forfeited on account of such misfortune.

All the laws which have heretofore been adopted, read and approved, in the Province, Colony or State of New Hampshire, and usually practised on in the courts of law, shall still remain and be in full force, until altered and repealed by the Legislature; such parts there off *only* excepted, as are repugnant to the rights and liberties contained in this Constitution.

nation of their seat in the Senate, or House of Representatives or Council, and the place so vacated shall be filled up.

No person shall ever be admitted to hold a Seat in the Legislature, or any office of trust or importance under this Government, who in the due course of law, has been convicted of bribery, or corruption in obtaining an election or appointment.

In all cases where sums of money are mentioned in this Constitution, the value thereof shall be computed in silver at six shillings and eight pence per ounce. And it shall be in the power of the Legislature to increase such qualifications as to property of persons to be elected to office, as the circumstances of the State may require.

To the end that there may be no failure of justice or danger arise to this State from a change of the form of Government, all civil and military officers, holding commissions under the Government and People of New Hampshire, and other officers of the said Government and People, at the time this Constitution shall take effect, shall hold, exercise and enjoy all the powers and authorities to them granted and committed, until other persons shall be appointed in their stead. All courts of law in the business of their respective departments, and the Executive and Legislative Bodies and Persons, shall continue in full force, enjoyment and exercise of all their trusts and employments, until the General Court and the supreme and other Executive officers under this Constitution, are designated and invested with their respective trusts, powers and authority.

This form of Government shall be enrolled on parchment, and deposited in the Secretary's office, and be a part of the laws of the land, and printed copies thereof shall be prefixed to the books containing the laws of this State, in all future editions thereof.

To preserve an effectual adherence to the principles of the Constitution, and to correct any violation thereof; as well as to make such alterations therein, as from experience may be found necessary, the General Court shall after the expiration of seven years from the time this Constitution shall take effect, issue their precepts to the selectmen of the several towns, and to the assessors of unincorporated places within this State, directing them to convene the qualified voters therein, for the purpose of collecting their sentiments on the necessity or expediency of revising the Constitution in order for amendments: And if it shall appear by the returns made, that two thirds of the qualified voters through the State who shall assemble and vote in consequence of said precepts, are in favor of such revision and amendments, the General Court shall issue precepts,

or direct them to be issued from the Secretary's office, to the several towns and unincorporated places to elect delegates to meet in Convention for the purpose aforesaid: The said delegates to be chosen in the same manner and proportion as the delegates to the annual County Conventions, are by this Constitution.

In Convention, September 14, 1781.

*Resolved* that this Convention be adjourned to the fourth Wednesday of January next, to meet at Concord; and that seven hundred copies of the Plan of Government, which is agreed upon, to be printed, including such as shall be ordered to each member of the General Court, and of the Convention, be sent to the selectmen of each town, and assessors of each plantation, under the direction of the Committee appointed for that purpose: And that the selectmen and assessors be requested as soon as may be to lay the same before the inhabitants of their respective towns and plantations. And if the major part of the inhabitants of said towns and plantations disapprove of any particular part of the same, that they be desired to state their objections distinctly and the reasons therefor. And the selectmen and assessors are desired to transmit the same to the Convention on the fourth Wednesday of January aforesaid, or to the Secretary of the Convention before then, in order for the revision and consideration of the convention at the adjournment; with the number of voters in said towns and plantations meetings, on each side of the question: That the Convention may be able to collect the general sense of the people of this State on the several parts of the proposed Constitution: And if there should not appear to be two thirds of the people in favor thereof, that the Convention may alter it in such manner as may be most agreeable to the sentiments of two thirds of the voters throughout this State.

---

NOTE BY THE EDITOR.

On the fourth Wednesday of January, 1782, the Convention met according to adjournment; and on examination of the returns of votes, found the Constitution was rejected. The Convention then adjourned to the third Wednesday in August following, at which they agreed on another Plan of Government, which was sent out to the people with another Address.

SECOND ADDRESS OF THE CONVENTION

FOR FRAMING A NEW CONSTITUTION OR FORM OF GOVERNMENT  
FOR THE S. A. I. OF NEW-HAMPSHIRE, TO THE INHABITANTS  
OF SAID STATE.

[Sent out in 1782.]

NOTE.—This ADDRESS, though very similar in many points to the first, is evidently modified by the "*reasons*" which the people assigned for rejecting the first Constitution. ED.

## FRIENDS AND FELLOW-CITIZENS,

THE *General-Assembly* of this State having thought proper to issue precepts to the several Towns within the same, for choosing delegates to form a Convention for the purpose of framing a civil Constitution for the people of this State; and the Convention having repeatedly met in consequence of such choice, maturely deliberated on the important subject, collected as nearly as possible the sentiments of the Inhabitants of this State from their returns laid before the Convention in June last, agree to report the following plan, which with the humblest deference is submitted to your impartial consideration.

THE forming a Constitution, adapted not only to our present situation, but to the probable circumstances of remote posterity, is truly an arduous task! How far we have succeeded in the attempt, you are the sole judges. It is your interest as well as duty, to examine it with the most critical attention; and it is your unquestionable right to propose such alterations as you may judge necessary, to approve and establish the plan as it now stands, or wholly to reject it.

A PERFECT system of Government is not to be expected in the present imperfect state of humanity. But could a faultless one be framed, it would not be universally approved, unless its judges were all equally perfect. Much less then, may we presume to hope that the plan here offered to view will meet with universal approbation. Unanimity of sentiment is seldom to be found in any case: there are many reasons for despairing of it in the present. Besides the common sources for variety of opinions on points in general, there are new and particular ones in the case before us. There is nothing which our *open, avowed enemies* more dread than to see the several States, each formed into a permanent and well-constructed body-politick, as nothing under GOD, can more contribute to the stability of their councils, or the success of their exertions. Nor have we any reason to doubt but that our *secret, internal enemies* are equally averse thereto. Every artifice will be devised, every effort tried, to frustrate an event equally dreaded by both. Let us guard against their machinations.

WHEN the people of this State first thought proper to assume government for themselves, it was a time of difficulty and peril. That form which was the simplest, and first presented itself to their view, in the perturbation of spirits that then prevailed, they adopted without that thorough discussion and calm deliberation which so important an object required. It was not intended to be lasting. It was expressly declared by themselves to be temporary.

IN this imperfect form, the Legislative and Executive powers of government were vested in one body, to wit, in a General Court, consisting of two branches, a House of Representatives and a Council. Nor was any provision made therein for the exercise of the executive power in the recess of the General-Assembly. So great a defect was soon discovered and felt: and the Court thus established by the Constitution, were compelled to attempt a remedy by delegating the executive-power to a Committee of Safety in the recess of the General-Assembly: which mode has since been continued, and this Committee has made an important part of the government.

A FURTHER defect, among many others, is the want of an EXCLUSION BILL: In consequence of which, some individuals assist in enacting laws, in explaining and applying them, and even in carrying them into execution.

WHILE we forbear to mention a variety of other imperfections, permit us to suggest, that the great expense incurred by frequent meetings of the Committee of Safety, and the delay necessarily occasioned by the business of the executive department being intrusted to so great a

number of persons, have been too sensibly felt to require arguments on our part, to convince you that an alteration in this respect, will promote the interest of every individual in the community.

HAVING premised these things, we will proceed to consider as critically as the limits of our time will admit, the frame of government herewith exhibited to your view; its principles, and some of the motives that induced us to prefer it to any other system which occurred to us.

AVAILING ourselves of the various theories and forms of government we could meet with, whether new or old, examining their principles, and comparing them, as far as we were able, with experience, the surest touch-stone, and most infallible comment, we collected sufficient, and we hoped the best materials, for the political building now presented to your view.

THE three powers of government before hinted at, to wit—The legislative, or power of making laws—The judicial, or power of expounding and applying them to each particular case—And the executive, to carry them into effect, and give the political machine life and motion: These three important powers we have thought proper to keep as separate and distinct as possible, for the following reasons.

IF they should be all united, the government would then be a complete system of tyranny. The same party would be legislator, accuser, judge and executioner.

IF the legislative and judicial powers should be united, the maker of the law would be the interpreter thereof, and might make it speak what language best pleased him, to the total abolition of justice.

IF the executive and legislative powers should be vested in one body, still greater evils would follow. This body would enact only such laws as it wished to carry into execution, and would besides, entirely absorb and destroy the judicial power, one of the greatest securities of the life, liberty, and property of the subject; and in fine, would produce the same system of despotism first mentioned.

AND lastly, should the executive and judicial powers be combined, the great barrier against oppression would be at once destroyed: The laws would be made to bend to the will of that power which sought to execute them with the most unbridled rapacity.

THESE several powers should also be independent: in order to which they are formed with a check upon each other. We shall proceed to consider them distinctly.

THE legislative-power we have vested in a Senate and House of Representatives (with the reserve hereafter mentioned) each of which branches is to have a negative on the other; and either may originate any Bill, except for the grant of monies, which is always to originate in the House. Any alterations or amendments may be proposed by either branch, in all cases. We have given the supreme executive power the right of revising and objecting to all the acts passed by the legislature, for reasons hereafter to be mentioned.

THE mode of representation is not only the best we could devise, but is conformed to the sentiments of a very great majority of individuals in the State, as appears by the returns which they have been pleased to lay before us; and doth not materially differ from that which has long been practised upon in this government: consequently not likely to produce those dangerous evils, which too often flow from the adopting systems not recommended by the voice of experience. Every town, parish, or place, however inconsiderable, may be represented by being classed with some other; and where this cannot be done without inconvenience, the General-Assembly is empowered to grant relief. And should any defects be discovered in the present mode of representation,

a revision at the end of seven years, will afford sufficient opportunity to apply a remedy.

THE choice and powers of the Senate being sufficiently explained in the Constitution, we shall pass over with a bare mention, and proceed to the executive-power.

THIS power is the active principle in all governments. Its department is to put in execution all the laws enacted by the Legislative-body. Its characteristic requisites are secrecy, vigour, and dispatch. The fewer persons therefore, this supreme power is trusted with, the greater probability there is that these requisites will be found. The Convention therefore, on the maturest deliberation, have thought it best to lodge this power in the hands of *one*, whom they have stiled the GOVERNOR. They have indeed clothed him with the necessary powers, while every possible provision is made to guard against the abuse of this high trustment, and protect the rights of the people.—The manner of his choice is such, that he is the most perfect representative of the people. He can take no one step of importance without the advice of his privy Council; and he is elected annually. Every necessary and useful qualification is required in him, in point of age, religion, residency, and fortune. In addition to all which, he is liable for every misconduct to be impeached, tried and displaced, by the two legislative branches; and is amenable to the laws besides, equally with the meanest subject of the State. Thus controlled and checked himself, the Convention thought it reasonable and necessary, that he, in turn, should have some check on the legislative power. They therefore gave him the right of objecting to, and suspending, tho' not the absolute control over the acts of that body; which they thought indispensably necessary to repel any encroachments on the executive-power, and preserve its independency.

As the strength and safety of this State will greatly depend on the keeping up a well regulated militia, we have been particularly attentive to this important object; and after the most mature deliberation have adopted a mode for the appointment of militia officers, which we flatter ourselves will receive your approbation. Experience has sufficiently convinced the Americans in general, and some of our neighbouring States in particular, of the ill consequence, resulting from the method adopted in their Constitutions of the Captains and Subalterns being chosen by the soldiers, and the field officers by the Captains and Subalterns. This not only renders every superior officer dependent on his inferior, but opens a dangerous avenue to division, discord and animosity in every corps; where the election of an officer is not unanimous, which cannot be always rationally expected, indolent and unqualified persons, who know how to gain an ascendancy over the minds of the soldiers, by art, and address, will probably be preferred to those who by a strict attention to the duties of their office, would render the militia respectable in the minds of our friends, and formidable in the eyes of our enemies.

AT the commencement of the present war with Great-Britain, the want of experience necessarily induced many, if not all the States, to adopt this mode of appointing their officers to serve in the Continental army, which method would have continued to this day, if experience had not sufficiently demonstrated, that subordination, harmony, and regular discipline, could not exist, where such appointments were tolerated.

To avoid these, and many other evils, too tedious to enumerate, we have vested the Governor & Council, with the power of appointing the General and field-officers; and have given the field-officers the power of nominating their Captains and Subalterns.

PERSONS qualified to fill the important posts of General and field-officers, will undoubtedly be sufficiently known in the State; and a

knowledge of their talents may be acquired by the Governor and Council, without that difficulty, which would attend an examination, respecting the abilities of persons qualified to serve as Captains and Subalterns.

THE Governor and Council will have every inducement to be particular in the appointment of proper persons, as General & field officers, & the field officers must feel their honor too nearly concerned, in the nomination of their under officers, to recommend any, without first availing themselves of every necessary information and advice. We have been thus particular upon this head on account of its great importance to the State, our own observations, and the opinion of every person versed in the art of war, concur in persuading us, that our safety, and yours, as well as that of unborn posterity, will depend upon your rejecting the ill-judged method of electing officers by the voice of tumult, dissention, and party spirit, and adopting the natural, and rational mode of appointment which we recommend.

THE judicial department falls next under our consideration.

THIS comprehends the Judges of the several courts, and the Justices of the peace throughout the State. These are all appointed by the Governor, with the advice of Council, but not removable by him in case of mal-conduct, but by the Legislature—and in no case without the intervention of that body.

THE Judges all hold their offices during good behaviour; the only proper tenure, especially for the Judges of the Supreme Court of Judicature, as they ought, in a peculiar manner, to feel themselves independent and free, and as none would be at the pains to qualify themselves for such important places, if they were liable to be removed at pleasure. As another inducement for persons so to qualify themselves, as an encouragement to vigilance, and an antidote to bribery and corruption; adequate, honorable, and permanent salaries to the Judges of the Supreme Court in a particular manner, we have made assential in the Constitution, and do now most strongly recommend.

THE alteration of Justices commissions from life, to five years, is to guard against age, incapacity, and too large a number; to secure the appointment of the best; and to prevent too frequent addresses and impeachments. You will judge of the propriety and expediency of this innovation, and either give it your sanction or not as appears to you best.

THE reasons for the EXCLUSION-BILL, are too obvious to need pointing out. Sad experience has evinced the necessity of such provision. Besides the interference of several offices held by the same person, in point of *time*, which we have often *seen*; and the difficulty of one man's giving his attention to many matters sufficiently to understand them all, which we have too often *felt*: there is a still stronger reason, which is the difficulty of a man's preserving his integrity in discharging the duties of each unstained—at least by suspicion.

FROM the deepest impression of the vast importance of LITERATURE in a free government, we have interwoven it with, and made its protection and encouragement a part of the Constitution itself.

THE BILL OF RIGHTS contains the essential principles of the Constitution. It is the foundation on which the whole political fabric is reared, and is consequently, a most important part thereof.

WE have endeavor'd therein to ascertain and define the most important and essential natural rights of men. We have distinguished betwixt the alienable and unalienable rights: For the former of which, men may receive an equivalent; for the latter, or the RIGHTS OF CONSCIENCE, they can receive none: The world itself being wholly inade-

quate to the purchase. "*For what is a man profited, though he should gain the whole world, and lose his own soul?*"

THE various modes of worship among mankind, are founded in their various sentiments and beliefs concerning the GREAT OBJECT of all religious worship and adoration,—therefore to HIM alone, and not to man, are they accountable for them.

THUS the Convention have endeavored to explain as particularly as they could without trespassing on your patience, the reasons and principles upon which they have laboured to form this Constitution. They have done it in integrity and faithfulness. They conceived themselves as part of the community for which the Constitution is intended, and therefore equally interested with the other members in framing the best. Whatever latent defects there may be in it, time will discover them—and, at the end of seven years, provision is made that they may be amended—Confiding therefore in your candour, and humbly imploring on your behalf, that assistance which the fountain of wisdom sees you need, we leave it in your hands, and wait with cheerful acquiescence, your decision.

*In the name, and pursuant to a Resolution of the Convention.*

GEORGE ATKINSON, President.

Attest. JOHN SULLIVAN, *Secretary P. T.*

NOTE BY THE EDITOR.

THE BILL OF RIGHTS, included in this second Constitution, is word for word exactly like that sent out with the first (and hence need not be repeated)—except in the following articles, which readers will please notice;—the difference being marked by parallel lines, thus ||.

---

ARTICLE XVI. No subject shall be liable to be tried after an acquittal, for ||the same crime or offence.|| Nor shall the Legislature make any law that shall subject any person to a capital punishment,—excepting for the government of the army and navy, and the militia in actual service.—without trial by Jury.

ARTICLE XVII. In criminal prosecutions, the trial of facts in the vicinity where they happen, is so essential to the security of life, liberty and estate of the citizen, that no crime or offence ought to be tried in any other county than where it is committed; ||except in cases of a general insurrection in any particular county, where it shall appear to the Judges of the Superior Court, that an impartial trial cannot be had in the county where the offence may be committed, and upon their report, the Assembly shall think proper to direct the trial in the nearest county where an impartial trial can be obtained.||

ARTICLE XX. [The last line.] the Legislature shall ||think|| it necessary hereafter to alter it.

ARTICLE XXXVI. Economy being a most essential virtue in all States, ||more especially in a young one, no person ought to receive any stipend or salary, but as an equivalent for actual services; and the Legislature ought to be exceeding cautious of granting pensions, especially for life.||

## A CONSTITUTION OR FORM OF GOVERNMENT

FOR THE STATE OF NEW HAMPSHIRE.

## PART II.

THE People inhabiting the Territory formerly called the Province of *New-Hampshire*, do hereby solemnly and mutually agree with each other, to form themselves into a free, sovereign, and independent Body politic or State, by the Name of the STATE OF NEW-HAMPSHIRE.

## THE GENERAL COURT.

THE Supreme Legislative power within this State shall be vested in a Senate and House of Representatives, each of which shall have a negative on the other.

THE Senate and House shall assemble every year on the first Wednesday of *June*, and at such other times as they may judge necessary, and shall dissolve, and be dissolved, seven days next preceding the said first Wednesday in *June*; and shall be stiled THE GENERAL COURT OF NEW-HAMPSHIRE.

No bill or resolve of the Senate or House of Representatives shall become a law, and have force as such, until it shall have been laid before the Governor for his revision: And if he, upon such revision, approve thereof, he shall signify his approbation by signing the same.— But if he has any objection to the passing of such bill or resolve, he shall return the same, together with his objections thereto, in writing, to the Senate or House of Representatives, in which soever the same shall have originated: who shall enter the objections sent down by the Governor, at large, on their records, and proceed to reconsider the said bill or resolve: But if upon such reconsideration, three quarters of the said Senate or House of Representatives, shall notwithstanding the said objections, agree to pass the same, it shall, together with the objections, be sent to the other branch of the Legislature, where it shall be also reconsidered, and if approved by three quarters of the members present, it shall have the force of law: But in all such cases, the votes of both Houses shall be determined by yeas and nays; and the names of the persons voting for, or against, the said bill or resolve, shall be entered upon the public records of the State.

And in order to prevent unnecessary delays, if any bill or resolve having been presented to the Governor, shall not be returned by him within the next eight days of the sitting of the General-Assembly, at the same session: or if it shall not so long continue, then on the second day of their next session, the same shall have the force of a law.

THE General Court shall forever have full power and authority to erect and constitute judicatories and courts of record, or other courts, to be holden in the name of the State, for the hearing, trying, and determining all manner of crimes, offences, pleas, processes, plaints, actions, causes, matters, and things, whatsoever: arising, or happening within this State, or between or concerning persons inhabiting, or residing, or brought within the same, whether the same be criminal or civil, or whether the crimes be capital, or not capital, and whether the said pleas be real, personal, or mixt: and for the awarding and issuing execution thereon. To which courts and judicatories are hereby given and granted full power and authority, from time to time, to administer

oaths or affirmations, for the better discovery of truth in any matter in controversy, or depending before them.

AND farther, full power and authority are hereby given and granted to the said General Court, from time to time, to make, ordain, and establish, all manner of wholesome and reasonable orders, laws, statutes, ordinances, directions and instructions, either with penalties or without; so as the same be not repugnant, or contrary to this Constitution, as they may judge for the benefit and welfare of this State, and for the governing and ordering thereof, and of the subjects of the same, for the necessary support and defence of the government thereof; and to name and settle annually, or provide by fixed laws, for the naming and settling all civil officers within this State; such officers excepted, the election and appointment of whom, are hereafter in this form of government otherwise provided for; and to set forth the several duties, powers, and limits, of the several civil and military officers of this State, and the forms of such oaths or affirmations, as shall be respectively administered unto them for the execution for their several offices and places, so as the same be not repugnant or contrary to this Constitution; and also to impose fines, mulcts, imprisonments, and other punishments; and to impose and levy proportional and reasonable assessments, rates and taxes, upon all the inhabitants of, and residents within the said State; and upon all estates within the same; to be issued and disposed of by warrant under the hand of the Governor of this State for the time being, with the advice and consent of the Council, for the public service, in the necessary defence and support of the Government of this State, and the protection and preservation of the subjects thereof, according to such acts as are, or shall be in force within the same.

AND while the public charges of government or any part thereof, shall be assessed on polls and estates in the manner that has heretofore been practised; in order that such assessments may be made with equality, there shall be a valuation of the estates within the State taken anew once in every five years at least, and as much oftener as the General Court shall order.

#### SENATE.

THERE shall be annually elected by the freeholders and other inhabitants of this State, qualified as in this Constitution is provided, twelve persons to be Senators for the year ensuing their election; to be chosen in and by the inhabitants of the districts, into which this State may from time to time be divided by the General Court for that purpose: And the General Court, in assigning the number to be elected by the respective districts, shall govern themselves by the proportion of public taxes paid by the said districts; and timely make known to the inhabitants of the State, the limits of each district, and the number of Senators to be elected therein; provided the number of such districts shall never be more than ten, nor less than five.

AND the several Counties in this State, shall, until the General Court shall order otherwise, be districts for the election of Senators, and shall elect the following number, viz.

*Rockingham, five.*  
*Strafford, two.*  
*Hillsborough, two.*  
*Cheshire, two.*  
*Grafton, one.*

THE Senate shall be the first branch of the Legislature: And the Senators shall be chosen in the following manner, viz. Every male inhabitant of each Town and Parish with town privileges in the several Counties in this State, of twenty one years of age and upwards, paying

And that in every class formed for the above mentioned purpose, the first annual meeting shall be held in the Town, Parish, or place wherein most of the rateable polls reside; and afterwards in that which has the next highest number, and so on annually by rotation, through the several Towns, Parishes or places, forming the district.

THAT whenever any Town, Parish, or place intitled to town privileges as aforesaid, shall not have one hundred and fifty rateable polls, and be so situated as to render the classing thereof with any other Town, Parish, or place very inconvenient, the General Assembly may upon application of a majority of the voters in such Town, Parish, or place, issue a writ for their electing and sending a representative to the General Court.

They shall have authority to punish by imprisonment, every person who shall be guilty of disrespect to the house in its presence, by any disorderly and contemptuous behavior, or by threatening, or ill treating any of its members; or by obstructing its deliberations: every person guilty of a breach of its privileges in making arrests for debt, or by assaulting any of its members during his attendance at any session, in assaulting or disturbing any one of its officers in the execution of any order or procedure of the house, in assaulting any witness, or other person, ordered to attend by and during his attendance of the house, or in rescuing any person arrested by order of the house, knowing them to be such. (1) See N. H. Reg. 1852, p. 26. The whole time from the beginning of the first Convention, June 5, 1781, to the declaration of the Constitution, Oct. 31, 1783, was two years, four months, and twenty-six days,—with seven sessions. ED.

and met accordingly. On examination of the votes returned for and against the said *third* Constitution, they found it was *accepted* by the people.

In order to facilitate a comparison of the Constitution finally adopted with the first and second which were rejected; and to enable persons who have not other means of information on the subject, to trace the process and progress in the "task" of forming a Constitution which the people approved and accepted; the Editor, with advice, has judged it expedient to print the whole Constitution, with the Bill of Rights entire, as the closing matter of this Volume—venturing to submit his opinion, in the form of a Note, on the first and second articles of said Bill, touching the application of the principles therein to the subject of Slavery in New Hampshire.

## A CONSTITUTION,

CONTAINING A BILL OF RIGHTS, AND FORM OF GOVERNMENT,

Agreed upon by the Delegates of the people of the State of New-Hampshire, in Convention, held at Concord, on the first Tuesday of June, 1783; submitted to, and approved of, by the people of said State; and established by their Delegates in Convention, October 31, 1783.

### PART I.

#### *The Bill of Rights.*

##### ARTICLE I.

ALL men are born equally free and independent; therefore, all government of right originates from the people, is founded in consent, and instituted for the general good.

II. All men have certain natural, essential, and inherent rights; among which are—the enjoying and defending life and liberty—acquiring, possessing and protecting property—and in a word, of seeking and obtaining happiness.\*

\* The Editor respectfully submits the opinion, that the first and second Articles in this BILL OF RIGHTS virtually, and in effect, abolished slavery as it existed in New Hampshire. This is evident from the following considerations and facts:

(1) As preliminary, it should be understood that slavery was never *legalized* in New Hampshire, *i. e.* never established by authority of law; but as it existed in other Colonies, it gradually crept in and was tolerated and regulated from time to time, here; so that Indian and negro servants or slaves were owned and held as property.—Laws of N. H. 1771, pp. 52, 53, 101; Prov. Pap. Vol. IV. pp. 245, 301, 305, 497, 499.

(2) Whether the first and second articles in the Bill of Rights, were originally *designed* to abolish slavery, and were voted on and adopted by the people generally with that understanding, may be a question;

III. When men enter into a state of society, they surrender up some of their natural rights to that society, in order to in-

but that this was the effect of their adoption cannot be doubted, for the following reasons, viz.:

1. According to the census of New Hampshire taken in 1767, the number of "slaves" in the Province was 633; according to the census of 1775, the number of "negroes & slaves for life" was 657.—See Prov. Pap. N. H. Vol. VII. pp. 168-170 and 724-780; Comp. Coll. N. H. Hist. Soc. Vol. I. pp. 231-235. By the U. S. census, 1790, only six years after the adoption of the State Constitution, the number of "SLAVES" in New Hampshire was returned as 158; but by the census of 1800, only 8; of 1810, 0; of 1820, 0; in 1830, 3 were returned; in 1840, 1; since which, none has been returned. The proper explanation of these incompatible returns, the Editor conceives to be: That although by the State Constitution adopted in 1784, slavery was in fact terminated, and a very large proportion of those held as slaves availed themselves of their liberty, or were discharged; yet as a portion of them still remained in the families where they had lived, and perhaps did not desire a change; they were inadvertently reckoned by the census-takers, under the head of "Slaves"; no discrimination being made in regard to their condition, though in reality free. No other supposition can explain the inconsistency of the census returns at different periods: that is, 158 "slaves," in 1790; 8, in 1800; 0, in 1810 and 1820. We cannot suppose that in the first decade, 150 slaves died, or otherwise changed their condition, leaving only 8, in 1800; and that of these, not one was left in 1810 and 1820, and yet there were 3 in 1830, and 1 in 1840.

2. But a still higher proof that the Bill of Rights abolished slavery, is found in the fact that previous and up to the adoption of the constitution, slaves had been for many years rated and taxed to their owners as horses, oxen and other kinds of property were taxed. See this point fully confirmed in Prov. Papers N. H., Vol. IV. pp. 301, 305, 497; Vol. VI. p. 175; Vol. VII. p. 143; Vol. VIII. pp. 849 and 966. This practice of assessing and taxing slaves, it is conceded, extended even a few years beyond 1784. But the reason or explanation of this is wholly consistent with the fact which we allege as to its proper termination: the explanation is this: That previous to the adoption of the constitution, preliminary steps were taken, Feb. 21, 1783, for a new proportion and inventory of all ratable estate, for taxation: A committee was appointed to prepare and bring in a bill for that purpose; which however was not completed, reported and passed till the June session, 1784. That bill like former ones included a tax "on male and female negroes and mulatto servants from 16 to 45 years of age;" this act continued in force until a new proportion was made, Feb. 8, 1785. See Prov. Pap. N. H., Vol. VIII. p. 966; also MS. Acts 1780-1784, pp. 562-572, in Secretary's office, and printed Journals of the House, 1788-9, in library of the N. H. Hist. Soc.; during which period, some who remained in families as servants were taxed to their owners—at least it so appears from town rates, as paid in Portsmouth, Dover and other places.

3. But as conclusive and final proof on this subject, it appears that when a new proportion was proposed at the fall session, 1788, on the 30<sup>th</sup> December, "The House took under consideration the Act for establishing an equitable method of making taxes," &c. and "after considerable debate, Voted, That polls in the said proportion be estimated at ten shillings (*male and female servants expunged*); horses and oxen four years old and upwards, at three shillings," &c. This vote was concurred by the Senate, and when the Bill was finally passed,

sure the protection of others; and, without such an equivalent, the surrender is void.

IV. Among the natural rights, some are in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the RIGHTS OF CONSCIENCE.

V. Every individual has a natural and unalienable right to worship GOD according to the dictates of his own conscience and reason; and no subject shall be hurt, molested, or restrained in his person, liberty or estate for worshipping GOD, in the manner and season most agreeable to the dictates of his own conscience, or for his religious profession, sentiments or persuasion; provided he doth not disturb the public peace, or disturb others in their religious worship.

VI. As morality and piety, rightly grounded on evangelical principles, will give the best and greatest security to government, and will lay in the hearts of men the strongest obligations to due subjection; and as the knowledge of these, is most likely to be propagated through a society by the institution of the public worship of the DEITY, and of public instruction in morality and religion; therefore, to promote those important purposes, the people of this state have a right to empower, and do hereby fully empower the legislature to authorize from time to time, the several towns, parishes, bodies-corporate, or religious societies within this state, to make adequate provision at their own expence, for the support and maintenance of public Protestant teachers of piety, religion and morality:

*Provided notwithstanding,* That the several towns, parishes,

Feb. 8, 1789, and received the consent and signature of the governor, slaves ceased to be known and held as property in New Hampshire. No after legislation recognized the existence of slavery. The institution was dead.

In this conclusion, the Editor is happy to have the opinion of the Hon. CHARLES DOE, late judge in our Superior Court, who says, in a letter, Dec. 6, 1875: "It seems to me that a statement of the two facts that slaves were included in the Act of 1784, and were by an erasure of the MS. omitted in the Act of 1789—*intentionally* omitted—and the third fact, that they were taxed as property to their masters for several years under the Act of 1784, and probably every year until the Act of 1789; will throw more light on the *intention* of New Hampshire to abolish slavery, than anything else there is in print: That expunging of 'male and female servants' in the MS. of 1789, seems to me very significant as showing an *intention* to treat slavery as a dead institution."

4. With the above statements and facts, it is manifest, that Dr. Belknap was mistaken in the opinion which he seemed to favor, that the Bill of Rights had only the effect to give freedom to those who should be *born after the adoption of the constitution*. [See Belk. Hist. N. H., Vol. 3, pp. 211, 212. 1812.]

For facts in illustration and confirmation of the foregoing opinion, see Bouton's Hist. of Concord, pp. 250-254.

bodies-corporate, or religious societies, shall at all times have the exclusive right of electing their own public teachers, and of contracting with them for their support and maintenance. And no person of any one particular religious sect or denomination, shall ever be compelled to pay towards the support of the teacher or teachers of another persuasion, sect or denomination.

And every denomination of christians demeaning themselves quietly, and as good subjects of the state, shall be equally under the protection of the law: and no subordination of any one sect or denomination to another, shall ever be established by law.

And nothing herein shall be understood to affect any former contracts made for the support of the ministry; but all such contracts shall remain, and be in the same state as if this constitution had not been made.

VII. The people of this state, have the sole and exclusive right of governing themselves as a free, sovereign, and independent state, and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction and right pertaining thereto, which is not, or may not hereafter be by them expressly delegated to the United States of America in Congress assembled.

VIII. All power residing originally in, and being derived from the people, all the magistrates and officers of government, are their substitutes and agents, and at all times accountable to them.

IX. No office or place whatsoever in government, shall be hereditary—the abilities and integrity requisite in all, not being transmissible to posterity or relations.

X. Government being instituted for the common benefit, protection, and security of the whole community, and not for the private interest or emolument of any one man, family or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right ought, to reform the old, or establish a new government. The doctrine of non-resistance against arbitrary power, and oppression, is absurd, slavish, and destructive of the good and happiness of mankind.

XI. All elections ought to be free, and every inhabitant of the state having the proper qualifications, has equal right to elect, and be elected into office.

XII. Every member of the community has a right to be protected by it in the enjoyment of his life, liberty and property; he is therefore bound to contribute his share in the expence of such protection, and to yield his personal service when necessary, or an equivalent. But no part of a man's property shall be taken from him, or applied to public uses, without his own

consent, or that of the representative body of the people. Nor are the inhabitants of this state controllable by any other laws than those to which they or their representative body have given their consent.

XIII. No person who is conscientiously scrupulous about the lawfulness of bearing arms, shall be compelled thereto, provided he will pay an equivalent.

XIV. Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property or character, to obtain right and justice freely, without being obliged to purchase it; completely, and without any denial; promptly, and without delay, conformably to the laws.

XV. No subject shall be held to answer for any crime, or offence, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. And every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defence by himself, and counsel. And no subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled or deprived of his life, liberty, or estate, but by the judgment of his peers or the law of the land.

XVI. No subject shall be liable to be tried, after an acquittal, for the same crime or offence.--Nor shall the legislature make any law that shall subject any person to a capital punishment, excepting for the government of the army and navy, and the militia in actual service, without trial by jury.

XVII. In criminal prosecutions, the trial of facts in the vicinity where they happen, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offence ought to be tried in any other county than that in which it is committed; except in cases of general insurrection in any particular county, when it shall appear to the Judges of the Superior Court, that an impartial trial cannot be had in the county where the offence may be committed, and upon their report the assembly shall think proper to direct the trial in the nearest county in which an impartial trial can be obtained.

XVIII. All penalties ought to be proportioned to the nature of the offence. No wise legislature will affix the same punishment to the crimes of theft, forgery and the like, which they do to those of murder and treason: where the same undistinguishing severity is exerted against all offences, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do those of the lightest dye: For the same reason a multitude

of sanguinary laws is both impolitic and unjust. The true design of all punishments being to reform, not to exterminate, mankind.

XIX. Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. All warrants, therefore, are contrary to this right, if the cause or foundation of them be not previously supported by oath, or affirmation; and if the order in the warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons, or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; and no warrant ought to be issued but in cases, and with the formalities prescribed by the laws.

XX. In all controversies concerning property, and in all suits between two or more persons, except in cases in which it has been heretofore otherwise used and practised, the parties have a right to a trial by jury; and this method of procedure shall be held sacred, unless in causes arising on the high seas, and such as relate to mariners wages, the legislature shall think it necessary hereafter to alter it.

XXI. In order to reap the fullest advantage of the inestimable privilege of the trial by jury, great care ought to be taken that none but qualified persons should be appointed to serve; and such ought to be fully compensated for their travel, time and attendance.

XXII. The Liberty of the Press is essential to the security of freedom in a state; it ought, therefore, to be inviolably preserved.

XXIII. Retrospective laws are highly injurious, oppressive and unjust. No such laws, therefore, should be made, either for the decision of civil causes, or the punishment of offences.

XXIV. A well regulated militia is the proper, natural, and sure defence of a state.

XXV. Standing armies are dangerous to liberty, and ought not to be raised or kept up without the consent of the legislature.

XXVI. In all cases, and at all times, the military ought to be under strict subordination to, and governed by the civil power.

XXVII. No soldier in time of peace, shall be quartered in any house without the consent of the owner; and in time of war, such quarters ought not to be made but by the civil magistrate, in a manner ordained by the legislature.

XXVIII. No subsidy, charge, tax, impost or duty shall be established, fixed, laid or levied, under any pretext whatsoever, without the consent of the people or their representatives in the legislature, or authority derived from that body.

XXIX. The power of suspending the laws, or the execution of them, ought never to be exercised but by the legislature, or by authority derived therefrom, to be exercised in such particular cases only as the legislature shall expressly provide for.

XXX. The freedom of deliberation, speech, and debate, in either house of the legislature, is so essential to the rights of the people, that it cannot be the foundation of any action, complaint, or prosecution, in any other court or place whatsoever.

XXXI. The legislature ought frequently to assemble for the redress of grievances, for correcting, strengthening, and confirming the laws, and for making new ones, as the common good may require.

XXXII. The people have a right in an orderly and peaceable manner, to assemble and consult upon the common good, give instructions to their representatives; and to request of the legislative body, by way of petition or remonstrance, redress of the wrongs done them, and of the grievances they suffer.

XXXIII. No magistrate or court of law shall demand excessive bail or sureties, impose excessive fines, or inflict cruel or unusual punishments.

XXXIV. No person can in any case be subjected to law martial, or to any pains, or penalties, by virtue of that law, except those employed in the army or navy, and except the militia in actual service, but by authority of the legislature.

XXXV. It is essential to the preservation of the rights of every individual, his life, liberty, property and character, that there be an impartial interpretation of the laws, and administration of justice. It is the right of every citizen to be tried by judges as impartial as the lot of humanity will admit. It is therefore not only the best policy, but for the security of the rights of the people, that the judges of the supreme (or superior) judicial court should hold their offices so long as they behave well; and that they should have honorable salaries, ascertained and established by standing laws.

XXXVI. Economy being a most essential virtue in all states, especially in a young one; no pension shall be granted, but in consideration of actual services, and such pensions ought to be granted with great caution, by the legislature, and never for more than one year at a time.

XXXVII. In the government of this state, the three essential powers thereof, to wit, the legislative, executive and judicial, ought to be kept as separate from and independent of each other, as the nature of a free government will admit, or as is consistent with that chain of connection that binds the whole fabric of the constitution in one indissoluble bond of union and amity.

XXXVIII. A frequent recurrence to the fundamental prin-

ciples of the Constitution, and a constant adherence to justice, moderation, temperance, industry, frugality, and all the social virtues, are indispensably necessary to preserve the blessings of liberty and good government; the people ought, therefore, to have a peculiar regard to all those principles in the choice of their officers and representatives: and they have a right to require of their law-givers and magistrates, an exact and constant observance of them in the formation and execution of the laws necessary for the good administration of government.

---

*PART II.*

THE FORM OF GOVERNMENT.

THE people inhabiting the territory formerly called the Province of New-Hampshire, do hereby solemnly and mutually agree with each other, to form themselves into a free, sovereign, and independent Body-politic, or State, by the name of the STATE OF NEW-HAMPSHIRE.

THE GENERAL COURT.

THE supreme legislative power within this state shall be vested in the senate and house of representatives, each of which shall have a negative on the other.

THE senate and house shall assemble every year on the first Wednesday of June, and at such other times as they may judge necessary; and shall dissolve, and be dissolved, seven days next preceding the said first Wednesday of June: and shall be stiled THE GENERAL COURT OF NEW-HAMPSHIRE.

THE general court shall forever have full power and authority to erect and constitute judicatories and courts of record, or other courts, to be holden in the name of the state, for the hearing, trying, and determining all manner of crimes, offences, pleas, processes, plaints, actions, causes, matters and things whatsoever, arising or happening within this state, or between or concerning persons inhabiting or residing, or brought within the same, whether the same be criminal or civil, or whether the crimes be capital or not capital, and whether the said pleas be real, personal, or mixed; and for the awarding and issuing execution thereon. To which courts and judicatories are hereby given and granted full power and authority, from time to time to administer oaths or affirmations, for the better discovery of truth in any matter in controversy, or depending before them.

AND farther, full power and authority are hereby given and granted to the said general court, from time to time, to make, ordain and establish, all manner of wholesome and reasonable

orders, laws, statutes, ordinances, directions and instructions, either with penalties or without: so as the same be not repugnant, or contrary to this constitution, as they may judge for the benefit and welfare of this state, and for the governing and ordering thereof, and of the subjects of the same, for the necessary support and defence of the government thereof; and to name and settle annually, or provide by fixed laws, for the naming and settling all civil officers within this state; such officers excepted, the election and appointment of whom are hereafter in this form of government otherwise provided for; and to set forth the several duties, powers and limits of the several civil and military officers of this state, and the forms of such oaths or affirmations, as shall be respectively administered unto them for the execution of their several offices and places, so as the same be not repugnant or contrary to this constitution; and also to impose fines, mulcts, imprisonments, and other punishments; and to impose and levy proportional and reasonable assessments, rates and taxes, upon all the inhabitants of, and residents within the said state; and upon all estates within the same: to be issued and disposed of by warrant under the hand of the president of this state for the time being, with the advice and consent of the council, for the public service, in the necessary defence and support of the government of this state, and the protection and preservation of the subjects thereof, according to such acts as are, or shall be in force within the same.

AND while the public charges of government or any part thereof, shall be assessed on polls and estates in the manner that has heretofore been practised; in order that such assessments may be made with equality, there shall be a valuation of the estates within the state taken anew once in every five years at least, and as much oftener as the general court shall order.

#### SENATE.

THERE shall be annually elected by the freeholders and other inhabitants of this state, qualified as in this constitution is provided, twelve persons to be senators for the year ensuing their election; to be chosen in and by the inhabitants of the districts, into which this state may from time to time be divided by the general court, for that purpose: and the general court in assigning the number to be elected by the respective districts, shall govern themselves by the proportion of public taxes paid by the said districts; and timely make known to the inhabitants of the state, the limits of each district, and the number of senators to be elected therein; provided the number of such districts shall never be more than ten, nor less than five.

AND the several counties in this state, shall, until the gen

eral court shall order otherwise, be districts for the election of senators, and shall elect the following number, viz.

ROCKINGHAM, five. STRAFFORD, two. HILLSBOROUGH, two. CHESHIRE, two. GRAFTON, one.

THE senate shall be the first branch of the legislature: and the senators shall be chosen in the following manner, viz. Every male inhabitant of each town and parish with town privileges in the several counties in this state, of twenty-one years of age and upwards, paying for himself a poll tax, shall have a right at the annual or other meetings of the inhabitants of said towns and parishes, to be duly warned and holden annually forever in the month of March; to vote in the town or parish wherein he dwells, for the senators in the county or district whereof he is a member.

AND every person qualified as the constitution provides, shall be considered an inhabitant for the purpose of electing and being elected into any office or place within this state, in that town, parish and plantation where he dwelleth and hath his home.

THE selectmen of the several towns and parishes aforesaid, shall, during the choice of senators, preside at such meetings impartially, and shall receive the votes of all the inhabitants of such towns and parishes present and qualified to vote for senators, and shall sort and count the same in the meeting, and in presence of the town clerk, who shall make a fair record in presence of the selectmen, and in open meeting, of the name of every person voted for, and the number of votes against his name; and a fair copy of this record shall be attested by the selectmen and town-clerk, and shall be sealed up and directed to the secretary of the state, with a superscription expressing the purport thereof, and delivered by said clerk to the sheriff of the county in which such town or parish lies, thirty days at least, before the first Wednesday of June; and the sheriff of each county, or his deputy, shall deliver all such certificates by him received, into the secretary's office, seventeen days at least, before the first Wednesday of June.

AND the inhabitants of plantations and places unincorporated, qualified as this constitution provides, who are or shall be required to assess taxes upon themselves towards the support of government, or shall be taxed therefor, shall have the same privilege of voting for senators in the plantations and places wherein they reside, as the inhabitants of the respective towns and parishes aforesaid have. And the meetings of such plantations and places for that purpose, shall be holden annually in the month of March, at such places respectively therein, as the assessors thereof shall direct; which assessors shall have like authority for notifying the electors, collecting and returning the

votes, as the selectmen and town-clerks have in their several towns by this constitution.

AND, that there may be a due meeting of senators, on the first Wednesday of June, annually, the president and three of the council for the time being, shall as soon as may, examine the returned copies of such records; and fourteen days before the said first Wednesday of June, he shall issue his summons to such persons as appear to be chosen senators by a majority of votes, to attend and take their seats on that day: *Provided, nevertheless*, that for the first year the said returned copies shall be examined by the president and five of the council of the former constitution of government; and the said president shall in like manner notify the persons elected, to attend and take their seats accordingly.

THE senate shall be final judges of the elections, returns, and qualifications of their own members, as pointed out in this constitution, and shall on the said first Wednesday of June annually, determine and declare, who are elected by each district to be senators by a majority of votes: and in case there shall not appear to be the full number returned elected by a majority of votes for any district, the deficiency shall be supplied in the following manner, viz. The members of the house of representatives and such senators as shall be declared elected, shall take the names of such persons as shall be found to have the highest number of votes in each district, and not elected, amounting to twice the number of senators wanting, if there be so many voted for; and out of these shall elect by joint ballot the number of senators wanted for such district: and in this manner all such vacancies shall be filled up in every district of the state, and in like manner all vacancies in the senate, arising by death, removal out of the state, or otherwise, shall be supplied as soon as may be after such vacancies happen.

*Provided nevertheless*, That no person shall be capable of being elected a senator, who is not of the protestant religion, and seized of a freehold estate in his own right of the value of *two hundred pounds*, lying within this state, who is not of the age of thirty years, and who shall not have been an inhabitant of this state for seven years immediately preceding his election; and at the time thereof he shall be an inhabitant of the district for which he shall be chosen.

THE senate shall have power to adjourn themselves, provided such adjournment do not exceed two days at a time.

THE senate shall appoint their own officers, and determine their own rules of proceedings. And not less than seven members of the senate shall make a quorum for doing business; and when less than eight senators shall be present, the assent of five at least shall be necessary to render their acts and proceedings valid.

The senate shall be a court with full power and authority to hear and determine all impeachments made by the house of representatives, against any officer or officers of the state, for misconduct or mal-administration in their offices. But previous to the trial of any such impeachment, the members of the senate shall respectively be sworn, truly and impartially to try and determine the charge in question according to evidence. Their judgment, however, shall not extend farther than removal from office, disqualification to hold or enjoy any place of honor, trust or profit under this state; but the party so convicted, shall nevertheless be liable to indictment, trial, judgment, and punishment, according to laws of the land.

#### HOUSE OF REPRESENTATIVES.

THERE shall be in the legislature of this state a representation of the people annually elected and founded upon principles of equality: and in order that such representation may be as equal as circumstances will admit, every town, parish, or place intitled to town privileges, having one hundred and fifty rateable male polls, of twenty-one years of age, and upwards, may elect one representative; if four hundred and fifty rateable polls, may elect two representatives; and so proceeding in that proportion, making three hundred such rateable polls the mean increasing number, for every additional representative.

Such towns, parishes or places as have less than one hundred and fifty rateable polls shall be classed by the general-assembly for the purpose of choosing a representative, and seasonably notified thereof. And in every class formed for the above-mentioned purpose, the first annual meeting shall be held in the town, parish, or place wherein most of the rateable polls reside; and afterwards in that which has the next highest number, and so on annually by rotation, through the several towns, parishes or places, forming the district.

WHENEVER any town, parish, or place intitled to town privileges as aforesaid, shall not have one hundred and fifty rateable polls, and be so situated as to render the classing thereof with any other town, parish, or place very inconvenient, the general-assembly may upon application of a majority of the voters in such town, parish, or place, issue a writ for their electing and sending a representative to the general-court.

THE members of the house of representatives shall be chosen annually in the month of March, and shall be the second branch of the legislature.

ALL persons qualified to vote in the election of senators shall be intitled to vote within the town, district, parish, or place where they dwell, in the choice of representatives. Every

member of the house of representatives shall be chosen by ballot; and for two years at least next preceding his election, shall have been an inhabitant of this state, shall have an estate within the town, parish, or place which he may be chosen to represent, of the value of *one hundred pounds*, one half of which to be a freehold, whereof he is seized in his own right; shall be at the time of his election, an inhabitant of the town, parish, or place he may be chosen to represent; shall be of the protestant religion, and shall cease to represent such town, parish, or place immediately on his ceasing to be qualified as aforesaid.

THE travel of each representative to the general-assembly, and returning home, once in every session, and no more, shall be at the expence of the state, and the wages for his attendance, at the expence of the town, parish, or places he represents; such members attending seasonably, and not departing without licence. All intermediate vacancies in the house of representatives, may be filled up from time to time, in the same manner as annual elections are made.

THE house of representatives shall be the grand inquest of the state, and all impeachments made by them, shall be heard and tried by the senate.

ALL money bills shall originate in the house of representatives, but the senate may propose or concur with amendments as on other bills.

THE house of representatives shall have power to adjourn themselves, but no longer then two days at a time.

A majority of the members of the house of representatives shall be a quorum for doing business: but when less than two thirds of the representatives elected shall be present, the assent of two thirds of those members shall be necessary to render their acts and proceedings valid.

No member of the house of representatives or senate, shall be arrested or held to bail on mean process, during his going to, returning from, or attendance upon the court.

THE house of representatives shall choose their own speaker, appoint their own officers, and settle the rules of proceedings in their own house. They shall have authority to punish by imprisonment, every person who shall be guilty of disrespect to the house in its presence, by any disorderly and contemptuous behaviour, or by threatening, or ill treating any of its members: or by obstructing its deliberations: every person guilty of a breach of its privileges in making arrests for debt, or by assaulting any member during his attendance at any session; in assaulting or disturbing any one of its officers in the execution of any order or procedure of the house, in assaulting any witness, or other person, ordered to attend by and dur-

ing his attendance of the house, or in rescuing any person arrested by order of the house, knowing them to be such. The senate, president and council, shall have the same powers in like cases: provided that no imprisonment by either, for any offence, exceed ten days.

THE journals of the proceedings of both houses of the general-court, shall be printed and published, immediately after every adjournment, or prorogation; and upon motion made by any one member, the yeas and nays upon any question, shall be taken and entered in the journals.

# INDEX OF NAMES.

Readers will please take notice, that in this Index, names which very frequently occur in the same town, are not always noted page by page, but designated by a - joining the pages on which they are found. Hence, when the residence of a particular name is once ascertained, it may be well to look for its repetition on every page of the town thereto related. It will be seen that the same name is often spelled in different ways. The names of Governors, Clerks, Secretaries, &c. which are officially signed, occurring more or less on every page, are not repeated. Errors will probably be found, but the Index has cost the Editor immense labor, to make it accurate.
